

The Hedley Informer

VOL. 35

HEDLEY, DONLEY COUNTY, TEXAS, FRIDAY, JULY 6, 1945

NO. 34

Baseball

The Hedley Boys Baseball Club, sponsored by the local Legion Post will go to Lubbock to play for the district championship next week July 12th and 13th. The championship of this district lays between Morton, Lubbock and Hedley. Last Saturday Lubbock defeated the local boys here by the score of 22 to 12. However it was a good game and the boys out scored Lubbock after they got over their jitters in the first few innings. Everett and Owens pitched for Hedley with Gibson catching. Pe'e Wynn's catch of a fly ball after a long run was the high light of the fielding and the hitting goes to Floyd Sims with three hits, including two three base hits.

Ration Reminder

Meats, Fats—Red Stamps K2 through P2 expire July 31
Red Stamps Q2 through U2 expire August 31
Red Stamps V2 through Z2 expire September 30

Lions Club News

At last week's Lion Club meeting officers and directors for next year were elected. They will be installed at the July 12th meeting. Those elected were Leon Reeves, President; W. H. Moffitt, First Vice President; Chas. Rains, Second Vice President; Alva Simmons Third Vice President; Clifford Johnson, Secretary; Otis Owens, Lion Tamer; W. P. Doherty, Tail-wister. The new directors are Roy Jewell and W. M. Pickering. Held over directors are J. W. Noel and C. O. Hill.

This week is regular directors meeting. Several things are to be up besides an outline of next year's work.

American Legion

At the next regular meeting of the local American Legion Post to be held next Tuesday night July 10th officers for 1946 will be elected.

The post had a good year with 45 members including quite a few World War II veterans. They received citations from national headquarters for reaching their quota of membership before November 11th, for exceeding last year's membership and for exceeding the four year average in membership.

In Americanism and Post activity they scored 415 of a possible 1000 points. Quite a bit better than ever before but they plan to do more next year. All ex-service men are urged to attend this meeting and get a good start for next year.

Giles News

By Mrs. Arthur Ranson

Mr. and Mrs. Clarence Davis and daughter Mildred of Quannah visited Mrs. Jerry Stotts Sunday.

J. T. Wylie has returned to his home in Pampa after spending a few weeks with his daughter Mrs. J. M. Baker.

Mrs. J. D. Foster and children visited a few days in the G. T. Foster home enroute to Fresno, Calif. to make their home.

Mr. and Mrs. J. M. Baker and family attended the ball game in Hedley Saturday afternoon.

Mrs. John Robinson and children of Childress is visiting in the Caradine home.

Mrs. Ozier Hoggard and son left for Amarillo Thursday after visiting in the R. O. Kelley home a few weeks.

Pfc. Bill Proffitt is visiting his parents, Mr. and Mrs. W. B. Proffitt. He is enroute to Corpus Christi.

Memphis visitors Saturday were Mrs. R. O. Kelley and daughters, B. F. Kelley, John Ward and family, Mr. and Mrs. W. B. Proffitt, Mr. and Mrs. E. M. Glass and Irene Proffitt.

Mr. and Mrs. Charles Peters and daughter Lois of Memphis visited in the E. M. Glass home recently.

Pfc. and Mrs. R. D. Wiginton and Sonny Hill of Hedley visited Mr. and Mrs. A. E. Ranson Jr. Sunday.

Mrs. Frank Bealchor of Houston spent Sunday with Mr. and Mrs. E. M. Glass.

James B. Colbert

James B. Colbert, better known as Little Jim, who lived in this community for eight years, was laid to rest July 3, in the Rowe Cemetery. He was 35 years of age, and had passed away in San Francisco, Calif. on February 7, 1945. The body had been cremated and was brought here by express.

His only immediate survivor is his mother who lives in San Francisco. He was the nephew of Mrs. J. W. DeBord living two miles north of McKnight. He was a member of the Methodist Church, which he joined several years ago, and had led in the singing at the preaching services.

