Lions Club News

Delegates from here to the District convention at Lubbock this week were Mr. and Mrs. L. D. Messer, Mr. and Mrs. Chas. Rains Jap Shaw, Clifford Johnson and Chas. Neal Johnson. C. R. Cryer superintendent of schools of Borger, was elected District Governor and Childress was chosen as the Convention City for the next year's convention.

The nominating committee for next year's officers and directors will meet in the next few days. The nominees will be read to the club at the first June meeting and will take office the first meeting in July.

Work on the Lions Den is still moving along. It is hoped to have it ready for occupancy (not completed) by the first June meeting. More donations as to cash and/or labor will be thankfully received.

School Progress

The Hedley schools would like to express their appreciation for the support given them the school term just completed.

The school system has made many improvements the past year and many more will be made the coming year. Both buildings have received a new coat of paint and plaster. The gymnasium has been reconditioned throughout.

The Home Economics department has purchased the following new equipment and it has already been installed: two electric stoves, cabinets and sinks, Frigidaire, Mix-Master mixer and a pressure cooker.

The Lunch Room is one of the finest in the country. New equipment for this department includes new tables, two stoves, deep freeze box and cooking utensils.

New cess pool equipment added includes a motor, pump and a one thousand gallon tank.

One new Chevrolet bus was purchased and another one will be bought before school starts next year.

T.E.L. Class Meeting

The T. E. L. Sunday School class met Friday, May 20th in the home of Mrs. Alewine. Mrs. Marshall Stone gave a devotional from II Corinthians. After the program we had a short business meeting and elected two new officers. Mrs. Biffle will be our president for the remainder of the year. A lovely refreshment plate was served to the eight ladies present.

Uncle Sam Says

More than 200,000 newspaperboys are demonstrating the "Spirit of America" this month by distributing 12 million U. S. Savings Bonds folders to as many American homes. They will be carrying opportunity right to your door, calling attention to the U. S. Savings Bonds "Opportunity Drive" May 16-June 30. They will explain how you can turn \$75 into \$100 in only ten years and how easy it is to enroll on either the Payroll Savings Plan where you work or if self-employed, the Bond-a-Month Plan where you bank. However you arrange it, you win either way. Enroll NOW.

Mayor Proclaims May 28 Poppy Day

Saturday, May 28, was set aside as Poppy Day in Hedley in a proclamation issued today by Mayor A. T. Simmons. The proclamation urged all citizens to observe the day by wearing memorial poppies in honor of those who gave their lives in the two World Wars. It stated:

"Whereas, men of Hedley gave their lives in defense of the United States of America in World War I and World War II; and

"Whereas, Memory of their service and sacrifice is a source of great inspiration to all citizens as our nation faces new difficulties and dangers; and

"Whereas, This memory is kept bright by the annual wearing of memorial poppies in their honor and in honor of all other Americans who died in world war service;

"Now, therefore, I, A. T. Simmons, Mayor of the City of Hedley, do hereby proclaim Saturday, May 28, to be Poppy Day in the City of Hedley, and urge that all citizens observe the day by wearing the memorial poppy of the American Legion and American Legion Auxiliary."

A. T. Simmons

A little son was born to Mr. and Mrs. A. B. Truitt on May 26 at Mineral Wells. He weighed 6 lbs. and 1 oz. and has been named Ricky Lee.

U. G. Key Dies

Funeral services for U. G. Key, who passed away last Saturday at his home here, were held Monday from the First Baptist church here by Rev. L. A. Sartain, assisted by Minister James L. Willett. Interment was in Memphis cemetery with Marcum-Vandeventer Funeral Home in charge.

Pallbearers were Foster Pickett, Hobart Moffitt, Roy Darnell, Leon Reeves, Barney Johnson and Walter McCracken.

Ulysses Grant Key was born Feb. 11, 1866, at Franklin, Ky. He had been a resident of Hedley for 22 years. He united with the Baptist church when very young. He was married to Willie Howell Oct. 22, 1920. One daughter was born to this union. Two sons preceded him in death.

He is survived by his wife, Mrs. Willie Key, two daughters, Mrs. Esma Alice Sailor of Bell, Calif. and Mrs. David Reddell of Dallas and one son, Cecil Key of Amarillo, and 6 grandchildren.

