Farm Bureau Meeting

The Donley County Farm Bureau Board of Directors met Friday night in Clarendon and set up their plan of work for 1951; reported on the state convention that was held in Mineral Wells on November 20-22, and gave a comprehensive survey of the facilities of the County Farm Bureau.

President Lee Shaller said, "The Donley County Farm Bureau will incorporate the following in the program of work in 1951: Agriculture tours, County barbecue, better service of Blue Cross insurance, if cotton controls are ever put back on cotton, to foster a better distribution of acreage, to back all club boys programs in county, to take part in all programs that will further agriculture in the county."

Mr. Shaller reported that the voting delegates of Texas established \$6.00 as the minimum membership fee, oppose the Brannan Plan, work towards better rural roads, retain the 4¢ tractor gasoline refund, and sponsor a better agricultural program in 1951. Fifteen members of the board were present.

B. W. M. U.

The Baptist W. M. U. met at the church in an all day meeting Wednesday, Dec. 6th, observing the Lottie Moon Foreign Mission program. Several ladies were present for both morning and afternoon sessions.

The theme for the day was "The Urgency of World Voices." Mrs. Claud Bain was leader for the morning program, the topic being "The Voice of Suffering Humanity." Mrs. Clyde Bridges was leader for the afternoon program, the topic, "The Voice of the Prince of Peace." Ladies taking part in the discussions were Mesdames John Blankenship, J. H. Cooper, John Nash, R. W. Alew nee, Otis Owens, Chas. Rains, Jesse Beach, Reed, Simmons, Moore, Bridges and Bain. A collection for foreign missions was taken at the conclusion of the program.

A sack lunch was enjoyed during the noon hour. This hour was made brighter by the presence of Mrs. Lisenbee who enjoyed lunch with the other ladies.

A short business session was held before adjournment.

Uncle Sam Says

It is time for every American to ask himself what he can do to help keep his country strong and free. There is much to be done for here's what we must do to support our defense forces and to end aggression in the world: Produce the materials and equipment needed for defense; raise the money to pay the cost of increased defense efforts; do all we can to prevent inflation. Buying U. S. Savings Bonds helps do all of these. Enrolling for the Payroll Savings Plan where you work means you are providing for your own financial security and at the same time helping your country. THAT IS SOMETHING EVERYONE CAN DO.

Band Booster Club

Band Booster Week starts Thursday, Dec. 7th through Dec. 14th. The club will be a regular Band Booster Club meeting at the school band room Thursday night, Dec. 7th to start the membership band drive. This meeting is set for 7 p. m. An interesting program will be presented at all regular meetings.

"This band drive will be a definite test of the cooperation and interest of Hedley citizens in their community, school and children. With everyone doing their bit in this worthy cause, the band director and band members will produce a large capable band instead of just a mediocre one. Be sure your name is among those who helped to make Hedley Band."

Everyone come out for the meeting!

"This cooperation business is like a stalk of bananas—you've got to stick to the bunch or you'll get skinned every time!"

Uncle Sam Says

In the manner of your Navy—"NOW HEAR THIS": You can build up assets of \$4,329 cash in 10 years by adopting a single 3-step plan for saving money. Briefly: decide to start saving now, before you even touch your pay—save systematically, a definite small sum each week—save automatically, enroll today for the purchase of U. S. Savings Bonds by the Payroll Savings Plan where you work. IT'S JUST THAT SIMPLE.

Kills Ocelot Near Here

Photo courtesy Amarillo News-Globe) Above is a picture of Arthur Wingle with the ocelot which he killed recently on the H. Hoggard place, 2½ miles northeast of town. The animal was flushed from a clump of weeds near a cotton patch. Wingle ran to the nearby Gerald Bland farm where he was staying, got a shotgun and returned to shoot the big cat out of a tree where it had taken refuge.

The ocelot ranges from Texas to the southern tip of South America, but it is unusual to find one in the Panhandle. The animal above weighed about 45 pounds and was 4½ feet long. Wingle plans to have its skin stuffed.

A hunt for the animal's mate was unsuccessful.
