Highway Hearing

Next Wednesday May 3rd is the date for the hearing on our highway east at Okiahoma City. The proposition is to make this a U. S. Highway No. 366 running from Fort Smith, Ark. to Hedley. Hedley should be well represented at this meeting as this highway would be of great importance to us.

To Attend F.H.A. Meeting

Approximately 6,000 Future Homemakers of America, Texas Association, are packing their bags for a trip to their annual state meeting in San Antonio, April 27, 28 and 29. Most of the Hedley Homemaking girls will attend. Mr. Sam Owens will drive the activity bus for the group. Mrs. Burt Usrey, Mrs. Sam Owens and Mrs. Edna Lee Brown, sponsor, will go along too. The group expects to have an educational meeting as well as do some sight seeing at San Antonio and points between here and there.

The theme of the meeting is Future Homemakers Ahead Toward New Horizons. Opening event Thursday is a Play Night of recreation and get-acquainted.

Future Homemakers will meet in general session at the Municipal Auditorium Friday. Honor guests is the national president of Future Homemakers of America, Betty Ruth Emeridge, Crossett, Arkansas. Her talk, The Wheel of F.H.A., will describe the operation of the state associations within the national organization. Betty Jo McDonald, State F.H.A. President, Rosenberg, will speak to the group on The Hope of Tomorrow. Another guest speaker will be Mrs. Joe A. Wessendorff, Member, State Board of Education, Richmond. Her subject is What I See from Where I Sit.

Highlight of the afternoon session is a film and panel on Democracy in Home and Community.

A barbecue and floor show is scheduled for Friday night in Municipal Auditorium. Saturday's meeting of the House of Delegates will conclude the three day meet. Newly elected state officers will be installed at that time.

Mrs. D. M. Grimsley was brought home Saturday from a Memphis hospital, and is reported getting along nicely. Visiting her over the week end were Mrs. Delbert Richerson of Maple, Texas, Mr. and Mrs. Lowell Primrose of Lariat, Texas, and Mr. and Mrs. Basil Rickerson of Stinnett.

Baseball News

Last Sunday the local baseball team went to Panhandle to do battle with the Panhandle team. Really there wasn't too much battle to it. For about six innings the score was very close with the home team leading at one time by the score of 6 to 5. Always there has to be a very good excuse for losing a ball game, so we will say that after about the 5th inning the umpire took what fight that was left in locals out of them. The final score ended 19 to 6 but their team is not that much better than ours, as will be proved later on in the season. Just wait and see this prediction come true.

This coming Sunday the Home Team will be host to the Washburn Buckhorns and will open their home game of their league. Everyone come and see a good ball game, we hope, and add your moral support to our own ball team.

Thursday night, May 4, 1950 the baseball team is planning on having a Pie Supper and a Candidates Rally at the school house. If this doesn't fall through more advertising will be put out in town. Hope to see every one of you out.

Birthday Party

Mrs. Homer Cooper honored her daughter Mary Kay Lee with a birthday party on her tenth birthday Saturday, April 22, in her home.

Games were played and favors of miniature umbrellas were given the girls and miniature hats were for the boys. Many lovely gifts were opened and admired. After singing "Happy Birthday" the children were served an attractive refreshment plate of angel food cake, ice cream and fruit punch. Paper favors containing mints, bubble gum, stick candy and balloons were then given to each child. Mary Kay was presented a new bicycle by her mother and father and the guests all tried it out.

Those present were Juanita Woodard, Judy Wynn, Kathleen Spaulding, Rita Holland, Benny, Bobby and Donny Lesley, De Wayne and Don Meador, Don Gene Reid and the honoree Mary Kay Lee, Mrs. Claborn Cavender, Mrs. Chuck Davis, Mrs. Booker Shaw and Mrs. Homer Cooper.

Visitors and dinner guests in the Homer Cooper home Sunday were Mr. and Mrs. Adrian Davis, Mr. and Mrs. Tom Lamberson and family, Mrs. Celia Lamberson, John Cooper, Bud Cooper, Henry Cooper, Mr. and Mrs. James Reiu, and family and Tom Cooper of Amarillo and Miss Wanda Shaw.

Miss Sallie Page of Chillicothe is visiting in the R. E. Newman home.

Mrs. Bob Rose, John V. Mosley, Betty Jean Mosley and Bill Garrett, all of Pampa, were Sunday visitors in the M. W. Mosley home.

Good Neighbors

Another demonstration of the neighborliness of the people of this community was seen Tuesday when a number of the men took a total of twenty tractors out to Mrs. K. N. Neighbours' farm and listed approximately 300 acres of land. Others sent food and served a big dinner at the noon hour to the hungry men.

