Amateur Show

The Clarendon Band Parents Organization is sponsoring an Amateur Show to be held Thursday night, April 19, at the Junior College. Entries are being made from over the entire Panhandle area, the only restriction being that you have not entertained professionally. Prizes will be \$25, \$15, \$10.

Anyone wishing to enter the contest may write Mrs. J. G. McAnear, Mrs. Dick Vallance, or Mrs. Harold Longan, Clarendon, Texas. Be sure to give your full name, address, the kind of act you want to enter, and the approximate time required to do the act.

All entries must be in by Monday, April 16. No local judges will be used.

Church of Christ

Regular services of the church include the Sunday morning services at 10 and 11, the Sunday night service at 7:30 and the Wednesday night service at 7:30.

Baseball News

Work on the ball ground is now coming on a mighty fast considering the amount of labor or maybe the lack of labor. Manager Reid hopes to have the park turned around and ready to play Washburn here Sunday. As soon as possible and a little more money is collected, work will start on the grandstand. The boys hope to get the park ready and grandstand completed by the opening league game, April 22nd.

In a practice game at Clarendon last Sunday the locals lost 11 to 9. The weather was mighty bad for baseball and only part of the players expected to be on the team were there, but nevertheless they made a good showing. Looks like another good year for the Lions.

American Legion

The local post received its 100th membership for 1951 this week. The 100th member is Johnny B. Ward, who is also the first member of the present conflict to join the post. He was discharged from the Army Engineers at Camp Carson, Colo. on Feb. 9th.

Let's get some more members in, the post is still short of last year's membership and the spring convention is just around the corner at Borger Saturday and Sunday, April 14 and 15.

Bus To Be Given

The Lion's panel bus has been graciously given to the Band Boosters to receive what proceeds can be derived from it. This bus will be in good running order.

The bus will be given away on Main Street Saturday, April 14th at 3 p. m. The band will play a short concert.

Band members will contact you so please don't disappoint them.

Let's all support our fine school band!

Mrs. J. C. Christal

Funeral services for Mrs. J. C. Christal, who passed away at Clarendon Tuesday, were held at the First Baptist Church there Wednesday afternoon by Rev. R. L. Self and Rev. L. A. Sartain. Burial was in Citizens cemetery under the direction of Murphy-Spicer Funeral Home.

Mrs. Christal had been a resident of Donley County since 1897, and was the last charter member of the Lelia Lake Baptist Church. She was the widow of J. C. Christal, who died Nov. 24, 1940.

Survivors include a daughter, Mrs. Earl Alderson of Clarendon; a son, Billy Christal of Lelia Lake; five brothers, G. F., B. J., H. K., D. E. and Kinch Leathers, all of Lelia Lake; and three grandchildren.

Mrs. C. L. Johnson attended a W. S. C. S. district meeting at Shamrock Tuesday.

C. L. Johnson and the editor made a business trip to Jacksboro and Weatherford last week end.

Mr. and Mrs. T. D. Rozzell of Clovis visited in the Hobart Moffitt home Sunday.

Mrs. E. F. Fortenberry is seriously ill in a Memphis hospital.

"Neighborhood Gossip"

By Lowery Johnson

FOLKS I'LL TELL YOU:

You know my Grandpa's life was so unblemished by sin, he hardly did ever have to pray, then only right after a horse trade.

When he would dress up, he was the picture of elaborate carelessness—his red flannels showing through his mail order socks—just lent mystery to what lay beneath them.

And he was a careful man, honestly he never was perfectly satisfied after he had blowed out the candle at night, until he had rubbed it in the sand—then stuck it down in the rain barrel.

My Verse Today
I hate to spend my hard earned cash
If there's a single doubt,
That I don't need the things to use
Or, I can't do without—
Yet I will buy some worthless junk
Or anything that's loose,
If offered by a smiling clerk
My only legitimate—excuse.

