## Uncle Sam Says

This Memorial Day remember those you loved by remembering those you love—make your child's future bright with the promise of financial independence by enrolling him during the U. S. Savings Bonds Independence Drive. Then automatically, your bank or your place of employment will see to it that his pile of Savings Bonds grow and grow. Each \$3 you invest for him today will in ten years return him \$4. By this simple method he will be financially able to pay for an education, to start in business, or perhaps to build his own home. You owe it to your family to enroll NOW for the Payroll Savings Plan where you work, or if self-employed, the Bond-A-Month Plan at your bank.

As we get older, stress and strain, over exertion, excessive smoking or exposure to cold, sometimes slows down kidney function. This may lead many folks to complain of nagging backache, loss of pep and energy, headaches and dizziness. Getting up nights or frequent passages may result from minor bladder irritations due to cold, dampness or dietary indiscretions.

If your discomforts are due to these causes, don't wait, try Doan's Pills, a mild diuretic. Used successfully by millions for over 50 years. While these symptoms may often otherwise occur, it's amazing how many times Doan's give happy relief—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!
