A Message of Importance

★ ★ ★ *To Every Automobile Driver* ★ ★ ★
In The State of Texas

HERE'S WHAT YOU SHOULD KNOW ABOUT THE NEW TEXAS "SAFETY RESPONSIBILITY LAW"

- 1** *Enforcement Begins January 1, 1952.* On this date, the new Safety Responsibility Law, as passed by the Legislature, goes into effect. This law was designed to protect you against financially irresponsible drivers and owners of motor vehicles involved in accidents. It affects all drivers and motor vehicle owners (except Federal, State, County and City-owned cars).
- 2** *What Must You Do After An Accident?* Under existing laws, you must file a written report to the Department of Public Safety if your car is involved in an accident where there is a death, an injury or property damage in excess of \$25. Under the new law, a written report must be filed *within ten days* if your car is in an accident resulting in death, injury or property damage in excess of \$100.
- 3** *You Don't Have to Carry Liability Insurance, But . . .* If you are not insured against bodily injury and property damage liability, you must be able to deposit with the Department of Public Safety security equal to the estimated damage, not exceeding \$15,000.00, to cover all claims growing out of an accident anywhere in Texas in which you or your motor vehicle were involved. If you cannot establish financial responsibility for the future, your driver's license and your motor vehicle license plates are automatically suspended.
- 4** *It's Easy to Establish Financial Responsibility* with a motor vehicle liability insurance policy. If you do not now have such a policy, call your local insurance agent today. He is a qualified insurance counselor who will be happy to advise you concerning your needs.
- 5** *What is the Minimum of Your Liability?* The law permits each driver to establish the following minimum limits of liability: up to \$5,000.00 for injuries sustained by one person; up to \$10,000.00 for all personal injuries resulting from one accident, and up to \$5,000.00 for property damage. You do not have to establish such liability but it is the easiest way.

Miss Annie Ward Weds Sgt. Durham

Nuptial vows were solemnized at 8:30 p. m. Wednesday, Oct. 31, in Memphis for Miss Annie Ward, daughter of Mr. and Mrs. John Ward of Giles and S-Sgt. Billy J. Durham, son of Mr. and Mrs. C. H. Durham of Hedley.

Rev. Roy Shahan, pastor, read the double ring ceremony before a backdrop of white mums, fern and tapers in cathedral candelabra.

Music for the wedding was provided by Mrs. Trimble and Miss Letha Moss, pianists, and Miss Patsy Usrey, vocalist.

Barbara Ward, sister of the bride, and Reatha Ranson lighted the candles.

The bride, given in marriage by her cousin, Fred Crisman, wore a gown of white rayon net over white slipper satin designed with a fitted bodice, high neckline and long sleeves, petal pointed. Her bridal veil of lace-edged illusion fell from a beaded coronet and she carried a white Bible topped with a bridal bouquet of baby white mums caught with a shower of white satin streamers.

For something old she wore a ruby ring belonging to her mother and for something borrowed she wore a pin set with sapphires and rhinestones belonging to Mrs. Fred Crisman.

Miss Dorothy Altman, cousin of the bride and maid of honor, was gowned in aqua taffeta, and carried a bouquet of yellow mums tied with matching streamers.

Bridesmaids were Lora and Dora Durham, sisters of the groom and Mrs. Helen Crisman. The Misses Durham wore gowns of white taffeta and carried nosegays of orchid mums, while Mrs. Crisman was attired in aqua net accented with a nosegay of yellow mums.

Johnnie B. Ward, brother of the bride, was best man, and ushers were J. G. Pound, Don Altman, and Marvin Durham.

Jack Donald Doherty, cousin of the groom, and Jean Ward, cousin of the bride, carried the rings on identical white satin pillows. Train bearers were Murreem Ward, cousin of the bride, and Nelda Sue Stotts.

The bride's mother, Mrs. John Ward, wore a dress of navy crepe and the groom's mother, Mrs. C. H. Durham, wore a grey dress.

Sabaticus Morbus

Sabaticus Morbus, or Sunday Sickness is a disease peculiar to church members. Attacks usually come about church time and continue until church services are over. Then the patient feels easy and eats a hearty dinner.

On Monday morning he returns to normal, goes to work as usual and there are no more symptoms of the disease until the following Sunday. Some of the features of the disease are: It attacks church members only. While symptoms vary it never interferes with sleep or appetite. Attacks are always on Sunday, never lasting more than twenty-four hours. It always proves fatal in the end—to the soul.

To build resistance to the disease it is well to attend worship services every Sunday.

Mr. and Mrs. D. C. Powell and daughter Ann of Turkey and Mr. and Mrs. Charley Foster of Giles visited in the C. R. Hunsucker home Sunday.

Mr. and Mrs. Sam Owens Jr. and Mary Elizabeth of Wichita Falls visited here last week end.

Mr. and Mrs. Alva Simmons and Mr. and Mrs. Hobart Moffitt visited Rev. and Mrs. M. E. Wells at White Deer Sunday and attended the housewarming for their daughters' new home.

Both wore corsages of pink carnations.

The bride is a graduate of Hedley High school with the class of '50.

Immediately after the ceremony the couple left for Carlsbad, N. M. and other points for a brief honeymoon, after which they will be at home in Albuquerque, where the groom is stationed at Kirkland Air Base.

What could be cleaner than cooking with heat from an electric wire? Constant, even, accurately controlled heat... no combustion, no matches, fumes or soot to soil pans, kitchen walls and curtains... that's electric cooking! New quick-speed heating units, which send heat directly into cooking vessels, and ovens scientifically insulated on six sides keep kitchens cool.
