## American Legion

The regular monthly meeting of the local Legion post was held Tuesday night. Items discussed were the vocational school, membership and ladies auxiliary. The members voted to organize an auxiliary unit here if the ladies so desired. All mothers, wives, sisters and daughters of Legionnaires are eligible. This is a wonderful organization and should do a lot of good. Let's get started and begin the good work.

## Card Of Thanks

I wish to take this means of thanking my many friends in both Hedley and McKnight for their kindness and help since my accident. Your assistance was very much appreciated.

## Lions Club News

The Lions Club presented their tea imitating the Woman's Vulture Club and 1818 Study Club at the high school auditorium last Thursday night. The tea was ably directed by Miss Myrtle Reeves and apparently was enjoyed by the large crowd present.

About \$140 was cleared for the school athletic fund.

The Lions basketball team had their first workout Monday night. Something over two teams of aspirants were out and Coach Russell was well pleased with the work out. The new ball is here and uniforms have been ordered and are expected to arrive this week.

This week's meeting of the club will be held at 7:30 p. m., the timeset at the last club meeting. Mrs. Elvia Davenport will bring some of her girls to furnish the program. Let's all try to make it a point to attend this meeting.

## Yandell-McLaughlin

Mrs. Nannie Mae McLaughlin and S. H. Yandell were united in matrimony on Friday evening, Oct. 4 in the office of County Judge R. Y. King, who read the ceremony. Mr. and Mrs. Marvin Yandell and Mrs. Ada Johnson witnessed the marriage of this young couple. They will make their home in Hedley for the present. They plan to move to the farm soon.

Beginning Saturday, Sept. 21, I will pay 45¢ per dozen for your eggs. I will be at Jesse Beach's Service Station every Saturday. 454p M. W. Mosley

## Steak Supper

The B.T.U. was entertained with a steak supper Friday night in the basement of the Baptist Church given by the losing side in a contest.

The Welcome was given by Bobbie Lee Hall and the Response by Jerald Sims. Several games were played, then steak, gravy rolls, pea salad, tomatoes, lemon aid, ice cream and cake was served to the following: Betty Spear, Bobbie Lee Hall, Wanda Jennings, Lola Faye Owens, Mary Sue Scales, Margaret Beach, Jerald Sims, David Stotts, Warren Wyan, Floyd Sims, Bobby Gibson, Jimmy Owens and Olen Plunk.

Mesdames Jessie Beach, Sam Owens and Bill Scales cooked and helped serve the supper. Jean Beach and Virginia Owens also helped serve.

All those who weren't there really missed a treat.

## M. Y. F.

The Methodist Youth Fellowship met recently to elect officers. They are as follows: president, Dorothy Meek; vice president, Joan Ray Moreman; secretary and treasurer, Imogene Kutch; reporter, Edward Spencer; song leader, Imogene Kutch; pianist, Joan Ray Moreman.

They attended conference at Memphis Tuesday being in charge of worship service there.

They meet every Sunday night at 6:45. We're sure you will get a benefit while you are enjoying their programs. Come.

It is stupid to let a fool kiss you but it's worse to let a kiss fool you. Also we shouldn't be fooled into thinking it won't cost a lot to replace our property at present values. Insure with C. L. Johnson at the bank.

Apparently it rains in other places besides Hedley. We received a clipping this week from C. A. Waddell, a former Hedleyan now living at Devine. The clipping, from the Devine News, reads:

Weather Observer Blair reports 19.17 inches of rain in Devine since August 28, including the 10.45 on that date. We had up to Saturday night 7.5 in September; and a total so far of 37.5 this year.

Mr. and Mrs. Wayne Peabody, Benny Dennis and Miss Fleeta McCrary, all of Memphis, were painfully but not seriously injured Sunday night when the car in which they were riding crashed into a truck which stopped without warning on the highway near Salisbury.

Mrs. Peabody is a daughter of J. A. Kutch of Hedley. Mr. Kutch was called to Memphis Sunday night following the accident.

I am buying chickens again, and still want your eggs. Highest market prices. See me before you sell.

