Odell Holland

Odell C. Holland of Groom passed away Saturday morning at his home after an illness of several months. Funeral services were held Sunday from the First Methodist church at Clarendon by Rev. Bob Cooksey and Dr. S. W. Hayne. Burial was in the Clarendon cemetery.

He was 37 years of age and had lived in Donley county over 30 years, operating a grocery at Lelia Lake for some time. He was a member of the Lelia Lake Baptist church and the Masonic lodge.

He is survived by his wife, Lucille, four daughters, Jerlene Marie, Mary Dell, Janet Sue and Emma Katherine; his parents, Mr. and Mrs. C. H. Holland of Clarendon; three brothers, Ray of Clarendon, Addis of Gruver and Chester of Amarillo; and five sisters, Mrs. Byron Simmons of Channing, Mrs. Cordia Radetich of Los Angeles, Mrs. Addie Goodner and Mrs. Fay Neubauer of Amarillo and Mrs. Sid Painter of Lelia Lake.

First Grade Picnic

Last Thursday the First Grade accompanied by their teacher, Mrs. C. L. Vaught, Mrs. M. D. Shaw and Mrs. Blanche Coats, went aboard the noon train for Memphis.

On their arrival at the Hedley depot, Mr. Morris gave the youngsters souvenirs, and then on board the train Mr. Peckenpaugh, the traveling passenger agent, gave them a very hearty welcome by showing them through the different coaches including the diner. He told them to enjoy themselves in their own way and they did.

When they arrived at Memphis, several cars from Hedley met the train, but a bus was on hand to transport the children to the circus grounds and on to the Memphis Park. Representatives from several business establishments also met the train to give the First Graders a most cordial welcome. It seemed that a great part of the citizenship of Memphis citizenship of Memphis came out to greet them and by prearrangement on the part of the Chamber of Commerce, the elephants were on parade. From the circus grounds they went by bus to the park where they had an abundance of fun and frolic.

To make the day a more perfect one the Chamber of Commerce furnished plenty of ice cream for all. The youngsters expressed themselves as having had a wonderful day of it.

The visitors and room mothers attending the picnic were Mr. and Mrs. Sam Owens, Dr. and Mrs. D. H. Cox, Mrs. Tommie Johnson, Mrs. M. D. Shaw, Mrs. Blanche Coats, Mrs. P. F. Smith and little Susan Cox, Priscilla Smith, David Moreman and Danny Davis.

Recital

Mrs. Rasco and her music students presented their Recital last Friday night which was enjoyed by all present. The Hedley public schools appreciate the fine work accomplished by Mrs. Rasco and her pupils the past year.

Poppy Day

All members of the American Legion were called upon to wear a poppy on Poppy Day, Saturday, May 28, in a special message issued today by Carrol Deahl, Commander of Adamson-Lane Post of the Legion.

Urging that veterans of both world wars set an example of reverence for the war dead by wearing the memorial flower throughout the day, Commander Deahl said:

"Passage of the years has not dimmed our memory of those comrades of ours who served by our sides and who gave their lives for America. Let us, then, show that we remember them and honor their sacrifice by wearing our memorial flower, the poppy, on Poppy Day. In this observance war veterans should set the example for all citizens.

"Members of the American Legion Auxiliary, our wives, mothers, sisters and daughters will distribute the flowers on the streets on Poppy Day and receive contributions for welfare work among needy veterans and veterans' children. Knowing as we do the great and growing need for this phase of Legion and Auxiliary activity, we should be as generous as our means permit when receiving our poppies.

"Members of the American Legion should be among the first to put on poppies on Poppy Day and should give every cooperation toward making the observance of the day a complete success."

Help Them Cleanse the Blood of Harmful Body Waste

Your kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as Nature intended—fail to remove impurities that, if retained, may poison the system and upset the whole body machinery.

Symptoms may be nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—a feeling of nervous anxiety and loss of pep and strength. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.

There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. Doan's have been winning new friends for more than forty years. They have a nation-wide reputation. Are recommended by grateful people the country over. Ask your neighbor.

TUNING IN ON AN *Underground* NETWORK

Beneath the surface on the average city street is a maze of gas mains, water lines and other pipes and cables of varying sizes. There are often many problems to be solved when a gas line is extended to new homes, stores or factories through this unseen network of metal. Companies in the gas industry employ an ingenious device known as a "pipe locator" to trace the underground pattern—to locate their own lines and to avoid damage to others.

Every resident of this area benefits in one way or another from the expanding activities of the natural gas industry, for the money the industry invests in payrolls, supplies and equipment means more money in circulation for all to share.

The "pipe locator" consists primarily of a portable transmitter and a receiver. The transmitter is used to send a signal into the ground.

The receiver, with headset, picks up the transmitter's signal radiated from the ground.

When the signal becomes stronger than usual, the operator knows he is crossing a pipe or some other buried metal structure.

FIRST AID to the AILING HOUSE

Linoleum Over Sub-Floor

Question: Can rubber tiling or linoleum be laid over just a sub-flooring and must it be perfectly solid?

