Virginia Mae Brinkley

Funeral services for Virginia Mae Brinkley, who passed away last Friday, were held Sunday from the Methodist Church by Rev. O. R. Lemond. Interment was in Rowe cemetery, under direction of Womack Funeral Home. Pallbearers were Alva Olay, Raymond Bailey, Windol Spier, and R. S. Thomas. Flower bearers included Anna Bell Bailey, Avryll Clay, Jess and Elsie Howell.

The child was born April 4, 1942, being nearly 10 months old at the time of her death. She is survived by her parents, Sgt. Dewey L. Brinkley of Ft. Bliss and Mrs. Brinkley of Hedley.

NOTICE

Our good friend, Rev. Walter Patterson of Wichita Falls will preach over Station KWFF there Sunday afternoon from 1:30 to 1:45. He asks his friends here to write him after the service and help him to stay on the air. KWFF is 620 on your radio dial.

Parent-Teacher Ass'n.

Leader, Mrs. Leon Reeves. Invocation, Rev. H. Smith. Devotional, Spiritual Teaching, Mrs. Mary Roast. Patriotic Skit, Senior class directed by Mrs. Elvia Davenport.

The above is the Parent-Teachers' February program which will be on the regular meeting time, the second Friday in the month, at the school auditorium. Time: 8 P. M.

W. S. G. S.

Monday's meeting of WSCS proved another of the "hall fellow well met" type. Some dozen ladies gathered to quilt out a quilt for the Red Cross. Several familiar faces here to fore conspicuous by their absence gladdened the hearts of the society by being on hand. As fingers grew nimble, chairs drew ever closer until before one scarce realized it the president called the meeting to order and called for reading of the minutes.

Report was made upon old business. It was stated that the new rug pad for the parsonage had been bought and paid for. A number of members have seen the new rug bought and given by Rev. and Mrs. LeMond and think it adds much to the attractiveness of the parsonage. After we finish what we have set out to do I think Hedley will be proud of its parsonage. Sixteen dollars was reported from serving the Lions Club. Mrs. LeMond's committee had charge.

Just at the close of quilting the business was completed and the meeting turned over to Mrs. Kendall for the devotional. The subject was Psalms of Fellowship and Faith. Mrs. Ruth Kempton played and the society sang He Leadeth Me. The 23rd Psalm favorite of the society, was recited in concert. Mrs. Stekey closed the period with prayer.

The ladies present were invited to remain for a social hour. Mrs. LeMond served delicious cake and coffee. Several visitors were present and we cordially invite them to come again.

Lions Club Meeting

The last January meeting had the largest attendance of any Lions Club meeting except Ladies Nights since the organization of the club, there being 46 present.

During January the Club entered into the Melvin Jones Birthday Plan of getting new members into the Club. They divided in to two sides, the Army and Navy. The side getting the most members was to be treated to an oyster supper by the loser. At the beginning of the month the Club had 23 active members and 2 members and 2 members in the armed forces and they increased their membership 24, making a total of 49 members at present. The Navy won the contest and will be given an oyster supper Friday night, Feb. 5th if oysters are available, otherwise they will probably get navy beans.

Eighteen members of the local club, counting their wives, made the trip to Amarillo to help entertain the Lions International President, Edward H. Payne. This was the largest representation of any club with the exception of the Amarillo club.

The next regular meeting of the club will be Thursday, Feb. 11th as the club now meets on the 2nd and 4th Thursday nights of each month.

FIRST BAPTIST CHURCH

Bob Jenkins, pastor

Sunday School begins at 10:30 A. M. and preaching service at 11:30 A. M. Our attendance is improving and we heartily welcome every one who will come to worship with us.

The church has decided to have a concert every Friday before the fifth Sunday. Last Friday night was the first of these, and in spite of the fact that not as many came as were expected, everyone seemed to have a good fellowship hour and supper together. Don't forget the next one.