The simple and solemn services were conducted from the Womack Funeral Home at 4:00 p. m. The Choir sang "Rock of Ages" and "Shall We Gather At The River." Rev. W. F. Gaede conducted the service.

Cozy Theatre To Be Rebuilt

Lee Bell, manager of the Pastime and Cozy Theatres at Clarendon, has announced that the War Production Board has granted a priority for rebuilding the Cozy Theatre, which burned recently.

The Robb-Musick Construction Co. of Amarillo began work on the building Monday. The new building will be twice the size of the old one, and will seat 650 persons.

Mr. Bell hopes to have the theatre completed by early fall.

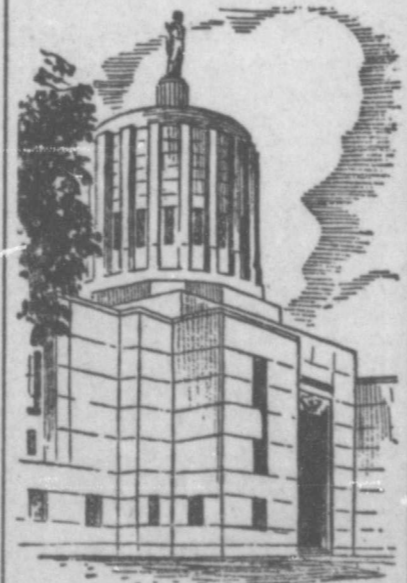

Undergoing tonsil operations last week were Junior Spier, David Edward Boliver and T. E. Naylor.

Mrs. Frank Kendall is visiting in Abilene.

C. E. Johnson at the Hedley Telephone Co. will write your fire and hail insurance.

Know any news? Phone 101.

Bonds Over America

OREGON CAPITOL

Oregon's capitol at Salem is now one of the fine structures which Americans buy War Bonds to protect. It's new and beautiful; one of the nation's prized possessions. It is worth buying a great many War Bonds to provide planes and material for our fighting men to use in its defense. Oregon City and Corvallis were capitals of the territory for brief periods but Salem became the permanent capital when Congress provided funds for the erection of territory capitol buildings there and the U. S. Treasury refused to provide the funds for construction anywhere else. Fire destroyed the first capitol and also another in 1835.

U. S. Treasury Department

News From Our Men In Service

Miami, Fla., July 5—Texas overseas veterans from widely scattered battle fronts continue to pour into Air Transport Command's Miami Army Air Field as part of 50,000 returnees ATC is flying back to the states each month.

The majority of the air evacuees under the Army's "Green Project" land at this busy ATC Caribbean hub and then are sent to Camp Blanding, Fla. From there they go to a reception center nearer their homes for furlough or separation under the Army's redeployment plan.

One Texan to return, and who will be seeing relatives and home folk is Pvt. Doice Flowers, 27, of Hedley. A member of the 2nd Infantry Division, he has spent 20 months in Europe and holds the Bronze Star.

Naha, Okinawa (Delayed)—Marine Corporal Mendle E. ("Big John") Bond, former Texas Christian College gridiron star, carried four wounded comrades to safety across 400 yards of fire swept field from Jap-controlled heights overlooking this capital city.

The 24 year old Leatherneck, his lieutenant and sergeant hit, had led the unit in charges on the dominating heights of Sugar Loaf Hill and Half Moon Ridge. After a fierce two hour fight, climaxed by a point-blank exchange of hand grenades, he was ordered to withdraw temporarily.

Bond charged across the intervening fire-swept draw to Marine lines with a man over his shoulder on four trips. When he finally brought his platoon of the Sixth Marine Division back its strength had been greatly reduced.

Bond played fullback and wingback at Texas Christian for two years before enlisting in March, 1942. He is married to the former Maulcie Lee, who resides at Shamrock, Tex., and his parents, the Rev. and Mrs. W. E. Bond, live at Hedley.