City Election

Only 38 votes were cast Tuesday in the city election. Henry Moore was elected mayor for the coming year, and the following were chosen aldermen: Mike Thornberry, D. H. Cox, Connie Taylor, W. B. Wiggins and Olen Plunk.

Davis Sets Record

Camp Pendleton, Oceanside, Calif. (Special)—Marine Private First Class Gene E. Davis of Hedley, Texas, established a new 1951 record at the Chappo Flats rifle range here recently by firing a score of 235 out of a possible 250 points. Davis is presently serving with Company D, 7th Engineer Battalion, Fleet Marine Force Pacific Troops.

Christian Church

Members of the Christian church will meet at 3:15 Sunday afternoon to organize a Sunday School.

Minister Jimmy Mitchell of Clarendon will preach at 4:00.

Mrs. C. R. LeMond of Texhoma, Okla., underwent an operation Monday in a groom hospital. She is reported doing as well as could be expected.

Study Club Meets

The 1919 Study Club held the seventh scheduled meeting Tuesday March 27 at 7:30 p. m. in the home of Mrs. E. Davenport with Mrs. Davenport and Margaret as hostesses. The subject for the evening's discussion was Texas: Texas legislation, Texas women writers, and Texas music.

Roll call responses varied from Texas brags to comments on greatest revival in history reported by Mrs. Kendall. Mrs. Davenport discussed at some length new legislation already in effect, legislation pending, and problems justifying legislative measures.

Mrs. Hobart Moffitt read selected poems from the pen of Texas women writers. Among these were poems by a former Hedleyan, Peggy Caldwell, and Mrs. Davenport, a member of the club. Mrs. L. P. Trimble presented a musical history of Texas from days of the fierce Comanches to those of the beautiful old missions of San Antonio as they stand at present.

Mrs. C. L. Johnson, president for 1951-1952, was chosen delegate to the convention in Amarillo in April. Mrs. Deahl was selected as alternate.

During the social hour refreshments of cake, brick ice cream, and coffee were served to fifteen members. Favors were red, white, and blue baskets of mints. The official desk was made interesting and colorful by an arrangement of small Texas flags flanking a larger United States flag. The centerpiece was formed by red, white, and blue candles.

The following members were present: Mesdames Hobart Moffitt, Carroll Deahl, E. M. Glass, L. P. Trimble, Alva Simmons, A. L. Cook, W. H. Harris, C. E. Johnson, Herlie Moreman, Frank Kendall, Bill Soales, Bill Jones, Miss Myrtle Hall and the hostesses, Mrs. Elvia and Margaret Davenport.

Queen Contest

It took the five out of town judges some thirty minutes to pick the Lions Club Queen from the nine pretty girls entered in the Queen contest last Friday night. Miss Patsy Usrey was chosen Queen and Miss Patricia Pritchard was chosen alternate after much deliberation by the judges. All the girls received at least one vote and the contest nearly ended up in a tie. The judges, two men and three ladies, said they found out we had some mighty good looking and talented girls.

The program furnished by the band and glee club was excellent. The Lions Club wishes to thank the girls entered, the judges and the many others who helped make the contest a success. Now all we have to do is to have our Queen win the contest at Hereford.

Youth Rally

The Associational Youth Rally will meet here First Baptist Church April 28 at 8 o'clock p. m.

Forty from the local Baptist Church attended the Youth Rally at Turkey Saturday night and carried off the attendance banner.

Band Booster Club Card of Thanks

A large group of Lions, their ladies and guests enjoyed a wonderful dinner Thursday night, March 29, in the Lions Den.

This dinner was graciously prepared and donated by band boosters and parents who gave freely of their time and efforts. We want to take this opportunity to thank each and everyone on the committees and all who were so generous to make this project such a great success.

The band organization made \$77.00 and will be ever indebted to all who made this possible. Thanks again.

Lions Roar

Next week is regular Lions Club meeting. The convention committee who are Lions Rains, Cap Shaw and Clifford Johnson have charge of the program. The program won't be what the local Lions do at the convention but it is supposed to be good just the same. The meeting time is 8 p. m. and will be that time until October. Anybody should be able to work up an appetite by 8 o'clock.