## P.T.A. Benefit Program "The Grand Old Opry"

The High School is putting on a program sponsored by the P. T. A. Friday, October 11, at 7:30 in the High School Auditorium for the purpose of helping out the lunch room. The program to be presented is The Grand Ole Opry. A previous appearance of this famous cast was so successful that a return program was asked for.

Tickets to the program will be one can of vegetable, can or jar. Ladies of the P.T.A. have charge of all arrangements to take care of the food at the door.

Mrs. Davenport and Mrs. Long have charge of the program. Outsiders helping are Walter Johnson, Bill Wiggins, Oran Wiggins, Joe Uarey and Letha Moss.

Jesse Beach, who has purchased the old J. C. Wooldridge Co. building on Main Street, started tearing it down this week. He plans to erect a new building in its place.

## Announcement

## Mister X

Well kids, here I am with the latest.

What was the matter with Bobbie Friday night? What did he say about the other side choking? Better luck next time, kid.

What was Wanda's ailment Friday night? Was she dissatisfied with the seating arrangement?

Elsie, where were you and Margaret Friday night? But the main thing is where were you supposed to be?

Well Fay, how do you like to stay at home on Saturday night? Now I hope you understand how I feel at times.

Jo take my word; he was by himself Saturday night, so you don't have to commit suicide.

Erma Jean, you really missed a good time Friday night by not being at the banquet—or did you?

Was David really disappointed Saturday night on account of a certain little red head? Better luck next time.

Isn't Bobby Gibson getting cute these days? Watch it, Martha. Who wants to go with Redtop? I think he knows.

It doesn't seem like the Wise Old Owl likes to have any competition, although he has some now.

Well kids, that is the latest, so be sure and watch for me next week.

Childress (Special)—Fifty-nine veterans of World War II were successful purchasers of surplus used army vehicles at a two day sale conducted by the War Assets Administration at Childress Army Air Field. In all, 163 vehicles were offered, including passenger sedans, jeeps, scooters, trailers and trucks. Cash recovery for the sale by WAA was \$31,792 for vehicles which originally cost the government \$59,690.

Olen C. Plunk, of Hedley was one of the fortunate veterans to secure a pickup truck.

All beneficiaries drawing checks from the Veterans Administration were warned this week they will encounter delays in receiving their allotments if they do not notify VA of changes of address. New addresses must be reported to VA over the beneficiary's own signature, or checks will be undeliverable, VA said.

Amarillo (Special)—Horace Ralston, certifying officer, and Howard Knightstep, veteran's interviewing officer, from the Fort Worth regional office of War Assets Administration will be in Amarillo Tuesday and Wednesday October 15 and 16 to assist veterans of this county in obtaining surplus government property.

The WAA men will have headquarters at the Old Library Building, Taylor and 6th Avenue, both days from 9 to 12 and 1 to 5.

You should have seen four Sophomore girls run last Wednesday night! Girls, was there something at the schoolhouse that scared you?

Why were so many boys interested in the drug store last Wednesday night? Yeah Seniors, come on, girls!

The wind and rain apparently blew two Senior girls off the right track last Friday night, or was it something else?

Since when has Sue changed from a Chevrolet car to a Ford tractor?

It seems as if Bobbie has been so hungry as to choke herself while eating. Was she trying to eat it up from everyone?

Have you ever entered a cake eating contest? If not, try it sometime. It's really fun, especially when there is a boy and girl involved.

Faye, where did you and Velvia keep yourselves over the week end? I didn't see you all much.

Because of the bad weather I didn't see much this week, but remember I'll be back next week.

**WEEKLY NEWS ANALYSIS**  
**No Tax Reduction in Sight as U. S. Uses Funds to Cut Debt; Foreign Relief to Continue**

Released by Western Newspaper Union

EDITOR'S NOTE: When opinions are expressed in these columns, they are those of Western Newspaper Union's news analysts and not necessarily of this newspaper.

As country seethes with civil strife, servants prepare palace for return of King George II. At left, workmen carry portrait of monarch up staircase to reception room. At right, chambermaid tidies coverlet embroidered with crown on King's bed.

**GREECE: Civil Strife**

King George II of Greece faced no happy return to his homeland as open civil war raged in the mountainous northwestern border regions and the Red-dominated Albanian and Yugoslav governments were charged with actively aiding the rebels.

