School Needs

Austin, Texas, Feb. 11—Texas schools are facing one of the most critical periods in their history, Charles H. Tennyson, executive secretary of the Texas State Teachers Association, said today as he outlined pressing needs for new buildings and more teachers over the entire state.

The school population, particularly on the elementary level, is growing at an alarming rate, he pointed out. For example, births in Texas in 1945 (this year's first graders) numbered 156,000. In 1947, births jumped to 197,000, an increase of 65,000. If this additional group could be divided into classes of 30 children each, Texas would still need 2100 additional teachers and classrooms in just the first and second grades.

And the birthrate continues to climb. Educators also worry about the size graduating class as compared to the number of children entering first grade. For instance, this year 156,000 youngsters crowded into first grade rooms over the state, but only 90,000 graduated from the eighth grade. This left already over-burdened teachers with 66,000 additional children to accommodate in one year.

The gain is going to continue to increase until at least the 1956-57 school year. By that time, the elementary schools must take care 300,000 children in addition to the ones now enrolled. If 75 per cent of this number enters public schools it will mean 8654 additional class rooms.

To Sewer Customers

Tying in operations are expected to begin very shortly on the Hedley sewer line. The city has decided to make no tapping charge to each person, but everyone who wishes to tie in must furnish his pipe from his building to the sewer main. The free service applies only while the sewer crew remains here, and tapping will be charged for after they are gone.

The City has the pipe for sale at cost, 20¢ per foot, to tie in to the sewer, and if you want to tie in, please contact the City Secretary, Winfield Mosley.

Get your pipe as early as possible as the supply might not fill the demand.

Amateur Show

An Amateur Show will be held Monday, Feb. 18, at 7:30 p. m., in the high school auditorium. Prizes to be awarded are 1st, \$7.50; 2nd, \$5.00; 3rd, \$2.50.

M. C. Raney Dies

Funeral services for Marcus Coleman Raney, long time Donley county resident who passed away last Wednesday at his home in Clarendon, were held Thursday from the First Baptist Church there by Rev. Hal Upchurch and Rev. J. Perry King. Burial was in the Clarendon cemetery.

Pallbearers were Hobart Moffitt, W. J. Lowe, James T. Mitchell, U. Z. Patterson, Pat Slavin and Pete Kunz.

Mr. Raney was 65 years of age and had been a resident of Donley County since 1908. He was a member of the First Baptist Church and the Odd Fellows lodge. He is survived by his wife, one daughter, Mrs. J. N. Weaver of Dumas, one son, W. W. Raney of Clarendon, two granddaughters, Miss Ruth Raney of Clarendon and Mrs. Glenn Robertson of Amarillo, and three great-grandchildren.

Boy Scout News

The Scouts wish to thank the folks who helped them make Boy Scout Day last Saturday a success. They raised \$68.00 for the scout funds. Bob Harris gave them a free pass to the show and several bought them drinks, etc.

The Scout Troop and Explorer Crew attended church at the Methodist Church last Sunday. They plan to attend different churches every Scout Sunday until they get around.

The Troop plan a hike for Friday afternoon after school to the old McDougal tank.

Leadership Contest

Doyle Messer, Ag teacher, took two teams to the Greenbelt district leadership contest at Memphis last Saturday. The Senior team was Clyde Nivens, Carroll Allen and Tommy Pritchard, and the Junior team included Don Reeves, Leon Bevers and Jack Usrey.

Both teams were successful in winning second place in the contest.

School of Missions

REV. SEFERINO JOJOLA

Rev. Seferino Jojola of Isleta, New Mexico is one of the seven missionaries who will speak at the First Baptist Church during the School of Missions to be held here next week, Feb. 17 through Feb. 22. Bro. Jojola is a fullblooded Navajo Indian. He was a herdsman at Isleta, when our home missionary went there to preach. He was the first convert at Isleta, being forty years old when he heard the message for the first time. Since 1937 Bro. Jojola has been a home missionary under the Home Mission Board. He works among the Pueblo Indians. His services are especially fine because he speaks both English and Navajo languages. Mrs. Jojola, also is a Christian and a fine worker among her people with her husband.

Services will be at the regular times on Sunday and on week day evenings a Mission Study Course will be taught from 7:00 to 7:30 and the missionary's sermon will begin at 7:30. A different missionary will speak at each service.

The public is invited to attend these services.

Notice to the Public

Effective March 1st, the City Secretary will be at the City Hall the first ten days of each month until noon, to collect water bills, taxes, etc.

All bills that run over ten days will be penalized \$1.00 for collection fees.

By order of the City Council
Henry Moore, Mayor

LIONS ROAR

In checking the kitchen utensils at the Lions Den, we find that some large pans and stews are missing, as well as some knives and forks. Please return them to the Lions Den, as they are badly needed.

We have cleaned up the Lions Den, stained the floors and scrubbed the kitchen with lye water. Anyone who uses the Den, please leave it as nice as you found it.

The club bought six new tablecloths. Mrs. Cox bought one and the Garden Club bought one and presented it to the club. The Garden Club voted to install venetian blinds on the front of the building.

Lion president Clyde Bridges wishes to thank the leaders of the Reds, Whites and Blues for their efforts in the membership contest. Twenty-one new members were added, making an increase of 45%, or a total of 67 members.

Observe Anniversary

Sunday, Feb. 10th, was spent celebrating the 60th wedding anniversary of Mr. and Mrs. W. E. Whitfield of Amarillo with a good old fashioned dinner. Flash pictures were taken during the day of Mother and Dad Whitfield, some of them showing the couple holding a beautiful anniversary cake given to them by their granddaughter Betty Polk. The pictures were taken by Riley Ray of Amarillo. The honorees received some beautiful gifts.

