### METHODIST CHURCH

O. E. LeMond, Pastor

There was a misunderstanding about the matter of when Sunday School started at the Methodist Church last Sunday and several were late, but finally we had a good attendance. It was discussed privately between some of the officials, and all were of the opinion that in as much as the days are now getting longer, and that we had passed through the shorter days meeting at 10 A. M. that we surely could continue. The Pastor spoke concerning the matter at the preaching hour and put it to an open house discussion, and none asked that we change, so we will continue at 10 A. M. If the other Churches can do better by meeting late that will be fine, but we felt that it was best to continue at the usual hour. We work by the new time the rest of the week. Sunday should not be an exception. If we really mean business we can be on time at 10:00. Why not put business into our religion? We were happy to have our college students and teachers home with us for Christmas. Felts, come every time you can. Wednesday evening a study of the Book of Revelation was begun. We can learn something from this great Book. Come and meet with us on Wednesday evenings. The pastor, O. E. LeMond, has been away a few days this week attending the Northwest Texas Conference Seminar, which met at Okinootche.

### NOTICE

Everyone in Hedley and vicinity who has a boy in the service is requested to bring in his photo graph, in uniform if possible, together with data concerning his rank, branch of service and location, to the Informer office or to Miss Ruth Richardson. ### Oliver Poe Johnston

Funeral services for Oliver Poe Johnston, who passed away Friday, were held Sunday at McKnight by Rev. J. H. Vermillion. Interment was in Row Cemetery under direction of Womack Funeral Home.

Funeralbearers were Cal Watkins, A. P. Ward, L. D. Messer, Joe Adams, W. F. Walker and Bege White.

Mr. Johnston was born March 1, 1898, in Hunt County, Texas, being 49 years of age at the time of his death. He had lived in this vicinity 28 years.

He is survived by two sisters, Mrs. Viola Colbert of San Francisco, Calif., and Mrs. J. W. DeBord of Hedley, and one brother, J. M. Johnston Jr. of Pampa.

### Lions Club Meeting

In keeping with the custom of Lionsmen we had our Quarterly Ladies' Night, last Thursday night, Dec. 31. Everyone seemed to have a good time. Most of the members were present with their wives, and a number between sixty and seventy people present. The Ladies of the Church served a nice turkey dinner. As evidence of quality the plates nearly all returned clean and of food.

Rev. Bob Jenkins, Chester O. Hill and O. E. LeMond were in charge of the program. The time of meeting has been changed from the 1st and 3rd Thursday nights to the 2nd and 4th Thursday nights.

The Lions among other things pay 1/2 of the Band Instructor's salary, and the Band is beginning to give good account of itself. We are glad to have a part in it.

O. E. LeMond, Pub. Chm.

### Hedley School News

On Friday night Dec. 18, the Sophomore Class was entertained with a Christmas party at the home of their room representative, Mrs. L. A. Snowden. Numbers of gifts for each member were placed under the tree. Games were played after which gifts were presented to each one present.

Their sponsor J. W. Bradshaw and Mrs. Snowden treated the class to candy, fruits and nuts. All seemed to have the Xmas spirit and enjoyed the evening thoroughly.

Mack Shaw left this week for Glen Rose where he will undergo treatment.

Mrs. A. S. Martin and son Albert of Quanah visited here Saturday.

**WEEKLY NEWS ANALYSIS**

**Air Naval Blows on Nazi Supply Lines Pave Allied Offensive in North Africa; New Advance Carries Reds to Ukraine Thus Threatening Million Nazi Troops**

(EDITOR'S NOTE: When opinions are expressed in these columns, they are those of Western Newspaper Union's news analysis and not necessarily of this newspaper.)  
Released by Western Newspaper Union.

**NORTH AFRICA:**

**Supply Route Attack**

Increased Allied naval and air activity in North Africa took a heavy toll of Axis supplies and men in a series of vigorous actions which foreshadowed greater things to come. At least six and probably 10 Axis ships were sunk on the Tunisia-Sicily supply line. British submarines sank three supply ships in the Sicily-Africa lane and Middle Eastern command planes based on Malta blew up two more ships in the Tunis Harbor basin. The remainder were sunk as they attempted to bring reinforcements to Nazi forces.