Premier Constantin Tsaldaris bluntly attributed the strife to Russian efforts to tighten their grip on the Near East. Said he: "It is as clear as noon-day that this is for the benefit of those who aim to take advantage of our troubles with a view of securing an outlet to the Aegean sea."

As a last resort, 40,000 British troops ensconced in Greece were being readied for intervention in the dispute if the government forces failed to check the left-wing uprising. With the country occupying a strategic position near the Dardanelles and Suez canal, Britain and Russia have been waging a bitter diplomatic war for control—the British to protect their lifeline to the East, the Russians to weaken their rivals and to extend their own dominance over the rich area.

**NATIONAL DEBT: Being Cut**

With reduction of the huge national debt one of the administration's primary goals, the U. S. can expect no immediate slash in taxes, Secretary of the Treasury Snyder told the American Bankers association meeting in Chicago. It was agreed that the debt should be pared during prosperous times when people are able to pay higher taxes, he asserted.

In the matter of debt reduction, Snyder could present a proud administration record. Between Feb. 23 and Sept. 1, the government had retired 14 billion dollars of its obligations.

Next to debt reduction, Snyder declared the administration's second primary fiscal objective was a balanced budget. With the present level of taxes, the government actually will have a cash surplus of almost three billion dollars for the present fiscal year, but the accrediting of terminal leave bonds and other items payable in the future to the current budget will produce a paper deficit of two billion dollars.

**FOREIGN RELIEF: To Continue**

End of the United Nations Relief and Rehabilitation administration does not portend termination of American relief to war-ravaged European countries, President Truman told congress in a report on operations of UNRRA for the second quarter of 1946.

Declaring that devastated countries would need further assistance after UNRRA wound up its work early next year, Mr. Truman said that U. S. agencies were formulating plans for continuation of necessary aid. Poland, Byelorussia, the Ukraine and China were singled out as nations especially hit by the war and requiring further help.

UNRRA aid to Poland has been pointed toward redevelopment of the agricultural economy of the country, the President said. Shipments

**Higher Earnings Deprive Workers of Low-Cost Housing**

Not only the demobilized veteran but the demobilized war worker as well is being enmeshed in the critical housing shortage, according to the National Association of Housing officials. The dilemma centers on the need for construction of rental housing to fit families with incomes about but not much above \$2,000. The war is over; most of the boys are back—but public rental housing is still deep in the throes of reconversion. Big problem is to find other dwellings for higher wage earners to make room in public housing projects for those at the bottom of the income ladder.

In an attempt to put public housing back on a peacetime basis, housing authorities have ruled that tenants with top family incomes ranging between \$1,500 and \$2,000 are no longer eligible for continued residence in public housing projects.

**LABOR: Defy Injunction**

Always jealous of its right to strike to enforce wage and other demands, organized labor presented a united front against a county court's anti-strike injunction against the Independent Association of Employees of Duquesne Light company in Pittsburgh, Pa.

In issuing the injunction, the three-judge court heeded the city solicitor's plea to act in the public interest in preventing a costly power strike. Though the order later was dissolved when the solicitor declared that it had served to force a resumption of bargaining between the disputants, IAE members remained adamant about returning to work as long as it stayed in effect.

Apprehensive of the no-strike and no-picketing features of the injunction, AFL and CIO unions supported the IAE walkout. Labor charged that the court order was in violation of both the state and federal anti-injunction laws and there was no law requiring men to work against their wish.

**Truckers Idle**

Trucks remained idle in New York City and pickets patrolled ferry, bridge and tunnel approaches to prevent admission of motor freight as big operators continued to hold out against AFL teamsters demands.

While smaller employers agreed to a proposal to pay the teamsters \$71.40 for a 40-hour week instead of the old \$64 for a 44-hour week, the big firms held fast to their offer for a \$3-a-week raise. They claimed 75 per cent of the trucks remained off the street and 10,000 men were idle.

Five New Jersey teamster locals co-operated with the embattled New York strikers in stopping freight movements into the city. Union stewards sought to tie up freight at starting points while pickets took up stations along strategic entrances into New York to guard against trucks slipping through.

