The Cake Walk which the Band Boosters sponsored Saturday at the Lions Den was a great success. THANKS to the wonderful cooperation that every one gave. The proceeds from the walk and sale of cake and coffee was \$68.75.

The Improvement Committee and the Social Committee want to thank each and every one who helped in any way. With such cooperation and backing by the people of Hedley, our band is bound to be a success.

Additional donations of \$5.00 from Hobart Moffitt, \$10.00 from W. B. Wiggins Jr., were appreciated very much, bringing the total money taken in Saturday to \$83.75. Let's keep up the good work, WHILE THE BAND PLAYS ON!

Uncle Sam Says

Many thousands of U. S. Savings Bonds for Dad, Mother, and the children were given the place of honor on as many trees last Christmas Day. But, we are now in a new year with new birthdays coming up, and one of the best gifts you can bestow is a Savings Bond, the "Present With a Future." Birthday after birthday, the Savings Bonds you give will grow and grow. Bond buying is the easiest way to go gift shopping you can find. You can purchase them at any bank or post office. Start your children on the thrift habit—the purchase of U. S. Savings Bonds.

March of Dimes

Polio struck down well over 30,000 children and adults in 1950. This was the second worst year in the history of this crippling and costly disease.

Your dimes and dollars given to the Donley County March of Dimes will enable the National Foundation for Infantile Paralysis to give help promptly to every polio patient in need. Half the money raised remains with the local Chapter for local patients or, in emergencies, supplements national epidemic aid wherever needed.

Last year in Donley County several people had polio, Campaign Director Keith Bain said. The Chapter spent all its local funds for patient aid plus \$9,900.00 more advanced by the National Foundation. The National Foundation sent \$633,896 to 81 Chapters in Texas in the first eleven months of 1950, after local funds were depleted. Such advances totaled \$7,700,000 to 990 Chapters in 46 states, toward the \$25,000,000 patient bill for 1950.

Polio insurance is a fine thing to have, but in cases of polio where treatment must be kept up over a long period of time it does not furnish enough funds. Money you give to the March of Dimes will also go to finance the all important research being carried on.

To Women With
Nagging Backache

As we get older, stress and strain, over-exertion, excessive smoking or exposure to cold sometimes slows down kidney function. This may lead many folks to complain of nagging backache, loss of pep and energy, headaches and dizziness. Getting up nights or frequent passages may result from minor bladder irritations due to cold, dampness or dietary indiscretions.

If your discomforts are due to these causes, don't wait, try Doan's Pills, a mild diuretic. Used successfully by millions for over 50 years. While these symptoms may often otherwise occur, it's amazing how many times Doan's give happy relief—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

Value Your Health More Than Riches

Some folks think that fine clothes and fine, big houses are the most important things in life, but these things really don't mean too much if a person doesn't feel well enough to enjoy them. Most folks don't realize this, but Mrs. Lucy Braswell, of Route 2, Stone Mountain, Ga., realizes it very well. Mrs. Braswell takes HADACOL and by taking HADACOL she found she is helping her system overcome deficiencies of Vitamins B₁, B₂, Niacin and Iron which HADACOL contains.

Here is Mrs. Braswell's own statement: "I have been sick for some time with stomach disturbances. I began taking HADACOL and I have been taking it about six weeks. I am so much better and much stronger. I will continue to take HADACOL. It sure has helped me. I tell my friends about HADACOL. I can't praise HADACOL too much. I am 59 years old."

Do you have an Owner's hand?

Any fortune teller will tell you that palm reading is tricky stuff. Because no two hands are exactly alike. The hands shown above, for example, reveal different temperaments and tempers and abilities.

Most American hands, however, have this similarity: they belong to owners of business-managed electric companies like the West Texas Utilities Company.

Several million Americans, in every walk of life, own the securities of these companies.

And some 72,000,000 are indirect owners, through their life insurance and savings accounts. For when banks and insurance companies accept your money, they must invest it wisely, and much of it goes into electric light and power companies.

Special Bargains at Kendall's

Your first eye-smacking look at the line of lovelies pictured here tells you that they've got what it takes in visual charm.

But the fellow who said a picture speaks louder than a thousand words wasn't talking about these superbly able 1951 Buicks.

Sure, they're smart to look at—smart in style and smart in dress.

But they're also smartly powered—smartly engineered—smartly priced. And it would take a book to describe in full their deep-down goodness.

What's been done for '51 is to take the best automobiles that ever bore the Buick name—and top them.

*Optional at extra cost—available on most models. (Not presently available in California or Massachusetts)

Come, look them over, and you'll see what we mean.

There's the SPECIAL which can accurately be titled "the newest car in the world"—new in structure, new in power, new in dimensions, new in thrift—and potent in price appeal.

There's the SUPER—that looks and is a smart new edition of its "best seller" forebear.

Then there's the ROADMASTER—that coddles your anatomy on luxurious new fabrics and cloud-soft cushions—pampers your pride with its lordly bearing—shoots a delicious tingle right up your spine by

the exuberance of its power and action.

We could go on and on. This is the car that "breathes through its nose." This is the car that sports a brand-new front-end styling. This is the car with new high-visibility instrument dials, more easily read at night. This is the car with glare-and-heat-reducing glass† and a host of other news-making features you can't afford to miss.

So your No. 1 date this week end is with your Buick dealer. It won't take you long to conclude that he's offering the smartest buys of the year.