Birthday Party

David Moreman celebrated his sixth birthday Monday, May 23, with a picnic given in his honor by his mother, Mrs. Ray Moreman.

The children met at the Moreman home and were taken to the Memphis Park in cars driven by Mrs. Carroll Deahl, Mrs. Wilson Morgan and Moreman. After some time spent in playing and taking pictures David opened his gifts which were admired by those present.

Threatening rain clouds forced the group to return to the Moreman home in Hedley, where favors of story books were presented and sandwiches, pop, ice cream and cake were served to the following: Patsy, Bonnie and Alvin Alexander, Dickie Morgan, Don and Susan Cox, Sue Wilson, Dale and David Morris, Jack Donald Doherty, David Moreman, Jonnie and Pat Leggett, Jimmy Boliver and Frieda Jo and Keith Dishman

Mr. and Mrs. J. W. Messer (Earline Fortenberry) announce the arrival of a daughter on Sunday May 22nd, weighing seven pounds and three ounces. The little lady has been named Linda Kaytine. Everyone is doing fine.

Chaplain and Mrs. Rex Kendall and children came up Tuesday from Abilene, and the children will visit in the Frank Kendall home while Rex and wife attend the Methodist conference at Amarillo. Rex has been assigned to overseas duty in Germany, and they plan to visit here for several weeks before sailing.

W. H. Jones, Fred Watt Jr., Kelley Neighbours and Carl Morris attended the dedication of the Masonic Temple at Pampa last Thursday night.

Mrs. Gertrude Todd, who has been teaching at Boys Ranch is at home for the summer vacation.

Sunday Groom will challenge the Lions leadership to the Cap Rock League at the local park. The game will start at 3 p. m. These boys from Groom have a mighty good team and gave the locals a good trimming in a practice game earlier in the season.

St. Francis showed a lot better team than last year and the Lions were hard pressed to take last Sunday's game 13 to 9. This makes four wins and no losses in league play and keeps the locals on top of the league with 1000%. In other league games McLean defeated Goldston.

WEEKLY NEWS ANALYSIS
Gen. Clay Out as Berlin Chief;
New Rent Curb Formula Attacked;
Taft-Hartley Bill Wins in Test

(EDITOR'S NOTE: When opinions are expressed in these columns, they are those of Western Newspaper Union's news analysts and not necessarily of this newspaper.)

BERLIN:
Clay Is Done

Gen. Lucius D. Clay, stormy petrel of American administration in Berlin, was relieved of his post as military commander in Germany. The action was taken at the general's own request.

CLAY, who has been widely criticized for his apparent "soft" attitude toward German war criminals, notably in the case of Elsa Koch, the "witch of Buchenwald," notorious German horror camp, had frequently asked to be relieved of his command. He said he wanted to return to his home in Marietta, Ga., and "go catfishing."

Clay's leaving would open the way for appointment of the first civilian high commissioner for Germany, something the army has been wanting for a long time.

PRESIDENT TRUMAN, in making the announcement Clay was to leave, said the general deserved the thanks of the American people for his execution "of one of the toughest tasks and accomplishments of American history."

It was no secret that the President and Dean Acheson, secretary of state, were trying to persuade John J. McCloy to take the assignment in Berlin. McCloy is now head of the international bank for reconstruction and development, a position which carries a \$30,000 tax-free annual salary.

Pending the appointment of a civilian commissioner, President Truman announced military government deputies and two generals would carry on Clay's work.

The United States, Britain and France have agreed to arrangements for turning over civilian control to the Germans when a provisional government is established for the western zones.

Meanwhile, hope continued for an end, through four-power negotiations, of the Berlin blockade by the Russians.

HOUSING:
Nobody Pleased

The government, it appeared, couldn't please anyone in its efforts to implement the newly-enacted rent control bill.

Scores of landlords and tenants in New York turned out in angry confusion after Federal Housing Chief Tighe Woods announced a program for putting the new law into operation. Woods had come up with a plan which he hoped would provide owners of rental property with a "fair net operating income." This was one thing the new law said should be done.

BUT WOODS, in a personal appearance in the nation's largest city, stepped personally into a hot-bed of landlord's inquiries.

Landlords assailed the Woods formula as giving inadequate relief to hard-pressed property owners.

The formula was confusing because it contained so many indeterminate factors. It was intended to produce a "net operating income" of 25 to 30 per cent of gross income on some 14 million dwellings throughout the nation still under federal rent control.