During the comparative lull in the fighting, announcement was made of the landing of American troops in Dakar, nerve center of French West Africa, and the port which repulsed a British and Fighting French attack in September, 1940.

Operating to the southwest of Tunis under newly established Allied aerial superiority, French forces reported that they had captured "numerous prisoners, armored vehicles and artillery" in one sector while beating off repeated Axis counterattacks in another.

A French communique announced that French forces had captured the Axis materiel and material near Pont-du-Fahs, about 35 miles south of Tunis.

However, Axis forces in Tunisia were found to be strongly entrenched when Allied Commando troops raided northern Tunisia at a point within five miles of the huge Axis naval base of Bizerte. The incursion lasted several days, and the raiders were forced to regain the beach through about 15 miles of enemy-held territory. The Germans held strong machine gun nests in the area.

**Libyan Drive**

Dispatches from the Libyan front said that General Montgomery's British Eighth Army was advancing on Buerat in Hshun, only 50 miles west of Sidi along the Mediterranean coast and 180 miles from Tripoli. The British had advanced more than 50 miles west of El Agheila since launching a new attack to drive Marshal Rommel out of Libya.

**FOOD FACTS:**

**Face 15% Cut**

Because of military and lend-lease requirements, the government expects to ration food fats and oils in 1943 at a level approximately 15 per cent below civilian demands, the bureau of agricultural economics has announced.

Likely to be rationed are cooking compounds, butter, margarine, lard and possibly salad dressing. Secretary of Agriculture Wickard, food administrator, indicated previously that butter would be rationed as soon as plans could be made.

Food items now under ration or scheduled for 1943 include sugar, coffee, meats and cheese. Even milk supplies are running low in metropolitan areas.

The bureau estimated that civilians, with increased incomes, would buy about 57½ pounds of fats and oils per capita in 1943 at present

**NEW GUINEA:**

**Progress Slow**

"The advance of our troops continues in the face of desperate enemy resistance. Progress was relatively slow, due to intricate and thoroughly prepared positions of the enemy."

That communique from General MacArthur's headquarters summed up the reasons for the seemingly prolonged battle to drive the Japs out of the Buna area of New Guinea. The Japs made all possible use of nature's defense facilities. The high kumai grass and the abundance of trees made Jap snipers an ever-present threat. The fact that they preferred death to capture made them doubly dangerous.

But American and Australian troops pushed the enemy into two narrowing coastal sectors on Cape Endaiadere. The Japs were forced to evacuate more than 100 pillboxes, leaving many dead behind them in each one.

**LAVAL'S 'DEAL':**

**New Aid to Nazis**

When France's Chief of Government Pierre Laval reported to his cabinet following a conference with Adolf Hitler he did so amid growing indications that his country may declare war on the United Nations.

Hitler's demands were all-inclusive. Both neutral and Axis sources said that Laval has accepted them and that France will become a full

**PIERRE LAVAL**  
Complete Sellout for France?

Axis partner. According to reports, none of which were officially confirmed, Laval has agreed to put an army in the field under German command, and also to:

• Purge France's anti-Nazis.  
• Resume the Riom "war guilt" trials with added defendants, including former Premier Edouard Herriot.  
• Maintain the German forces in France.

Turn over all industries in the formerly unoccupied zone to German war production.  
• Ship 400,000 industrial workers to Germany.

**MILLION NAZIS:**

**And Russia's Offensive**

After getting away to a terrific start the Russian winter offensive stalled, then gained speed again as Moscow communiques told of fierce battling in their campaign for Rostov, key city at the mouth of the Don river. Along the entire front there was plenty of action but it was toward Rostov that the Reds concentrated the full power of their counteroffensive.

While reports said the retreat of the Germans was rapid, Soviet sources reported that in a single day they had found time to kill 7,000 of the enemy and on the next day capture 6,700 more. In the first week of the Rostov campaign, Nazi casualties (not including wounded) were officially set at 55,200.