St. Sgt. Winfred E. McPherson, a supply sergeant with the 345th Field Artillery Bn., 90th Infantry Division, has been awarded the Bronze Star Medal. He has participated in the campaigns in Normandy, Northern France and Germany. He also holds the Good Conduct medal, the ETO service medal, and the medal for service prior to Pearl Harbor.

He is at present with the Army of Occupation in Germany and is located in Nuenburg, a city of 30,000 in the province of Bavaria. He is quartered in a large apartment house and writes that all civilians must observe a nine o'clock curfew and that all soldiers are also required to be in barracks by that time.

S 1-c Lester Bolden, who has been serving in the Pacific, came in Wednesday for a visit with home folks.

Mr. and Mrs. John Thomas have received word that their son, Willis, was promoted to Captain on June 23. He is somewhere in the Pacific.

Cpl. Raymond K. Stone is visiting his wife and two children at Memphis and his parents, Mr. and Mrs. Burt Stone, in Hedley. He has just returned from the

European theatre of operations.

Cpl. Stone has been in service two years and had been overseas about eleven months. He took part in the campaigns in France, Italy and Germany.

Sgt. Emmitt Neal Ray, recently liberated from a German prison camp, came in Friday and is visiting his parents, Mr. and Mrs. J. D. Ray. He has been in service four years and had been in the European theatre about six months, four months of which he spent in the prison camp.

Joe Plunk of Camp Hood is visiting home folks.

Bank Pays Dividend

Miss Louise Moss is now employed by the Security State Bank as bookkeeper. Miss Peggy Nell Everett will be advanced to assistant cashier.

The bank reports good business for the first six months of the year. They paid their regular 5% semi-annual dividend, added \$1,000.00 to the surplus account and increased their undivided profits \$5288.81. This gives the bank \$35,000.00 capital, \$26,000.00 surplus and \$12,374.66 profits and reserves giving a total capital structure of \$73,374.66 which is more than ample to take care of the needs of the community under any conditions. They show \$469,832.68 deposits and cash and quick assets totaling \$420,998.20.

The Hedley people are proud of the bank and the bank is mighty proud of the people of this community who support it so well.

Sam A. Younger

Funeral services for Sam A. Younger who passed away early Tuesday morning in an Amarillo hospital, were held Wednesday from the home in the Bray community by Rev. H. T. Harris. Interment was in Rowe cemetery with Womack Funeral Home in charge.

Bearers were Curtis Brinkley, Frank Davis, Lewis Spier, Bill Clay, Woodwin Youree and Johnnie Parker.

Mr. Younger was a veteran of World War I and had moved here from Oklahoma about May 1st. He is survived by his wife and nine children.

European theatre of operations.

Cpl. Stone has been in service two years and had been overseas about eleven months. He took part in the campaigns in France, Italy and Germany.

Sgt. Emmitt Neal Ray, recently liberated from a German prison camp, came in Friday and is visiting his parents, Mr. and Mrs. J. D. Ray. He has been in service four years and had been in the European theatre about six months, four months of which he spent in the prison camp.

Joe Plunk of Camp Hood is visiting home folks.

Scattered Shots

By the Editor

Watch for an announcement next week of the opening of the Moreman Locker System. The last details are being cleared up and we hope to have a definite announcement in our next issue.

Rain fell in amounts ranging from a light shower to two inches over the county last week end, improving everybody's dispositions. A Hall county man was complaining Tuesday that Hedley seemed to be the stopping point for the rain.

We hear that John Biard set ten turkey eggs and has hatched out eleven turkeys, all doing fine. This may be just another rumor.

