Drive Safely!

No one would intentionally try to bring about a traffic accident but a great many deaths occur on our streets and highways which could have been prevented with a little effort. The Texas Safety Association warns that traffic accidents have increased in number all over the State, and at the rate which we have set, a new all-time high will be established. Each individual should do his part to keep these accidents from occurring. Drive carefully and obey all the rules of the road. **THE LIFE YOU SAVE MAY BE YOUR OWN.**

Game Party

The Order of the Eastern Star will entertain the Masons and their wives with a game party Friday night, March 16, at the Lions Hall.

Baseball News

Carl Reid and Clifford Johnson attended the final meeting of the Cap Rock League at Amarillo Sunday. The league will consist of teams from Clarendon, Groom, Washburn, St. Francis, Claude and Hedley. The league season will officially open Sunday, April 22nd. Manager Reid has booked an exhibition game with Clarendon there April 1st, with Washburn here April 8th, and at Washburn April 15th. Workouts will start next Sunday if the weather will permit.

Something that should interest local fans is that the League all-star game will be played in Hedley on July 4th. The stars from the teams of Groom, Clarendon and Hedley will play the all-stars from the teams of Washburn, Claude and St. Francis.

Also plans are on foot to turn the ball park around, build a grandstand and connect the park up as part of the City Park on which a much of work is expected this year. That way we can have us a picnic ground and park for games connected.

The Hedley High School baseball team will play Carey High School here Friday afternoon at 1 p. m. The local boys have a mighty good team and are out to win the district again this year.

American Legion

The local post is holding its regular meeting Thursday night of this week, which is the Legion's 32nd birthday. The Post has three members who hold membership for the full 32 years. They are John S. Biard, Alva T. Simmons and Obe Holland. They have also several members who have 25 years consecutive membership and quite a few World War II veterans who have 5 year membership cards. They don't have a Korean War veteran yet but expect to get some before the year is out.

The Post now has 92 paid up members for 1951, one over their quota. However, they are still short of last year's membership which was 116. The post would like to get the membership up to 103 to give the post 6 votes at the Borger convention which would make a voting strength on a par with Memphis, Clarendon and Wellington.

Card of Thanks

We wish to express our sincere appreciation to the many friends and neighbors of the McKnight and Ring communities for the many words of sympathy and deeds of kindness. We greatly appreciated every thing. May God bless each of you.

Revival Meeting

The newly organized Hedley Christian Church 1/4 block south of Highway 287 on Main Street will begin a Pre-Easter Revival Palm Sunday, March 18th. Services will be conducted at 7:45 p. m. daily for one week under the leadership of Bedford W. Smith of Memphis and James T. Mitchell of Clarendon, co-ministers of the church. Minister Smith will do the preaching and Minister Mitchell will be in charge of the music. There will be special music and gospel singing. Sermons for the week are as follows:

Sunday: God's One Messiah King

Monday: Jesus' One Way Into Life

Tuesday: Paul's One Plan for Unity

Wednesday: Jude's One Common Salvation

Thursday: Peter's One Promise to All

Friday: Christ's One Church for All

Saturday: James' One Pure Religion

The Memphis and Clarendon Christian Churches, served by Ministers Smith and Mitchell respectively, will not have services Sunday evening but will turn out for the opening services of the revival.

The revival will close with a 4:00 p. m. Easter Sunday Dedication Service led by Ministers Smith and Mitchell. Minister Clovis Bolton of the Washington Ave. Christian Church of Amarillo will be the speaker for this special service. The Charter membership in the re-organized Hedley Christian Church will be closed with this Easter Sunday service.

The Hedley Christian Church extends a cordial invitation to all to attend any or all of these services.

Sodalitas Club

The Sodalitas Club met on March 8 in the home of Mrs. Travis Alexander. Texas was the topic for the program in which each member present responded with interesting facts about Texas.

Delicious refreshments were served to the following: Mrs. W. L. Stewart, Mrs. Willis Thomas, Mrs. Buster Baker, Mrs. Arthell Gibson and the hostess.

