Otis Homer Tinsley

Death struck again in our midst Saturday when O. H. Tinsley passed away in St. Anthony's hospital in Amarillo after a short illness. The funeral services were held Tuesday from the First Baptist church by his former pastor, Rev. M. E. Wells, who was assisted by Rev. A. L. Teaff and Rev. S. P. Martin. Pallbearers were Tom McDougall, Alva Simmons, G. C. Brinson, Joe Thomas, Hobart Moffitt and Jap Shaw.

Honorary pallbearers were J. A. Tollett, Earl Tollett, J. D. Shaw, R. A. Shaw, Booker Shaw, G. L. Johnson, J. M. Everett, E. E. Mann, W. R. Banister, Charles Barnett, Ross Adamaon, E. H. Hall, Jesse Beach, Geo. Thompson, W. C. Bridges, Chas. Rains and J. M. Clarke.

Flower bearers included Mesdames Harrison Hall, Jesse Beach, C. E. Hunsucker, W. C. Quisenberry, Chas. Rains, Ray Moreman and Jap Shaw.

The choir sang one of his favorite songs, Paradise Valley, followed by a quartet by Mrs. Thava Crawford, E. W. Alewine, Sub Heafner and D. B. Peters, and a duet by Mesdames Alva Simmons and Hobart Moffitt.

He was laid to rest beneath a mound of flowers in Rows cemetery, with Womack Funeral Home in charge.

Otis Homer Tinsley was born Nov. 10, 1885, in Crafton, Wise county, Texas. He was converted at the age of 13 and united with the Baptist church, of which he was a faithful member until his death. He was married May 7, 1911 at Bowie, to Miss Myrtle Brown, who survives him. To this union three children, all of whom survive. They are Douglas Tinsley of Hayward, Calif., Mrs. John D. Shaw of Kirk, Ore., and Mrs. D. E. Soliver of Hedley. He is also survived by his mother, Mrs. W. J. Tinsley of Wichita Falls, and four grandchildren, Theresa Nell, Donald Richard and Gary Douglas Tinsley of Hayward, Calif., and David Edward Soliver of Hedley. He also leaves to mourn his passing, two brothers, Frank Tinsley of Bowie and Orbie Tinsley of Wichita Falls, and two sisters, Mrs. H. P. Lamkin of Headton, Okla., and Mrs. and Mrs. L. A. Lindsey of Wichita Falls.

Mr. Tinsley had been a resident of Hedley for 12 years, and the number who attended his last rites attested the universal esteem in which he was held. He was a kind and loving husband and father, a loyal friend, an honest and faithful worker, a true Christian gentleman. He will be sorely missed in the home, the church and the community. He is at rest, but his memory will live on in the hearts of those who loved him.

Rationing Board News

G. E. Kinslow, chairman of the Donley County War Price and Rationing Board, made it plain today that all motorists are going to have to intensify tire conservation, and that many persons on the eligible list for tires and retreads are going to be disappointed, because of the quota shortage. "Both truck and passenger car tire allotments have been reduced sharply for September," Mr. Kinslow explained, "and we're obliged to make these reduced quotas serve only the most essential needs."

He pointed out that these reductions come at a time when all vehicles, especially trucks, are working overtime to meet the heavy demand for the fall movement of farm crops, and for wartime construction and industrial production.

"The result will be that our Board will have to apply the eligibility preference yardstick with even more severity," he said.

The State Office of Price Administration headquarters has advised the Donley County War Price and Rationing Board, Mr. Kinslow added that from now on monthly quotas will reflect a sharp downward trend in order to stay within the year's rubber quota.

WEEKLY NEWS ANALYSIS

FDR Moves to Stabilize Living Costs With Deadline Ultimatum to Congress; Labor 'Frozen' on Jobs in 12 States; New Pacific Action Takes High Jap Toll

(EDITOR'S NOTE: When opinions are expressed in these columns, they are those of Western Newspaper Union's news analysts and not necessarily of this newspaper.) Released by Western Newspaper Union.

Granting labor a greater voice in the management of war production, Donald M. Nelson, WPB chairman, told AFL and CIO leaders that he would consider labor nominations for two vice chairmanships in WPB.