ODT Appeals For Car Conservation

In an appeal to passenger car owners to conserve their automobiles, Col. J. Monroe Johnson, Director of the Office of Defense Transportation, warned that it will be at least three years before many millions of private car owners and prospective car owners who want new automobiles will be able to get them. Colonel Johnson said this fact "has not been generally realized in the first flush of enthusiasm over the limited resumption of passenger car production." Although it is expected that 240,000 passenger cars will be built this year, Colonel Johnson commented that this number will replace less than one percent of the Nation's automobiles. "None of the cars produced in the near future will go to the average driver," he added. "They'll go instead to the most essential drivers, doctors, police, taxi drivers, war workers and others. And they will be short, far short, of meeting the need of these fields."

"Yessir, Jim's got a great system"

A GREAT SYSTEM for Jim, that is. But a little unfair to the other swimmers.

Swimming a race or running a business is pretty easy when you don't have to pull your own weight!

Take government-owned electric power-systems, for example. They pay little or no taxes. When they need money, they can call on the U. S. Treasury and get it at little or no interest. If they have losses, why worry? You, as a taxpayer, will take care of that.

Business-managed power-systems do not have these special privileges. They pay their full

share of taxes, pay fair interest on any loans, pull their own weight all the way through.

Fortunately for you and your tax bill, over 80% of all the electric power in this country is produced by tax-paying, self-supporting electric companies owned and operated by millions of Americans.

And how well are these companies doing their job?

Electricity is still available at low pre-war prices. There is enough to meet even the gigantic demands of war. And there will be plenty to help give you greater comfort and convenience in the electric living of the post-war world.

* Listen to "THE SUMMER ELECTRIC HOUR" with Robert Armstrong's Orchestra and guest stars. Every Sunday afternoon, 3:30, CWT, CBS Network.

What does this mean to you? Government ownership of any business is a threat to every American in business. Whether you run a shop, garage or factory, government ownership means you have a rival across the street who enjoys special privileges at your expense. He has little or no rent to pay, can borrow money at little or no interest, can keep on operating at a loss—and YOU are called upon to help make up that loss!

Bonds Over America

DVORAK MEMORIAL

Antonin Dvorak, Bohemian composer, wrote melodies which were recorded as "String Quartette in F Major," Opus 96, in tiny Spillville, Iowa, in 1893. The composition consumed only 12 days. Later Dvorak wrote "Theme With Variations," part of which, rearranged by Violinist Fritz Kreisler, became known as "Indian Lament." So that the spirit of freedom which inspires men and women to create masterpieces of art in all forms shall endure forever, U. S. men are suffering and dying. Home folks can at least lighten their trials by buying War Bonds to furnish them with munitions, food and medical supplies.

LITTLE THINGS HAVE BIG POINT VALUE IN CANNING

—Photo Courtesy Ball Brothers Co.

Gladys Kimbrough, Home Service Director for Ball Brothers Company and editor of the famous Blue Book of home canning recipes, recently expressed the opinion that most canning failures would be avoided if people could be made to understand that, in canning, little things have big point value. She also stated, "There is no short cut to successful home canning, but careful planning ahead of time takes the drudgery out of the job. Careful attention to reliable instructions at the time of canning puts success into it."

Use Proven Quality Jar
Select any style jar you like but be sure it is a home canning or "fruit jar" and that it is a nationally known brand. There is no excuse for a slip-up on this because the name of both jar and maker is moulded into the side of all jars intended for home canning. A sheet of instructions, telling how to use them, is packed with each dozen jars. The instructions should be followed. If this were not important, there would be no instructions because printing and putting them in the cartons cost the manufacturer a lot of money.

Jars, caps, and lids which have been used before should be examined carefully for nicks and cracks, washed clean in warm soapy water, rinsed, and then boiled twenty or more minutes and kept hot until needed. And remember, please, jars should be ready and waiting for the food which is to be canned. Never, never keep fruits and vegetables waiting for either jars or canner because bacteria and other organisms of spoilage overtake fruits and vegetables when there is an unnecessary delay anywhere between garden or orchard and canner.