Fighting still was going on within Stalingrad, where progress on both sides for weeks has been reported in terms of houses and blocks.

In addition, the winter campaign of the Russian army was spreading westward toward the Ukraine. But military experts kept their eye on Rostov for the capture of that city by the Russians meant that all of the Nazi troops in the Caucasus were cut off from retreat (except by sea). Adding this force to the Nazi numbers in peril before Stalingrad it is estimated that a million German soldiers were threatened on two fronts.

**HIGHLIGHTS . . . in the week's news**

**RELIEF:** Because 13 midwestern states suffered a record-breaking cold wave in December, the Office of Price Administration ordered a 10 per cent increase in fuel oil rations for that area.

**QUAKE:** About 100 persons were killed with many more injured in an earthquake that destroyed the town of Erbaa, Turkey. Population of the town was 5,000.

**SHORTAGE:** Because imports from South America are dropping off due to the shipping situation there is developing a real shortage of castor oil, says the War Production board. But children need not cheer because the oil used in the medicinal purpose category will probably continue to be exempt from any allocation plan. Supplies likely will be sufficient.

**NAZI MORALE:**

**Artificial Boost**

In an effort to bolster a morale lowered by bad news from the war fronts and by lower food rations, Germany's Propaganda Minister Goebbels is reported to have mobilized hundreds of Nazi orators to deliver a nation-wide series of "pep talks" to the German people. At the same time the German press began hammering home the thought that African setbacks are unimportant because the war will be decided in Russia.

Information from Germany indicates that a program of mass meetings is under way with Goebbels and Dr. Robert Ley, Nazi labor leader, keynoting the morale offensive.

The Voelkischer Beobachter, Adolf Hitler's newspaper, declared editorially that the objective properly

**DR. ROBERT LEY**  
Nazi morale booster.

was Europe, not Africa, and that after Russian resistance is ended, "we will soon regain on the southern front what we have had to give up."

The Beobachter reminded Germans who grumble about the scarcity of food and clothes that their sacrifices were as nothing compared with the soldier who is called on to "give his blood for the homeland." But the holiday season was not a happy one, despite the morale-boosting drive.

**POSTWAR GOODS:**

**Plan for Purchase**

A detailed plan for consumers to pay now for automobiles, automatic furnaces, refrigerators, pianos and other postwar goods to be delivered after the war has been developed by the Office of Price Administration.

The plan, which OPA officials said would drain off \$6,000,000,000 annually in excess purchasing power, has been described as "installment selling in reverse." It is also intended to help many business firms which otherwise might fail to survive another year of war.

Here is the way the plan would work:

Consumers would purchase any item exactly the way they did normally, but they would receive a certificate instead of merchandise. Payment would be made in cash or installments. The dealer would get a 6 per cent commission and the finance company either 1 per cent or 7 cents a collection. The money would be deposited with the U. S. treasury which would pay manufacturers when the goods were delivered after the war. The certificates would constitute a priority for the desired article.

Sale price of the certificates would be set at an arbitrary figure and would have no bearing on the actual price. They would be non-interest bearing.

Following the war, consumers would be permitted to select their own brand.

**ROYAL NAVY:**

**Back to Sumatra**

Two important facts were made evident when British naval planes bombed the Japanese fueling and naval base of Sebang off the northwest tip of Sumatra.

One: The fact that the royal navy went back to the scene of an earlier tragic defeat was evidence of increased strength of the British navy.

Second: Losses inflicted by the United States were thought to have compelled the Japs to withdraw ships to the South Pacific.

In opening offensive operations at the western end of the Netherlands East Indies, 600 miles from Singapore, the British naval force heavily damaged the base at Sebang. Heavy explosions occurred at the dock and gasoline tank area, followed by huge fires. The bomber planes were thought to have been based on a carrier—perhaps the 23,000-ton Illustrious.

Sebang had become a major Japanese base. It lies slightly more than 300 miles west of Penang off the Malaya coast. The harbor has a coaling station and is sheltered from heavy winds and ocean swells by mountains and a high coast line.

