## Alfred Melvin Bishop

Funeral services for Alfred Melvin Bishop, who passed away last Sunday morning, were held from the Church of Christ of Hedley Monday afternoon. Bro. Frank E. Chism had charge of the services and burial followed in Howe cemetery under direction of Womack Funeral Home.

Mr. Bishop was 86 years of age and moved to Texas when he was nine years old from Winfield, Alabama where he was born.

He is survived by his wife, Lucy Bishop, two children, Alice, a teacher in the Hedley Schools and Grady, also of Hedley, and one foster child, Wanda Horn and two sisters, Mrs. F. G. Estes of Golden, Texas and Mrs. D. Meek of Quitman, Texas.

pallbearers were Raymond Everett, A. B. Langford, Lee Usrey, Bart Usrey, Olin Usrey and W. I. Wood.

The Informer extends sincere sympathy to the bereaved.

## METHODIST CHURCH

O. R. LeMond, Pastor

The Young People's Day at the local Church Sunday is counted a good success. Several of the Young People taught in the Church School Sunday morning. Their work was well done and greatly appreciated by the regular teachers. Judge Porter of Clarendon spoke at the morning worship hour. The pastor was the guest preacher for the Clarendon Methodist Church Sunday morning. Today night the Young People had charge of the service. There was a fine attendance of Young People. Mrs. Snowden is their sponsor and led them in a good program.

Adell Myers, president of the Youth's Organization was in charge of the program and presided for the meeting. All who attended enjoyed the program. A good group of Young People attended the Sub Dist. meeting at Lakeview Tuesday night.

It has been definitely decided that the Revival will begin April 10 with the evening service. Watch for further notice. Rev. U. S. Sherrill of Quitaque will be the helper in the meeting.

We are to begin what shall be known as Family night at the Church this month. The date set for the first meeting is April 27. This is to be Quarterly and is to be of the nature of a get-together meeting for the entire church and the entire family. It will be of a social nature with a good program planned for each occasion. Light refreshments will be served. The Board of Stewards will serve for the first meeting. We need more of this kind of meeting in our churches, and it is urged that the membership and friends of the Church reserve this night and be present for this most worthwhile gathering.

The WSSS will serve the Mother Daughter Banquet the first week in May. You will not want to miss this banquet.

The attendance at church has been good most of the time, but there are a lot more who ought to be present every Sunday. Friends, make a special effort to attend. It will do you good and help someone else too.

The games will begin at 8:30

## Woman's Culture Club

The Woman's Culture Club met March 4 with Mrs. Dudley as hostess. We had a very interesting program. Go With Us to Mexico. Each of the members answered the roll call with a Mexico City, Monterrey, San Luis and Saltillo. Mrs. Dishman took an interesting trip to Mexico. Mrs. Watkins played two selections on the piano. The club sang two Mexican songs, La Oaxaca and South of the Border. A very interesting story about a boy, a girl and a dog was given by Mrs. H. H. H. Mrs. F. Naylor gave a talk on Fiesta Days in Mexico.

At the close of the program, Mrs. Foreman presented a very lovely exhibit, consisting of various articles, which had come from Mexico. After the social hour, we adjourned to meet with Miss Dorothy Land in the home Mrs. R. W. Senies March 25.

The club presented this same program at school for the faculty and student body Friday morning at the chapel hour.

WEEKLY NEWS ANALYSIS By Edward C. Wayne

**Wavell Is Removed as Commander In New Southwest Pacific Shakeup; Pincers Movement of Russian Army Closing on 96,000 German Troops**

(EDITOR'S NOTE—When opinions are expressed in these columns, they are those of the news analyst and not necessarily of this newspaper.) (Released by Western Newspaper Union.)

**BAD NEWS: From Pacific**

The warnings given the American and British public by President Roosevelt and Prime Minister Churchill that more reverses could be expected in the South Pacific were borne out when the Japanese, in the face of determined naval opposition, made three simultaneous landings on Java.

There were signs, immediately, that the fall of this island of 40,000,000 people was expected, though the shore garrisons were apparently ready to put up a determined fight.

Admiral Helfrich's combined Dutch, American, British and Australian squadrons had sailed out to meet the invaders, and first reports were that, though terrifically outnumbered, the defending vessels had forced the invaders to scatter.

