The Wise Old Owl

Sara, what about the diamond ring that Johnnie gave you? Are you ashamed of it or is it suppose to be a secret?

Dorothy, you sure have a trusting boy friend. Does he really think you ought to stay at home while he flirts with red headed ball players?

Jimmy, you and Gib make it sort 5f hard for high school girls to be true to their boy friends. The Everett brothers might not approve of your close friendship with their Junior girls.

Gerald, I thought you had the mumps. You sure did get well in a hurry. That must have been the one day mumps.

Joan Ray, you sort of like green especially green cars, don't you? Or do you still ride in the green car with Joedy.

Dolores, how's Memphis these days? By the way is it more convenient since you have a fast running Ford?

Well, well, it looks as though Wanda was happy once again Sunday. It was a long time no see, wasn't it?

Dorothy E., how about Dwight? Is everything still alright with you two? We never see you at Hedley anymore, where do you go?

FHA Area Meeting Concert Group to Bring Artists to Memphis

The Hedley chapter of Future Homemakers of America attended an all day meeting of Area I at W T S C in Canyon Saturday, March 26. Those going were Jenny Milton, Mattie Lou McKee, Patsy Usrey, Mary Lou Greer, Dorothy Ellis, Oreltha Sanders, Mary Alice Hunsucker, Dolores Read, Betty Holland and our sponsor, Mrs. Edna Lee Brown.

Mary Alice Hunsucker modeled a very lovely suit in the style show and received a very nice applause.

Mattie Lou McKee was elected and served as voting delegate to elect all Area I officer for the coming year.

Our chapter contributed to the twelve hundred girls attending the meeting. We enjoyed a well planned day and were very sorry to have to come home.

American Legion

Carroll Deahl and Clifford Johnson of the local post attended the Flying Breakfast of the American Legion at Amarillo last Sunday. The Legion has started its aerial roundup of 1949 members which will close April 23 and the new memberships flown to Austin on that date. Carroll Deahl has been named vice chairman of the aerial round up committee.

The Legion's next meeting is the second Tuesday which will be April 12th. They plan a stag supper and get together of all ex-service men on that night.

Concert Group to Bring Artists to Memphis

A "kickoff" dinner Monday night at 7:30 in the Memphis high school cafeteria formally launched a drive to sell memberships in the Hall County Concert Association, who plan to bring to the people of this section, three or more concerts of national artists.

Membership sales will begin Tuesday March 29th and will close Saturday April 2nd. There will be no single tickets sold to any of the concerts. Admission will be by membership card only, however the cards are transferable. Membership dues will be \$4.80 for adults and \$2.80 for students.

All towns in this part of the Panhandle were represented at the dinner Monday night. Mary Alice Hunsucker and Joan Ray Moreman represented Hedley. See either of these young ladies or Mrs. Hobart Moffitt for further information or a membership card.

W. S. C. S.

The W. S. C. S. met at the home of Miss Alma Hall on March 28.

Mrs. Leon Reeves opened the business discussion with plans for the trip to Pampa to the annual conference, the sending of a package to Japan and the quilting of a quilt. It was suggested that any donation of woolen scraps, old clothes, needles, pins and thread be left with Mrs. Jap Shaw at the Variety Store. The package is to be mailed on April 3.

Miss Hall, leader, introduced the program with "Maturity" as its subject.

Prayer, Mrs. Kendall Marks of Spiritual Maturity, Mrs. Moore Hindrances to Spiritual Growth, Mrs. Reeves Obligations, Miss Hall Songs, Amazing Grace and Must Jesus Bear the Cross Alone.

A most delightful social hour followed. The next meeting will be at the home of Mrs. Pierce on April 11.

Those present were Mesdames Cal Watkins, Frank Kendall, C. E. Johnson, Margaret Kent, J. B. Masterson, R. E. Bonner, Leon Reeves, Ross Springer, W. L. Stewart, Jim Everett, Henry Moore, and Mike Thornberry and the hostess, Miss Alma Hall.

Basketball News

The Donkeys will be back in Hedley next Monday night for a good evenings entertainment at the high school gym. These are a different bunch of donkeys and the games will be played under a different set of rules that promise to make it much faster and funnier than the last Donkey game here. All profits from the game will go to the school.

Monday night the Lions were hard pressed to win their game from the Famous All American Red Heads by the score of 54 to 52. It was a mighty good game, the girls played a good brand of basketball as well as put on a good show. They were mighty well pleased with the sportsmanship shown by the team and fans and say they will be back next year with a new bunch of tricks and some new players.