**COPPER WIRE:**

**Fraud Is Charged**

Russian military technicians had first complained about defective Lend-Lease wire. Then the FBI took the trail. The result was an indictment at Fort Wayne, Ind., of the Anaconda Wire and Cable company of Marion, Ind., in what was described by Attorney General Biddle in Washington as "one of the most reprehensible cases of defrauding the government and endangering the lives of American soldiers and sailors."

**Star Dust**  
STAGE SCREEN RADIO

By VIRGINIA VALE  
Released by Western Newspaper Union.

**SAID** my favorite taxi driver, "So I picks up this couple, and as we starts off he says something to her, and his voice is so familiar that I looks around, and sure enough, it's Ronald Colman. He thinks I didn't get the address, and says it again, and I says 'I know, but Mr. Colman, I had to look at you; I seen all your pictures.' So he's regular; he moves to the jump seat, and we talk, and I tell him which pictures I didn't like, and why. And he agrees with me; he didn't like 'em either. Then he laughs and says: 'What do you think of my wife?' And I says: 'I always knew you was a good actor; now I know you're a good picker too!'"

Incidentally, Mr. Colman was in New York for a rest, after completing "Stand By for Action": "Random Harvest," the very good picture which he did with Greer Garson, was packing the huge Radio City Music Hall to the roof.

When Mary Martin leaped to stardom by singing "My Heart Belongs to Daddy" in a Broadway musical, she wore a fur coat. Back in New York to appear on CBS' "Stage Door

Canteen," she gave it to John S. Staniszewski, America's most torpedoe seaman—it'll be made into a fur vest and worn on that North Atlantic run, if Staniszewski can bear to have it cut up!

Twenty 16 mm. prints of "Star Spangled Rhythm," an all-star Paramount musical, have been presented by the motion picture industry's War Activities committee to the army; they'll go to battle stations in various parts of the world.

"I Dood It" is now before the cameras at Metro's Culver City Studios, with Red Skelton providing the laughs, Eleanor Powell (who's talking about quitting picture-making,) performing some spectacular dances, and Jimmy Dorsey and his band providing the music.

Just received a copy of "Salute," the smart little 20-page magazine which RKO prints and mails to nearly 800 service men from the parent or affiliated companies. RKO's the first movie company to do this for its men and girls who've joined the armed forces; "Salute" gives them news from home and gives them a directory of other RKO-ites who've joined up.

The Irving Pichels certainly have an interest in "The Moon Is Down," now in the making at 20th Century-Fox. Violette Wilson (Mrs. Pichel) is appearing in it, and Pichel is directing the picture and also playing a tavern-keeper.

When Marguerite Chapman's 18-year-old brother joins up he'll be the fourth to enter the navy. Fred's in Panama, Ed's in Hawaii, Harold's on the East coast, and Marguerite's playing a sailor's daughter in Columbia's "Destroyer," to make it complete.

Gracie Allen takes her regular radio shows in her stride. But after a recent one she made a 15-minute recording with George, Jack Benny and Eddie Cantor for the Office of War Information's gas rationing campaign—and had a bad case of stage fright!

Paul Muni is the star of Broadway's revival of "Counselor-at-Law," but the curtain wouldn't ring up on Saturdays if Ann Thomas didn't do a bit of hustling. "Able's Irish Rose" goes off the air at 8:30 p. m., and Ann leaps for the theater, to open the play at 8:35, in her role of switchboard operator.

**ODDS AND ENDS**

Somehow Ilka Chase and Mary Martin persuaded Herbert Hoover to wink when they were photographed with him after appearing on CBS' Stage Door Canteen program.

Walter O'Keefe wants to make a personal tour of Alaskan service camps; if he does, his "Battle of the Seves" program on NBC will be broadcast from the West coast.

When Mickey Rooney and Judy Garland start work together in "Girl Crazy" it will mark their eighth picture as a team; they joined talents first in "Thoroughbred Don't Cry" in 1937.

