VOL. 40

HEDLEY, DONLEY COUNTY, TEXAS, FRIDAY, APR. 14, 1950

NO. 23

Worley Writes

I wish I could write each and every one of you an individual letter but since that is impossible, I am taking this means, through the kindness of the editor of your paper, to extend to you my thanks for your excellent cooperation and for the most generous support you have accorded me in the past.

For nearly ten years I have been honored by election as your Representative to the United States Congress. No one could be prouder of that honor than I am now and have always been. You have been more than generous to me through the years and I have done my dead-level best to make you a good Congressman. I hope I have succeeded.

You have no idea how really proud I am of the people in my District. I would not trade my own District for any in the United States. As I turn to new fields of endeavor, I will carry with me the recollections of my always pleasant associations with you. I wish to each and every one of you the very best of everything for all the years to come.

Sincerely, Gene Worley

To Wheat Farmers Curtis Bramblett

Don't forget the meeting at the office of the County Agent, on Friday April 14 at 1:30 p. m. The purpose of this meeting is to arrive at a plan most suitable for our territory, and the most practical for the Texas Wheat Producers Ass'n as a whole.

The program selected by the State Ass'n will be the one that sounds like the most practical to the directors at their meeting in Amarillo at the Herring Hotel, on Monday, April 17, at 10:00 a. m. It is the desire of all of us concerned to secure a plan, for a wheat program that will meet the approval of every wheat producer in Texas. When our delegates and representatives, go to Kansas City, to the National Wheat Conference, April 20, we want them to know that the plan they are fighting for is what their fellow farmers want. We are very likely to have a change and it is not apt to be what we want, unless we attend this county meeting and express ourselves.

Claude Moore, Sec.-Treas.; Donley Co. Wheat Producers Ass'n

Baseball News

Last Sunday was a little sandy, but the Hedley Lions baseball team outlasted the Washburn baseball team by the score of 19 to 3. This factor is very encouraging seeing as how both these teams are in the Caprock League and have been in the top bracket of their league for the past two seasons, with Washburn winning it. This would seem to put our team right up with the best of them, if that is not being too optimistic. Next Sunday the locals go to Washburn to engage them in a game of ball up there. Babbie Everett was the winning pitcher and Carl Davis was the losing pitcher. Junior Hill hit a home run with one on base for Hedley.

The Hedley School baseball team defeated Estelline Tuesday afternoon there by the score of 26 to 8. This makes three victories in a row for the Owls. They hold a 31 to 4 win over Carey and a 1 to 0 victory over Kirkland. Tuesday's game gave them revenge on Estelline who handed them their only defeat of the season, 3 to 2 in the first game. They will play Kirkland here one day next week.

George Gertsen of Wichita Falls spent last week end here. He is an instructor at Sheppard Field there.

Mr. and Mrs. Kenneth Taylor of Amarillo visited here Sunday.

Garden Club

The Hedley Garden Club met April 12 at the Lions Den. There were sixteen present and an interesting program on climbing roses and perennials was given.

They go to New York by car and from there by boat. When they reach Germany they will be guests of Chaplain Rex Kendall and family at Frankfurt. Rex was pastor of the Thompsons when he was stationed at Vega before the war.

Card of Thanks

We want to express our deepest appreciation to the many friends who were so kind and sympathetic during the loss of our son and brother, Jackie. Your many expressions of sympathy and kind deeds will never be forgotten. We especially want to thank those who sent flowers and food. May God bless each of you.

Without Painful Backache

As we get older, stress and strain, over-exertion, excessive smoking or exposure to cold sometimes slows down kidney function. This may lead many folks to complain of nagging backache, loss of pep and energy, headaches and dizziness. Getting up nights or frequent passages may result from minor bladder irritations due to cold, dampness or dietary indiscretions.

If your discomforts are due to these causes, don't wait, try Doan's Pills, a mild diuretic. Used successfully by millions for over 50 years. While these symptoms may often otherwise occur, it's amazing how many times Doan's give happy relief—help the 16 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!