W. J. Luttrell Dies Junior Class Play

W. J. Luttrell, a pioneer resident of this community, passed away early Wednesday at his home west of town. He had been in poor health for several months. Mr. Luttrell was 79 years of age, and had lived in Donley county for 43 years, operating the Luttrell Orchard west of Hedley.

Funeral services were conducted Thursday afternoon from the First Baptist church here by Rev. I. J. Spurlin, assisted by Rev. C. W. Lambree. Burial was in Rowe cemetery.

Pallbearers were Hobart Moffitt, Leon Reeves, Hubert Mann, Herbert Proctor, J. H. Painter and Peter Larnell.

Honorary pallbearers included Marvin Hamblen, Vernie Wade, J. B. Proctor, Sam Owens, Otis Owens and J. B. Yates.

Survivors include his wife, Mrs. Lizzie Luttrell of Hedley; four sons, Leroy of Hedley, Nolan, Clarence and Ansil Luttrell, all of Mansfield; three daughters, Mrs. Maggie Deal and Mrs. Francis Pollard of Amarillo and Mrs. Floy Posey of Hedley; a sister, Mrs. V. A. Hamblea of Amarillo; thirteen grandchildren and four great-grandchildren.

Church of the Nazarene

Rev. I. J. Spurlin, a Hedley resident many years ago and well known to old timers here, will preach at the Church of the Nazarene Sunday morning at 11 o'clock. Bro. Spurlin, who now lives in California, was the first Nazarene preacher in Hedley.

Boy Scout News

The local scout troop has added two new members to the troop lately and now have 18 members. Most of the original scouts have practically completed their second class work and will soon be ready for court of honor.

The scouts have organized a baseball team and will be ready for games with other scout troops as soon as the season begins. Plans are being made for an all night hike as soon as the weather permits.

Seniors Honored

The Seniors were entertained last Wednesday night by their room mother and sponsor. This event was a skating party. Those who attended were Martha Alexander, Wanda Shaw, Dorothy Meek, Jimmy Owens, Bobby Gibson, Bobby Hemelstrand, Corky Hunsucker, Loy Taylor, Mr. L. E. Graves and Mr. and Mrs. Jap Shaw. All reported a big time.

Notice

The ladies of the Baptist church are asking who will give eggs for Buckner Orphans Home to leave at Foreman Grocery, Farmers Grocery or Beach Shoe Shop. Please leave them by Thursday, April 7.

Card Of Thanks

We wish to thank our many friends for their kindness and sympathy during the illness and death of our loved one. May God's richest blessings be with each of you always.

Mrs. Arthur Ranson and family

The Junior Class will present their play, "A Date With Judy," Friday night, April 1st at 7:30. You'll have a wonderful time so be sure and see it. Admission 35 and 20. See any Junior for your ticket.

The Clarendon Junior College band will play at intermission.

Revival Meeting

A revival meeting will begin at the First Baptist church on Friday, April 8, and will last through the 17th, with Rev. Dan Beltz of Lefors doing the preaching. Ed E. Gibbs of Dallas will be in charge of the song services.

Morning services will be at 10:30 and evening services at 7:30. Everyone is cordially invited to attend these services.

Legion Auxiliary

The American Legion Auxiliary will meet next Tuesday, April 5, at 8:00 p. m. All the members are urged to be present. This will be our first regular business meeting. Come on members and come out for this meeting so we can try to get started off on the right foot. There will be a district meeting April 9th and 10th at Shamrock. As many as can go should make this meeting.

That Nagging Backache

May Warn of Disordered Kidney Action

Modern life, with its hurry and worry, irregular habits, improper eating and drinking—its risk of exposure and infection—throws heavy strain on the work of the kidneys. They are apt to become over-taxed and fail to filter excess acid and other impurities from the life-giving blood. You may suffer nagging backache, headache, dizziness, getting up night, leg pain, swelling—feel constantly tired, nervous, all worn out. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination. Try Doan's Pills. Doan's help the kidneys to pass off harmful excess body waste. They have had more than half a century of public approval. Are recommended by grateful users everywhere. Ask your neighbor!

IS MY DOCTOR GIVING ME THE TRUE FACTS?

Misrepresentations by Political Powers of Organized Allopaths (M.D.s)

THEY SAY: Dr. Miller, President of Texas Medical Association: "Under the laws of Texas today you have no legal guarantee that this man treating you is qualified to do so."

ANSWER: Why should the proponents of the present Basic Science Law make a ridiculous, unfair statement of this kind. Have they never read the Medical Practice Act operative since 1907?

IN THEIR PROPOSED Minimum Standards Bill they state that it is not too much to ask anyone practicing the healing art to be examined in the Basic Sciences. Dr. Miller says technically the Basic Science subjects are these: "Anatomy, Physiology, Chemistry, Bacteriology, Pathology, Hygiene, and Public Health."