American Legion

The Aerial Roundup of American Legion members was a big success in the 18th district. This district flew down nearly as many members as the rest of the state all together. The local post added 19 members during the Roundup, making a total membership here of 116.

Carrol Deahl was in charge of the Roundup and attended the executive meeting at Austin. One of the things done there was to change the state convention from Fort Worth to Galveston. The convention will be held sometime near September 1st.

Junior Play

The Junior class presented their play, "Aaron Slick From Punkin Crick" Tuesday night in the high school auditorium. The play was unusually well presented, and the attentive audience seemed to enjoy it very much.

W. S. C. S.

The W. S. C. S. met in the home of Mrs. Marvin Whitfield with 12 members present. The lesson was on "We The People of the Ecumenical Church." The next meeting will be held in the basement of the Methodist Church Monday, May 1, at 10 o'clock with a covered dish luncheon for all the ladies of the church.

Card of Thanks

We wish to take this means of expressing our sincere thanks to all the men who came and listed our land Tuesday. We also wish to especially thank everyone who sent food.

Successful Fishing Trip

A group of Hedleyans, including Bert and Lee Usrey, Woodrow Farris, Walter Moss, Roy Bevers and Roy Darnell went fishing to Devils River last week. Besides the fun and the fish, they also had a scare from a 6 foot rattlesnake. They reported a large number of fish, including one 10 lb. blue cat.

Their families all enjoyed a fish fry in the home of Mr. and Mrs. Darnell. Their daughter Avis and three children also attended. The menu consisted of crisp brown fish, potato chips, tossed green salad, cheesed sweet peas, cookies, cake and coffee.

Ray Brown, who was seriously injured Sunday when then the motorcycle he was riding ran in front of a car on highway 287, is reported slightly better, but the full extent of his injuries has not been determined. He is in the Odom hospital in Memphis.

Wins Sewing Prize

Miss Mary Alice Hunsucker of Hedley entered the annual sewing contest sponsored by the Fort Worth Star-Telegram recently, and was skillful enough to win fourth place in the contest.

Mary Alice's winning entry was a two piece plaid chambray dress.

F.F.A. Banquet

The FFA boys gave a father and son banquet last Thursday night. Peas, chicken, fruit salad, cream potatoes, iced tea, ice cream and cake were served. The main speaker, Uncle Jay of Amarillo, did some funny things much to the amusement of the crowd.

Garden Club

The Hedley Garden Club will meet Tuesday May 2 at 2:30 p. m. in the Lions Den. All members are urged to be present.

Uncle Sam Says

Political independence, our "Declaration of Independence," was proclaimed to a young and vigorous nation on July 4, 1776, when citizens were summoned to Independence Hall plaza in Philadelphia by the stentorian tones of the historic Liberty Bell. The actual tone of the Liberty Bell will again be heard throughout the nation during the U. S. Savings Bonds "Independence Drive" May 15-July 4. This time it will peal forth a message of financial independence for the individual, a reminder to every citizen of the importance of savings and Savings Bonds. They make you better equipped to face the future, secure in the reality that yours will be a better, more comfortable future.

Lions Roar

All out for the District Convention at Childress starting Sunday is the Lions slogan this week. Since the convention is close lets all make an effort to attend and show them we have a good live club and a good live town. We especially urge all members to be there Monday afternoon at 4 p. m. for the parade and the Queen contest that follows immediately afterwards. Monday night is the Governor's banquet and Governor's ball. Give the "little woman" a break and bring her along too. There will be special entertainment for the ladies including a style show at 2 p. m. Monday.

Boy Scout News

Next week's meeting will be held on Tuesday night at 7:30 p. m. All scouts are urged to be out to plan for an all night hike. The meeting was postponed one night on account of the Lions Club convention at Childress.

Feather-bedding scheme of Firemen's Union to put an additional fireman on diesel locomotives has been

CONSIDERED TWICE!

Fact Finding Boards appointed by Presidents Roosevelt and Truman have said these demands were "devoid of merit" and they were

REJECTED TWICE!

Now the Firemen's leaders seek to paralyze railroad transportation to compel the railroads to employ a wholly unnecessary additional fireman to ride on diesel locomotives. This scheme is plain

FEATHER-BEDDING!

LEADERS of the Firemen's union have called a nationwide strike starting with four great railroads on April 26. These railroads are the New York Central, Pennsylvania, Santa Fe, and Southern.

The union claim that a second fireman is needed on grounds of safety is sheer hyperis. Safety has been dragged into this dispute only in an unsuccessful effort to give a cloak of respectability to vicious feather-bedding demands.