New members keep coming in, the club is back up to 60 members. Don't know whether it is the convention coming up or the good meals served by the Hedley and Lelia Lake Methodist ladies.

Looks like the fighting fish, any way the Pats, took over the Queen contest after a hard fight. Pat Usrey was chosen Queen and Pat Pritchard alternate.

Something over 80 Lions and guests attended the Ladies Night banquet last week, and enjoyed a good program and a good meal served by the band mothers. We believe it was the largest attendance in the present Lions Den.

CLOSING OUT

We want to sell the following this week and next:

Fruit Trees: Peaches: Early Wheel, Red Haven, Golden Jubilee, Frank, Elberta, and the best of all, Red Haven, 4 ft. and up 50¢ each. These frost resistant peaches should be on the farms and homes in this section.

Reduced prices on plums, apricots, apples, and pears. Canning plum Sapa, Moorpark Apricot, Golden Delicious Apple and early bearing Douglas Pear. Some of these larger trees will soon make shade trees.

A few fresh dug Pecan trees from Fitzgerald at Stephenville, Texas. Western varieties, \$3.00.

Have some fine large hedge plants at low prices. Some could look good as individual plants.

Flowering Shrubs are free with the purchase of one shrub (our choice). Watermelon red Crepe Myrtle, snowball, 2 year plants that make large white balls of flowers, Hydrangea, Althea, Forsythia, Mock Oranges, and others.

Hope you put out several of these fruit trees. They really pay on the investment. You will be glad you did. Come to see us.

MORE and BETTER COTTON

ANTHRACNOSE boll rot can reduce the grade of your cotton

If you've had some points taken off by the grader for spotty cotton, you know what anthracnose, or pink boll rot, can cost you as a cotton grower. It is expensive and persistent; but it can be controlled now by measures that cost you little.

Anthracnose is a fungus disease, and is at its worst in times of heavy rainfall and where cotton grows rank. The fungus lives over the winter on diseased bolls and stalks left in the fields, and in or on the seeds from infected plants. Clean fall plowing and rotation of your crops helps to control it.

You will also find that treatment of your seed with an organic mercury dust before

planting helps a lot to kill off the anthracnose fungi. This treatment cuts off the disease at its source. Used with other control measures, it can practically wipe out the disease from an entire area in a few years. Mercury dust treatment will also control seed decay and damping-off (sore shin) organisms and reduce angular leaf spot.

The cost of the chemical amounts to less than 10¢ per acre. Treatment can be done on your farm or by many ginners and delinters. Ask your County Agent or Farm Extension Service about the value of seed treatment and about where the treaters are in this area.

Deadline for Enrolling in G. I. Schools

July 25th has been set as the deadline for any G. I. with educational eligibility to enroll in any vocational school, on the job training, or any other educational benefits under the G. I. bill. A veteran must be enrolled in vocational schools on or before July 1, 1951 to meet this deadline and must continue this schooling without interruption until the course is completed.

The Donley County Vocational School is currently offering courses in Agriculture for the G. I.'s on the farm, and Cabinet Making, both part time and full time for those interested in this work. Anyone interested in any of these courses or other similar courses should contact the County Vocational School Office at an early date in order to establish their eligibility before the deadline. If sufficient interest is shown there is a possibility of starting a new course in Upholstering before the deadline.

Two weeks to two months are usually required to establish eligibility and secure the needed documents to enroll in the vocational school courses. Veterans who have started their training but

HAVE you ever wondered how it would feel to go the limit on power and comfort and quality in an automobile?

Or how it would feel to be lord and master of a car that can take its place with the finest in the "fine-car field"?

Then, sir, this is a call to action.

The first action is yours—the simple action of getting in touch with a Buick dealer and planting yourself behind the wheel of a ROADMASTER.

Then let this great-powered and dazzling performer take over.

