To Show "Mr. Texas" To Sewer Customers

The world's first Christian western movie, "Mr. Texas," is coming to this area next week. The show, which is released by Evangelist Billy Graham, will be shown on Monday, Feb. 11 at the Clarendon high school auditorium and on Tuesday; Feb. 12 at the Memphis high school auditorium. There will be two showings, at 7:00 and 8:45 p. m.

The show is sponsored by the Panhandle Baptist Ass'n. There will be no admission charge but a free will offering will be taken.

Featured in the show are Redd Harper, Cindy Walker, Billy Graham, Cliff Barrows and the famous Hardin-Simmons U. Cowboy Band.

Discharged From Navy

We are glad to hear that Bill Bridges is out of the Navy again and is returning to his old job on the City Fire Dept. at Amarillo. He will receive a permanent discharge in June.

Bill served three years in the South Pacific during World War II. He was recalled to the Navy in October, 1950 and served ten months in the South Korea area on the USS Duncan, a destroyer.

He returned to San Francisco in August, 1951, and helped to train Navy men out of San Diego until his release Jan. 23. His wife has been with him in Oakland and San Diego since last August.

Boy Scout News

Boy Scout Week is from Feb. 6 to 12 inclusive. Boy Scout Day in Hedley will be Saturday, when the Scouts take over the city and run it as they think it should be run. Remember the boys of today will be the citizens of tomorrow, so give them all the help and encouragement you can.

The Scouts will go to one of the local churches in a body Sunday and the Explorers will attend another church. Next year they will switch around and attend two other churches.

Miss Jessie Davis and Mrs. Ethel Miller visited in Amarillo and Pampa over the week end.

Mr. and Mrs. Tom Stotts of Enid, Okla. visited friends and relatives here over the week end.

Tying in operations are expected to begin very shortly on the Hedley sewer line. The city has decided to make no tapping charge to each person, but everyone who wishes to tie in must furnish his pipe from his building to the sewer main. The free service applies only while the sewer crew remains here, and tapping will be charged for after they are gone.

The City has the pipe for sale at cost, 20¢ per foot, to tie in to the sewer, and if you want to tie in, please contact the City Secretary, Winfield Mosley.

Get your pipe as early as possible as the supply might not fill the demand.

Henry Moore, Mayor

Mr. Paul Wilts of the Baker Castor Bean Corporation of Oklahoma City will be the speaker and will discuss the contract and guaranteed price to Donley County farmers for the growing of castor beans.

Mr. and Mrs. Booker Shaw and sons had as their week end guests J. A. Kutch, Mr. and Mrs. M. W. Peabody and Cynthia of Borger, Johnny Swift, Mr. and Mrs. Ray Bridges of Morton, Mrs. W. M. Hillyer of Memphis and Alfred Hillyer of Salem, Oregon.

Card of Thanks

We wish to thank each and every one who stood by us in any way through the death of our dear father, who was taken from us. Your kind deeds and words of sympathy helped us to bear our sorrow. May God reward every one richly is our prayer. We also wish to thank each one for the beautiful flowers.

The famous Whiskered Wizards of St. Augustine, Florida will be here Friday night, February 8, at 8 o'clock in the high school gym to show the local fans some high class basketball playing mixed with plenty of clowning. They will be matched with a team of all-star players picked by the Lions Club from Hedley, Lelia Lake, and Memphis.

The Wizards, made up of former college and ex-service players, are famous for their ball handling and entertainment. You are guaranteed an evening of real enjoyment when you come to see this star studded traveling basketball team from the oldest city in the United States.

March of Dimes

On our own behalf, as well as for the community in general, we wish to thank Bob Harris for his fine cooperation in putting on last Friday's show for the March of Dimes. The entire proceeds of this show as well as candy and drink sales were donated to the drive, a total of over \$125. This show was sponsored by the Lions Club.

We also wish to thank the people who attended the benefit ball game Monday night, and especially those who played in it. This game raised \$137.59 for the drive.

LEGION NEWS

Tuesday night is regular Legion meeting night. They plan a feed in connection with the business meeting. First Vice Commander Roy Bevers will take over as Commander of the Post and preside at this meeting. Admittance will be by paid up 1952 cards only, but if you haven't paid your dues you may do so at the door. Come and bring a prospective member.

Tom Adamson and Carolyn Morris attended the Dolly Lynch piano concert in Amarillo Tuesday night. Mrs. Carmen Hubbard and son David of Amarillo also attended.

LIONS ROAR

Next week is regular meeting, Thursday night at 7 p. m. The program, which will be presented by Mrs. Roy Guthrie of Memphis, will be a one act play. The Methodist ladies of Lelia Lake will have charge of the food.