**WAR PRODUCTION: Modern Miracle**

Writing in the Infantry Journal, Troyer S. Anderson, historian of the war department, listed the following accomplishments of American industry during World War II in supplying U. S. and Allied armies in the fight against the Axis.

- 227,735 airplanes, including 67,538 fighters, 22,491 transports, 30,990
- 227,735
- 585,586
- 87,235

heavy bombers and 16,028 medium bombers.

- 585,586 artillery pieces, including 182,278 aircraft cannon, 103,894 mortars, 35,189 light field pieces and 880 heavy field weapons.
- 87,235 tanks, including 56,679 medium, 28,765 light and 1,791 heavy.
- 39,952,000,000 rounds of small arms ammunition, 285,067,000 rounds of field artillery, mortar and rocket projectiles and 4,560,000 tons of aircraft bombs.

This production record was all the more miraculous inasmuch as U. S. industry virtually started from scratch, U. S. armament prior to 1940 consisting of only 2,966 airplanes, 8,975 artillery pieces, 329 tanks and correspondingly small quantities of other equipment.

**RUSSIA: On the Mend**

Binding its wartime wounds, the great Russian bear is on the way to a laborious and painful economic recovery. While outside experts have asserted that it would take many years for the Soviets to get back on their feet, the masters in the Kremlin are exerting every force to speed up recovery.

Effect of the strenuous efforts to restore Russian industry is evident in progress reported in the war-ravaged Donets river basin, important prewar producing center. In the first six months of 1946, overall industrial output averaged 43.8 per cent of the 1940 level, with steel production at 40.4; coal, 44; pig iron, 40.2 and rolled metals, 39.

As the district celebrated the third anniversary of its liberation from the Germans, Communist chiefs boasted that a large percentage of the 1,341 prewar industrial enterprises had been partly rehabilitated.

**AIR FORCES: Economy Minded**

More than 62 million dollars have been saved by economy suggestions from army air forces military and civilian personnel since June, 1943.

The program for civilians was started in June, 1943, in an effort to determine methods of accomplishing war department jobs more efficiently and at lower cost. A system of cash awards depending upon the amount of money saved was established to reward those who offered beneficial ideas.

**Household Hints**

- Enameled bathtubs and wash bowls that have become yellow may be restored by washing them with salt and turpentine.
- When ironing sheets and tablecloths, place a card table in front of your ironing board. This will catch the sheet or tablecloth before it falls to the floor and gets soiled.
- An iron heats more rapidly than it cools. With that fact in mind, start out with fabrics that require low temperatures and progress to those that require higher ones. Arrange dampened clothes in the laundry basket accordingly with those that come first placed on top.
- When disconnecting the cord on your electric iron, pull on the plug that fits into the outlet, never the cord.
- If a door sags, just a wee bit, throwing the bolt out of line with the striker plate, you can correct the difficulty quickly by filing the striker plate.
- Save the material from the children's worn out cloth-covered rain coats. These can be made into serviceable aprons or handy capes to wear when applying make-up.

**R**EDDY KILOWATT'S five year war record stands out as one of the great industrial achievements of all time. During this period, more than eleven million kilowatts of generating machinery were installed and \$3,000,000,000 was spent for power stations, transmission lines and other facilities.

A total of 300,000,000,000 kilowatt hours of electric power was generated for war purposes, of which the business-managed, tax-paying electric companies supplied 83 1/3 per cent.

Revenue from the sale of power generated for war purposes amounted to \$2,350,000,000 and almost the same amount, \$2,194,000,000 was paid in direct federal taxes.

Oh, yes! During this five year period, price of electric services by business-managed electric companies was reduced by 11 per cent.

The Force that Supports the World's Biggest Bridge...

**OIL-PLATES Your Engine!**

IN the great San Francisco-Oakland bridge, a tremendous tug-of-war goes on continuously between the forces of gravity and molecular attraction. Because the attractive force between the molecules in the cables balances the down-pull of gravity the bridge stays up.

Through continuous experiment with the mighty forces of molecular attraction, Conoco scientists are able to produce new and better oils for America's motorists. For instance, by utilizing forces of molecular attraction, a special ingredient of Conoco N<sup>th</sup> motor oil is bonded to working surfaces of your engine. So strong is this attraction that cylinder walls are OIL-PLATED.