After a careful study of the first demands of this union, a Presidential Fact Finding Board on May 21, 1943, reported to President Roosevelt that there was no need for an extra fireman on diesel locomotives.

Again, on September 19, 1949, after a second hearing on the union leaders' demands, a second Board reported to President Truman that: "there presently exists no need for an additional fireman... upon either the ground of safety or that of efficiency and economy of operation."

Safety Record of Diesels is Outstandingly Good

Although the railroads accepted the Board findings, the union leaders have brazenly rejected them. They represent that an

extra fireman is needed for "safety" reasons. Here's what the Board had to say on that point:

"The safety and on-time performance of diesel electric locomotives operated under current rules have been notably good..."

"Upon careful analysis of the data submitted on safety, we have concluded that no valid reasons have been shown as a support for the Brotherhood proposal under which a fireman would be required to be at all times continuously in the cab of road diesels. The proposal must be rejected."

The real reason behind these demands is that the union leaders are trying to make jobs where there is no work. In other words, a plain case of "feather-bedding."

The railroads have no intention of yielding to these wasteful make-work demands.

"The Safety Record of Diesels is Outstandingly Good..."

PRESIDENTIAL FACT FINDING BOARD REPORT
Read these excerpts from official reports of Presidential Fact Finding Boards:

"The safety record of Diesels is outstandingly good, and it follows that the safety rules now applicable have produced good results."

"The safety and on-time performance of Diesel-electric locomotives operated under current rules indicate that Diesel-electric operation has been safer than steam locomotive operation..."

Remember! These are not statements of the railroads. They are just a few of the many similar conclusions reached by President Truman's Fact Finding Board which spent months investigating the claims of the union leaders.

We are publishing this and other advertisements to talk to you at first hand about matters which are important to everybody.

MANY NEVER SUSPECT CAUSE OF BACKACHES

As we get older, stress and strain, over-exertion, excessive smoking or exposure to cold sometimes slows down kidney function. This may lead many folks to complain of nagging backache, loss of pep and energy, headaches and dizziness. Getting up nights or frequent passages may result from minor bladder irritations due to cold, dampness or dietary indiscretions. If your discomforts are due to these causes, don't wait, try Doan's Pills, a mild diuretic. Used successfully by millions for over 50 years. While these symptoms may often otherwise occur, it's amazing how many times Doan's give happy relief—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

"Boy, am I hungry"

Every evening thousands of boys and girls stampede Gulf South homes after a day of school and hard play. Waiting for them is a good meal and a hot bath—two familiar institutions of American family life made easier and more convenient by natural gas service.

Gulf South residents prefer natural gas over any other fuel, because it's clean, gives instant heat and does all the big jobs in the home for only a few cents a day.

Your Gas Dollar Goes Farther

Your gas bill is one of the smallest items in the family budget. One reason this is so is because the gas companies which produce, process and deliver your gas are engaged in continuous exploration and research to give you the finest possible service at the lowest possible cost.

UNITED GAS SERVING THE Gulf South

A Voter Speaks

Voter: "Mr. Burk, I admire you. I like the way you get out and mix with the people and work 12 to 15 hours a day. I've noticed that you do the work yourself; you go out among the people. I'm for you a thousand per cent. And, I'm convinced that you'll win the special election May 6 and also the Democratic primary."

Burk is ahead because he has gone out to the voters. He has traveled farther and seen more people than all the other candidates put together. Burk is a hard worker. He loves people. He is not tied by any group or individual. He doesn't seek a government paycheck, but an opportunity to serve with fairness, honesty, common sense. Burk can be trusted. He will win!

Where Are We Headed?

Some people are bewildered about where we are headed. Some people quote the frightening pronouncements of trouble-makers. Some people point to sensational reports and opinions. Some people are alarmed by scare words. . . . Is it any wonder that some people . . . good people . . . are bewildered? Most of us believe that this is the fairest country in the world today . . . a country where good citizens give their courage and talents to helping others . . . to working to build a better community . . . a better America . . . a better world. Most of us believe that ours is a nation of families . . . where every family deserves the right to dream of and work for a home—and, if need be, to defend that home against political abuses. Most of us believe this is a land where folks have an inherent right to prosper by their skill, their toil, their management. Most of us believe this is a country of men and women who are capable of standing on their own good judgment in selecting those to represent them in Washington . . . selecting Representatives who will place right above personal pride . . . duty before pleasure . . . the good of the majority ahead of special interests . . . service against empty political promises. Most of us believe this is a country where faith will not be denied . . . where people can continue to depend upon Divine guidance and help!