Eighty-seven Lions and their guests enjoyed last week's Ladies Night meeting. Program Chairman Scales arranged an excellent program and the Band Mothers a splendid meal. Everybody seemed to enjoy themselves. Several new Lions were presented as well as several old Lions back in the fold.

The membership contest ended with 20 Lions added. The White team won with 8, and the Red team bringing 3. This is a mighty good showing and team captains Scales, Murray and Glass and their workers should be complimented. Each will receive an award at an early date.

The March of Dimes fund now exceeds \$350. Let's make it \$400.

Notice to the Public

Effective March 1st, the City Secretary will be at the City Hall the first ten days of each month until noon, to collect water bills, taxes, etc.

All bills that run over ten days will be penalized \$1.00 for collection fees.

"The Wise Old Owl"

Well, here we are again, kids. Sorry I wasn't here last week but this weather is getting me down.

Charlene B., who is this boy from Wellington? What does George think about him?

Peggy, how do you like boxing? I hear he can box pretty good.

Mary Ruth, who were you with Saturday and Sunday nights? Is this getting serious?

Mickey, Joan, and Wanda Lee, do you have to draw straws to get a date these days?

Alma Ruth, who is your buddy now?

Letha, we're glad to see you and Clyde back together again. Let's not have any more of those misunderstandings now.

Tippy, how are you and Harold making it these days?

Jane, how did you and Adrian come out Thursday night?

Mrs. Omega Murray and children left Thursday morning from Amarillo for New York from where she will leave soon to join her husband at Frankfurt, Germany.

"I tested Conoco Super", says A. E. Stanbridge, Garageman, Salt Lake City. "My engine never performed better".

"Believe me, this '50,000 Miles—No Wear' story is all you say it is"—Harry W. Brown, Oskaloosa, Kan.

"Conoco Super is the finest motor oil on the market"—T. S. Young, Young Motor Company, Walsenburg, Colorado.

"Checked car driven 39,000 miles on Conoco Super"—Jos. H. Prestidge, St. Paul, Minn. "Never saw so little wear".

Expert Service men say:

"I got the story on

'50,000 Miles—No Wear'

and changed to New Conoco Super Motor Oil"

"I've driven 80,000 miles on Conoco Super", says Nick Motzner, Twin Falls, Idaho. "Average 23 miles per gallon".

"Dreams of working on clean engines come true when customers use Conoco Super"—Lewis Stoddart, Blackfoot, Ida.

"Tourists insist on Conoco Super", reports Richard Punch, Manager, Park Lane Hotel Garage, Denver, Colo.

"Changed to Conoco Super, driven 29,000 miles without trouble", writes I. W. Banard, Fort Smith, Ark.

"After overhaul, Conoco Super customers drive 50,000 more miles"—R. K. Comstock, Oklahoma City.

"50,000 Miles—No Wear!" Proved Here—

After a punishing 50,000-mile road test, with proper crankcase drains and regular care, engines lubricated with Conoco Super Motor Oil showed no wear of any consequence . . . in fact, an average of less than one one-thousandth inch on cylinders and crankshafts. Amazing proof: factory finishing marks were still visible on piston rings!

AND gasoline mileage for the last 5,000 miles was actually 99.77% as good as for the first 5,000! This test proved that Conoco Super, with OIL-PLATING, can make your car last longer, perform better, use less gasoline and oil.

New-Car Power! Quicker Starts! Get "summertime" performance all winter. Change, now, to winter-grade Conoco Super Motor Oil! Conoco Super fights off rust, corrosion and sludge, keeps your engine new and clean.

How "big" should government be?

Lincoln was President at a time when the federal government had to take away from its citizens more rights and liberties than ever before.

But he didn't like it. He believed, with the writers of the Constitution and the Declaration, that our government should protect people's independence, not push people around.

"In all that the people can individually do as well for themselves, government ought not to interfere," Lincoln once said.

Lincoln never let Americans forget that. He kept reminding the nation that the government's vast wartime powers must be only temporary.

He made powerful enemies. For there are always those who want to see the government run things—and run people—permanently.

We have them today. They think up all kinds of reasons why the federal government should take over this or that business, industry, or service. They never say they want socialism. Maybe they don't even realize it. But that's actually what they propose.

Most Americans don't want socialism any more than you do. The job is to recognize it—and halt it—no matter what disguise it wears!

* * *

The people who plan and work for a socialistic U. S. A. know that permanent control of a few key industries and services will give government the power to take over just about everything. One of the key industries that they're trying to take over is electric light and power.