And because molecular attraction holds Conoco OIL-PLATING up where it belongs...pre-

vents it from all draining down to the crankcase, even overnight...you get these benefits:

- added protection when your engine starts
- added protection from corrosive action
- added protection from wear that leads to fouling sludge and carbon
- added smooth, silent miles

That's why to OIL-PLATE now...at Your Conoco Mileage Merchant's. Look for the red triangle. Continental Oil Company

**Are Returning Veterans "Different"?**

During the war you heard a lot about how hard it was going to be for returning veterans to get ad- justed to civilian life . . . how they'd be "different."

Well, plenty of them have re- turned to our town, and a finer, steadier bunch you couldn't ask for. Most of them are back at the same jobs . . . going with the same nice home-town girls (get- ting married, some of them, and setting up families) . . . renewing the same old friendships.

Even their amusements are the

same. Nothing more exciting than fishing Seward's creek or pitch- ing horseshoes . . . enjoying an outdoor barbecue with friendly wholesome beer and pleasant talk.

If they've changed at all it's in the direction of maturity and tol- erance . . . tolerance for everything except dictators, and those who would destroy our democratic principles of live and let live. And from where I sit, that's another reason to be proud of them.

**Watch Your Kidneys!**  
 Help Them Cleanse the Blood of Harmful Body Waste  
 Your kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as Nature intended—all to remove impurities that, if retained, may poison the system and upset the whole body machinery.  
 Symptoms may be nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—a feeling of nervous anxiety and loss of pep and strength. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.  
 There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. Doan's have been winning new friends for more than forty years. They have a nation-wide reputation. Are recommended by grateful people the country over. Ask your neighbor!

**Fruit Puddings Are in Tune With the Times**  
 (See Recipes Below)

**Puddings and Sauces**

As the weather grows cooler, there's nothing more delectable for dessert than a steaming hot pudding served with a mouth-watering sauce. And as for economy, the base of the pudding is frequently such an inexpensive item as bread crumbs or cereal.

What's more, puddings are usually chock-full of eggs and milk, dried fruits or such that make them healthful eating. If you're preparing an oven dinner and want to save heat, cook your pudding right along with the rest of the dinner.

Pudding use less sugar than most other desserts like cakes and ice cream, and this, too, makes them ideal for menu purposes. If you have spent more than your share of sugar on canning, try some of these suggestions for real economy.

**Marmalade Pudding.**  
 (Serves 6)  
 1 cup soft bread crumbs  
 1 cup flour  
 3 teaspoons baking powder  
 1 cup ground suet  
 1/2 cup sugar  
 1 cup orange marmalade  
 3 eggs, well beaten  
 1/2 teaspoon salt  
 1 cup milk  
 Sift flour, measure and add baking powder and salt. Combine crumbs, suet, sugar, eggs, marmalade and milk. Add dry ingredients. Mix thoroughly and fill well oiled pudding molds 2/3 full. Cover and steam for 3 hours. Serve hot with any desired sauce.

**"Crusty Raisin Pudding.**  
 (Serves 6 to 8)  
 1 1/2 cups seedless raisins  
 6 cups slightly toasted bread cubes  
 3 cups chopped cooking apples  
 1 cup chopped walnut meats  
 1 cup granulated sugar  
 1/2 teaspoon salt  
 1 tablespoon cornstarch  
 1 teaspoon cinnamon  
 2 cups boiling water  
 1/4 cup butter  
 2 teaspoons vanilla extract  
 Rinse and drain raisins. Arrange a layer of bread cubes in bottom of buttered baking dish. Add a layer of raisins, a layer of apples and a sprinkling of nutmeats. Add another layer of bread cubes and alternating layers of other ingredients until dish is full. Combine sugar, salt, cornstarch, cinnamon, boiling water and butter and cook 3 to 4 minutes, stirring constantly until mixture is slightly thickened. Remove from heat, add vanilla and pour mixture over the pudding. Cover and bake in a moderate (350-degree) oven