There's action in every one of the 152 horsepower in its Fireball engine—more action than most proud owners of this eager beauty will ever use.

There's counter-action in its gentle and sure-gripping brakes, the finest that Buick has ever engineered.

But there's also luxury—the luxury of double-depth Foamtex cushions and custom upholstery—and of ample roadweight

magnificently poised on coil springs which individually cushion every wheel.

There's a spacious feeling of room, above and around you—room that is unsurpassed anywhere in the fine-car field.

And to make every mile effortless and relaxed, there's the very exclusive advantage of Dynaflo Drive—not as an "extra," but as a standard ROADMASTER feature.

So why not drop in and satisfy yourself, as our guest, that here indeed is a fine car that goes the limit—in everything but price!

Check for yourself what others ask—and what others offer—and you'll discover ROADMASTER prices a call to action that a wise man can't ignore.

Equipment, accessories, trim and models are subject to change without notice.

What Do You Want In A Loan?

Here is what another person wanted:

"If I were getting a loan, I would look for low interest and long terms. I would want the privilege of paying any part of the principal or the loan in full at any time without penalty.

I would also look for a loan from a lender that operated on a sound basis, and one that was best fitted to serve the interests of farm and ranch people."

We meet these tests and many more and would like to tell you about our loan.

KIDNEYS MUST REMOVE EXCESS WASTE

When kidney function slows down, many folks complain of nagging backache, loss of pep and energy, headaches and dizziness. Don't suffer longer with these discomforts if reduced kidney function is getting you down—due to such common causes as stress and strain, over-exertion or exposure to cold. Minor bladder irritations due to cold, dampness or wrong diet may cause getting up nights or frequent passages. Don't neglect your kidneys if these conditions bother you. Try Doan's Pills—a mild diuretic. Used successfully by millions for over 50 years. While often otherwise caused, it's amazing how many times Doan's give happy relief from these discomforts—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

DOAN'S PILLS

The whole family likes LIFE

DAD especially likes LIFE's eye-witness picture reports of important news happenings from homefronts and battlefronts the world over... the feeling of being "down front" at each week's most exciting sports event.

MOM looks forward every week to the latest styling news from the fashion salons of Paris, London, New York... the Hollywood previews and Broadway openings.

KIDS find a whole world to see, to study and take part in. LIFE's thought-provoking pictures and text pieces provide the needed background for a fuller grasp of the subjects they are studying in school.

"I got the story on

50,000 Miles-No Wear

and changed to New Conoco Super Motor Oil"

says Joe Albertson Traveling Salesman Santa Fe, New Mexico

"MANY OF MY CUSTOMERS have actually gone out of their way to thank me for servicing their cars with new Conoco Super Motor Oil, because it has reduced their repair bills by a good margin," says T. S. Young, Young Motor Company, Walsenburg, Colorado. "I know Conoco Super is the finest motor oil on the market."

"I'M ON CALL 24 HOURS A DAY and my car must be ready to roll over the roughest roads in any weather," states B. P. Bryant, Oil Field Engineer, Abilene, Texas. "That's why I changed to new Conoco Super Motor Oil. Never have I had such good gasoline mileage and cost-free operation."

"50,000 MILES-NO WEAR!"- PROVED HERE:

After a punishing 50,000-mile road test, with proper crankcase drains and regular care, engines lubricated with new Conoco Super Motor Oil showed no wear of any consequence... in fact, an average of less than one one-thousandth inch on cylinders and crankshafts.

AND gasoline mileage for the last 5,000 miles was actually 99.77% as good as for the first 5,000! This test proved that new Conoco Super, with OIL-PLATING, can make your car last longer, use less gasoline and oil.

Starvation in the Land of Plenty

For years, gulls around St. Augustine, Florida have lived off the refuse thrown overboard from the shrimp fleet. But recently the fleet moved 500 miles down the coast. Many gulls, unused to making a living as nature intended, starved to death. In our growing dependence upon government subsidy, we wonder if this might be a lesson. We wonder!