As Woods expressed belief both landlords and tenants would be happier under the new formula, a surprised murmur of laughter swept the audience which overflowed the 800-seat hall. Woods dashed from the meeting, where he answered some 50 questions, to a conference with New York's Mayor William O'Dwyer.

WOODS SAID the new formula "goes right down the middle, protecting landlords against rents that would deny them a fair profit and protecting tenants against being charged a higher rent than the fair net operating income allows."

Meanwhile both property owners and tenants seethed, each fearing they were being put upon by the Woods formula; landlords obviously resentful that specific rent increases were not allowed, tenants bitter because of a "mixed-up" formula which they feared held nothing but bad news for themselves.

One most probable result of the formula was that local governmental units would be disposed to let existing conditions alone without petitioning their governors or state legislatures for lifting of rent controls in their respective areas.

NEW DRUG DISCOVERED

Anti-Allergy Medicine Battles Colds

There was new hope for cold sufferers. An industrial physician reported that an anti-allergy drug has been found effective in controlling common-cold symptoms.

Dr. Halstead G. Murray said that 75 per cent of 494 persons treated during early stages of colds reported "they were cured or had their symptoms alleviated."

AROUND THE HOUSE

To give low windows the appearance of greater height, use vertically striped drapes extending to the floor.

Soaking in denatured alcohol will remove indelible pencil marks from washable material, providing the material is fast-colored.

Keep glass coffee jars for storing staples, odds and ends, etc. Jars can be painted to harmonize or contrast with color scheme of kitchen, but leave a clear strip of glass so that contents of jar can be quickly identified.

Use a soft brush to keep the cloth covering on the turntable of your record player free from dust, which might scratch your favorite records.

If you are in the process of learning to sew on a sewing machine, practice on smooth brown paper which has been "lined" with a pencil and a ruler. When you have learned to follow the lines, outline squares, etc., and practice turning corners.

White House Repaired
From Time To Time

Once again the White House is under-going extensive repairs. The cornerstone of this historic building was laid in 1792, but the structure was not completed until 1800. John Adams was the first President to occupy it and Abigail Adams reportedly dried the family washing in the still unplastered East Room on rainy days.

Legendarily modeled from the Duke of Leinster's home in Dublin, the building is 170 feet long and 86 feet deep. Popularly known as the "White House," it was painted white to cover the stains of smoke remaining from the serious damages incurred when the British burned Washington during the War of 1812.

Wood Window Valance
Adds Charm to Room

ADD CHARM to your living or dining room by making the window valance illustrated above. No carpentry skill or special tools are required. The full size patterns now available really simplify making.

User merely traces the pattern on the wood, saws and assembles exactly as pattern indicates. A list of materials supplied with the pattern tells you exactly what to buy. All materials can be purchased at your local lumber yard. You'll save over one-half making the valance yourself and have loads of fun doing it.

LEOPOLD:
Wants Throne

Disliking the common life, exiled King Leopold III of Belgium has made it clear he wants to return to the throne of his country.

THIS was made known in a letter to his brother, Prince Charles, Belgium regent, in which Leopold said:

"I am convinced you are sharing my views that the time has come for a return to constitutional normalcy." That would mean, of course, an end to the regency and return to kingly rule.

HOWEVER, the outlook for any such development appeared dim. Leopold surrendered the Belgian forces to the Germans early in the war and became a prisoner-of-war. His action in that respect was criticized by many Belgians. The ex-king has not returned to his country since the war. He has been living in exile in Switzerland.

Rayon garments often absorb water in blotches no matter how carefully they are sprinkled; for easier ironing, remove such garments from line while still damp, roll in a towel or waxed paper and iron as soon as possible.

Bathroom tiles gleam when polished with a cloth which has been soaked in turpentine or lemon juice.

Covering eggs while they are frying will cause the yolks to be coated with a white film (some folks don't like that "wide-eyed" look of a fried egg) and prevents eggs from hardening or frizzling.

When in doubt about how much baking powder to use, a helpful generality says one teaspoon of baking powder to each cup of flour.