**LYNN SAYS:**  
**Temper Preservatives:** To prevent milk from scorching when heating, rinse saucepan in hot water first.  
**To keep eggs from cracking** when boiling them, dip first in cold water, then add them to hot water. Let dry in cooking water.  
**To keep candles from dripping,** let them stand in refrigerator 24 hours before using.  
**To keep marshmallows fresh,** keep them in the bread box.  
**When you fry fish or meat** that should not be covered, place a colander over the skillet and this will prevent the stove from becoming grease-spotted.  
**To keep cheese from drying out,** rub with butter then wrap in a lightly moistened cloth and keep refrigerated.  
**Keep lemons fresh** by placing them in a mason jar that has a cover.

for 1 1/4 hours, depending upon depth of baking dish. Remove cover from dish during last 15 minutes of baking. Serve with \*Ice Cream Sauce if desired:  
 2 eggs, separated  
 2/3 cup confectioners' sugar  
 1/4 teaspoon salt  
 1 teaspoon vanilla  
 3/4 cup cream, whipped

Separate eggs. Beat yolks until thick and lemon-colored. Add one-half of sugar gradually, beating well until thoroughly blended. Add salt and vanilla. Beat egg whites until stiff and fold in remaining sugar. Combine two egg mixtures and fold in stiffly beaten whipped cream. Serve very cold. If sauce is allowed to stand, beat again before serving.  
**Peanut Brittle Apples.**  
 (Serves 6)  
 6 large tart apples  
 1/2 pound peanut brittle, ground fine  
 4 tablespoons lemon juice

Peel and core apples; cut in thin slices. Place a layer of apples in buttered baking dish, cover with peanut brittle, then apples again and peanut brittle until all are used. Sprinkle lemon juice over last layers of apples. Bake in a moderate oven for 1 hour, then serve hot or cold.  
**Caramel Pudding.**  
 (Serves 6)  
 4 cups scalded milk  
 1 teaspoon butter  
 2 eggs  
 3/4 cup sugar  
 2 cups soft bread crumbs  
 1 cup caramelized sugar  
 Make caramelized sugar by allowing 1 cup sugar to melt slowly in heavy skillet, turning constantly. Add bread crumbs to caramelized sugar, milk, butter and beaten eggs and let stand for 1 hour. Add sugar and pour mixture into buttered custard cups and bake in a pan of hot water in a moderate (350-degree) oven for 25 to 30 minutes or until firm.

Sauces enhance puddings and take but a little time to prepare. Here's a sauce for every type of pudding:  
**Foamy Sauce.**  
 6 tablespoons butter or substitute  
 2 tablespoons boiling water  
 1 cup powdered sugar  
 1 teaspoon vanilla  
 1/2 teaspoon salt  
 3 eggs  
 Cream butter, add sugar slowly, beating constantly. Beat egg yolks until thick and add to first mixture. Add water and salt and stiffly beaten whites. Cook over hot water, stirring constantly for 5 minutes. Add flavoring and serve at once.  
**Lemon Molasses Sauce.**  
 1 cup molasses  
 2 tablespoons butter  
 1/2 cup lemon juice  
 Heat molasses to boiling point, stirring constantly. Add butter and boil 1 minute. Add lemon juice and mix thoroughly. Serve with fruit puddings.  
**Orange or Vanilla Sauce.**  
 1 cup sugar  
 2 tablespoons flour  
 1 orange, rind and juice  
 2 cups boiling water  
 2 tablespoons butter  
 1/4 teaspoon salt  
 Combine sugar, salt and flour. Add water slowly, stirring constantly. Cook in double boiler, stirring frequently, for 8 minutes. Add orange juice, rind and butter. Stir until blended. For vanilla sauce, use 1 teaspoon vanilla in place of orange juice and rind. This is good for fruit puddings.

It may be caused by disorder of kidney function that permits poisonous waste to accumulate. For truly many people feel tired, weak and miserable when the kidneys fail to remove excess acids and other waste matter from the blood.

You may suffer nagging backache, rheumatic pains, headaches, dizziness, getting up nights, leg pains, swelling. Sometimes frequent and scanty urination with smarting and burning is another sign that something is wrong with the kidneys or bladder.