HALT LIVING COSTS: FDR Orders Congress

In a forthright speech to the nation, President Roosevelt carried his battle against rising prices to the people, demanding immediate anti-inflation action to avoid a "serious domestic economic crisis."

In a message to congress he demanded legislation by October 1 to bring farm prices under control. "In the event that the congress should fail to act, and act adequately, I shall accept the responsibility and I will act," he said.

With farm prices stabilized, he himself would act to stabilize wages, he promised. He stressed the point that the control of the inflationary threat could be obtained only by control of all the factors influencing it.

EGYPT: The Tide of War

Although his Africa corps was stopped cold in its second major bid for the valley of the Nile, Nazi Field Marshal Erwin Rommel was reported to have retained certain territorial gains at the southern end of the El Alamein line.

Reports from Cairo indicated that Rommel's chief gain was the El Hemeimat ridge, a 700-foot observation post from which the Nazis can watch British movements.

However, the position of the then retreating German and Italian troops was given officially as west of the British mine fields which they entered the previous week. This indicates that Rommel had been forced to retreat beyond his starting point.

MANPOWER 'Freeze'

Labor in essential war industries in 12 western states was "frozen" under terms of a far-reaching order of the U. S. War Manpower Commission.

States included in the "critical" area were: Arizona, Colorado, Idaho, Montana, Utah, Wyoming, California, Nevada, Oregon, Washington, New Mexico and Texas.

SOUTH PACIFIC: Back for More

The Jap evidently had not learned his lesson. He knew that the marines had taken important bases in the Solomons. He knew, too, that these marines had been backed up by regular army and navy detachments and that important air bases had been taken away from him and put to use for the United Nations.

For despite these facts the Jap came back and after heavy losses succeeded in establishing small landing parties on Guadalcanal in the Solomon group. According to U. S. navy communications this was but one of several minor Jap operations in the Solomons.

From New Guinea the news was different. Official reports from Melbourne, Australia, reported that Jap ground forces penetrated a gap in the Owen Stanley mountain range and advanced down the southern slope toward Port Moresby.

RUSSIAN FRONT: 'Greatest Weight'

Russian reports that the spearhead of the Nazi drive through the Grozny oil-fields in the Caucasus had been checked tended to offset the more ominous news from Stalingrad. There, 1,500 German dive bombers led the final attack on that city.

Before the final assault came this was typical of the Moscow communique on the fighting in this sector: "West of Stalingrad our troops engaged in heavy fighting. One Soviet unit repulsed four attacks, one after another, but then was forced to retreat to new positions."

Nazi assault forces had aimed their heaviest blows at Soviet artillery and anti-tank batteries, thus striving to level these anchors of the centers of resistance. East of the Volga, said German reports, their fliers had raided important Russian airfields.

Russian attacks on the northwest front, near Leningrad, rolled on, stalled, rolled on again. Conflicting reports from Moscow and Berlin dimmed the picture of this front.

Germany claimed the fall of Novorossiisk, strategic Black sea naval base, and military sources saw its capture as a terrific blow to Russian naval action. Since the Soviet navy had been driven from its strongest base at Sevastopol fleet operations had been badly curtailed and the loss of Novorossiisk would even more hamper these operations.

HIGHLIGHTS . . . in the week's news

PEACEFUL: Because the law-abiding city of Old Ripley, Ill., (Pop. 115) had no use for its jail, six tons of scrap metal from the cells have gone to the scrap-metal drive.

LIME: Because the volume is exceeding facilities for distributing it, air mail addressed for points outside the continental U. S. has been limited by weight to two ounces per piece.

COMMANDOS: It was announced in Ottawa that 170 Canadian soldiers lost their lives in the Commando raid on Dieppe, France.

FINGERPRINTS: Fingerprinting of every man, woman and child in the United States as a war measure is being urged by Rep. Sam Hobbs (Ala.), who is drafting legislation to that effect. It would also be a boon to law enforcement agencies.

At Two-bits A Dozen—

INVEST IN AMERICA!... Buy War Bonds and Stamps!