Vegetables may look fresh after a night out of the garden, but they no

longer have strength to resist bacteria, yeasts and moulds which cause them to spoil. Fruit which is taken from the tree and permitted to ripen in storage may keep but its flavor won't be right. Pears are an exception to this rule—they should be removed from the tree and ripened in a cool spot. A countless number of apricots and peaches have been wasted because home canners haven't understood that such fruit must be tree ripened if it is to have a good flavor after canning. All tree-grown fruit should be washed carefully through two waters before its skin is broken. If not washed off, chemicals used to keep insects away from the fruit may give an unnatural flavor to the canned product, a flavor which some persons have confused with that of rubber!

Boil Rubbers in Soda
Another little point to remember! Some authorities advise that wartime jar rubbers be boiled twenty minutes in a solution made by dissolving a heaping teaspoon of baking soda in a pint of water for each dozen rubbers to be treated. The rubbers should be rinsed well before using. When asked about this, Miss Kimbrough stated that she had used no rubbers which needed such treatment, but that boiling in soda could do no harm and might do some good if the rubbers seem to have an unusual amount of odor. She cautioned against stretching rubbers to test them. This rule also applies to pre-war rubbers. It is false economy to use any rubber more than once.

Behind Your Bonds

Lies the Might of America

MEAT

The huge plants in Chicago's "Packing Town" every day pour dollars into the national treasury to back your War Bonds. John B. Sherman opened the first centralized stockyards, Bull's Head yards, in 1848. In 1865 he organized the Union Stockyard and Transit Company. The growth of this business developed rapidly with the development of refrigerator cars and improved organization of the big packing firms. The city's chief industry in the value of its products, it processes annually 12 million animals valued at \$250,000,000.

Kidneys Must Work Well

For You To Feel Well
24 hours every day, 7 days every week, never stopping, the kidneys filter waste matter from the blood.
If more people were aware of how the kidneys must constantly remove surplus fluid, excess acids and other waste matter that cannot stay in the blood without injury to health, there would be better understanding of why the whole system is upset when kidneys fail to function properly.
Burning, scanty or too frequent urination sometimes warns that something is wrong. You may suffer nagging back ache, headaches, dizziness, rheumatic pains, getting up at night, swelling.
Why not try Doan's Pills? You will be using a medicine recommended by country over. Doan's stimulates the function of the kidneys and help them flush out poisonous waste from the blood. They contain nothing harmful. Get Doan's today. Use with confidence. At all drug stores.

DOAN'S PILLS

HIGHWAY TO VICTORY

Only where Natural Gas is needed for the war effort can pipe lines be built today. And even with all the modern equipment at hand, the job is still one for pioneers. . . . Before the actual laying of pipe, our construction crews must prepare the "highway," better known as the right-of-way, through remote swamps and marshlands, through cultivated fields, and woods, under highways, railroads and streams. In some cases they must dig canals or dynamite out large roots or pieces of rock to clear the way for the actual construction. These men are truly soldiers on the home front. . . . Always the work of these valiant gangs is hard and hazardous but they carry on, day in and day out, doing their part willingly in their country's struggle for victory.

CAN FOR VICTORY

OUR GOVERNMENT ASKS US TO CAN MORE THAN IN '44

Save Sugar by
Canning with Syrup

STRAWBERRY JAM

4 cups prepared fruit.
3 1/2 cups sugar.
3 1/2 cups light syrup.
1 box Sure-Jell
or 1/2 bottle Certo

Measure 4 cups fruit in 6 quart kettle. If not enough fruit, fill last cup with water. Place over high heat. Add Sure-Jell or Certo. Stir until comes to hard boil. Add sugar and syrup at once. Bring to full boil for one minute, stirring constantly. Remove from fire, skim, pour, paraffin. Makes 13 glasses.

Let C. E. Johnson, manager of the Hedley Telephone Co., write your fire and hail insurance.

Know more news? Phone 101.

There's Always The UNEXPECTED

Are you insured against it?
Is your home fully covered against fire, windstorm and hail?
Is your car insured and what about a little hail insurance on your cotton?
