## Public School Week

Gov. Allan Shivers has proclaimed the week of March 2 to 8 as Public School Week in Texas. In cooperation with the local schools, the Hedley Lodge No. 991, A. F. & A. M. is striving to make the observation of the week both educational and inspirational.

Friday evening, March 6, will be open house at the Schools and the entire community is urged to attend. All rooms will be open for your visit and there will be a program in the auditorium with Judge J. R. Porter as the main speaker.

## Explorer Scout News

Members of the Hedley Explorer Scouts will play hosts to some 60 Explorers from the Panhandle area this Friday night at the American Legion Hall. Explorers from Clarendon, Lelia Lake, Memphis, and Wellington will be on hand to witness the Investiture of the Hedley group, a ceremony noted for its color and pageantry. John Pound, Scout Executive from Wellington will be on hand as well as Dwayne Reeves, Advisor to the Lelia Lake group; James Gould, Advisor of the Clarendon Post; and Ted Myers, Scoutmaster from Memphis. Hedley Scoutmaster Clifford Johnson and Explorer Scout Advisor Bob Harris will be host officials. Refreshments will be served after the ceremony and parents of scouts or explorers are sincerely invited to attend as are all persons interested in the work of scouting. A special Hollywood Preview comedy feature will be shown to the group at the Theatre at 10 p. m.

The Lions Club presented funds to the Explorers for a post flag and the American Legion is presenting an American Flag for the explorers. Their new den will soon be completed on the second floor of the Theatre building.

## Card of Thanks

We wish to thank our many friends and neighbors who sent cards or helped us in any way during the recent illness in our family. May God bless each one of you in our prayer.

Mr. and Mrs. Elmer Howell and children

## "March To Church In March"

Almost all churches use the month of March to stress the value of attending the church of your choice. Many slogans are used "March to Church in March" has come to be the most popular and generally accepted one. The press and radio features much in regard to this idea. Let us all take advantage of the effort put forth by our church, our press and our radio calls to active participation in our churches and "March to Church in March."

## C. E. Deahl Dies

Funeral services for Charles Edgar Deahl, 78, who passed away Thursday at his home in Panhandle, were held Saturday from the home by Rev. Martin J. Hartenberger. Burial was in the Panhandle cemetery.

Mr. Deahl was the father of the late Carroll Deahl of Hedley. He had lived in Carson County since 1898. He was a former president of the First National Bank in Panhandle. He operated ranches in Colorado and Texas and also had wide farming interests.

Survivors are his wife, three sons, a brother and two sisters.

Hedleyans attending the funeral Saturday included Mrs. Carroll Deahl, Mr. and Mrs. R. E. Mann, Jack and David Moreman.

## Notice to the Public

Harrison and Shirley, contractors for the city sewer, will have a ditching machine here for a limited time and will dig ditches and lay sewer pipes from the main line to homes for those who want the work done. The charge will be 65¢ per foot if no water or gas lines are encountered which require hand digging, when the charge will be 70¢ per foot. Customers must furnish pipe, but will not have to pay for hauling. Anyone interested should see Winfield Mosley, city secretary, at the earliest possible date.

Mrs. R. T. Everett and Mrs. Lee Usrey of Pantex ate dinner Tuesday with Mr. and Mrs. J. B. Pickett.

## Insurance Credit

On March 1 the City of Hedley will receive an additional 5% insurance credit, and insurance agent Clifford Johnson will have to feed the fire department. A few years back he promised the fire boys if they would cut the fire rate he would feed them a steak supper, so for the last three years they have kept the fires down and whittled down the rate each year. Fire Chief R. M. Saunders says they will be ready for the feed and will keep the fire rate down if the citizens will cooperate by keeping their premises clean and free from rubbish and other fire hazards.

## Explorer Scouts to Hold Free Show

To celebrate both their Investiture party Friday night and the opening of their new "Den", Hedley Explorer Scouts invite all movie fans to be their guests at a special Free Show at the Hedley at 10 p. m. Friday night. Sid Melton will star in a screaming comedy entitled "As You Were." The regular show will end at 9:55 and doors will be re-opened at 10 p. m. No admission will be charged. Explorers from other communities here for the Investiture ceremony and local scouts will be admitted first and then as many seats as are left will be open to the general public.

## Clay Attending Special Service Course

Ft. Benjamin Harrison, Ind.—Cpl. Alvie T. Clay, son of Mr. and Mrs. W. H. Clay, is attending the Special Services course, class 20, taught at the Adjutant General's School here. He will graduate February 22.

Upon completion of the course, Cpl. Clay will return to his home organization to begin his duties as recreational specialist. He is assigned to Headquarters and Headquarters Squadron, the 3500 Air Base Group, Reese Air Force Base, Tex.

Rev. and Mrs. Rolan E. Wiley and children of Cordell, Okla., visited here last Friday

## LIONS ROAR

Last week Mrs. Roy Guthrie and a cast of characters from Memphis presented a one act play "The Blue Teapot" at the meeting. This was one of the best programs of the year and was very much enjoyed by the 46 Lions and guests present. The good Methodist ladies of Lelia Lake saw that everyone had plenty of food.

This week is the Lions stag steak supper. The food will be prepared and served by the two losing teams, the Reds and the Blues, and the White team being the honored guests.

