Uncle Sam Says

Millions of Americans are rededicating themselves to the support of our Government by word and action. Nearly 10 million of them are doing their share through the purchase of U. S. Savings Bonds on the easy, automatic payroll savings plan. They realize that a dollar saved is a dollar fighting against inflation. And some day, these dollars saved, will be returned to them with interest, \$4 for every \$3 invested. These bonds are truly security bonds as they help to stop spiraling prices. You too can become an investor through the steady accumulation of Savings Bonds. If self-employed, an automatic bond buying plan is available to you through the Bond-a-Month plan at your bank. U. S. Mrs. V. M. Davison

Funeral services for Mrs. V. M. Davison, who passed away last Thursday at the home of her daughter, Mrs. W. L. Shipley, near Iowa Park, were held at 3:00 o'clock Friday afternoon from the First Baptist Church at Newcastle by Rev. I. N. Lawrence, assisted by the local pastor. Interment was in the Newcastle cemetery with Morrison Funeral Home of Graham in charge.

Lavinia Georgiann Long was born Nov. 23, 1858, in Hopkinsville, Christian county, Kentucky. She was converted at the age of 16 and joined the Baptist Church at Hopkinsville. She was married to Ben T. Fields in 1878. To this union were born eight children, six of whom survive. They are: Mrs. Minnie Stewart of Springfield, Ohio; Mrs. O. L. Morrow of Panama, Okla.; Mrs. E. C. Boliver of Hedley, Texas; Mrs. O. C. Miles of West Fork, Ark.; Mrs. W. L. Shipley of Iowa Park, Texas and J. F. Fields of Newcastle, Texas.

She moved from Kentucky to Oklahoma, then Indian Territory, about 60 years ago. She lived a number of years in Oklahoma, where Mr. Fields passed away. She came to Texas in 1904, and was later married to V. M. Davison of Newcastle. Mr. Davison preceded her in death seven years ago.

Besides her children, she is survived by 25 grandchildren, 51 great grandchildren and 2 great-great-grandchildren; two sisters, Mrs. Ella Howard of Memphis and Mrs. Katie Bowers of Graham and two brothers, Henry Long of Canyon and Charles Long of Bridgeport.

"Grandma" Davison would have been 90 years of age in November, and could remember incidents of the Civil War. She had numerous friends in Hedley, having visited the Informer family on many occasions. She was an example of the highest type of pioneer wife and mother, coming with her husband to a new land and making a home, then carrying on and supporting her family after he had passed away. Her faith in God and her keeping of His commandments, her generosity and goodness to everyone she met, the true Christianity she practiced in her daily life, will remain an inspiration to her eighty-four living descendants.

Mr. and Mrs. Hershel Swinney announce the arrival on Monday, Aug. 23, of a fine little daughter, weight 7 lbs. 6 oz. She has been named Norma Ann.

Carl Dickson of Amarillo visited here Wednesday.

Mrs. Ed Harris of Rotan has been visiting here.

Weld-Constructed Old-Fashioned Swing

DO YOU want to bring back happy moments you've long forgotten? For fun in the sun or a pleasant place to spend a quiet period of relaxation under the stars, we recommend this modernized version of an old-fashioned lawn swing. It's a hit with grownups as well as children. There's room for four in the forming seats.

The lawn swing is easy to build. No special tools or skill are required. The size pattern offered below provides the information needed to buy the materials, cut and assemble the swing. Materials specified are stock size and now readily available at most lumber yards.

It's as easy as that. The pattern provides a full size, printed paper outline of the component parts of the swing. Trace each piece on the lumber specified, saw and assemble. Wherever two pieces are joined, their exact location is shown on the pattern. All bolt and screw holes are shown. You'll have fun building this swing and lots more fun using it.

Send 50c for lawn swing pattern No. 10 to East-Bilt Pattern Co., Dept. W., Pleasantville, N. Y.

Going away for the holiday?

To make sure yours will be a carefree holiday, let your Conoco Mileage Merchant check and service your car. Above all, be sure he drains out contaminated old oil and refills with fresh, clean Conoco Nth Motor Oil.

That's the surest way we know to leave worry behind. Because the moment Nth Oil (Patented) enters your engine, an extra, added

film of lubricant fastens itself so closely to metal that cylinder walls are actually OIL-PLATED! Because OIL-PLATING stays up... won't all drain down, even overnight, you're extra-protected against destructive "dry" friction, against metal-eating combustion acids, against power-choking sludge and carbon due to wear.

For an extra-happy holiday...

Make a date to OIL-PLATE!

TEXAS must lead the fight FOR FREEDOM

Texans, your personal freedom and the freedom of your children is in danger. Truman's so-called civil rights program will destroy our way of life. Never since the Alamo has Texas been in such danger.

If we are to be saved, we must unite today... all creeds, all factions, farmers, laborers, businessmen, EVERYBODY!

If the Truman forces steal the Fort Worth Convention on September 14 by unseating the States' Rights delegation, you will still have the chance to vote for STROM THURMOND AND FIELDING WRIGHT.