Later news, however, showed that the Japs had managed to evade the ring of steel about the island, and had landed on the east, in the west and on the north central front of the island.

The attack was costly to the Japanese, as they lost a large cruiser and three destroyers. But they got ashore, and in force, the landing on the central portion being described in Batavia dispatches as "extensive."

The disturbing news was accompanied by word that the American

Removal of Sir Archibald P. Wavell, the British general, as commander-in-chief of the United Nations' fighting forces in the southwest Pacific paved the way to full Dutch command of land, sea and air forces in the Netherlands East Indies. Wavell has resumed his appointment as commander-in-chief of India, which includes responsibility for operations in Burma and close co-operation with China.

consulate in Batavia was destroying its files, preparatory to leaving, and that newspaper correspondents and other American civilians had been told to leave.

It was understood that the British were giving similar advice to their nationals. How these non-combatants were to get away was the question. They had had a hard enough time getting away from Singapore.

That the Japanese would not conquer Java easily was a foregone conclusion, but the very populous character of the island was going to make it hard for the defenders. Once more they were largely outnumbered, as in Malaya, among the non-combatants.

**COURT-MARTIAL: For Kimmel, Short**

The Roberts report on the disaster at Pearl Harbor was finally to emerge as a court-martial for Admiral Kimmel and General Short, the two officers on whose shoulders the Roberts committee squarely placed the blame.

Both officers asked retirement. This was granted, but in the granting they were informed that this retirement was subject to no "wiping out" of any sins they had committed while on active duty.

That the officers would be tried by military and naval authorities was

simultaneously but separately announced by Secretaries Stimson and Knox.

Subject to whatever verdicts the courts may return, both officers, under the retirement, would receive \$5,000 life salaries, 75 per cent of their base pay of \$3,000.

The army and navy authorities were silent when asked by newsmen whether Admiral Kimmel and General Short had requested that they be tried.

There was to be no hurry about the trials, both secretaries stating that the trials will not be held "until the public interest and safety will permit."

**U. S. JAPS: Who Wants Them?**

As the spy-chasers redoubled their efforts to round up fifth columnists and active espionage agents, and were arresting hundreds weekly, the problem of what to do with California's 93,000 Japs, 33,000 of them aliens, was vexing.

Midwestern states didn't want them. Some western states also objected.

Utah invited the federal government to send 3,000 of them there.

**PINCERS: British Variety**

Something brand new in warfare had been developed by the British who went across the channel, knocked out an important German radio location post 12 miles from LeHavre, France, got back to Britain again with only two men slightly

SIR ARCHIBALD SINCLAIR "Perfect timing, courage, surprise."

wounded, inflicted "heavy casualties" on the enemy and accomplished fully their objective.

It was a pincers movement, British style. It was a combination of parachute troops and commandos. The commandos rode across the channel on naval vessels, blacked their faces, loaded their arms into small shallow-draft boats, and rushed ashore.

At the same time the paratroops, their faces also blacked, were shooting across the channel in big bombers. In squads of seven they shot earthward, their supplies, ammunition and weapons parachuting at the same instant from the bomb-racks.

The station's equipment was smashed, prisoners were taken, and the two groups now one, dashed again to the beaches. There they met determined opposition. There was a sharp fight, the Nazis suffered heavy casualties and more prisoners were taken.

Just as the boats shoved off into the blackness, headlights of heavy German motorized reinforcements were seen dashing to the spot, too late.

Air Minister Sir Archibald Sinclair said this type of offensive against occupied countries would be used again and again. Necessary ingredients were light winds, good visibility, and moonlight. Not to mention, perfect timing, courage, and surprise.

**RUSSIANS: Close Trap**

The indomitable Red army, pursuing its constant offensive against the retreating Germans, was closing its trap in which it claimed a German army of 96,000 men were hopelessly surrounded.

The spot was the Staraya Russa sector, which had been converted into an important base by the Germans.

Repeated Russian demands for surrender had been ignored by the Nazis, who were being methodically wiped out, in a series of smaller actions within the circle.

One of the latest German moves to attempt to break through was heralded, the Russians said, by the sending into the territory of huge supply and troop transport planes.