NOTICE

Emergency Crop Loans, known generally as "the seed loans," offered for many years in this country by Emergency Crop and Food Loan section of the Farm Credit Administration, are now available to farmers in need of financial assistance for production of vital food crops and normal crops for 1943. Applications for the loans are being taken at Clarendon each Thursday until noon under direction of Field Supervisor, Harold Himmel.

Gleaners Class

The Gleaners class will meet at the Methodist Church Friday, Feb. 5 at 2 p. m.

Billy O. Johnson of Lubbock visited here last week end. He was recently appointed an alternate to Annapolis, and if either of the two appointees is unable to enter the school, Billy will have the privilege of attending our country's famous school for navy officers.

"Your daughter has a great many admirers," said Mrs. Wilkins. "Oh, yes," replied Mrs. Bilkins. "she puts nearly all her window curtains on the rods with her old engagement rings."

Pull the Trigger on Constipation, with Ease for Stomach, too

When constipation brings on discomfort after meals, stomach upset, bloating, dizzy spells, gas, coated tongue, and bad breath, your stomach is probably "crying the blues" because your bowels don't move. It calls for Laxative-Senna to pull the trigger on those lazy bowels, combined with Syrup Pepsin for perfect ease to your stomach in taking. For years, many Doctors have given pepsin preparations in their prescriptions to make medicine more agreeable to a touchy stomach. So be sure your Laxative contains Syrup Pepsin. Insist on Dr. Caldwell's Laxative Senna combined with Syrup Pepsin. See how wonderfully the Laxative Senna wakes up lazy nerves and muscles in your intestines to bring welcome relief from constipation. And the good old Syrup Pepsin makes this Laxative so comfortable and easy on your stomach. Even finicky children love the taste of this pleasant, family Laxative. Take Dr. Caldwell's Laxative Senna combined with Syrup Pepsin, as directed on label or as your doctor advises, and feel world's better. Get genuine Dr. Caldwell's.

SNAPPY FACTS ABOUT RUBBER

Between 25 and 35 per cent of the road service calls answered by AAA clubs are in response to tire trouble—this. Safety problems cause the second largest number of road calls for help.

American synthetic rubber will fill 90 per cent of the country's rubber needs, within two years of Pearl Harbor, according to a rubber chemist. This will be a speedy transition from natural rubber, Germany which started synthetic rubber development prior to 1914 can now only take care of 75 per cent of its rubber needs with synthetic.

Rubber tread trucks have been hauling about 18 per cent as many tons-miles as the railroads, DOT officials say.

Until gasoline rationing was applied as a brake, the car owners of the country were wearing off 750,000 pounds of tread rubber from their tires every day, a government statistician asserts.

WEEKLY NEWS ANALYSIS

Farm Implement Quota Boosted by 30%; Hitler's Disasters Mount as Russians Speed Up Caucasus-Ukraine Offensive; Tripoli's Fall Spurs Tunisia Drive

(EDITOR'S NOTE: When opinions are expressed in these columns, they are those of Western Newspaper Union's news analysis and not necessarily of this newspaper.)
Released by Western Newspaper Union.

Close relations between the United States and Chile and a harder crackdown on Nazi espionage in South America were results expected from the recent action of the Chilean government in breaking diplomatic relations with the Axis. Shown above are Undersecretary of State Sumner Welles (left) and Senator Don Rodrigo Michels, Chilean ambassador, discussing the situation.

FOOD PRODUCTION: Gets New Incentive

Two significant steps to spur the "Food for Victory" campaign were taken when the War Production board authorized a 30 per cent increase in production of farm machinery and Secretary of Agriculture Wickard announced a program of federal credit designed to extend from \$20,000,000 to \$250,000,000 to farmers for stepping up essential food production.

The W.P.B. increased the steel allotment for farm machinery from 137,000 tons to 187,000 tons for the first quarter of 1943. This new tonnage was in addition to an increase previously authorized for the production and repair parts for farm implements.

