The Northwest Texas Conference Woman's Society of Christian Service of the Methodist Church is planning its first Conference-wide School of Missions to be held at Texas Tech at Lubbock July 31 through August 4. The purpose of the school is to bring to the women of the conference in a condensed form information concerning the total program of the Society for the year. Clinics will be held each day under the direction of the corresponding Conference officer in the following lines of work: President, Secretaries of Missionary Education and Service, Christian Social Relations, Missionary Personnel, Literature and Publications, Spiritual Life, Student Work and Wesleyan Service Guild.

Special emphasis is being placed on the courses of study to be presented during the year and each member of the school will be allowed to take one study and receive credit on it during the two fifty-minute periods of class instruction offered each day.

Membership is open to any member of the Woman's Society or Wesleyan Service Guild but anyone desiring to attend is urged to register immediately by writing Mrs. C. C. Coffee, 3419 21st St., Lubbock and sending the \$3.00 enrollment fee. A few dormitory rooms are yet available and persons registering should indicate if they desire a reservation. Dormitory residence is not required for attendance at the school but the payment of the enrollment fee is necessary for attending any of the classes workshops or clinics.

Each society should send as many delegates as possible. Local and district officers are especially urged to attend.

Davis-Roberts

Miss Joveda Roberts, daughter of Mr. and Mrs. C. B. Roberts, became the bride of Gene Edwin Davis, son of Mr. and Mrs. A. G. Davis in a double ring ceremony, Sunday, July 9th. Rev. Crawford of Shamrock read the service at his home.

The maid of honor, Miss Bonnie Fay Everett of Amarillo was dressed in navy lace over taffeta with white and red accessories. The best man was Johnnie Ray Everett.

The bride was attired in a perry-winkle blue ballerina length dress of chantilly lace and net over taffeta. The bodice fitted neatly to the waist line. The skirt was three tiered and gathered very full. Her accessories were white. The bride wore a lace nylon picture hat, and carried a beautiful bouquet of white gladioli.

A reception was held after the wedding ceremony in the home of the groom's parents, Mr. and Mrs. A. G. Davis. The serving table, laid with a white lace table cloth, bore a band of pink roses and a three-tiered wedding cake, which was topped with a miniature bride and groom. About 50 guests were present.

The bride attended Clarendon High School and was graduated with the class of '50 from Clarendon Jr. College.

The groom was graduated from Hedley High School in 1944.

After a week's honeymoon in Colo. the young couple will make their home at Childress.

Card of Thanks

We take this method of expressing our gratitude to all who were so considerate of our breakdown as we were attending Intermediate Camp. May God richly reward you in all that you do and prosper you in His service.

MANY NEVER SUSPECT CAUSE OF BACKACHES

As we get older, stress and strain, over-exertion, excessive smoking or exposure to cold sometimes slows down kidney function. This may lead many folks to complain of nagging backache, loss of pep and energy, headache and dizziness. Getting up nights or frequent passages may result from minor bladder irritations due to cold, dampness or dietary indiscretions. If your discomforts are due to these causes, don't wait, try Doan's Pills, a mild diuretic. Used successfully by millions for over 50 years. While these symptoms may often otherwise occur, it's amazing how many times Doan's give happy relief—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

Uncle Sam Says

Many of you are sleeping soundly these nights, secure in the knowledge that your home is paid for, that there's an education fund ready to draw upon for that son or daughter ready for college. It doesn't take a financial wizard to figure out that the regular purchase of U. S. Savings Bonds is a safe, profitable and sure way of saving, one of the best ever invented. Today is the time to join the Payroll Savings Plan at your office or the Bond-A-Month Plan at your bank. That spells financial security.

REMEMBER WHEN

...three meals took all day

It took a lot of work, wood and worry to keep the old-fashioned kitchen stove at proper cooking temperature. But today, hundreds of thousands of Gulf South housewives get instant, controllable heat from natural gas. They may even spend the afternoon away from home while supper cooks in a modern, automatic, gas range. This is

but one of the many household tasks that are made easier and more pleasant through natural gas service.

The companies which make up the natural gas industry take pride in their contributions toward better business and more convenient living for their customers. Their payrolls, royalties and dividend checks, along with many purchases of supplies and equipment from local concerns, place millions of dollars in circulation for all to share. This is private enterprise at work—for the benefit of people in all walks of life.

See the Modern, Automatic GAS Ranges now on display wherever gas appliances are sold. There's nothing as smart, as economical or as convenient—as GAS.