Money must be raised... It is YOUR fight. It is now or never!
Send one dollar with your name and address to:

TEXAS WILL FIGHT FOR THURMOND AND WRIGHT

LITTLE ILLS

MAKE BIG BILLS!

True, that "little illness" you've been mentioning in an offhand way, may not seem to amount to much—just a few faint symptoms. But, neglected, these "little ills" can lead to big bills for doctors, medicines, etc; not to mention needless suffering and loss of precious time. Consult a Doctor now—you'll save by it in the end. And, of course, we hope you'll bring his prescription to us for careful compounding.

DEEPER DRILLING

MEANS More Gas FOR YOU

More than half of all the proven natural gas reserves of the
nation are right here in Texas. Geologists tell us there are still more
deposits of gas at deeper levels—a fact that is being borne out by
test drilling in many sections of the Gulf South.

Union Producing Company, a part of the United Gas family, has
drilled many deep wells—some productive, some dry. One in South Texas
was drilled to a depth of 13,728 feet—a distance equal to the height of
eleven Empire State buildings stacked one on top of the other!

Each year, a substantial part of our budget is ear-marked for exploratory
drilling and drilling in proven fields. This is one of many functions of
the United Gas organization... all of which have the ultimate purpose of
assuring a continued dependable supply of natural gas for our customers.

UNITED GAS ...
Serving the *Gulf South*

Formations favorable for the pres-
ence of oil or gas are determined
by geologists and seismograph
cross. A location is selected, a
derrick erected, drilling machinery
rigged up, and the new well is be-
gan, or "spudded in."

A string of pipe of large diameter
is cemented in the upper part of
the hole to protect against caving
or contamination of freshwater
sand. Heavy fluids, called "mud,"
are pumped down through the drill
pipe. As they flow back up through
the hole, they carry cuttings and at
the same time guard against blow-
outs at all times.

Formation samples, or "cores,"
are taken from the hole at various
depths, and are carefully exam-
ined in every detail in field and
laboratory. Oil and gas are found
only in porous formations, sealed
off by impervious strata.

Use with caution.

That Nagging Backache

May Warn of Disordered Kidney Action

Modern life with its hurry and worry, irregular habits, improper eating and drinking—the risk of exposure and infection—throws heavy strain on the work of the kidneys. They are apt to become overtaxed and fail to filter excess acid and other impurities from the life-giving blood.

You may suffer nagging backache, headache, dizziness, getting up nights, leg pains, swelling—feel constantly tired, nervous, all worn out. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.

Try Doan's Pills. Doan's help the kidneys to pass off harmful excess body waste. They have had more than half a century of public approval. Are recommended by grateful users everywhere. Ask your neighbor!

HOUSEHOLD MEMOS

by Lynn Chambers

Simple Enough for Youngsters to Make (See recipes below)

For Amateurs Only
ARE YOUR CHILDREN shy and awkward in the kitchen or can they do an apron and turn in a creditable performance as a cook? Mothers who give their children the run of the kitchen occasionally deserve a bouquet of orchids because they are helping to turn out well balanced, healthy children. And it does mother good, too, if son or daughter occasionally can whip up a batch of good cookies or cake, or prepare a tasty salad.

There are days when youngsters just simply are bored with their usual pursuits and then they tend to wander around the house without anything to do. Perhaps it's too stormy to play outside or maybe all their friends are on vacation. This is the psychological moment to suggest they try their hand at being an amateur chef.

Give them a few pointers beforehand if they need it so food will not be wasted, and help only if it's requested once they start their culinary adventure so you won't spoil it by being the "extra cook in the broth." Have it understood, too, that the kitchen is to be cleaned after they finish.

I'VE OFTEN SAID that anyone who can read, can cook. But here are simple recipes that involve no complicated procedures. Let the children try these recipes so especially designed for them that they will really have a wonderful adventure on their day in the kitchen.

Boys and girls alike will enjoy making these hamburgers, and they are so easy, you simply won't have any failures:

***Hamburgers De Luxe (Serves 6)**

1 pound ground beef
2 eggs, unbeaten
1 tablespoon flour
1/2 onion, grated
1/2 teaspoon salt
1/4 cup catsup
Bacon
Fried onions

Mix the meat with eggs, flour, onion, salt and catsup. Beat the mixture thoroughly with a large fork or spoon. The longer the mixture is beaten the better. Form into thin cakes. Spread a layer of fried onions between two cakes and press the edges of the meat together. Place a strip of bacon around the hamburger, fasten with a toothpick and fry in hot fat or place in the broiler. If using broiler allow cakes to brown six to eight minutes on each side. If frying, allow a little more time for hamburgers to cook.

BOYS AND GIRLS alike will enjoy making a salad and tossing it together with a fork and spoon the way real chefs do:

***Tossed Green Salad (Serves 6)**

1 head of lettuce, cut in quarters
4 tomatoes, quartered
1 bunch watercress, if desired
1 cucumber, peeled and sliced
1 bunch green onions, cleaned
1 green pepper, sliced thin
1 bunch celery, sliced
1 bunch radishes, sliced
Lettuce cups
French dressing

Chill the vegetables thoroughly after preparing. Place all in a large bowl. Add French dressing and toss.