Thirty-eight such craft were destroyed in one day, the Reds asserted, 15 in air combats with Stormovik fighters, and 20 on the ground.

The Russians also said that after the transports landed and were destroyed, some of the occupants were taken prisoner. They said they were new troops which had been in training for the spring offensive.

**MISCELLANY:**

Tokyo: The newspaper Nichi Nichi warned that the U. S. is about to attack Japan from the Aleutian islands. The Japs claimed a similar attempt from the south had been beaten off.

Washington: Science has developed a marvelous process by which pure tin can be recovered from discarded tin cans. The by-product, also highly valuable, would be scrap metal.

Long Beach, Calif.: "Wrong Way" Corrigan is flying airplanes the right way now. He had joined the ferry command.

Stockholm: Probability that Sweden might soon enter the war was seen in vastly stepped-up military exercises. Many observers felt that if the U. S. and Britain invade Norway this spring, Sweden will have to come in.

Miami: The duke of Windsor had returned to the Bahamas after what he said was a "satisfactory" conference regarding American aid for the defense of the islands.

**COURAGE: MacArthur's Men Continue Forays**

What appeared at the time to be a series of surprise counter-attacks along the whole Bataan front merely to harass the enemy and keep him guessing, had turned out, for those surprising men of MacArthur, to be a five-mile gain, on the average, along the entire line.

The Japanese advance posts which were taken were later held against counter-attacks, and the enemy was forced to reorganize his front at the new position.

It had been another successful use by General MacArthur of the swiftness and courage of his troops to land a "left jab" on the enemy's "jaw" and hurl him at least temporarily on his heels.

There were many evidences that the Japanese on Luzon were not having a bed of roses, that expected supplies and reinforcements had not come, and that they were finding MacArthur not just a hard nut to crack, but a tough one to keep from cracking them.

Of considerable importance was the recapture of Pilar, coastal town, in the current MacArthur drive. From Bagac to Pilar was a good highway, and as the new lines in Bataan were considerably past this road, the defenders presumably now had regained its use.

The fighting had remained desultory, the Japs apparently at a standstill, but the American-Filipino army giving them no quiet in the front lines. Repeated forays by patrols were keeping the enemy on constant tenterhooks.

**ECONOMIC: Battles Here**

There were signs that the farm bloc, wishing to put through a plan to place all agricultural products on no ceiling below parity, was unwilling to put itself in an unpatriotic light, and wished to confer with President Roosevelt before taking a definite stand.

This placating attitude bid fair to iron out one of the tough economic

**L. Metcalfe Walling of Rhode Island, nominated by President Roosevelt to be wage-hour administrator, succeeding Philip B. Fleming, newly appointed Federal Works Administrator. Walling was named administrator to the public contracts division of the Labor Department in 1937, a job in which he administered the Walsh-Healy contracts act.**

battles the administration had been facing.

Labor troubles loomed here and there, but in the main hard work and plenty of it was being done by war industry.

Washington voted to continue in principle the 40-hour week for labor, but all war industries were ordered on a 24-hour-day and a seven-day week by WPB Director Nelson.

In the meantime senators interested in unnecessary spending in Washington were pursuing their cleanup of the OCD and were urging that it be transferred under the control of the war department.

**OUTLOOK: Gloomy Now**

Even though the Allies' eventual victory was little doubted throughout the United States, and though the country was girding itself ever faster to make ready for striking the winning blows, the present news was gloomy.

Japan's conquest of the East Indies, if they should take Java, and it looked as though they might, was practically complete. Release of troops, planes and ships for the final assault on MacArthur's valiant men was one eventually.

More likely was it that the Japs, once in possession of the entire Indies, would slow down their attack on the Burmese front, let the Philippines take care of themselves, and go "all-out" after the east coast of Australia.

Competent observers felt that the Battle for the Indies would logically be followed by the Battle of Australia, and that the Japs were laying the groundwork for this battle rather than any other.

Objective, they said, would be the east coastal plain, and the attack was envisioned as striking at Cape York, head of that plain, rather than at Darwin, which would lead the Japs right into the Never-Never Land.

