Mr. Link Robinson, 519 Lind-sey, is the most content and satis-fied man in Newport, Ky. In fact, he says there isn't a thing in the world that can irritate or upset him now that he is on the HAD-ACOL band wagon. If there ever was a man who thought HADA-COL is the most wonderful thing in the world, it is Link Robinson, since he learned that his system lacked Vitamins B₁. B₂, Iron, and Niacin.

Here is what Mr. Robinson has to say about HADACOL, which is ow supplying liberal quantities now supplying liberal quantities of these essential elements: "I have been a steel worker for over twenty years. When you are a steel worker, you have to do plenty of good, hard work, and you need lots of good, substantial food. But when a stomach is in food. But when a stomach is in as bad a shape as mine was. I couldn't eat, I had gas pains, stomach bloating and nervousness; well, I just couldn't eat the proper foods I needed. My boss told me about HADACOL and I started taking it immediately. After the second bottle I could tell a definite improvement. Now I can eat the foods I need to eat to really be on the job. In fact, I can eat anything I want to. I am not nervous anymore, either. Best of all, I haven't got those terrific gas pains and no more stomach bloating. HADACOL is the best ever. I recommend HADACOL to everyone."

HADACOL Is Different Countless thousands are benefiting from HADACOL even hundreds of doctors are recommending HADACOL to their patients whose systems lack Vita-mins B₁, B₂, Iron, and Niacin. HADACOL is so wonderful be-cause HADACOL helps build up the hemoglobin content of your blood (when Iron is needed) to carry these precious Vitamins and Minerals to every organ, and every part of your body—to the heart, liver, kidneys and lungs, even to the eyes, hair and nails.

Give remarkable HADACOL a chance and if you don't feel better with the first few bottles you

take—you get your money back. Only \$1.25 for Trial Size; Large Family or Hospital Size, \$3.50.