Uncle Sam Says

Everyone will have a part in the U. S. Savings Bonds great "Opportunity Drive" May 16-June 30. The armed forces are responding to the call for volunteer assistance by offering to fly a number of covered wagons to Independence, Mo., for a big ceremony marking opening of the drive. They will then transport the wagons to various States. The covered wagons typify the difference between the terrible hardships the original 49'ers went through in their search for riches and security and how easy it is for the modern 49'er to build for a secure future. Today you are given the opportunity to invest in U. S. Savings Bonds—the easy way to pile up riches. In ten short years you will receive \$100 for every \$75 invested.

May Warn of Disordered
Kidney Action

Modern life with its hurry and worry, irregular habits, improper eating and drinking—its risk of exposure and infection—throws heavy strain on the work of the kidneys. They are apt to become over-taxed and fail to filter excess acid and other impurities from the life-giving blood.

You may suffer nagging backache, headache, dizziness, getting up nights, leg pains, swelling—feel constantly tired, nervous, all worn out. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.

Try Doan's Pills. Doan's help the kidneys to pass off harmful excess body waste. They have had more than half a century of public approval. Are recommended by grateful users everywhere. Ask your neighbor!

NATURAL GAS *Pathway* TO COMFORT

Thousands of American families learned last year for the first time the comfort, convenience and economy of natural gas service. Local distribution companies worked long and diligently to meet the expanding demand for this perfect fuel. Every resident of this area benefits in one way or another from the growth of the natural gas industry, for the money the industry invests in payrolls, supplies and equipment means more money in circulation for all to share.

Automatic natural gas cooking and water heating are indispensable home servants.

Silent gas refrigeration keeps food fresh and palatable... stays silent, lasts longer.

Year-round gas air conditioning keeps homes warm in winter and cool in summer.

America Named By German Professor

The western hemisphere was named 'America' by a German professor—Martin Waldseemüller—who wrote the introduction to a sixteenth century edition of Ptolemy's Geography which was prepared by a small French college in the Vosges mountains.

Only the small part of the new world which Americus Vesputius had seen from his ship was originally named in his honor; but when exploration revealed the geography of the hemisphere—linking the discoveries of Lief, Columbus, Henry Cabot, Vesputius, etc.—the word 'America' was well on its way to becoming the by-word applied to the entire mainland from Labrador to Patagonia.

Weddings, Graduations Should Be Considered As Ceremonial Events

IS THERE a graduation coming up in your family? Or, are you planning a bridal shower for a daughter or a neighbor? These are big events and should be treated with proper pomp and ceremony.

Some women get shaky when they plan to entertain because they can't see quite how they're going to get the house in spic and span order, keep the kiddies from getting underfoot while preparations are under way and still get together the refreshments.

Select a simple menu that can be prepared in advance, and you'll have the perfect answer to entertaining. A sandwich loaf and a cooling punch bowl are easy enough to serve. Make the sandwich loaf the night before; get together the ingredients for the cool drink and refrigerate them, too. When serving time arrives you have simply to bring things together.

For a youngsters' party, serve glamorized milk drinks and simple cookies, baked in advance. Or, give them sandwiches with the beverage because these, too, may be made in the morning for an afternoon party, if they are wrapped in waxed paper and refrigerated.

A glorious cake makes an excellent duet for a punch bowl. For a shower you might try a refrigerated

Youngsters will come a-flying when you announce that eating time is here with these delightful glasses of cherry ice cream float. A chilled and nutritious milk drink, the floats may be served with cookies for an afternoon or evening snack.

type because women love them dearly and they are just a little bit more fancy than a baked cake.

IF YOU'RE planning to serve punch, make fruited ice cubes in advance. Squeeze the fruit juices and place them in separate glass jars in the refrigerator. When party time arrives, simply put them all together in a large bowl or a pretty pitcher and the beverage part of your gay doings is well under control.

Orange Punch
(Serves 15)
1 pint orange juice
1 pint orange sherbet
1 pint vanilla ice cream
1 pint ginger ale
Beat orange juice, sherbet and ice cream with a rotary beater. Add ginger ale and stir thoroughly. Serve at once from punch bowl.

Fruit Punch
(Makes 1 gallon)
1 quart strong tea
1 cup lemon juice, strained
1 cup orange juice strained
1 cup sugar
3 cups grape or cranberry juice
1 quart water
1 pint ginger ale
Mix tea, fruit juices, water and sugar; chill. Just before serving add ginger ale and pour over a large piece of ice in a punch bowl. Garnish the punch with sprigs of mint, maraschino cherries, slices of lemons and oranges.