Mr. Wickard said loans needed mostly by small and medium-sized farmers would be extended through the Regional Agricultural Credit Corporation. Size of loans will be limited only by the amount needed to do the production job. The loans will be of short-term duration at 5 per cent interest.

NORTH AFRICA: Death of Empire

Tripoli's fall had various meanings for various interpreters. To historians it wrote finale to Mussolini's grandiose dreams of empire, for it was here the Duce had begun his disastrous expansion policy. To military observers it meant that the Allies could now concentrate closer attention on cleaning up the last Axis strongholds in Tunisia.

It had been apparent to observers that Marshal Rommel's retreat through Tripolitania had had Tunisia and Tripoli as its goal. Rear-guard efforts to protect the main body of his retreat had constituted the only action in and around Tripoli.

Allied armies had not only straddled Tripoli, but General Montgomery's British eighth army and General LeClerc's Fighting French had constantly harried the retiring Afrika Korps.

In Tunisia the Axis had made strenuous efforts to cover Rommel's withdrawal by launching offensive thrusts against French positions southward of Pond-du-Fahs.

While junction of Rommel's army with those of Nazi Col. Gen. Von Arnim would strengthen Axis forces in Tunisia, the Allies would similarly be strengthened by the addition of British and Fighting French troops to General Dwight Eisenhower's legions.

PRICE RISE: Predicted by Brown

As additional rationing and price regulations were promulgated, the American public learned that Price Administrator Prentiss M. Brown's directives of the OPA would be less dramatic but no less firm than that of his predecessor Leon Henderson.

Mr. and Mrs. Average Citizen were assured by the new administrator, however, that the OPA would be operated solely for the protection of the American people. Frankly acknowledging that price rises were inevitable, Mr. Brown promised that such rises would be "slow and well-

HIGHLIGHTS . . . in the week's news

WASHINGTON: Dependents of 1,294,800 enlisted men in the army are now receiving allotments, according to a war department announcement. The announcement revealed that up to January 1, a total of 1,509,955 applications for such payments had been received. Of these, 135,750 were disallowed temporarily pending receipt of additional information.

RUSS STEAMROLLER: Impact Hurts Nazis

From Leningrad to the Black sea the Russian steamroller offensive rumbled on, gathering momentum on all fronts. Nazi armies were forced to yield ground won in bloody battles last year, to surrender strategic "hedgemo" strong points and to see supply and communication lines shattered.

Russian sources asserted that 500,000 Germans had been killed and 200,000 captured since the winter offensive was launched in November. Red strategy had specially concentrated on five key Nazi-held cities between the Ukraine and the north Caucasus. These were Kharkov, steel producing center; Rostov, communications city at the mouth of the Don river; Voroshilovgrad, industrial metropolis of the Donets basin; Salsk, important rail junction; and Armavir, gateway to the Bakuro-Rostov oil railroad.

Possession of these cities would not only open a vast reservoir of materials and machinery to the Russians, but it would loosen the Nazi stranglehold on the central and southern front. It would mean that the Germans would have to fall all the way back to the Dnieper river and hold lines dangerously close to Rumania, Poland and Lithuania.

CHILDBIRTH: Pain Is Stilled

To a world snuffing out lives in pain on scores of battle fields, the American Medical association brought tidings that the sufferings attendant on life's beginnings might be banished through a new method of childbirth anesthesia that is without danger either to mother or baby.

Designated as "continuous caudal anesthesia" the new technique was developed by Drs. Robert Hingson and Waldo Edwards of the Marine hospital at Staten Island, N. Y. Their report was corroborated by statements from 19 other clinics and hospitals which tested the new method on 589 patients.

SOUTH PACIFIC: Prelude by Air

"Softening up" attacks by air on Jap-held Lae were carried on by Allied fliers as a prelude to land movements by General MacArthur's forces. For Lae was the next calling spot on the Allies schedule after mopping-up operations had been successfully concluded in the Sanananda area, last Jap toehold in the Papuan peninsula.