Demolition bombs weighing 4,000 and 8,000 pounds each are rarely used today in Europe because the 2,000 pounder has sufficient destructive power for almost any kind of job. Released from a plane flying at 300 miles an hour at an altitude of 20,000 feet, this bomb, upon explosion, produces enough force to lift one ton six miles in the air.

That Nagging Backache May Warn of Disordered Kidney Action Modern life with its hurry and worry, irregular habits, improper eating and drinking—the risk of exposure and infection—throws heavy strain on the work of the kidneys. They are apt to become over-taxed and fail to filter excess acid and other impurities from the life-giving blood.

You may suffer nagging backache, headache, dizziness, getting up nights, leg pains, swelling—feel constantly tired, nervous, all worn out. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.

Try Doan's Pills. Doan's help the kidneys to pass off harmful excess body waste. They have had more than half a century of public approval. Are recommended by grateful users everywhere. Ask your neighbor!

Household Hints

Little salt added to the last rinse water will prevent clothes from freezing on the line. Oil a door lock, dip key into oil and turn several times in lock. A few cranberries added to apple sauce when cooking will give it a delightfully new and interesting flavor. A fruit pie runs out in the oven, sprinkle salt over the spilled juice and the oven will not become filled with smoke. When liquid glue has hardened so as to be unfit for use, try softening it with a bit of hot vinegar, just a little at a time.

SNAPPY FACTS ABOUT RUBBER. The average car owner drove 9,000 miles in 1941, clicked off at the rate of about 6,700 miles a year in 1942 before gasoline rationing was instituted. Successful driving is now pegged at an average of 5,000 miles annually. The "83" racing book allows for 2,800 miles of driving a year. Don't always be content with an "on the wheel" inspection. Have your tires inspected from the wheels, and checked closely. You'll be amazed what this inspection can show in the way of internal tire injuries. Catch them in time to correct. In 1940 a total new supply of rubber amounted to 1,441,000 tons, 8,000 or 21% consisted of reclaimed rubber.

### Hedley School News

In the triangular round robin of basketball games held at Lella Lake Jan. 2, the Hedley teams, both senior boys and senior girls were winners for first place. Other teams participating were Lella Lake and Goodnight. The coaches of Donley County are trying to keep alive the athletic spirit in spite of gas rationing and other inconveniences. Schools without sports are dead. Recognizing this fact teachers and coaches in the Panhandle are trying to keep schools alive.

In two weeks another similar tournament will be held at Goodnight. All teams within a radius of fifty miles are invited. Two weeks after that Hedley will have her contest day to which five schools have already been invited.

Mrs. Wiggins, mother of Mrs. Davendor, our high school principal, is seriously ill. She has been confined to her bed for several weeks.

Our superintendent, O. O. Hill, plans to go to the teachers' meeting at Austin this week end.

### W. S. C. S.

The W. S. C. S. varied the usual order of the meetings with a delightful social Monday night at the Church basement.

The meeting was called to order by the president and accomplishments of the year were reported. The society failed to accomplish two of the year's objectives but has paid all debts and has over \$1.00 in the treasury.

The devotional was given by Mrs. W. H. Jones, who compared life to a pilot flying blind the radio beam being to the pilot the same guidance that God is to the Christian.

The meeting was turned over to the special committee headed by Mrs. Bob Watkins. Mrs. Ross Adamson read a beautiful article on Mary, the Mother of Jesus.

Mrs. Frank Kendall then outlined the aims of the society for the coming year. She read to the society the meaning of the seven keys that were to open up the opportunities for the year's work. Mrs. Adamson was appointed Keeper of the Keys. Members pledged a specified amount for 1943. We hope all members who were absent will pay their pledges in like manner.

Mrs. Watkins had prepared three contests which all present enjoyed. First was a musical contest in which Mrs. LeMond was winner. Second a quiz on the Apostle Paul, which Mrs. Jones won. Last was a spelling bee using words from the Bible. Mesdames Adamson and Cherry were the winners.

Lovely refreshments were served by the committee.