Reporter

Miss Myrtle Reeves, who has been quite ill in an Amarillo hospital, is reported somewhat better.

Ewell Whitfield and family of Borger spent last week end here.

Alva Simmons made a business trip to Houston last week end.

Sarah Ann Rains was at home from Amarillo last week end.

Mrs. Charles Rains visited in Amarillo Tuesday and Wednesday.

Mrs. Ed Harris returned to her home at Rotan Tuesday after a visit here.

Mr. and Mrs. Carroll Deahl are visiting in Grand Prairie.

Atlee Reeves has been visiting here from California.

Friendship Dinner

The Nineteen-Nineteen Study Club and the Sodalitas were honored with a six o'clock dinner Tuesday March 7 at the Lions Den, the Woman's Culture Club being hostesses. Guests were greeted in the reception room by acting hostess, Mrs. Ray Moreman.

When all were assembled the President of the Culture Club, Mrs. Harrison Hall, invited members and guests into the long dining hall where covers were laid for about sixty guests. The table was very attractively arranged with Easter colors predominating. Bowls of cut flowers decorated each table group. The menu consisted of chicken and dressing, pickles, salad, green beans, mashed potatoes, lemon pie, rolls and coffee.

After dinner Mrs. Hall gave an interesting talk on Friendship, its value, characteristics, and influence upon community life. Her speech was followed by a beautiful vocal number, "Irish Eyes," by Mrs. Thornberry and Cynthia with Mrs. Trimble at the piano. Several members of the Culture Club then presented flowers symbolizing the spirit of friendship to guests and members. Mrs. Hunnicutt presented Mrs. Bill Harris roses naming her a charter member of the 1919 Study Club. Mrs. Kendall was presented yellows by a Culture Club member, Mrs. Brumley.

Mrs. Willis Thomas, president of the Sodalitas, was given flowers by Mrs. Barney Johnson. Mrs. Reeves was the recipient of a beautiful floral gift, the gift being presented by Mrs. Ray Moreman. Mrs. Ruby Glass was also give flowers by Mrs. Murray, and Mrs. Jane Baker was given flowers by Mrs. Foster.

At the conclusion of the presentations Mrs. Davenport, followed by Mesdames Harris, Kendall, Glass, Deahl, and others, spoke impromptu in appreciation of the lovely dinner, the splendid program, and the expressions of friendship given.

Those present were Mesdames Glass, Kent, Deahl, Harris, Herlie Moreman, Davenport, Kendall, Jones, Seales, Simmons, Moffitt, Trimble, C. L. Johnson, C. E. Johnson from the 1919 Study Club; Mesdames Ray Moreman, Reeves, Hall, Thornberry, Brumley, Foster, Hunnicutt and Murray from the Culture Club; and Mesdames Willis Thomas, Oscar Patterson, Joy Stewart, Foster Pickett, Jane Baker, Travis Alexander, and guests from the Sodalitas.

Birthday Party

Mrs. W. V. Youree gave her twin sons Ronald and Donald, a party Saturday afternoon celebrating their eleventh birthday. Guests were members of the fourth and fifth grades.

Several games had been planned for the afternoon's entertainment and the honorees opened their many gifts for everyone to see. After the candles had been blown out on the two birthday cakes, they were then cut and served with brick ice cream. Favors were small baskets of candy Easter eggs. Janice Lamberson and Sandra Youree assisted Mrs. Youree in entertaining.

The H. Hoggards are building a new home on their place east of town.

School Attendance

It is the responsibility of every parent to encourage their children to attend school and get an education for the years to come. The child if properly encouraged at home and at school will be helped to adjust his life to his surroundings.

Some parents have permitted their children to withdraw from school for the simple reason they do not like to go to school. Some children are under sixteen years of age and are attending school less than the required 129 days this year. By the attendance laws of the State of Texas a child must attend school 120 days each year until they reach their 16th birthday.

This law applies to some who are not attending school at the present time. Some children are delinquent on the streets during school hours. Any child who attends school less than the required 120 days will be reported to juvenile authorities at the end of the school term.