Aerial activity was not confined to the Lae area, for American and Australian planes bombed shipping at Finschaven and hit the airbase and wharf sections of Madang in New Guinea. Elsewhere Allied airmen visited Cape Gloucester and Gasmata in Jap-held New Britain and strafed an enemy barge concentration off Willaumez peninsula.

In Australia, Allied bombers continued their pounding of enemy warships and merchantmen far to the north. At Ambon, 600 miles north-west of Darwin, they scored hits on a cruiser and cargo vessel.

HARD COAL: Miners Bow to FDR

Dangers of a crippling hard coal shortage were averted and a face-saving maneuver for labor executed when 12,000 Pennsylvania miners returned to work after a three-week old unauthorized walkout following a curt ultimatum from President Roosevelt.

The President had served notice that unless the miners ceased their wildcat strike within 48 hours, he would take "necessary steps" to safeguard the war effort.

A tangled skein of labor politics had complicated the eastern hard coal situation. Efforts of John L. Lewis, president of the United Mine Workers, and the War Labor board to get the strikers back on the job had failed. Strike leaders said the miners had walked out in protest against a UMW dues increase of 50 cents a month. The strikers, however, had also demanded a \$2 a day wage increase.

AXIS TRUMP: Subs Still Potent

Hurled back on all world fronts by the ever-increasing ferocity of United Nations attacks, the Axis still controlled one ace offensive weapon—German submarines.

Hitler was said by British Admiral Sir Percy Noble to be maintaining 200 U-boats of his fleet of 500 at sea all the time in an effort to keep the tremendous output of Allied war factories from the battlefields. Unofficial British estimates placed Nazi submarine construction at 15 to 20 a month—faster than naval experts believe the Allies are sinking them.

Elmer Davis, director of the Office of War Information, reported that German submarines had sunk more Allied shipping in January than in December.

A brighter side of the picture emerged, however, when the Lend-Lease administration announced that the United States and Britain had sent Russia 5,800 tanks and 4,600 airplanes up to January 1 and promised that aid to the Soviet "will grow still more in 1943." Regardless of submarine wolfpacks, convoys were getting through.

RUBBER: Jeffers vs. RFC

With his synthetic rubber program facing further curtailment so that more convoy escort vessels can be built and more high octane gasoline produced for fighting fliers, Rubber Conservation Director William M. Jeffers assumed control of all rubber import programs formerly exercised by the Board of Economic Warfare through the Rubber Re-

WILLIAM M. JEFFERS

serve company, a Reconstruction Finance corporation subsidiary.

This action meant that henceforth Jesse Jones, as head of the RFC's Rubber Reserve company, which supplies the money for operations, would take orders from Mr. Jeffers instead of from the BEW on rubber imports. It meant, moreover, that Jeffers hoped to bolster lagging synthetic rubber production by imports as a means of keeping civilians supplied with automobile tires.

NAZI AIR RAIDS: RAF Welcomes Reprisals

Tragic as was the death of scores of school children in German bombing raids on London, aviation authorities hailed the renewal of Nazi attacks as a further opportunity to weaken the Axis in the air.

Every raid means a further thinning of Hitler's already over-extended air forces, these authorities pointed out. In the biggest daylight air assault on London since the 1940 battle of Britain, the Nazis lost 13 planes while the British lost two. Because of improved anti-aircraft defense, destruction and loss of civilian life were held to minimum levels.

The German raids have been in reprisal for gutting attacks on Berlin by large flights of RAF bombers raining down four-ton "block busters" on the Nazi capital, and spawning incendiary bombs that caused untold damage. British losses on these raids were comparatively light, officials revealed.

MORE BLOOD: Asked by Red Cross

Mounting war casualties prompted a request from the army and navy for the Red Cross to procure 4,000,000 pints of blood during 1943, or more than three times the amount obtained from donors last year.