ANSWER: Are they so uninformed that they do not know the present State Medical Board examines in Anatomy, Physiology, Chemistry, Bacteriology, Pathology, Hygiene, AND ALSO Histology, Diagnosis, Surgery, Obstetrics, Gynecology and Medical Jurisprudence?

WILL THE MEDICAL DOCTORS Please explain how the patient's health will be better protected by requiring a young qualified doctor to take the same examinations twice by two boards? Who is going to pay this unnecessary expense for him?

THE SPONSORS of the so-called "Basic Science" or Minimum Standards Act say they want the Public to be sure that all practitioners of the Healing Arts have at least a minimum education.

ANSWER: Are they so uninformed that they do not know that the present law requires two years of College work plus four years of eight months each in a Reputable Medical School?

THE SPONSORS of Basic Science or Minimum Standards have advertised in the public press that this will be a fair bill because no Chiropractor, Naturopath or Osteopath will be a member of this board.

ANSWER: Why didn't they also exclude Allopaths (M.D.s)? For the perfectly clear reason that they will have two M.D.s from the faculty of a medical school on this Board, although they are not in active practice.

THE ALLOPATHS (M.D.s) state that the Minimum Standards Law (Basic Science) will control the practice of unlicensed Doctors in Texas.

ANSWER: It is absurd to contend that a new law with less police power could be enforced as well as the present medical laws, which have protected the public health of Texas for over 40 years.

Dr. Tate Miller, President of the Texas Medical Association, stated in a recent broadcast that all he could say of other types of doctors or branches of the Healing Art studying the Basic Sciences was that their catalogues say they do.

Here is a comparison of the Education Background of Osteopathic and Medical Physicians. Schools approved by American Osteopathic Association must require: Minimum of 2 years premedical college work (as must all approved M. D. schools). We list a comparison of Osteopathic education as required by the Six approved Osteopathic Colleges and Harvard Medical College (M. D.s) in their required subjects:

| | Standard of Osteopathic College Requirements Are: | Harvard Medical School (M.D.) Requirements are: |
|--|---|---|
| 1. Anatomy, including Embryology and Histology | 814 Hours | 440 Hours |
| 2. Physiology | 264 Hours | 232 Hours |
| 3. Biochemistry | 198 Hours | 232 Hours |
| 4. Pathology, Bacteriology and Immunology | 572 Hours | 479 Hours |
| 5. Pharmacology | 220 Hours | 129 Hours |
| 6. Hygiene and Sanitation | 176 Hours | 124 Hours |
| 7. General Medicine | 1166 Hours | 1219 Hours |
| 8. General Surgery | 770 Hours | 705 Hours |
| 9. Obstetrics and Gynecology | 220 Hours | 317 Hours |
| | 4400 Hours | 3877 Hours |

TOTAL HOURS required by Osteopathic Schools 4,400.
Total Hours required by Harvard Medical School (M.D.s.) 3,877.

The Osteopathic Schools Are Inspected Yearly by the Bureau of Colleges

DO THE M. D. SCHOOLS have similar requirements for inspecting colleges? NO!

Every Osteopathic Physician and Surgeon in Texas has a license to practice Medicine and Surgery which is identical to the license under which the Medical Doctor practices.

HOW LONG WILL THE PEOPLE, whose generous subscriptions and gifts have built the big hospitals of our state, allow the M.D.'s to dominate these institutions and bar QUALIFIED OSTEOPATHIC PHYSICIANS and their patients from these tax-free institutions?

M.D.s, do you want Educational Standards or Monopoly?

Can an M.D. get a license in the State of Texas without being examined by an Osteopathic Physician and Surgeon? NO! — Every applicant to practice Medicine and Surgery in Texas must be examined by a board composed of six Allopaths, two Eclectics, one Homeopath (All M.D.s)—a total of nine M.D.s—and three Osteopaths.

Can the Legislature create special privilege for any school of practice?

The answer is NO. The Texas Constitution says: "The Legislature may pass Laws prescribing the qualifications of practitioners of Medicine in the State, and to punish persons for Malpractice, BUT NO PREFERENCE SHALL EVER BE GIVEN BY LAW TO ANY SCHOOL OF MEDICINE."

THE MINIMUM STANDARDS OR BASIC SCIENCE BILL SHOULD BE OPPOSED FOR THE FOLLOWING REASONS

The composition of the board would be Monopolistic in favor of the M.D.s. No other school is represented on the proposed board.