LYNN SAYS:
Use Proper Methods When You Cook

Do you use neat methods when you cook or is everything a jumble when you get into the kitchen? First check the recipes you use and see if you have all ingredients on hand.

While the food cooks, wash all the dishes you have soiled. In this way, you never will have an accumulation of dishes in the sink when you get ready to eat.

lightly with fork and spoon. Serve in lettuce cups or from a bowl.

YOUNGSTERS LIKE to make cooling beverages. Let them do these simple things on hot afternoons:

Chocolate Milk Shake (Serves 2)

2 cups milk
1 teaspoon vanilla
4 tablespoons chocolate syrup
2 ice cubes

Place all ingredients in a quart sized glass jar or shaker with cover. Shake until fluffy. If desired, 2 tablespoons of chocolate or vanilla ice cream may be added before shaking.

Root Beer Shake (Serves 2)

2 scoops vanilla ice cream
2 cups root beer

Place together in a glass and stir. Serve at once.

Lemonade

6 lemons
1 quart water
1 cup sugar syrup
1/2 cup maraschino cherry juice

Squeeze lemons and strain juice. Mix with sugar syrup and water. Add cherry juice. Chill thoroughly.

SIMPLE TYPES of cookies may be made by the youngsters. Neither of these types requires tedious creaming of ingredients.

Brownies

1/2 cup flour
1/2 teaspoon salt
1/4 cup lard
1/2 cup chopped nuts
2 squares chocolate
2 eggs
1 cup sugar
1 teaspoon vanilla

Sift flour, then measure. Add salt and sift again. Melt lard with chocolate in saucepan. Beat the eggs until fluffy, then add sugar and beat again. Mix eggs and sugar with chocolate and lard. Add flour, nuts and vanilla.

Bake in a shallow pan which is greased, in a moderate (350 degree) oven for 25 to 30 minutes. Cool. Cut into squares.

Drop Cookies

1 cup brown sugar
1/2 cup white sugar
1/2 cup lard, melted
1 teaspoon nutmeg
1 teaspoon cinnamon
1/2 teaspoon cloves
1 teaspoon soda in 1 tablespoon hot water
1/2 cup raisins
1/2 cup nuts

3 cups flour or enough to hold shape when dropped

Combine ingredients in order given. Drop by teaspoonfuls on greased baking sheet. Bake in a moderate (350 degree) oven for 10 to 15 minutes.

Released by WNU Features.

Most dishes are easy to wash after they have been soaked. Have a pan of suds ready so that dishes, cups, measuring spoons and other utensils can be placed in the water to soak as soon as you finish using them.

Paper toweling should be used to wipe greasy pots and pans before washing so that grease does not accumulate in the drain pipe.

Never let silverware which has egg on it stand without washing. Egg tarnishes silverware.

SEWING CIRCLE PATTERN

Two-Piece Has Youthful Lines A Flattering Style for Women

HERE is a graceful afternoon style for the woman of slightly larger figure. Note the soft yoke treatment, the flattering gored skirt. You can have brief sleeves, or a longer length, if you wish.

Pattern No. 8293 is for sizes 34, 36, 38, 40, 42, 44, 46 and 48. Size 36, short sleeves. 4 1/2 yards of 39-inch.

SEWING CIRCLE PATTERN DEPT. 538 South Wells St. - Chicago. Enclose 25 cents in coins for pattern desired.

Pattern No. _____ Size _____ Name _____ Address _____

Popular Frock

THE ever-popular two piece frock shown here is a fresh, youthful version. The slanted closing on the blouse is accented with a bright novelty button and the peplum flares out neatly above a slim skirt.

Pattern No. 8293 comes in sizes 12, 14, 16, 18 and 20. Size 14, 4 yards of 39-inch.

AROUND THE HOUSE

To make plate rails so that dishes will stand safely, nail a flat-type curtain rod along the back of the shelf and stand the plates behind it.

The patent-leather covering on heels can be prevented from cracking if you coat it with colorless nail polish.

This helps keep mosquitoes away from your bed: five drops of spirits of camphor on a lump of sugar placed on your nightstand.

When you run out of hair curlers use the little wires from around the tops of milk bottles.

If the ticking of your alarm clock is too noisy, set it on a blotter or piece of felt.

When you hang slacks out to dry turn them inside out and pin them to the line by the pockets. It will avoid getting them out of shape.

Three ounces of peroxide in two gallons of water will change yellowing woollens back to their original whiteness.

Use cold water first on egg stains. Hot water may "set" the stain.

To take the excess electricity out of a taffeta dress, try steaming it in the bathroom.

FIRST AID to the AILING HOUSE

by Roger C. Whitman

QUESTION: I have bronze screens that have been discolored because someone rubbed yellow soap all over them. This has made them green. I have tried to clean them by washing them and also used kerosene, but this has not helped. I would appreciate any suggestions.

ANSWER: I believe wiping the screens with a cloth dampened with ammonia would take off the green discoloration. Be careful of ammonia fumes. If this fails, try a good metal polish. An alternative would be to wash with ordinary vinegar, in which has been dissolved as much salt as will be taken up; then rinse well with clear water. The solution can be made into a paste by the addition of flour.