Red Cross Chairman Dwight F. Davis disclosed that the request had come from Maj. Gen. James C. Magee and Rear Admiral Ross T. McIntyre, surgeons general of the army and navy respectively.

Female Weakness
AND HELP BUILD UP RED BLOOD!

Lodya E. Pinkham's Compound TABLETS (with added iron) have helped thousands to relieve periodic pain, backache, headache with weak, nervous, cranky, blue feelings—due to functional monthly disturbances. Taken regularly—Pinkham's Tablets help build up resistance against such annoying symptoms. Also, their iron makes them a fine hematinic tonic to help build up red blood. Pinkham's Tablets are made especially for women. Follow label directions. Worth trying!

Kidneys Must Work Well-

For You To Feel Well
24 hours every day, 7 days every week, never stopping, the kidneys filter waste matter from the blood.

If more people were aware of how the kidneys must constantly remove surplus fluid, excess acids and other waste matter they cannot stay in the blood without injury to health, there would be better understanding of why the whole system is upset when kidneys fail to function properly. Burning, scanty or too frequent urination sometimes warns that something is wrong. You may suffer lagging backache, headache, dizziness, rheumatic pains, getting up at night, swelling. Why not try Doan's Pills? You will be using a medicine recommended the country over. Doan's stimulate the function of the kidneys and help them to flush out poisonous waste from the blood. They contain nothing harmful. Get Doan's today. Use with confidence. At all drug stores.

DOAN'S PILLS

ON THE HOME FRONT
THIS colorful afghan was made by clever fingers from the best parts of old woolen garments put together with odds and ends of bright yarn. Even trousers and fitted jackets yielded scraps of the size required.

By holding the goods up to the light it is easy to find the unworn

parts. These are cut out roughly; washed with mild soap in lukewarm water; rinsed with a little soap in warm water; and pressed while damp. The pieces are then cut accurately according to the measurements given here. Single crochet stitch is used around all pieces, and the sketch shows how the pieces are sewn together.

NOTE: Today nothing should go to waste. Even furniture may be reconditioned and made to do for the duration. Book 7, in the series prepared for readers, contains 32 pages of illustrated directions. Readers may get a copy by sending to:

Star Dust
STAGE-SCREEN-RADIO
By VIRGINIA VALE
Released by Western Newspaper Union.

IT IS difficult to know just which bouquet to toss at "In Which We Serve"; people agree that it is a really great picture, but they praise it for different reasons — for its direction, the excellence of the production, the remarkably good acting, by a cast in which Noel Coward's is the only well-known name. I think that it is great because of its sincerity — watching it, you don't think "That's a good performance"; you feel that you are actually watching real people, taking part in their lives.

Signs of the times: An announcement from Metro's New York office that the theater where "Tennessee Johnson" is being shown is heated with coal, so patrons will be assured of comfort while viewing this picture about the 17th President of the United States.

The glamour girls who are sweethearts of the armed forces have nothing on Baby Snooks; she's the land-based mascot of the officers and men of the submarine U.S.S. Snooks, the enlisted men wear insignia

BABY SNOOKS

presented by her on the backs of their overcoats. And Fanny Brice, Baby Snooks' originator on the "Coffee Time" program, has a standing invitation to dine aboard the Snooks the day the war's over.

Don't blame the navy for the shortage of zippers; they don't use 'em. Glenn Ford found that out when he arrived on the set of "Destroyer" at Columbia in a brand new sailor's uniform equipped with zippers. Lieut. Com. Donald Smith ruled the uniform out; he's technical adviser. Seems they don't use zippers in the navy because, if a gub has to go over the side in an emergency and must get rid of his pants so that he can swim, buttons are much easier to open in the water than zippers are to un-zip.