First Baptist Church

The First Baptist Church has a new pastor, Rev. O. L. Jones, who preached at the local church about two weeks ago. Rev. Jones, who is coming here from Post, expects to move here together with his wife and two sons early next week.

Wilson's Honored

Mr. and Mrs. H. P. Wilson were honored with a shower last Friday evening in the home of Mr. and Mrs. Herman Kirkpatrick. Hostesses for the occasion were Mrs. Kirkpatrick, Mrs. C. L. Johnson and Mrs. Jap Shaw.

The hostesses served cake and punch to a good number of friends of the couple. The honorees received several nice gifts.

Out of town guests present were Mrs. John Dennis, Mrs. Estelle Guthrie and daughter, Mrs. Mastey, Mrs. Ruth Middleton, Mrs. Ted Truelove, and Mrs. Jeff Hampton, all of Memphis, and Mrs. Bill Poole of Lelia Lake.

Boy Scout News

If the weather permits the scouts will leave at 4 p. m. Friday for an all night hike. In case of bad weather the hike will be postponed a week.

A. B. Truitt and J. M. Baker attended the district teachers meeting at Amarillo last Friday.

Jesse Beach, John Biard, Ed Morton and Paul Lair returned last Friday from a fishing trip to Azucar Lake in Mexico and brought back 225 lbs. of fish, the largest weighing 16 lbs.

Lions Roar

The Lions Queen Contest will be held this month to determine the local girl chosen to represent the Hedley Lions as their Queen at the District Convention at Hereford, April 30th. The latest information we have on the contest is that it will be open to any girl married or single who wishes to enter, regardless of whether they are related to a Lion or not.

This week is directors meeting, members of the Park Committee, Queen Committee and Band Committee are urged to be present as well as all officers and directors. Any other member is welcome.

Next week is regular meeting. This will be the last meeting at 7 p. m. The meeting time for the summer will be 7:30 p. m. Come out for a good feed and a good time and try to be on time.

Week after next, Thursday night April 30th, will be Ladies Night. A good program is now being arranged and the meal will be served by the band mothers. This will probably be the last Ladies Night banquet until next fall, so give the little lady a break and bring her out.

Just South of the Masonic Building Fruit trees: We have some of the best frost resistant peach trees we have ever had. Looks like they are going to make fruit again this year as they have for 13 years. We also have adapted plums, apples, pears, apricots, cherries, and nectarines. We have some of these trees large enough for yard trees, good for shade soon. Will have some large western varieties of pecan trees. Have some good fish plants of Gem-everbearing strawberries.

Roses: Have Paul's Scarlet Climber and a few bush plants.

We have some nice flowering shrubs, mock orange, snowball, hydrangea and others. Have a few really nice plants in gallon pots of pyracantha, ready to be put out. Now is a good time to set any of these plants out. Come to see us.

When Nasty Colds Leave You WEAK AND RUNDOWN HADACOL CAN HELP

If Your System Lacks Vitamins B₁, B₂, Niacin and Iron, Which HADACOL Contains

When a nasty cold leaves you in a weakened and run-down condition, HADACOL can help build you up if your system is lacking in Vitamins B₁, B₂, Niacin and Iron, important elements contained in HADACOL. Many folks have found that this fine family formula helps overcome these deficiencies and soon they feel good again.

Mrs. A. Jimenez, 141 East 13th St., Port Arthur, Texas, gave HADACOL to her young son, Floyd, after he had recovered from a bad cold when she heard how HADACOL was helping folks suffering from deficiencies of Vitamins B₁, B₂, Niacin and Iron. It helped him so much in regaining his strength and energy that Mrs. Jimenez says she is always going to have HADACOL on hand for Floyd.

Here is Mrs. Jimenez's statement: "My son Floyd was very subject to colds. He's eleven years old, and he was run-down didn't seem to have an appetite at all and just simply lacked energy. I heard about HADACOL on the radio, and it was about this time that Floyd was just

recovering from a siege of a bad cold.

He was very run-down and lacked an appetite and I started giving him HADACOL. After about a bottle and a half I could notice an improvement. His appetite picked up and he had increased strength. I think HADACOL has done wonders for Floyd, and can't praise it enough. I have continued to give him HADACOL and intend to always have it on hand for Floyd."