The Jap dream of capturing the whole continent of Australia, and thus making it difficult for the Western hemisphere to use that logical hop-off and supply spot for the eventual counter-offensive against Nippon was considered as a more likely thing than for the Japs simply to move into thickly populated India.

**PATTERNS**  
 SEWING CIRCLE

WHEN you wear this charming frock your best friends will query you, "my aren't you getting slim?"—for your waistline will just melt away under the slenderizing influence of this smartly shaped girdle. It is the feature of Pattern No. 1502-B which makes it one every size 12 to 40 should want!

The frock has youth and femininity, too, expressed in an attractive open neckline, a full

shapely bodice, which fits smoothly over the bustline, a skirt which flares to a wide hem and perky, puffed sleeves. The big bow which ties the girdle firmly in place gives special interest to the back view of this frock!

Correct for any occasion—work, study or fun, this dress is simple to make and can be effective in many fabrics—challis, printed rayon crepes, bengaline, or light-weight wools. Later, for spring, you'll repeat the frock in washable cottons and linens! Finish it with lace, braid or ric-rac and a cheerful row of tiny buttons.

Barbara Bell Pattern No. 1502-B is designed for sizes 12, 14, 16, 18, 20 and 40. Corresponding bust measurements 30, 32, 34, 36, 38 and 40. Size 14 (32) requires 3 1/2 yards 30-inch material, 2 1/2 yards edging. Send your order to:

## Assembly

Mr. Payne as superintendent  
conducted our usual devotional  
period for Friday, March 6. He  
said to make the most of life you  
should have a true conception of  
God. He read from Cor. 13  
about love.

Grade six had charge of the  
Color ceremony. The flag bear-  
ers were Veiva Johnson and Dor-  
othy Thomas; the escorts, Trent  
Bert King and Vernetta Mae  
Smith.

The Woman's Culture Club had  
charge of the program. They  
took us on an imaginary trip to  
Mexico with Mrs. Moreman as  
leader. First we went sightsee-  
ing with Mrs. Diebman. Then  
Mrs. Watkins played us some  
Mexican music. Mrs. Naylor  
told us about the Fiesta days and  
Mrs. H. H. Hall told a story.  
The club women concluded by  
singing Down Mexico Way and  
La Ocaracha. Mrs. Moreman  
then showed us some things that  
came from Mexico. Members  
appearing on the program were  
Meddies H. H. Hall, Floyd Naylor,  
Eves Adamson, Chas. Reiss,  
Ted Dodson, Mosley, Lake Dieb-  
man, Leo Ray, Bob Watkins, Ray  
Moreman and Miss Dorothy

Land. The program was both  
interesting and educational which  
everyone enjoyed very much and  
we would like for them to come  
back again.

We were also happy to have  
some visitors and would like for  
them to come back every Friday  
morning.

## Junior Play a Success

Take It Easy, the annual Jun-  
ior play, was a decided success.  
As had been promised, it was fun-  
nier than a barrel of monkeys.  
The play was outstanding in sev-  
eral ways. It was an unusual  
ever comedy, the actors were  
well suited to their parts and  
each player was familiar with his  
lines.

Added attractions were the-  
musical numbers between acts.  
Between the first and second act  
a girl's quartette consisting of  
Colleen Baker, Jane Kirkpatrick,  
Lavelle Peters, and Jane Ruth  
Hall sang the three songs: White  
Cliffs of Dover, Remember Pearl  
Harbor and Deep in the Heart of  
Texas. The girls wore attractive  
patriotic costumes consisting of  
blue skirts, white blouses with  
red pockets and overseas caps of  
red, white and blue. Mrs. Wat-  
kins played two piano solos be-  
tween the acts. Robert John-  
son, from the Junior class, made  
the announcements. The Junior's  
who acted the play were Jo Ann

Shaw, Margie Bardine, IT Davis  
Balley, Joel Pinn, Foy Langford,  
Teddy Jo Myers, Lois Knodes,  
Iris Payne Reid, Paul Diebman,  
and Albert Martin. Each player  
as well as Mrs. Pitcock and Mr.  
Bradshaw, the directors, are re-  
sponsible for the great success  
of the play.

## "Hey, Joe!"

... Wonder  
what we're  
worth on  
the hoof?"