Dorothy Lamour's first male protegee has red hair and freckles and is 6½ years old. He's the son of Dorothy's secretary, and Dorothy's grooming him for important child roles. You'll see him making his film debut with her in "Dixie."

A screen role became a real one for Fay Bainter the other day, when her only son, Reginald S. H. Venable Jr., announced that he had enlisted in the army and was about to begin officers' training. In "The War Against Mrs. Hadley" she portrayed the mother of a boy who enlisted in the armed forces. She's working now in "Salute to the Marines."

Whoever gets the rights to film Capt. Eddie Rickenbacker's life will know that he's won out over stern competition; even before Captain Rickenbacker's recent and famous adventure in the Pacific the major studios were interested in his life story.

Dick Martin, the young RKO actor, was discussing "Bombardier" with photographer Ernie Bachrach. "I sure hope I can get a part in that picture," said Martin. "It's going to be terrific." "I understand that Walter Reed has a good role," said Bachrach. "Good role!" exploded Martin. "Why, he kills off Randy Scott, bombs Tokyo, and gets Anne Shirley — what more could an actor ask?"

Henry Travers, who played the rose-growing station master in "Mrs. Miniver," has been cast to portray Dr. Eugene Curie, father of Pierre Curie, in Metro's "Madame Curie," starring Greer Garson. It's the third consecutive film in which Travers has appeared with her — he played the country doctor in "Random Harvest."

ODDS AND ENDS — Dinah Shore's been signed to appear with Danny Kaye in Samuel Goldwyn's "With Flying Colors"

Lashley Woods of the "Joyce Jordan, M. D." air show has been dashing about New York during the cold weather in sequin trimmed ear muffs. . . . Sheldon Leonard plays a racketeer in "Lucky Jordan" because Hollywood thought him the ideal gangster type—but when he appeared in "Margin for Error" on the New York stage the minions of the law voted him the ideal policeman. . . . Alice Fawcett's the fastest-moving waitress on the screen, as shown in "Henry Aldrich Gets Glamour"—but she's had actual experience as one, so why not?

HOUSEHOLD MEMOS... by Lynn Chambers

Give Cupid a Break . . . Bake Him a Cake
(See Recipes Below)

Valentine Notes

Along about this time, even though it isn't spring, there's a note of precious sentiment that gets into the atmosphere. Perhaps it's those bits of bright red and lacy paper the children have been pasting into heart shapes, the rhymes they've been making. Yes! Valentines!

Cupid has a way of darting into this season and winning us over—even if only with a cardboard arrow springing out of a froth of red and white paper cutouts of hearts. Why not plan to give yourself up to a party with a Valentine theme?

Let's make it simple but festive for even simple gayety will do loads for your morale. Except for the cake in today's column which is a wee bit party-ish, the rest of ingredients in the party are streamlined to save your time.

Our color scheme for the holiday runs into red-and-white, so our main dish is going to be a variation of the old favorite chicken and cranberries.

*Jellied Chicken and Cranberry Loaf. (Serves 6)

- 1 tablespoon gelatin
- 2 cups well seasoned chicken broth
- 6 small thin slices chicken
- 2 cups minced chicken

Cranberry mixture
Soften gelatin in a little broth, add remaining broth and heat until gelatin is dissolved. Pour a little into the bottom of an oiled 1-quart loaf pan. Divide remaining gelatin between 1 cup dark and 1 cup light meat of chicken. Add alternating layers of chicken and cranberry, chilling each layer thoroughly until set before adding the next.

Cranberry Mixture. (For Chicken Loaf)
1 pint cranberry juice
1½ tablespoons gelatin
¼ teaspoon salt
Dash of cayenne
Juice of ½ lemon
1 cup minced celery

Soften gelatin in a little cranberry juice; dissolve over hot water. Add remaining juice and seasonings. Cool and add celery.

Since the main dish is a combination salad and main dish—if served with a lettuce or watercress garnish and mayonnaise if you want it, balance the menu with some attractive assorted sandwiches. Sandwiches should be light snacks for this type of party, so we'll fall back on the old standby, cream cheese.