Answer: Sub-flooring is usually very rough, and frequently it is put down with open spaces between the boards. A floor of this type is not suitable as a base for rubber tile, linoleum or any other type of floor covering. For best results a sheet of plywood or a hard fibreboard should be put down over the rough flooring to provide a smooth, rigid base for the floor covering.

Worn-Off Chromium Plating

Question: The rungs of my chromium kitchen chairs have become rusted. Is there any way I can clean them?

Answer: The best thing to do with worn-off chromium plating is to have it re-plated. If you can get the chairs to a neighborhood plating shop, you could have this work done. It would improve the appearance of the chairs very much. Cleaning off the rust can be done, but it will not restore the original appearance of the chairs. You can soften the rust with a rust-removing preparation, on sale in many auto accessories stores.

HOUSEHOLD MEMOS... by Lynn Chambers

Versatile Waffles Fit Any Menu!
(See Recipes Below)

"AS LONG as I know how to make waffles, I can get together a good breakfast, a fancy luncheon or serve a glamorous dessert," said a new bride. This young lady was indeed on the right track; she had perfected one dish, and she could be certain that any occasion would be covered simply but adequately with it.

Waffles may be varied in many different ways, and they can easily go from breakfast to luncheon to dessert for dinner or a party. No, not the same waffle, of course, but with a slight variation waffles really can do all these things.

Plain waffles with butter and syrup or honey are ideal for breakfast main dishes. Try pairing them with crisply browned sausages, crisply browned bacon strips, or ham.

For luncheon, vary the waffle, and serve with creamed eggs, chicken, tuna fish or mushrooms.

The dessert waffle is rich, and it may be plain, orange or even chocolate-flavored. Have you ever put together chocolate waffles with peppermint stick ice cream and passed the chocolate sauce? Yes, simple but very elegant! Or, how about crisp and golden brown waffles crowned with whipped cream and bananas? Yes, another favorite!

BASIC WAFFLES may be quickly and simply made from a pancake mix in the following manner:

- Quick Waffles**
(Makes 5 servings)
2 cups pancake ready-mix
1/2 cup melted shortening
2 eggs
2 cups milk

Place all ingredients in a medium-sized mixing bowl. Beat with a rotary egg beater until batter is fairly smooth. Pour batter into a waffle iron which has been heated. Bake until iron stops steaming.

Honey-Butter Sauce: Warm one cup liquid honey in the top part of a double boiler. Add to it 1/4 cup butter, 1/4 teaspoon of cinnamon and a dash of nutmeg. Serve warm.

Light and delicious oatmeal waffles have a nutty flavor all their own. Besides adding flavor, rolled oats make waffles high in the important B vitamins, protein and iron. They're excellent served with butter and syrup, along with crisp bacon. For a supper main dish, pair them with creamed eggs.

- Oatmeal Waffles**
(Makes 6 servings)
1 1/4 cups sifted enriched flour
3 teaspoons baking powder
1/2 teaspoon salt
2 eggs
1 1/2 cups milk
1/2 cup melted shortening
1/2 cup quick, rolled oats, uncooked

Sift together flour, baking powder and salt. Add eggs, milk and melted shortening. Beat with rotary egg beater until fairly smooth. Fold in rolled oats.

LYNN SAYS:
Use these Hints For Making Waffles

Season the grids of a new waffle iron unless the manufacturer advises you otherwise. To season the iron, when it is still cold, brush with cooking oil. Heat the iron to baking temperature and allow to cool. Discard the first waffle made as it will be greasy. After this, waffles will not stick to the iron.

Don't peek into the waffle iron while it steams. This means the waffle is still baking.

- LYNN CHAMBERS' MENU**
Creamed Chicken
*Cornmeal Waffles

*Recipe Given

Four batter-onto hot waffle iron. Bake until iron stops steaming.

IF YOU WANT to serve these waffles for a quick supper or luncheon dish, here is a suggestion for creamed eggs:

- Creamed Eggs**
(Serves 6)
2 tablespoons butter
3 tablespoons flour
1/2 teaspoon onion juice
2 cups milk
1/2 teaspoon salt
6 hard-boiled eggs, shelled and chopped

Melt butter in top of double boiler, add flour, onion juice and salt. Add milk slowly, stirring constantly, and cook until smooth and thickened. Add the eggs and cook until heated through. Serve over waffles.

- *Corn Meal Waffles**
(Makes 5 Servings)
1 cup sifted enriched flour
3 teaspoons baking powder
1 teaspoon salt
2 tablespoons sugar
1 cup corn meal
2 eggs
1 1/4 cups milk
1/2 cup melted butter or fat

Sift together dry ingredients. Place eggs, milk, sifted dry ingredients and melted butter in a bowl. Beat with rotary beater until batter is smooth. Do not overbeat. Pour batter onto hot waffle iron and bake until iron stops steaming.

THERE ARE ANY number of variations for dessert waffles. Use them for an easy dessert, or serve them as a party snack.

