Lions Club News

Last week's Lions Club Ladies Night meeting was one of the best ever held by the local club. Something over sixty Lions, their ladies and other guests enjoyed a good Thanksgiving dinner served by the Methodist Ladies. The program under program chairman Elliott and given by Miss Gertrude Rasco, Mrs. Gladys Power and Mrs. Tommie Harrison of Memphis was enjoyed by all. Lion Blaine Doherty and Jesse Beach, recently returned from service were introduced, also Captain Albert Martin and mother of Quannah and many other guests.

This week is regular directors meeting. Let's all try to attend. If a quorum is out a lot of business can be attended to, it not there should be a good domino game.

Also let's not forget the Lion sponsored shows at the High school auditorium Monday, Tuesday and Wednesday nights. This will be a three act play with vaudeville between acts each night, put on by the Stanley Players. They are a group of veteran actors and it should be good.

Card of Thanks

We wish to express our sincere thanks to all the friends who were so kind and sympathetic in the death of our loved one. Your kindness will never be forgotten.

AAA Elections

Some changes have been made in the ACA election procedure in order to make it as convenient as possible for farmers to vote for their community committeemen according to Mr. Simmons, Chairman Donley County Committee. Some of the important changes in the election procedure over previous elections are:

The person receiving the highest number of votes for each office will be declared elected.

Second: The polls will open at 8:00 A. M. and will close at 5:00 P. M. A ballot form will be available which will permit producers to come any time during the day and vote in the same manner as in all other regular elections.

On Saturday, December 8th, community elections will be held in Donley County at the following places:

Following closely upon their qualified endorsement of compulsory peacetime training, the Catholic hierarchy of the U. Demanding a realization of the ideals for which Americans fought in World War II, the bishops deplored the trend of European affairs following the Moscow conference of 1943, claiming Russia since had adopted an independent course on many matters and sought to impose its domination over helpless neighboring states...

Besides calling upon the U. S. to provide full support for overseas relief, the bishops also assailed mass vengeance upon the defeated nations, large-scale transfer of populations, systematized use of slave labor and cruel treatment of prisoners of war.

AIR ACCIDENTS: Dangerous Trend

In offering civilian aviation interests the full co-operation of the army air forces for promoting safer operations, Col. George C. Price, chief of the office of flying safety for the AAF, predicted a heavy future accident toll unless current trends were reversed...

Declaring that civil air accidents since V-J day to October 31 were 70 per cent greater than in the same period last year, Price said that with 300,000 planes in the air in the next five years there might be 48,000 serious crashes and 5,000 fatalities annually in the early 1950s...

Though flying mishaps in the army took 26,000 lives and destroyed 22,000 planes during the war, the accident rate was lower than it had been during peacetime, Price averred. Army safety experience would be gladly offered to civilian agencies to minimize flying hazards, he said.

AMERICAN LEGION: Take Stand

Ending its 27th annual convention in Chicago, Ill., with all of the characteristic hi-jinks, the American Legion took its stand on the leading controversial national questions of the day, demanding:

- One year of compulsory military training for all youths, with adequate basic training and either advanced technical or scientific instruction, when qualified, or further schooling in ROTC units.
● Retention of the secret of the atom bomb and the establishment of a civilian board for scientific research in military material.
● Financial assistance to friendly foreign countries not imposing trade restrictions and then for constructive purposes only.
● Unification of the army, navy and air forces into a single command.

MASS TRANSFER: Move Germans

Because of agitation within the countries governing their areas of residence, millions of Germans will be shifted to the amputated reich this winter despite a lack of fuel and rolling stock needed to transport them...

In all, some 6,000,000 Germans are to be moved from Poland, Czechoslovakia, Austria and Hungary by next summer, with the U. S. occupation zone receiving 3,200,000; the Russian, 2,750,000; the British, 1,500,000, and the French, 150,000. Disposition of another 6,000,000 Germans from East Prussia and other former sections of the reich has yet to be determined.

Allied determination to resettle millions of Germans in midwinter followed previous denunciations of forced mass migration from many quarters. Winston Churchill, for one, rising in commons to protest against such action because of the tremendous dispossession of property, privation and suffering involved.

Kidneys Must Work Well

For You To Feel Well

24 hours every day, 7 days every week, never stopping, the kidneys filter waste matter from the blood. If more people were aware of how the kidneys must constantly remove surplus fluid, excess acids and other waste matter that cannot stay in the blood without injury to health, there would be better understanding of why the whole system is upset when kidneys fail to function properly. Burning, scanty or too frequent urinations sometimes warns that something is wrong. You may suffer aching backache, headaches, dizziness, rheumatic pains, getting up at night, swelling. Why not try Doan's Pills? You will be using a medicine recommended the country over. Doan's stimulates the function of the kidneys and help them to flush out poisonous waste from the blood. They contain nothing harmful. Get Doan's today. Use with confidence. At all drug stores.

"Me... I'm staying in the Army!"

THERE ARE MANY OF REASONS . . . AND HERE THEY ARE!"

