HEDLEY, DONLEY COUNTY, TEXAS, NOV. 9, 1951

NO. 1

Planting Castor Beans

Much interest has been shown in the past year in the planting of castor beans as a cash crop in Donley County. H. M. Breedlove, county agent, asks every one interested in planting some castor beans in 1952 to come by his office and give him their names so that he can get an idea of the amount of seed needed in the county and order in one lot so that the seed can be bought cheaper.

Castor beans are planted about the same time as cotton and from eight to ten pounds of seed are planted per acre. The price at the present time is around \$11 per hundred. The production of castor beans ranges from five to nine hundred pounds per acre, depending on the fertility of the soil and weather conditions.

Breedlove says that he must have an acreage estimate from the farmers as he wants to try to work out a contract with the Baker Castor Oil Co. of Oklahoma City, for the marketing of the beans.

Cake and Pie Sale

The Senior class will sponsor a cake and pie sale all day Saturday, Nov. 10, at the City Drug Store.

Proceeds will be used for the Senior queen in the annual school carnival.

Mrs. Ora Page

Funeral services were held Wednesday at Amarillo for Mrs. Ora Mae Page, 74, who died there Monday. Burial was in the Claude cemetery.

She was a sister-in-law of Mrs. R. E. Newman of Hedley.

American Legion

Next Tuesday night is regular Post meeting night. Let's have a good crowd out and get started on ticket sales and 1952 memberships. We are lagging on both.

Only 65 of our quota of 100 members are now paid up for 1952 and November 11 will be here soon. The post hasn't failed to get its quota in several years, but we are going to have to get busy to do it this year.

Pastors' Conference

The Baptist pastors conference of the Panhandle Baptist association met in regular monthly meeting Monday, Nov. 5th, at the First Baptist church in Memphis.

Those present were Rev. Young Tucker, Leslie; Rev. O. L. Jones, Hedley; Rev. L. A. Sartain, Clarendon; Rev. Ernest Phillips, Martin; Rev. Collins Webb, Turkey; Rev. R. L. Self, Estelline, Rev. F. L. Allen, Lakeview; and Bee Nichols, Memphis.

The following reports of attendance for Sunday, Nov. 4 were given:

Church	Sunday School	BTU
Clarendon	242	113
Martin	51	42
Leslie	70	56
Turkey	116	97
Estelline	96	68
Lakeview	69	25
Hedley	163	94
Memphis	415	159
Totals	1222	654

Some discussion was given to the possibility of showing the film "Mr. Texas" a religious Western, full length movie, taken in Fort Worth, last February. The story is of a brother and sister, played by movie stars, Redd Harper and Cindy Walker, who were both converted under the preaching of world-famous evangelist Billy Graham. The secretary was instructed to get information about the film, when we could get it, and make plans for the showing in this area. More information will be given very soon.

The program for the monthly Associational Brotherhood was planned, and the date set for Thursday night, Nov. 15, at First Baptist Church, Clarendon. The program will begin at 7:15 p. m. Rev. G. C. Sewell, Vice President of Wayland College, Plainview, will be the inspirational speaker. Group singing and special numbers from various church brotherhoods will be featured.

The next meeting of the Baptist Pastor's Conference will be held on Dec. 3rd at First Church, Memphis. O. L. Jones is chairman, and Bee Nichols secretary.

Card of Thanks

We deeply appreciate your kindness and the sympathy shown us in our recent bereavement.

Mrs. Helen Adcock, Jack and David and relatives

Everybody is cordially invited, Rev. T. E. Gibson, the local pastor, announced today.

Promoted to Corporal

Richard D. Whittington, son of Bernice Whittington of Amarillo, has been promoted to Corporal in the postal division. He is located at Camp Chaffee, Ark.

He is a nephew of Mrs. G. E. Kinslow of Hedley.

Mr. and Mrs. T. O. McFarland spent the week end in Wichita Falls visiting his brother, C. M. McFarland.

To Our Subscribers

A great many of our subscriptions expire during the fall months. Many good citizens have been coming in to pay up for another year, but a few have neglected to do so.

If your paper carries a red mark, please check your expiration date and see us at once. It is against postal regulations to mail a paper that is over a year overdue, therefore any subscriber whose paper bears a date before 1951 will not receive a copy next week.

We hope you want to keep getting the Informer, but if you do, see us NOW.

Lions Roar

Next week is directors meeting at the Lions Den at 7 p. m. Such business as Ladies Night, the "Gay Nineties" program, the Melvin Jones birthday membership contest, the International Presidents visit to Amarillo, and other matters will be discussed. If all officers, directors and others come out it will only be necessary to hold one directors meeting a month.

The International Presidents meeting will be in the form of a western barbecue. All Lions are urged to wear western costumes if possible, but come anyway. It will be held at the Amarillo fair grounds the afternoon and evening of Thursday Dec. 6th.

The next zone meeting has been called to be at Hedley just before our regular meeting December 12. Several out-of-town visitors as well as Zone Chairman Hershell Combs is expected to attend and the zone meeting and be with us at our regular meeting.

Hurshell Ellis Writes

A letter from Hurshell J. Ellis, AOAN, U S Navy, states that he is stationed at Babers Point Naval Air Station in the Hawaiian Islands. He has been with the fleet all weather training unit since Feb. 5, 1951.

He is an aviation ordnanceman, working on guns and bombs for the fighter planes.

Mrs. Nannie Kennedy and son Alvin of Denver, Colo., visited Mr. and Mrs. Ed Morton last Friday.

A Message of Importance

★ ★ ★ *To Every Automobile Driver* ★ ★ ★
In The State of Texas

HERE'S WHAT YOU SHOULD KNOW ABOUT THE NEW TEXAS "SAFETY RESPONSIBILITY LAW"

- 1** *Enforcement Begins January 1, 1952.* On this date, the new Safety Responsibility Law, as passed by the Legislature, goes into effect. This law was designed to protect you against financially irresponsible drivers and owners of motor vehicles involved in accidents. It affects all drivers and motor vehicle owners (except Federal, State, County and City-owned cars).
- 2** *What Must You Do After An Accident?* Under existing laws, you must file a written report to the Department of Public Safety if your car is involved in an accident where there is a death, an injury or property damage in excess of \$25. Under the new law, a written report must be filed *within ten days* if your car is in an accident resulting in death, injury or property damage in excess of \$100.
- 3** *You Don't Have to Carry Liability Insurance, But . . .* If you are not insured against bodily injury and property damage liability, you must be able to deposit with the Department of Public Safety security equal to the estimated damage, not exceeding \$15,000.00, to cover all claims growing out of an accident anywhere in Texas in which you or your motor vehicle were involved. If you cannot establish financial responsibility for the future, your driver's license and your motor vehicle license plates are automatically suspended.
- 4** *It's Easy to Establish Financial Responsibility* with a motor vehicle liability insurance policy. If you do not now have such a policy, call your local insurance agent today. He is a qualified insurance counselor who will be happy to advise you concerning your needs.
- 5** *What is the Minimum of Your Liability?* The law permits each driver to establish the following minimum limits of liability: up to \$5,000.00 for injuries sustained by one person; up to \$10,000.00 for all personal injuries resulting from one accident, and up to \$5,000.00 for property damage. You do not have to establish such liability but it is the easiest way.