Our 1942 Taxes would Blast Hitler with 55,200,000 Bullets from this Gun!

Bullets, not politics or words, will win this war. Bullets, guns, tanks, planes, and ships. These are all items that can't be just talked into existence—they must be MADE. And it takes MONEY and unselfish work.

Money, real man power—and ample electric power.

To make and use these weapons, men must be trained.

In all the categories vital to the war effort, this company is taking an important part. As for MONEY—our present 1942 taxes will total not less than \$1,150,000... enough to buy 55,200,000 bullets at the Army's specified price of 25 cents a dozen. The company has bought \$50,000 in war bonds. Its employees are buying bonds in a united, organized program.

As for MAN POWER, a total of 122 men from this company are already in the armed forces where they are receiving and training in business, electrical engineering and distribution service has been of inestimable value to Uncle Sam. Twenty-one of them abroad, are commissioned officers... one lieutenant colonel, six majors, four captains, nine lieutenants, and one ensign.

Both, money and man power, are things which are being given... must be given... by every West Texas, every American. These are contributions which each man, woman and child can make to the Victory cause.

As for ELECTRIC POWER—it's a job for specialists. Today we can be thankful that America has men in non-political enterprises who can deliver the goods—with surpluses!

America's electric companies, now under business management and FREE of Hitlerian political control and threats of the concentration camp, are providing more POWER than Hitler can command in ALL the Nazified countries combined!

This is one factor on which hinges the final outcome of the war. With the wealth of this nation, its resources and man power, a victory for the United Nations is inevitable.

We can all look forward to a future made even brighter by electric service in a land where people are free to plan and create enterprises that build and serve!

Cutting a Gas pipe line at the trouble point is dangerous work—hard work—hot work! Yet it's only a part of the big job of rendering dependable Natural Gas service.

Yes, Natural Gas service is more than any one job, no matter how important. It is more than "bringing in" a Gas well, and building a pipe line. The Gas must be put through many expensive processes before it is delivered safely, at proper pressures, to your home and place of business.

Because Natural Gas is vital for war production in the Gulf South, DEPENDABLE service is more important today than ever. Natural Gas shall continue to serve for Victory—AND WE WILL WIN!

Star Dust
STAGE-SCREEN-RADIO
By VIRGINIA VALE
Released by Western Newspaper Union.

EVER since she chalked up that amazing success in "Mrs. Miniver" Greer Garson has been pursued by producers who want her to do a play on Broadway this fall. She's read a dozen scripts and turned them down. Now she's been asked to do one called "Queen Elizabeth"; the asker is Margaret Webster, director-daughter of Dame May Whitty; she directed Miss Garson in her last London stage hit, "Old Music." If "Random Harvest," which the red-haired actress is making with Ronald Colman, is done in time, she may consent.

Frances Gifford, the new "Mrs. Tarzan," really owes her new assignment to the impersonation of Dorothy Lamour that she gave in the recently released "Henry Aldrich Gets Glamour." William Thiele,

FRANCES GIFFORD

who directed "The Jungle Princess," the first Lamour triumph, and is also directing "Tarzan Triumphs," caught the picture at a neighborhood theater, and asked to have Miss Gifford tested for the role.

Clark Gable certainly made his departure from movie-making in a blaze of glory. His latest, "Somewhere I'll Find You," which he did with Lana Turner, has outgrossed every one of the M-G-M pictures he has appeared in over the past seven years, with the exception of "Boom Town," and that doesn't count because it played at advanced admission prices.

Jean Arthur spent most of a day autographing 500 of her own photographs with kisses not long ago. It was just after she returned from a tour of army camps, following completion of "The Talk of the Town." Whenever she met a boy from New York city, where she was born, she promised to send him a photograph autographed with a kiss. She used two lipstick before she'd finished.

Ever hear of processed parchment? Loretta Young encountered it the other day; found she'd been wearing it, in fact, in her new picture, "The Frightened Staff." It's a new substitute material, and was used in an evening gown.

So far as is known, Veronica Lake received the first request from an imprisoned American in Japan for a photograph. It came from marines taken prisoner at Wake island, and was forwarded by the International Red Cross.

