Baseball News

Hedley took the measure of Groom Sunday by the score of 13 to 8. This was a big boost for the locals since Groom was sitting on top of the Caprock League. Groom out hit Hedley 14 hits to 13 but the Hedley boys were not leaving any baserunners on the base while Red Hill, Hedley pitcher left 14 Groom baserunners stranded on the bases in the first five innings. Junior Hill relieved him for the last three innings, and did a very creditable job. Herman Mooring was the leading hitter for Hedley with 8 hits in 6 times at bat. Stone and Sims both homered for the winners, while Black hit one for the losers. Next Sunday is an open date but we are trying to match a game here with some ball team. The All-Star game of the Caprock League will be played at Groom Tuesday, July 4th.

Uncle Sam Says

The Independence Savings Bonds Drive which continues until July 4 offers you the opportunity of a lifetime—to "build your future according to plan." Right now you can adopt and follow a plan that will make your future dreams come true. The idea is "Save for your independence"—buy U. S. Savings Bonds. The Independence Drive is your opportunity. There are two safe and sure ways of carrying out that plan. The Payroll Savings Plan where you work, or if self-employed, the Bond-A-Month Plan at your bank. So, when you get ready to build that home, take that trip, or educate your children, the money will be waiting for you; piling up at the steady rate of four dollars for every three dollars invested in ten years.

J. A. Wade

Edcouch, June 23—Funeral services for John Andrew Wade, age 87, prominent retired farmer and stockman and valley resident for the past 30 years, were held on Wednesday at 10 a. m. at the Stotler Mortuary at Mercedes.

Coming to Texas with his family in early childhood from Tennessee, Mr. Wade spent his early boyhood and manhood in Hill County, later moving to Brady where they lived for a number of years.

He returned to Hill County where he was married to Miss Mary Louella Intrell in September of 1890. Later Mr. and Mrs. Wade moved to the Panhandle and settled at Hedley in Donley County, where for 20 years they were engaged in farming and livestock growing. Leaving Donley County in 1920 the family moved to the Valley and settled north of Mercedes in the area which later was to become known as Edcouch and La Villa communities.

The deceased was a charter member of the Edcouch Baptist church and did much to secure funds to build the church. He also served as one of the first members of the board of deacons. Although ill health prevented his taking an active part in church affairs for the past several years, he was in regular attendance at both Sunday School and church services until about three months ago.

Survivors include three sons, J. R. of La Villa; V. F. of Hedley and R. O. of Edcouch, with whom he made his home; also nine grandchildren and five great-grandchildren. Three of his daughters died in infancy and his wife preceded him in death 14 years ago. Interment was in the Ebony Grove cemetery beside his wife.

Out of town relatives attending the funeral were his son, V. F. Wade of Hedley; a granddaughter, Mrs. Ebover Harrison of Amarillo and a grandson, L. J. Wade and wife of Borger.

Mrs. E. B. Page and Miss Sallie Page have returned home to Chillicothe after a visit in the R. E. Newman home.

Mrs. Buford Hinds and Marjorie Ann came up Tuesday from Abilene and brought home Mrs. Frank Kendall, who had been visiting there.

The R. E. Darnells visited in Borger Sunday.

As the Liberty Bell rang out the theme of political independence, today replicas of the Bell are sounding a message of financial security—"Save for your independence." Every \$3.00 invested in U. S. Savings Bonds will bring you \$4.00 in ten short years.

If your discomforts are due to these

THE HEDLEY INFORMER

D. E. Boliver, Publisher
Published every Friday at Hedley Texas

Entered as second class matter October 28, 1910, at the post office at Hedley, Texas, under the act of March 3, 1879.

ANOTHER STRIKE

AGAINST THE PUBLIC AND INDUSTRY AND AGRICULTURE SERVED BY FIVE WESTERN RAILROADS

President Truman's EMERGENCY BOARD recommends a 40-hour week and a pay increase of 18 cents an hour, or \$1.44 a day for switchmen represented by the Switchmen's Union of North America.

• Notwithstanding the tremendous increase in their expenses involved, the

Railroads' answer to Board is... **YES!**

Union leaders' answer to Board is... **NO!**

In face of Board findings to the contrary, union leaders insist on 48 hours pay for 40 hours work. This would be an average increase of 31 cents an hour, or \$2.48 a day. So Union leaders have called a completely unjustified strike on 5 Western railroads, effective June 25.

On June 15, an Emergency Board appointed by President Truman under the terms of the Railway Labor Act recommended the railroads grant switchmen a 40-hour week and a wage increase of 18 cents an hour, or \$1.44 for an 8-hour day.

Despite the added financial burden involved, the railroads are ready to accept these recommendations, as they have always accepted Emergency Board recommendations on national issues.

But the leaders of the Switchmen's Union refuse to accept! They demand an average increase of 31 CENTS AN HOUR OR \$2.48 A DAY—although their present earnings are substantially higher than those of workers in other industries!

Board Says Demands Unjustified

In its report, the Board declared this demand unjustified by all the evidence presented. It also pointed out that it would give the switchmen an unfair pay advantage over other groups of railroad employes, and would add too great a burden to railroad costs.

Here is another case of a railroad union flouting the findings of an Emergency Board—another case of calling a crippling

strike in an outrageous and reckless attempt to force demands which the Board clearly labels as unjustified!

Leaders of the Switchmen's Union are calling this strike in defiance of the Board—in defiance of the facts—and at the expense of the public!

In its report on this case, the Board made this statement:

"The railroad industry, the Board believes, needs above all else a period of relative stability to adjust and adapt itself to present competitive post-war conditions."

Despite this warning, the leaders of the Switchmen's Union are upsetting the apple-cart—forcing a completely unjustified strike against everybody who uses the railroads.

FIVE WESTERN RAILROADS AFFECTED BY THE JUNE 25 STRIKE

The five railroads affected by this strike, which goes into effect at 6:00 A.M. local time, Sunday, June 25, 1950, are:

- Chicago Great Western Railway Company
- Chicago, Rock Island & Pacific Railroad Company
- The Denver & Rio Grande Western Railroad Company
- Great Northern Railway Company
- The Western Pacific Railroad Company

It is time to put an end to such un-American tactics!

The Answer to a Raw Attempt At Dictatorship is "No!"

In the interest of the public who depend on the railroads every day, there can be only one answer to this outrageous and dictatorial action by the leaders of the Switchmen's Union. And that answer is—"NO!"

We are publishing this and other advertisements to talk to you at first hand about matters which are important to everybody.