It would restrict the licensing of qualified physicians between states by reciprocity. The Medical Board during the last two years has licensed over 100 Doctors who had qualified themselves in other states. Under the proposed Basic Science Law none of these men could have been licensed in Texas.

It would place qualified Doctors in double jeopardy — they would have to take the same subjects by two Boards.

MEDICAL PUBLICATIONS HAVE REPEATEDLY PLUGGED FOR THIS BILL AS A SCREEN TO KEEP OUT OSTEOPATHIC PHYSICIANS.

It is the first step on the part of the M.D.s to change the present Medical Practice Act to one they can control for selfish reasons.

Only a very limited number of qualified physicians (M.D.s) realize what the Minimum Standards Practice Act is, or do they realize what the Minimum Standards Act will do for the Health of the Public in the Future. As a matter of fact, the chances are that not 5% of the M.D.s in Texas have ever read the new proposed Basic Science Law. As a clarification, ask your own Doctor if he has ever read the proposed Basic Science Law.

This is an educational advertisement that you, The Public, may be informed.—Write Your Senator the following are Senators of West Texas: Hon. Grady Hazlewood, Amarillo; Hon. Kilmer Corbin, Lamesa, and Pat Bullock, Colorado City

RED TARGETS:

America First? If Russia decided to launch a war of aggression, where would the Soviets strike first?

The Kiplinger magazine has published a thought-provoking article on the subject.

Entitled "Where Would Russia Strike?" the article drawn these conclusions:

THE UNITED STATES would be the first target of the attacker, for an enemy could not afford to let the United States build up its tremendous war power after shooting starts, as was done in the last war.

The initial attack would come by air, probably at night, on a wholesale scale, on many cities and centers within the single night.

This attack most surely would be by atomic bomb. Russia would not attack the continental United States without it. At present the bomb is believed to be a U. S. monopoly, but probably won't stay that way.

Two kinds of targets in this country would be attacked simultaneously by the Russians. First, the air bases from which we might launch retaliatory attacks against the Russians. Second, the pieces crucial to U. S. production and mobilization.

ANY FUTURE WAR probably can be won by the nation that strikes a heavy blow first. The United States, being a democracy, is traditionally averse to striking first. This conflict between tradition and the hard facts of future war might have to be resolved in due course by our national leaders.

The article lists the following target areas which would be given high priority by the Russians:

Augusta, Me. — site of a B-36 base; Rapid City, S. D.—another B-36 base; New York City—seven A-bombs could wreck whole port area; Washington, D. C.—one bomb could demolish Pentagon, nation's military nerve center; Sault Ste. Marie, Mich.—demolition of canal would impose tremendous extra burden on nation's railways; Detroit — because of war conversion potential great automobile plants would be targets; Chicago; Hanford, Wash.; Los Alamos, N. M.—atomic weapons centers; Oak Ridge, Tenn. — sprawling atomic energy plants here would be certain target; eastern seaport cities—for obvious reasons.

Safety First

Martin Larson, 41, truck driver of St. Paul, Minn., has been named the trucking industry's "driver of the year." Larson was chosen because of an 18-year record of driving without an accident, combined with rescue of a motorist pinned in an overturned car in below-zero weather.

BEST DRESSED:

Among The Gentry "Had you the intangible faculty of "ability to wear gaily-hued clothes, plus knowledge of how to get the "most out of" money spent on clothing," you might have wound up among the "ten best dressed men in America" as announced by the Custom Tailors Guild of America, Inc.

HOWEVER, the field was somewhat narrowed so there was really no cause for widespread anguish or concern. After all, the tailors couldn't include everyone.

At any rate, here are the "10 best dressed men in America" in 10 special fields of endeavor: Government—Dean Acheson, secretary of state; sports—Lou Boudreau, shortstop-manager, Cleveland Indians; comedy—Morey Amsterdam; society—Charles A. Munn, Sr.; screen—Clark Gable; music—Elliot Lawrence, orchestra leader; education—Harold E. Stassen, president of the University of Pennsylvania; radio — Richard Kollmar, actor; theatre — Ray Bolger, and business—Lawrence C. Gumbinner, advertising agency head.

IT WAS NOTED in passing that another front-runner, Mr. Harry S. Truman, was barely nosed out by Dean Acheson. It seems Secretary Acheson's nomination was based on his "perfect choice of clothes to reflect his aggressiveness and poise."

However, there was a crumb for Mr. Truman. He was second best.

Crime Record Up

J. Edgar Hoover, federal bureau of investigation chief, reported there were about three times as many major crimes last year as there were minutes.

In a report on the nation's 1948 crime record, he estimated there were one million, 686,670 major law violations — "a serious crime for every 18.7 seconds." The total was 1.3 per cent greater than that of 1947.