A few months ago Ruth Hussey's bridegroom, Robert Longenecker, saw a newspaper picture of the actress. He clipped it and wrote under it, "Here's the girl I'd like to marry." Not long ago he could add "Here's the girl I did marry!" The photographer who took the original photograph, Eric Carpenter, also photographed the young couple's wedding!

Nelson Eddy and Announcer Bob Garred were so busy trying to outwit each other with amateur magic a while ago that the "on the air" signal for their radio show almost caught them off base. Nadine Connor looks upon their efforts with suspicion; she has sworn that the minute the pair shows an interest in the "sawing a woman in half" stunt she'll leave Eddy without a partner.

Kay Harris, feminine lead in Columbia's western feature, "The Fighting Buckaroo," was starred in the first picture in which she appeared. It was "Tillie, the Toiler."

ODDS AND ENDS—"Duffy's Tavern," hailed last season as one of the outstanding new program developments of the year, returns to the air October 6... Just for fun, Lou Nova and Leslie Charteris, author of the "Saini" mysteries, went on as extras in some of the Miami Beach scenes of "The Big Street"... Bette Davis, Miriam Hopkins and George Brent will have the leads in Warner Brothers' picturization of the successful stage play, "Old Acquaintance"... Marjorie Reynolds and Barbara Britton will be leading women for Bing Crosby in "Dixie," the story of Dan Emmett, minstrel man.

First Cotton Ginned

The first two bales of cotton
for the 1942 season were brought
in this week. E. W. Seales
brought in the first bale, which
weighed 702 lbs. It was ginned
at the Hedley Gin, and was
bought by John Biard for 20c
per lb. The second bale was
brought in by A. B. Spalding,
was ginned at the McDougal Gin,
and weighed 595 lbs. It was
bought by Alabama Hill for 18c
per lb.

Both bales were ginned free,
and the gins furnished bagging
and ties.

A premium of \$40.50 cash and
\$10 in trade was made up by Hed
ley business men, of which half
went to the first bale, 80% to the
second bale, and 20% was reserved
for the third bale.

Patsy's Dead

It has been said that a man's
greatest friend is his dog. Fol
lowing is a tribute which one of
our citizens has written about
his dog.

Mitt asked me, "You want one
of them pup?" I said, "Yes,
which one?"

I don't care, one that someone
else don't."

She was the ugliest little pup I
had ever seen, but it wasn't long
till I saw she was the smartest.
She watched for me to come
home home, slept on my pants at
night, got up and growled at
night, very fierce. She was more
company than I had ever had in
one package. She still had her
puppy teeth. I'm glad I'm an
Indian, for some time I will see
Patsy again.

Resignation of A. L. Teaff

To the Membership of the First
Baptist Church, Hedley:

Since we believe that God is
all-wise and that He always does
right and since we believe in sub
mitting voluntarily and joyfully
to the will of our Heavenly Father;
and that we believe that
through prayer we have sought
His will; and since we believe we
knew His will we offer our resigna
tion as pastor of this the First
Baptist Church, Hedley, Texas
to take effect Sept. 20, 1942. We
ask that you accept our resigna
tion, please.

For nearly two years we have
labored together as pastor and
people for the advancement of
His Kingdom in Hedley and
around the world. For the most
part our stay here and our labor
has been a joy. From our deep
est heart we appreciate the fel
lowship you have given and the
many kindnesses shown us have
made our work possible.

We have not accomplished all
we had hoped to do but we are
grateful to our God for the privi
lege of doing what little we have
done.

Our desire for this church is
that it will soon have another pas
tor, God's man for the place; and
that each member of this church
will co-operate with him and
pray for him in order for God to
be able to bless this church as
He wants to do.

As we go to Andrews, Texas to
assume the pastorate of the First
Baptist Church there, we will be
separated by several miles of
earth, but may we be united in
our one common interest, the sal
vation of the lost of this world.

We shall remember to pray for
you. We earnestly crave your
prayers as we go.

We hope to meet each of you
again in this world. If that ear
net be granted may God grant
to give to each of us a mansion in