- 1 "First, I keep my present grade. That means a lot.
- 2 "By reenlisting for 3 years I can pick my own branch of service in the Air, Ground or Service Forces, and can go to any overseas theater I wish.
- 3 "I get my mustering-out pay, even though I'm reenlisting. Also, I get \$50 a year reenlistment bonus for each year I've been in the Army. My dependents receive family allowances for the full term of my enlistment. And I'll be eligible for GI Bill of Rights benefits when I get out of the Army.
- 4 "My food, clothes, quarters, medical and dental care are all supplied to me. And I can learn any of 200 skills or trades in the Army schools.
- 5 "All of us who are reenlisting are going to have from 30 to 90 days' furlough at home with full pay and our travel paid both ways. And we'll have 30 days' furlough every year with pay.
- 6 "Any time after 20 years I can retire at half pay increasing year by year to three-quarters retirement pay after 30 years of service. And the time I've already served in active military or naval service counts toward my retirement time. Added up—reenlistment seems pretty sound to me!"

THIRD SMITH BRIDE GETS GOOD ADVICE

HAMILTON, KANSAS. — Mrs. W. H. Smith wrote a most interesting letter to Faultless Starch about the way the Smith family has used that starch. Here is her letter:

"Forty-seven years ago, Mrs. W. O. Smith, as a young bride, started using Faultless Starch in her home.

"Twenty-five years ago Mrs. O. T. Smith, as the very young bride of Mrs. W. O. Smith's son, started using Faultless Starch in her home. She tried many other starches, but always went back to Faultless Starch.

"Ten months ago I started using Faultless Starch as the bride of Mrs. O. T. Smith's son. I started using it at Mrs. Smith's request, and now I am a stiff backer of Faultless Starch.

"As 'three generations of brides,' we say, 'three cheers for Faultless Starch.'

"I might add that I am very fussy about my husband's shirts. And also that Mrs. W. O. Smith has never used any other starch for over half a century."

What an interesting story! Certainly here is positive proof that Faultless Starch makes wonderful friends that stay for a life-time.

YOU DESERVE FAULTLESS

There is no reason in the world why you can't enjoy Faultless Starch, too. You might just as well make your starch—WITHOUT COOKING—with Faultless Starch. You might just as well stop that "sticky" iron—with Faultless Starch. You might just as well be proud of the absolutely faultless look you get with Faultless Starch!

Your grocer has Faultless Starch. So ask him for it. Then you'll understand why three generations of brides say, "three cheers for Faultless Starch!"—Adv.

Screen of Vapor in Sub-Zero Weather Aids Deer

In the same way that the breath of human beings and animals condenses and becomes visible in freezing air, the vaporized perspiration of their bodies becomes visible in very cold air, increasing in visibility as the temperature is lowered, says Collier's.

For example, when the temperature is between 60 and 80 degrees below zero, a running reindeer leaves a long trail of vapor behind him, and when he stops, becomes so enveloped in it that, on the side from which it is drifting, the animal may be invisible at a distance of only 15 feet.

SNAPPY FACTS
 about
RUBBER

Special sponge rubber tablecloths, developed by B. F. Goodrich, attached to tables in factory assembly lines enable assemblers to pick up small metal parts without fumbling.

Officials predict that the production may jump to nearly 4,000,000 passenger car tires a month during the last quarter of 1945.

Spare tires should never remain idle until other tires are worn out. Rubber needs to be "exercised" to keep it in best condition.

The new B. F. Goodrich all-synthetic Silvertown passenger car tire actually outwears regular rubber tires.

Bake Cookies Now To Have Them Ready For Holiday Time

Bake holiday cookies before Christmas and store them in wax paper lined tins to keep them fresh and moist. A raw, unpeeled apple will prevent them from drying out.

Sugar-Shy Cookies

Good cookies are, always in season, but particularly so at Christmas time. This year, of course, we are still working under difficulties because sugar is not easy to obtain. But that needn't put a crimp in the Yuletide cookie jar.

Corn syrups, honey and unrationed chocolate are all on hand to help with the Christmas baking. You will find the recipes for these substitutes so good that they're here to stay even when we have plenty of sugar.

Cookies made for Christmas are usually prepared ahead of time to save work as the big celebration approaches. It's a smart idea to take precautions with them to keep them fresh and moist. First of all, use nuts and dried fruits whenever possible as these ingredients add moisture. Second, pack them in waxed paper lined tins with a raw apple. Then they won't dry out.

Incidentally, when using honey or corn syrup in cookies, grease the baking pans thoroughly to prevent sticking. Melted fat brushed on the tins usually solves the problem neatly.