Just in case Joe doesn't know, it cost his  
country \$211 to equip him. Multiply  
that by an army, and you have a tidy  
sum of money.

We ought to know. Over 2,400,000  
Joels could be completely outfitted with  
the \$510,000,000 which America's electric  
power companies paid in taxes last  
year.

That's considerably more than a mil-  
lion dollars a day!

We're glad our stake in Democracy is  
so large. The freedom America's fight-  
ing for is worth whatever it costs.

Even though our taxes have been go-  
ing up, our rates have been going down.  
Today, the average household electric  
user gets about twice as much electricity  
for his money as he did 15 years ago.

This record is directly due to the care-  
ful planning of the business men who  
manage the nation's electric companies.

They were prepared when the war emer-  
gency came. Prepared to power ship-  
yards, arsenals and plane plants.

And they'll stay right on the job of  
making America POWERFUL until a  
couple of million Joels go back to civilian  
clothes again!

Raleigh Cigarettes are now running another series of weekly contests for those who can supply the best last line to a jingle. Over 100 liberal prizes each week. Watch this paper for details.—Adv.

Pull the Trigger on Constipation, with Ease for Stomach, too

When constipation brings on discomfort after meals, stomach upset, bloating, dizzy spells, gas, coated tongue, and bad breath, your stomach is probably "crying the blues" because your bowels don't move. It calls for Laxative-Senna to pull the trigger on those lazy bowels, combined with Syrup Pepsin for perfect ease to your stomach in taking. For years, many Doctors have given pepsin preparations in their prescriptions to make medicine more agreeable to a touchy stomach. So be sure your laxative contains Syrup Pepsin. Insist on Dr. Caldwell's Laxative-Senna combined with Syrup Pepsin. See how wonderfully the Laxative-Senna wakes up lazy nerves and muscles in your intestines to bring welcome relief from constipation. And the good old Syrup Pepsin makes this laxative so comfortable and easy on your stomach. Even finicky children love the taste of this pleasant family laxative. Take Dr. Caldwell's Laxative-Senna combined with Syrup Pepsin, as directed on label or as your doctor advises, and feel world's better. Get genuine Dr. Caldwell's.

THE TRUTH SIMPLY TOLD. Today's popularity of Doan's Pills, after many years of world-wide use, surely must be accepted as evidence of their satisfactory use. And favorable public opinion supports that of the able physicians who test the value of Doan's under exacting laboratory conditions. These physicians, too, approve every word of advertising you read, the objective of which is only to recommend Doan's Pills as a good diuretic treatment for disorder of the kidney function and for relief of the pain and worry it causes. If more people were aware of how the kidneys must constantly remove waste that cannot stay in the blood without injury to health, there would be better understanding of why the whole body suffers when kidneys lag, and diuretic medication would be more often employed. Burning, scanty, too frequent urination sometimes warn of disturbed kidney function. You may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feel weak, nervous, all played out. Use Doan's Pills. It is better to rely on a medicine that has won world-wide acclaim than on something less favorably known. Ask your neighbor!

Beware Coughs from common colds That Hang On

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

CREOMULSION for Coughs, Chest Colds, Bronchitis

'Mrs.' at Six 'Miss' was considered a slip-pant, childish and unflattering title—until recently. During colonial times, all ladies were called Mrs.—even at the tender age of six!

BUNIONS Get this quick relief. Lifts shoe pressure, soothes, eases the sensitive foot. Costs but a trifle. Dr. Scholl's Zino-pads

Yet Unjust He who decides a case without hearing the other side, though he decide justly, cannot be considered just.—Seneca.

FOR VINOL If You Are Too Thin maybe your appetite needs a little coaxing. Try VINOL, the modern tonic. Contains Vitamin B1, Iron and other valuable ingredients. Your druggist has VINOL.

Impatient Ruler There is no friendship between those in power; he who rules will always be impatient of an associate.—Lucan.

GAS ON STOMACH What many Doctors do for it When excess stomach acid causes gas, sour stomach or heartburn, doctors prescribe the fastest-acting medicine known for systematic relief—medicine like those in Bell-tone. If your very first trial doesn't prove Bell-tone better, return bottle to us and get double your money back. See label for full directions.