Those enjoying the pleasant day was Dad and Mother Whitfield, Mr. and Mrs. M. G. Whitfield, and Mr. and Mrs. H. L. Whitfield, Mary an Herbie of Hedley, Mr. and Mrs. M. E. Whitfield and Sandra of Borger, Mr. and Mrs. Clifford Whitfield and Sharon Kaye, Mr. and Mrs. Sidney Beach, Betty Polk and Val, Betty Stout and Riley Ray, all of Amarillo.

Mr. and Mrs. Bill Carson and son of Borger visited here last week end.

Mr. and Mrs. C. A. Wood were here Sunday from Clarendon.

Bob Harris has been to Raton, Dallas and Quail.

KIDNEYS
MUST REMOVE
EXCESS WASTE

When kidney function slows down, many folks complain of nagging backache, loss of pep and energy, headaches and dizziness. Don't suffer longer with these discomforts if reduced kidney function is getting you down—due to such common causes as stress and strain, over-exertion or exposure to cold. Minor bladder irritations due to cold, dampness or wrong diet may cause getting up nights or frequent passages.
Don't neglect your kidneys if these conditions bother you. Try Doan's Pills—a mild diuretic. Used successfully by millions for over 50 years. While often otherwise caused, it's amazing how many times Doan's give happy relief from these discomforts—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

NEW AND GROWING INDUSTRIES DOUBLE USE OF NATURAL GAS

How much is 320,000,000,000? For one thing, it's the number of cubic feet of natural gas United supplied to industries, including electric power plants, in the Gulf South during 1951. Three hundred and twenty billion cubic feet of gas used by industry in a single year tells a convincing story of progress for our region. It's twice the volume consumed by United's industrial

and power plant customers just ten years before . . . in 1941.

The continuing expansion of existing industries and the movement of new industries into the area create larger payrolls . . . put more money into circulation . . . contribute in many ways to a more prosperous economy. Our company is always on the alert to help the growth of industry in the Gulf South.

Anything that helps
build the Gulf South . . . helps YOU

Music Educators Meet The Sunbeams

L. E. Talbert attended the Texas Music Educators Assoc. meeting in Mineral Wells, from Feb. 6 to 9. The Clinic-Convention is held basically for the music teachers of Texas, but in addition the best high school musicians from each of the 10 areas of Texas are selected to play in the All-State band, orchestra, and chorus. These high school musicians are selected at the area clinics held during November and December every year. In Area I where Hedley is located a meeting was held December 10 at Texas Tech in Lubbock. Approximately 18 students from each area were selected to participate in each section this year.

Mr. Talbert reports that the students played and sang new music, and contest music which is on the University Interscholastic league list. The music teachers attended rehearsals, lectures, demonstrations and area meetings. The Music Educators feel that the quality of the high school musicians is rapidly improving in Texas.

There were four sections operating at all times during the three days. They were Elementary music education, Choral, Orchestra and Band.

Mr. and Mrs. J. S. Hinds and Nancy Lou of Jayton spent the week end in the Frank Kendall home.

We had a Valentine party at 2:30 Wednesday. After singing several songs, we were led in prayer by Richard Dickson. Everyone received a valentine and refreshments of red punch and heart shaped cookies were served to 30. We had a wonderful time and would like to invite all from 4 to 9 years to come to sunbeams at 2:30 every Wednesday at the First Baptist Church.

Card of Thanks

I want to take this means to express my sincere thanks to those who sent me cards and flowers while I was in the hospital. Your kind thoughtfulness helped to cheer me up and will never be forgotten.

W. S. C. S.

The Woman's Society of Christian Service of the Methodist Church met Monday afternoon in the sanctuary of the church for a social for all of the women of the church.

The meeting was opened by singing "Like a Shepherd Lead Us" as a prayer for guidance in these troubled times, followed by responsive reading on missions.

The visitors were welcomed, and those who were not members of the Society were given opportunity to join.

Mrs. W. H. Jones gave a very interesting and instructive lecture on the three missionary journeys of Paul, interspersed with some roundtable discussion. "Faith of Our Fathers" was sung, and the meeting closed with prayer by Mrs. Kendall.

The committee on decoration had carried out the Valentine motif around an open Bible as a worship center. Colorful flowers were arranged on the chancel.

The hostesses served bountiful refreshments and a season of fellowship was enjoyed by all present.

The next meeting is with Mrs. Marvin Whitfield Monday, February 18, at 2:30 p. m.

Beverly and Carol Lynn Jeffreys of Amarillo are visiting in the Clyde Bridges home this week.

Methodist Church

Our new pianist, Miss Anna Belle Bailey and the choir are giving us some good music.

Miss Elizabeth Wilson and Miss Jo Helen White from Quail attended the morning services. Twelve scouts attended with their scout master, Clifford Johnson, and assistant scout master, T. O. McFarland and scout bugler, Don Cox. Seven explorer scouts and their explorer advisor, Bob Harris, also attended the morning service in a body.

Sunday was Race Relation Sunday which was very fitting in connection with Boy Scout Sunday. "Their organization and leaders welcome all boys into their groups regardless of race or color." The service was dedicated to the scouts, subject of sermon being "Three Victories In One Day, Self, Doubts

of Others, Crowds and Fidelities." as well.

Next Sunday is World Student Christian Federation Day of Prayer.