HERE'S AN IDEAL recipe for punch for the youngsters:
Pineapple Milk Punch
(Serves 6)
3 cups cold milk

LYNN SAYS:
Simple Sandwiches Make Good Refreshments
Combine 1/2 pound of cottage cheese with a dash of onion juice, salt, pepper and two tablespoons of chopped cucumber or onion. This is enough for eight full sized sandwiches.
Cream cheese softened with mayonnaise, then mixed with chopped, salted almonds and a few chopped maraschino cherries make dainty little sandwiches.

A bowl of punch, decorated with slices of lemon, orange and sprigs of mint, makes an easy and festive way to entertain a crowd. Cookies, cake or sandwiches may be served with the punch to complete the party fare.

LYNN CHAMBERS' MENU
Baked Ham Slice
Scalloped Potatoes
Broiled Tomatoes
Jellied Vegetable Salad
Orange Muffins
Butter
Beverage
*Chocolate Cake
*Recipe Given

2 cups cold pineapple juice
3/4 cup coffee cream
3/4 cup sugar
1 1/2 teaspoons lemon juice
Pinch of salt
12 drops peppermint extract
Combine all ingredients in a shaker or beat with a rotary beater until foamy. Pour into tall glasses; garnish with a sprig of mint and serve immediately.

Just the sight of these glasses of fruit ice cream float are enough to make youngsters cheer. The recipe suggests cherries but other kinds of fruit such as strawberries, raspberries or blackberries may be used in place of cherries.

Sandwich Loaf
(Serves 8-10)
1 1-pound loaf unsifted bread
Butter
1 1/2 cups ham salad
1 1/2 cups egg salad
1 cup red jelly such as currant
8 ounces cream cheese

Trim all crust from bread. Cut loaf of bread into four lengthwise slices. Butter each side which filling will touch. On the first bottom slice place egg salad, top with bread slice; cover top of that slice with ham salad. Top with another slice and cover that with jelly. Top with slice of bread; wrap loaf in waxed paper and place a weight such as a bread board on it. Chill in refrigerator for several hours. Then unwrap and cover whole loaf with cream cheese which has been softened with cream and tinted pale green. Save a bit of the cream cheese and tint this pink or yellow and force through pastry tube to make rosettes to decorate loaf.

***Chocolate Cake**
(Makes 2 9-inch layers)
3 ounces unsweetened chocolate
1/2 cup hot water
1/2 cup shortening
1 1/2 cup sugar
2 eggs
2 cups sifted flour
1/4 teaspoon soda
1/4 teaspoon salt
3 teaspoons baking powder
1 cup buttermilk
1 teaspoon vanilla
Cut chocolate in pieces. Add hot water, cook and stir over a low flame until a thick smooth paste is formed. Cool. Cream together sugar and shortening. Beat eggs until creamy and add to sugar-fat mixture. Blend in chocolate. Sift together the dry ingredients, then add to the first mixture alternately with buttermilk. Fold in vanilla. Bake in two nine-inch greased pans in a moderate (350°) oven for 25 minutes.

Frost with chocolate icing between, on top and sides. Sprinkle with chopped nuts, if desired. This chocolate cake may also be frosted with Seven-Minute icing and sprinkled with crushed peppermint stick candy.
To make a very festive cake, frost with sweetened, whipped cream and sprinkle the top with shaved, unsweetened chocolate.

Tried Cole slaw sandwiches? Mince the cabbage fine, and have sufficient salad dressing in it to moisten it for spreading. Add some chopped bacon for flavor and spread on whole wheat bread.
Mix ground leftover meat with finely shredded carrots and chopped hard-cooked eggs. Add enough mayonnaise for easy spreading and serve on rye bread.
Another filling that calls for seconds uses crushed peanut brittle with enough softened butter to make a nice spread for sandwiches.

Care of Floors
Question: A few months ago I had all the floors sanded, filled and varnished. I would like to wash them but have been advised not to use water, as it discolors floors. Please advise.

Answer: The manufacturers of hardwood flooring do not, as a rule, approve of using water on such flooring. As your floors have been so recently varnished, they should be fairly easy to clean them with some of the special cleaning preparations intended for this purpose. Or you can clean them by wiping with cloths damp with turpentine. Consult your hardware dealer. First take up the loose dust in the usual way.