Making Shadows Every substantial grief has 20 shadows, and most of them shadows of your own making.—Sidney Smith.

'MIDDLE-AGE' WOMEN (38-52) HEED THIS ADVICE!! If you're cross, restless, nervous—suffer hot flashes, dizziness—caused by this period in a woman's life—try Lydia Pinkham's Vegetable Compound. Star Dust STAGE-SCREEN-RADIO By VIRGINIA VALE (Released by Western Newspaper Union.)

IN "HAPPY GO LUCKY" Mary Martin will have a new hair-dress that's the result of a suggestion from Jack Beddington, of the English Ministry of Information. He cabled David Rose, Paramount's managing director in Great Britain (then in this country). "Medical authorities here consider it highly desirable in the interests of hygiene and safety that factory girls and other war workers should wear hair as short as possible on the back of the neck. Urge you to persuade Hollywood star to adopt similar style to encourage them to do so."

Chris-Pin Martin made actors out of his six grandchildren the other day. Told to select half a dozen youngsters between the ages of four and ten to be his family in "Across the Border," the new Hopalong Cassidy film, he just went home and got them.

That well-known book, "The Moon and Sixpence," has been a headache to most of the movie companies; it's been owned or held under option by Paramount, Warner Bros.,

GEORGE SANDERS

RKO and Metro. The trouble was getting a script that would pass the censors. Now we hear that it's to be done for United Artists, with George Sanders as the hero who abandoned his wife and his business to be a painter in the South Seas.

"Woman of the Year" lives up to all the enthusiastic predictions that Metro made for it. Almost 300,000 persons paid to see it during the first two weeks of its run at New York's Radio City Music Hall—and a lot of them stood in line plenty long for the opportunity! It's one of the best of the year, certainly; also one of the best that Katharine Hepburn and Spencer Tracy have ever given us.

If you like gangster melodramas, "Johnny Eager" should suit you right down to the ground. Robert Taylor is fine as the tough hero. Lana Turner lovely as the pretty daughter of the District Attorney. Nothing novel about the plot, but plenty of excitement.

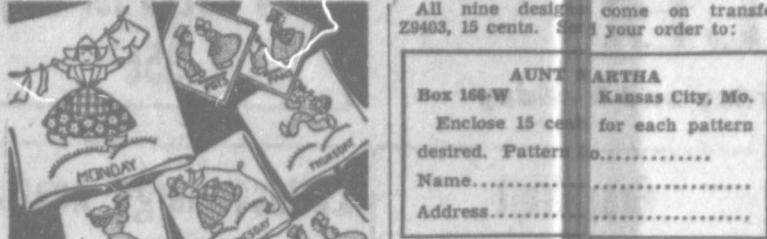

Hours are spent checking the questions and answers on the Phil Baker "Take It Or Leave It" program (Sundays over CBS); the research bureau has to be sure of getting the only correct answer. Yet the public frequently thinks they're wrong. Recently hundreds of Persians objected to the statement that the Mazda lamp wasn't named for an individual—they said that Mazda was an ancient Persian god, and they felt that he was entitled to recognition. But the researchers classed him with Zeus and Apollo and ruled him out as a mere man.

"The Sweetheart of Sigma Chi" will always be the most romantic song in the world to Mrs. Chester Lauck and Mrs. Norris Goff, whose husbands are Lum and Abner of the radio and the movies. Both men were members of the fraternity at the University of Arkansas, and wooed their home-town sweethearts with the song—Goff did it on the saxophone, Lauck put his proposal campaign on with the drums!

The Aldrich Family of the air waves has given many a young actress a boost toward bigger things. Between Henry's sister and his many sweethearts a lot of girls are needed for it. Betty Field's a graduate of the program; so are Mary Mason, of the air's "Maudie's Diary" and the stage, Patricia Pearson, of "Claudia," and Patricia Pearson, star of the Broadway hit, "Junior Miss," which Shirley Temple takes over for radio.