Cream Cheese Rolls.
Mix 1 package of softened cream cheese with 1 tablespoon of mayonnaise and a dash of Worcestershire sauce. Blend thoroughly. Take thinly

Frozen Strawberry Filling.
1 package lemon-flavored gelatin
1 cup boiling water
1 package fresh-frozen strawberries
1 cup whipping cream

Add boiling water to gelatin, stir until dissolved. Break strawberries into separate pieces, add to gelatin and stir carefully. The cold strawberries will cool the gelatin and at the same time thaw the syrup around the berries. If strawberries are thawed, cool gelatin before adding strawberry mixture. Whip cream and fold in ½ cup of whipped cream into strawberry mixture.

With a sharp knife cut out center of cake with a sawing motion, leaving a 1-inch shell around top of cake. Lift out center of cake and tear off pieces of center to fill hole at bottom of cake left by tube. Use this extra cake and put into filling or frost small pieces and roll in coconut. Four strawberry filling into cake. Frost outside of cake with remaining cream. Part of this frosting may be used through a cake decorator tube to add valentines to sides and swirls to top of cake as shown in picture above. Put cake in refrigerator for ½ hour or long enough to set filling. Serves 10.

- Valentine Party.**
*Chicken Cranberry Loaf
*Assorted Sandwiches or *Graham Gems
*Cupid's Cake
Tea Hot Chocolate
*Recipe Given

sliced white bread, trim off crusts, and spread with cream cheese mixture. Roll, cut in half and brush with melted butter. Toast in broiler until evenly browned.

Other good cream cheese combinations, using heart or diamond-shaped bread slices, include cream cheese and apple butter or cream cheese and currant jelly or raspberry jam.

Hot muffins that pull no nutritional punches would be good foil for the cool, smooth jellied chicken and cranberry loaf. Try these:

- *Graham Gems.
½ cup flour
1 cup graham flour
¼ teaspoon salt
4 teaspoons baking powder
1 egg, well beaten
¾ cup milk

Sift the flour. Sift again with salt and baking powder. Add egg and milk and beat only until mixed with dry ingredients. Bake in small, buttered muffin tins in a hot (400-degree) oven for 20 minutes.

A delicious mouth-watering cake to top off the party is just the thing you need to make it a success:

- *Cupid's Cake.
1½ cups egg whites (about 10)
1½ cups sifted sugar
½ cup sifted cake flour
¼ teaspoon salt
1 teaspoon cream of tartar
1 teaspoon vanilla

Measure egg whites and place in a bowl. Sift and measure sugar and add flour. Add half of sugar and ¼ teaspoon salt to flour. Sift 5 or 6 times. Beat egg whites until frothy, add cream of tartar, beat until egg whites are slightly stiff but still glossy. Fold in sugar, 2 tablespoons at a time. Fold in sifted flour a little at a time. Fold in vanilla and pour into a hot pan that has been set in a hot oven, 425 degrees, while cake is being mixed. Bake in a hot oven 20 to 23 minutes or until cake springs back when touched. Invert pan to cool cake.

Frozen Strawberry Filling.
1 package lemon-flavored gelatin
1 cup boiling water
1 package fresh-frozen strawberries
1 cup whipping cream

Add boiling water to gelatin, stir until dissolved. Break strawberries into separate pieces, add to gelatin and stir carefully. The cold strawberries will cool the gelatin and at the same time thaw the syrup around the berries. If strawberries are thawed, cool gelatin before adding strawberry mixture. Whip cream and fold in ½ cup of whipped cream into strawberry mixture.