Men, women and children of all ages are praising HADACOL for supplying Vitamins B₁, B₂, Niacin and Iron which their systems lacked. Don't let that "After-Cold Run-down Feeling" drag you down—HADACOL can help you, too, if you suffer such deficiencies. Sold on a strict money-back guarantee. You'll feel great after the first few bottles you take or your money back. Trial size, \$1.25; large family economy size, \$3.50.

POWER

Reddy for ANYTHING!

YOU, Mr. and Mrs. America, have the biggest supply of electricity on hand you've ever had! In fact, Reddy Kilowatt Power in the U. S. has doubled in only 10 years. Businessmen with "know-how" have been building a bigger and better America for you!

Since World War II your West Texas Utilities Company has increased its generating capacity by 64,000 horsepower to provide you with more and more electric power... and by the end of 1953 two more plant units of 88,000 horsepower capacity will be installed ready for service.

The business-managed electric industry is the one industry that has doubled its capacity with more than double the investment and maintained the low price through efficiency.

Plus: Self-locking luggage lid, Step-On parking brake, two-way ignition lock, Safety-Ride rims, Hi-Poised engine mounting, Body by Fisher
WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM

Now that the 1951 offerings of the motorcar industry have had a chance to strut their stuff, we ask you—can there be any doubt which is the really smart buy?
If you want a "new look"—Buick has it. That sturdy push-bar forefront says "1951" to all who see it—and provides unsurpassed front-end protection to boot.

If you want power that you can live with through many moons to come—Buick has that too. Years of expert engineering have made Buick's thrill-packed Fireball engine just about as dependable as a power plant can be.

If you want features that combine present pleasure with long-time durability, consider this:

Buick's level-going ride stems from coil springs on all four wheels which are virtually break-proof and never need servicing.

Buick's Dynaflo Drive* takes the strain out of every mile of driving—and pays off by eliminating any need for friction clutch repairs and replacements, by reducing engine and transmission upkeep, and lengthening life of tires.

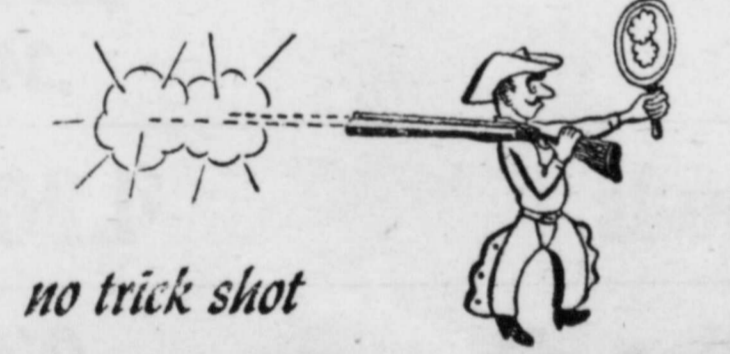

*Standard on ROADMASTER, optional at extra cost on other Series.

If you want room and comfort and handling that make any trip a breeze—there's no simpler way to find them than to take over a '51 Buick SPECIAL, SUPER or ROADMASTER—relax and enjoy yourself.

And if you want all this at a minimum outlay of dollars—one look at Buick prices will settle this point.

So the smartest thing you can do is get in touch with your Buick dealer. How about doing that right now?

Equipment, accessories, trim and models are subject to change without notice.

- Built-in Hydraulic System
- Automatic Implement Protection
- Finger Tip Implement Control
- Automatic Steering Alignment
- 3 Point Converging Implement Linkage
- Automatic Draft Control
- Traction Without Excess Built-in Weight
- Special Valve-in-Head Engine

Economical power from the specially designed Valve-in-Head Engine built by Continental. High-torque hogging power that pulls 3 bottoms in most soils. When you add Ferguson's unusually high quality standards to these features — and the many others your Ferguson dealer will show you — we know you will agree that although you can buy a "cheap" tractor, you can't buy a better tractor at any price.