Here are two types of cookies, neither of which requires any sugar at all. One uses corn syrup for sweetening and the other, honey:

- Fudge Nut Squares.**
 (Makes 16 2-inch squares)
- 1 cup chocolate pieces
 - 2 tablespoons shortening
 - 2 eggs, beaten
 - 1/2 cup corn syrup
 - 1/2 teaspoon vanilla
 - 1 cup cake flour, sifted
 - 1/2 teaspoon baking powder
 - 1/2 teaspoon salt
 - 1/2 cup nuts, chopped

Melt chocolate and shortening over hot water. Beat eggs thoroughly, add corn syrup and vanilla and beat until light and fluffy. Stir in melted chocolate and shortening, which have been slightly cooled. Mix and sift flour, baking powder and salt. Add to chocolate mixture. Stir in nuts. Pour into a greased, 8-inch square pan. Bake in a moderately hot (375-degree) oven for 25 to 30 minutes.

- Honey Drops.**
 (Makes 4 dozen cookies)
- 1/2 cup shortening
 - 1/2 cup honey
 - 1 egg, unbeat
 - 1/2 teaspoon vanilla
 - 1 1/4 cups sifted all-purpose flour

LYNN SAYS

Taste Tips: When all the meat has been sliced off the roast, whittle off the pieces from the bones, grind them and mix them with mayonnaise or salad dressing for sandwiches.

The bone from a roast may be simmered with onion, celery, carrots, bay leaf and parsley. This stock is excellent for casseroles, sauces, or as a gravy base.

To prevent the broiler from becoming dry, fit it with a wire rack, and then the fat will drip into the pan. It is easy to pour off, and the broiler pan is easily washed.

When serving veal, complement the flavor with sausage, spiced fruits or pickles.

Never press meat loaf or hamburgers into tight loaves or patties. When loosely shaped, the meat will be more tender.

Frankfurters will have extra appeal if wrapped in biscuit dough, baked and served with mustard white sauce.

1/2 teaspoon soda
 1/2 teaspoon salt
 1/2 cup nuts, chopped
 1 cup chocolate pieces

Cream shortening and honey together. Add unbeaten egg and vanilla and beat until light and fluffy. Mix and sift flour, soda and salt. Add to the first mixture. Stir in nuts and chocolate pieces. Drop from teaspoon on a greased cookie sheet. Bake in a moderately hot (375-degree) oven 10 to 12 minutes.

Using only a small amount of sweetening, cookies in the following two recipes take on extra sweetness because of the molasses that is used in them. Both contain dried fruits to make them moist:

- Prune Cookies.**
 (Makes 5 dozen cookies)
- 1/2 cup shortening
 - 1/2 cup sugar
 - 1/2 cup molasses
 - 2 eggs
 - 1 1/4 cups sifted flour
 - 1/2 teaspoon baking soda
 - 1/2 teaspoon salt
 - 1/2 teaspoon cinnamon
 - 1 cup cooked prunes, pitted and cut in small pieces
 - 1 teaspoon vanilla

Cream shortening and sugar, add molasses and eggs, one at a time. Sift flour with baking soda, salt and cinnamon. Add to creamed mixture. Beat thoroughly. Add prunes and vanilla. Mix well. Drop by teaspoonsful on a greased baking sheet. Bake in a pre-heated (375-degree) oven for 12 minutes.

- Molasses Raisin-Nut Bars.**
- 1/2 cup shortening
 - 1/2 cup sugar
 - 1 egg
 - 1/2 cup molasses
 - 2 cups sifted flour
 - 1/2 teaspoon salt
 - 1/2 teaspoon soda
 - 1 1/2 teaspoons baking powder
 - 1/2 cup sweet milk
 - 1 cup chopped nuts
 - 1 cup chopped raisins or dates

Cream shortening, add sugar and beat until light. Add egg, beat well, then add molasses. Sift flour with dry ingredients and add alternately with milk to first mixture. Add chopped nuts and fruit. Spread thinly in a greased shallow pan. Bake 15 to 20 minutes in a moderate (350-degree) oven. Cut in bars.

Everyday brownies will take on a festive touch if they are simply leed with powdered sugar frosting. The cookies should be well cooled before they are spread with icing.

Busy cooks know that bar shaped cookies save preparation time. These molasses flavored fruit bars are just the thing for holiday time.

- Molasses Fruit Bars.**
 (Makes about 3 dozen bars)
- 1/2 cup sugar
 - 1/4 cup shortening
 - 1 egg
 - 1/2 cup molasses
 - 1 1/2 cups sifted flour
 - 1/2 teaspoon salt
 - 1/2 teaspoon soda
 - 1 1/2 teaspoons baking powder
 - 1 1/2 cups whole wheat flakes
 - 1/2 cup milk
 - 1 cup chopped seedless raisins

Beat together sugar and shortening. Add egg and blend well. Sift flour with salt, soda and baking powder. Crush whole wheat flakes into fine crumbs and mix with flour. Add to egg mixture alternately with milk. Fold in raisins. Spread batter 1/4 inch thick in a greased baking pan. Bake in a moderate (350-degree) oven.

- Pear Schooner Dessert.**
 (Serves 6)
- 6 pear halves
 - 6 cuppeaks
 - Raspberry preserves
 - Whipped cream

Cut each pear half in half. Split cuppeaks and lay a piece of pear on each half in dessert dish. Pour a spoonful raspberry preserves in center of pears and top with a spoonful of whipped cream just before serving.