- Dessert Waffles**
(Makes 10-12 small waffles)
1 cup sifted cake flour
1/2 teaspoon salt
3 teaspoons baking powder
3 eggs, separated
1 cup rich milk

Sift together the flour, baking powder and salt. Beat egg yolks until thick and lemon-colored. Add to milk, then blend in dry ingredients. Fold in melted butter and last, the stiffly beaten egg whites. Pour into waffle iron and bake until steaming ceases.

Ice Cream and Waffles: Use dessert waffles, top with a scoop of vanilla ice cream and serve with sweetened, crushed strawberries or chocolate sauce and bananas.

Chocolate Chip Waffles: Stir into the batter, before baking, 1/2 cup semi-sweet chocolate chips.

Chocolate Waffle: Add to dessert waffle, 1/2 cup sugar sifted with dry ingredients. Fold in with butter, 1 1/4 squares, melted, unsweetened chocolate.

Orange Waffles: Fold in the dessert waffle batter, two tablespoons orange juice and 1 1/2 teaspoons grated orange rind. Serve with orange or pineapple sauce.

If batter spills on the iron, let it cook on before trying to remove it. When dry, it flicks off easily.

When brown spots appear on the iron, from spattering fat, use a fine scouring powder, rubbed gently, to remove them.

Keep waffle cords in good condition by putting them away without kinks and knots. Leftover kernel corn, cooked rice and blueberries may be added to waffle batter. One cup of any of these food items is folded in the waffle before baking.

Star Dust
STAGE-SCREEN-RADIO

By INEZ GERHARD
JIM AND MARIAN Jordan had been in and out of small-time show business for several years when a \$10 bet landed them on the radio. They were visiting Jim's brother in Chicago when Jim remarked that he and Marian could do a better job of singing than anyone on the radio program they were listening to; Jim's brother bet him \$10 they couldn't. That was a lot of

Fibber and Molly money to the Jordans then; they showed up at Station WIBO, and landed on the air. Five months later the radio job ended, and they went back to vaudeville. It was not until later that they became "Fibber McGee and Molly" in one of radio's top ranking radio series.

When Ingrid Bergman went to London for some location scenes in "Under Capricorn" she learned that there is a great difference between extra players there and in Hollywood. In England "Mob extras" are called "crowd artists."

Burt Lancaster is back in the circus; he finished "Rope of Sand" and headed for Louisville, Ky., and the Cole Brothers' circus, to do an acrobatic act with his former partner, Nick Cravat; will appear with it in 26 cities.

Peter Lorre's year of personae appearances has convinced the public that he's not the little monster he portrays on the screen. He visited many veterans' hospitals, especially those other entertainers had overlooked—doesn't sing or dance, so had to rely on informal talks. Now he is back in Hollywood in "Quicksand," with Mickey Rooney—playing a little monster.

Dr. Henry Darlington, Rector of New York's Church of the Heavenly Rest, recently appeared as family counselor on "The Second Mrs. Burton." Listening to the singing commercials, he remarked, "If churches used a device as catchy as this, I could guarantee standing room only." No doubt he went home and asked the cook to try those seven delicious flavors.

Julie London, soon to be seen in "Task Force," has cut in on Dorothy Lamour's territory. Till Julie appeared, Dorothy was the best known ex-department store elevator operator in pictures. Julie ran one, too, in a Hollywood store.

Howard "Sam Spade" Duff relived a scary experience when he and other members of the "Partners in Crime" cast were going to Universal-International's location in Tucson. The plane took off violently, and one engine went dead. Finally landed on the remaining three. When he was in the South Pacific during the war, Duff was in a plane that encountered severe headwinds, threatened to run out of gas. He admits that he was as scared as anybody else, but he took out some cards and started a poker game.

"The Octopus and Miss Smith" location stint at St. Seguit never will be forgotten by the cast. Director Michael Curtis was knocked cold by a falling beam. Jane Wyman got pecked on the hand by a tame (?) goose. Eve Arden's mishap caused the longest delay; a dog chased her, she lost her artificial bangs, and couldn't go on acting till another set arrived from the studio.

Almira Sessions, featured in "Night Unto Night," has bought three lots on one side of her Woodland hills home and four on the other. Four years of hearing other people's radios through apartment house walls made her appreciate quiet.

ODDS AND ENDS . . . With the need to learn about television hanging over their heads, Hollywood producers and directors are "The Goldbergs" is put together of its kind on video. . . But like quite a few other actors, Jimmy Cagney left the West coast several months ago to work in eastern video studios, now is back home to work in "Quicksand" . . . Shirley Temple, married and the mother of a 15-month-old daughter, is finally 21.

Uncle Sam Says

I am looking for a man who vows he is going to save some money and yet never seems to get started. I am going to ask this man to go to his boss or down to his bank and sign up for the Automatic Savings Plan for the purchase of U. S. Savings Bonds. Then he can sit back and watch his Savings Bonds pile up. Save the automatic way, through the Payroll Savings Plan where you work, or if self-employed, the Bond-a-Month Plan where you bank.