ODDS AND ENDS—Ransom Sherman, proprietor of radio's wisest hotel, Crestfallen Manor, was appointed "Lobby Bobby" of the International Hotel Greeters association. . . . Judy Garland's next film will be "The Big Time," a story of vaudeville. . . . Mikhail Rasumny, the very funny Mexican garage mechanic in "Hold Back the Dawn," is cast as the gypsy in "For Whom the Bell Tolls". . . . Josephina, the most famous monkey in pictures, celebrated her 15th year as an actress on the set of Columbia's "Candor Zone"—also her 10th birthday. . . . Cary Grant maintains that in "The Gentlemen Prefer Blonds" he's the screen's worst-dressed man.

THINGS for You TO MAKE

APPLIQUE costumes complemented by traditional wooden shoes give a picturesque appeal to these new Dutch tea towel motifs. Industrious little Gretchen decorates the towels for Monday, Wednesday and Friday; her very best boy friend, Hans, is on Tuesday, Thursday and Saturday's towels. Sunday's motif shows them both, as on the panholders.

Costliest War Years The costliest war years thus far are as follows: War of 1812, \$4,721,000; Mexican war, \$57,261,000; Civil war, \$1,297,555,000; War With Spain, \$505,072,000; First World war, \$18,522,895,000; Second World war, \$59,027,992,000.

### Ennis Favors Asks For A Second Term

State Representative Ennis Favors this week authorized the Informer to announce his candidacy for a second term, subject to the action of the Democratic primary in July, in the office of State Representative, 122nd district, comprising Collinsworth, Donley, Gray and Wheeler Counties.

Mr. Favors is married, with a family residing in Pampa, and made his first race for office two years ago winning over two opponents in the first primary without a run-off.

### ENNIS FAVORS

He was very active during the last session of the Texas Legislature, and used common sense together with his legal ability in solving the many controversial problems, and the last Legislature had its share of such problems, and met them squarely, and as a result a number of constructive laws were passed.

Ennis Favors said, "I did my best during the last session of the Legislature to represent all the people of my District and Texas. If I am elected for a second term, I will do my best to represent all the people of my District and Texas."

### Sugar Rationing

Residents of Donley County are urgently requested to call back to the local grocery stores all sugar over two pounds per person prior to sugar registration which will be held within the near future.

In a letter to the local board from the Texas Rationing Headquarters the fact was set forth that in the future additional rationing may be forthcoming and rationing booklets would suffer greatly if large home stocks accumulated the clipping of many rationing coupons.

The board said today that the exact date of registration for booklets has not been set but it is expected to be held the latter part of March or the first of April. All supplies have not been received here to date.

Registration will be held in all schools throughout the county under the direction of Miss Ruth Richerson, county superintendent.

Ration stamps will be used as a weekly permissive to buy at retail. They will be in booklet form and issued on a per capita basis with each booklet bearing an individual serial number.

Citizens must apply for booklets, filing standard application blanks. Applications may be made on a family basis or for each member of a family. On a family basis only one member need register, but each member must be listed and booklets will be issued for each individual.

### Baptist Church Notes

The pastor was back for the services Sunday. The attendance was not so good as any of the services but the spirit was fine. At the morning hour the pastor's subject was The Parable of the Sower (Matt. 13:1-23). The subject for the evening hour was A Test of Faith (Lev. 24:10-16).

Beginning at 8 p. m. Monday, March 16 and continuing through Friday night, March 20, we are to have a central school of Sunday School and Training Union work in the First Baptist church of Memphis. High courses of Sunday School work are to be taught: When We Teachers Teach, Bro. Felkes; Outlines of Bible History, A. L. Teaff; The Book We Teach, Bro. Evans; Studies in Romans, Bro. Moody; What Baptist Believe, Bro. Loftin; The Grace of Giving, Bro. Sam Hamill; How to Win to Christ, Bro. Pitt; and Personal Factors in Character Building, Bro. Bradshaw.

And four courses in Training Union work are to be taught. For the adults: Deepening the Spiritual Life, Mrs. Martin; for the young people: The Meaning of Church Membership, teacher to be supplied; for the juniors: Bible Heroes, Miss Genter and for the little folks: Touring Story Land, teachers to be supplied.

We are urging all of our Sunday School and Training Union workers to attend this very important school of instruction.

We extend to you a welcome to worship with us.

The Panhandle Association of Workers Conference meets at the local church Tuesday, March 17. The program begins at 10 a. m. War Time.