With a sharp knife cut out center of cake with a sawing motion, leaving a 1-inch shell around top of cake. Lift out center of cake and tear off pieces of center to fill hole at bottom of cake left by tube. Use this extra cake and put into filling or frost small pieces and roll in coconut. Four strawberry filling into cake. Frost outside of cake with remaining cream. Part of this frosting may be used through a cake decorator tube to add valentines to sides and swirls to top of cake as shown in picture above. Put cake in refrigerator for ½ hour or long enough to set filling. Serves 10.

Blouse and Jumper.
HERE'S a juvenile jumper outfit which has extra prettiness—in the soft, curving lines of the jumper and in the round Peter Pan collar and short puffed sleeves of the blouse. Any little girl will look "nice as pie" in it—yet it is very practical and can be made at next to nothing cost.

Pattern No. 8278 is in sizes 2, 4, 6, 8, 10 and 12 years. Size 4 jumper requires 1½ yards 36 or 39 inch material, blouse 1½ yards.

Pattern No. 8261 is in sizes 12, 14, 16, 18, 20, 40 and 42. Size 14 slip and pantie takes 1½ yards 39-inch material.

HOUSEHOLD HINTS

The secrets of washing woolsens successfully are: (1) plenty of suds; (2) luke-warm water throughout the washing and rinsing; (3) no rubbing or twisting; (4) drying at moderate temperature, avoiding both heat and intense cold.

When plain pillow slips made from tubing are partly worn, rip or cut off the seam at the bottom and sew the slips again with the fold in the center. It will double their life.

Furniture for a man's room is appearing in bleached and limed finishes rather than in the dark oak which used to hold sway.

When using an aluminum saucepan for boiling eggs, add a few drops of vinegar to prevent the pan from discoloring.

The first time the cork is taken out of a glue bottle, dip it in melted paraffin and allow it to dry before replacing—it will never be sticky and hard to remove.

The popular wrap around turbans should be washed frequently because they are handled so much. Those made of silk, rayon or knit wool can be laundered with lukewarm water and mild soap if the color is fast.

To clean a soiled felt hat rub it with a very fine grade of sandpaper.

Olivia de Havilland
stars of the Warner Bros. picture, " Strawberry Blonde," recommends Calox Tooth Powder for teeth that shine.

Hedley School News

The basket ball tournament at Hedley was the most successful in a period of ten years. Ten teams from neighboring schools participated. These were Hedley, Goodnight, Lella Lake, Tel Lakeview, Northfield Clarendon, the Army and one exhibition game.

Standings were as follows: Boys Teams—Hedley 22, Goodnight 23; Lella Lake 22, Tel 42; Northfield 19, Clarendon 26; Lella Lake 19, Army 8; Tel 24; Goodnight 27; Lakeview 27, Clarendon 14; Lella Lake 23, Hedley 23; Tel 20, Lakeview 26.

Girls Teams—Hedley 26, Goodnight 9; Lella Lake 22, Lakeview 11. Tel won first place for the boys teams. Hedley won the same for the girls.

The all tournament team for boys consisted of the following: Lella Lake, Hill and La Pen; Goodnight, Brown; Tel, Smith and Nimmo; Lakeview, Gibson and Brown; Hedley, Frank and Johnson; Clarendon, Crawford. All these players made outstanding plays throughout the game. No all tournament team for girls was selected.

Mid-term tests for Hedley Schools are over and the second semester's work has begun. Our new teacher, Rev. Frank Hutchins is a valuable addition to our school. He is a graduate of the University of Illinois and has his Master's from Columbia University and has done much of his work for a Ph. D. Hedley's teachers have a total of more college training than any other school in the Panhandle.

The home of Mr. and Mrs. J. A. Lemmon at Giles was totally destroyed by fire Saturday, Jan. 28. Only a very few household goods were saved.

Mr. and Mrs. O. O. Sargent have been visiting in Temple at the bedside of Paul Sargent, who is seriously ill.

J. W. Bradshaw and family have moved to Lesley, where he will be both teacher and preacher.

For Lease—160 acres farmland government check included. Box 914, Hedley.

Good second hand and new furniture.