New officers elected at last week's meeting were Lion Carl Reid, Lion Tamer, and Lion Ed Boliver, Treasurer. Our business transacted was the purchase of a flag for the Explorer Scout Troop. The total of the March of Dimes collection was \$352.46.

Next week is regular meeting at 7 p. m. Program Chairman Scales says he has arranged a program including a speaker who will tell the Lions the duties of their respective offices and their duties to Lionism and the Community.

## Layman's Day At Methodist Church

Sunday, Feb. 24, is Layman's Day at the local Methodist Church. The Charge Lay Leader, with the assistance of other local talent, will have a great program. Every one is invited and members of the local Church are urged to attend.

Do you know  
what's between  
here  
and here?

Let's follow your physician's prescription into your pharmacist's compounding room . . .

The pharmacist's first act is to carefully interpret the prescription—check its signs and symbols to make sure of their precise meanings. *Your safety is his legal responsibility.*

That done, he assembles the necessary components for your prescription from the thousands of drugs he has in his stock. He knows them all intimately—their dosage, usage and properties.

Then he skillfully uses his specialized equipment to weigh, mix, or combine the ingredients of your prescription in strict accordance with your physician's specifications.

He checks and rechecks every ingredient he uses, and every step in his compounding technique. Instructions are confirmed, and directions stated on the label in such a way that no misunderstanding will occur. Finally, he registers your prescription by number and files it away for future reference.

He prepares simple mixtures as meticulously as he does the highly complex ones. In filling every prescription, he applies the technical skill and professional knowledge that have been acquired through many years of scientific training. As a member of one of the professions that help you guard your health, he is ever mindful of his responsibility.— Reprinted from a copyrighted advertisement published by Parke, Davis & Company, Detroit 32, Michigan.

Oren Allen brought in an old copy of the Informer this week which he found in the attic of their home. The paper, dated May 19, 1911, was addressed to Mrs. E. G. Dishman.

This was the 27th copy of the Informer which had been issued. J. Claude Wells was the editor at that time.

Oren also found an Informer dated May 5, 1911, which is now on display at the Hedley Theatre.

**Pork Chop Vegetable Casserole With Rice**

This is it! Those words will escape the lips to describe the goodness of this casserole if the eater finds a chance to talk. His next utterance will be, "I'll have a second helping, please".

Only a salad, perhaps a bread, and a dessert are necessary to complete the meal when this "baked dinner" is served.

Leave it in the oven until all are seated at the table. Then bring in the baking dish and place it before the man of the house. Treat the family to the sight of seeing the liquid goodness bubbling around the sides and spilling over the tender rice, the green peas, and the pork chops.

**INGREDIENTS**

- 6 or 8 pork chops
- 1/2 cup chopped onion
- 1/2 cup chopped green pepper
- 1 — 10-oz. can — cream of mushroom soup
- 1 cup water
- 3 cups cooked rice
- 2 cups cooked peas
- 1 teaspoon salt
- 1/2 teaspoon pepper

**PREPARING THE FLUFFY WHITE RICE:**

To make 3 liberal cups of fluffy rice: put 1 cup of uncooked rice, 2 cups of cold water and 1 teaspoon of salt in a two-quart saucepan and cover with a tight-fitting lid. Bring to a vigorous boil and then turn the heat as low as possible — leave over this low heat for 14 minutes. Turn off the heat. This cooking time results in firm

grains of cooked rice. (For extra tender grains, allow the rice to steam (with heat off) for an additional 5 minutes before removing lid).

Never remove the lid nor stir rice while it is cooking. After rice is cooked, remove lid, lift rice gently with fork to allow rice to steam dry to the desired consistency. It is then ready — perfectly cooked and the grains will be separate and fluffy. This method allows all the water to be absorbed and the full nutritional value of the rice to be retained.

**METHOD:** Place pork chops in a skillet and brown on both sides. Enough fat should cook out of the pork chops so that it is not necessary to add any to the skillet. Lift chops out of skillet. Place the onion and the green pepper in the skillet and cook until tender. It may be necessary to add a small amount of fat to prevent onions and peppers from sticking. Add mushroom soup, water, rice, peas, salt, and pepper. Mix well. Pour half the rice and pea mixture into a greased baking dish. Arrange half the chops over the rice and peas. Add the rest of the rice and peas. Top with the remaining chops and bake in a moderate oven (350° F.) about 30 minutes.

This recipe will make six or eight servings depending upon the number of pork chops used.

The Woman's Society of Christian Service of the Methodist Church met with Mrs. Marvin Whitfield Monday afternoon. Due to so much illness in the community, the attendance was off considerably. We hope those who are ill will soon be with us again.

Wednesday night, February 27, was set as family night for the church. The women may be getting a call within a few days as to a "covered dish." There will be a free will offering to help buy new hymnals for the youth department. Remember the last family night, held in December, and you will be anxious for a repeat of such a gathering.

As Friday, February 29, is World Day of Prayer, the usual Monday meeting of WSCS will be postponed until Friday. We invite all women of the community to attend this meeting with us. Remember World Day of Prayer program, Feb. 29 at 2:30 p. m. in the sanctuary of the church.

A program on Trouble Spots in our World was given by Mrs. Kendall, Mrs. McFarland and Mrs. W. H. Hill. The meeting closed with prayer by Mrs. Story. Abundant refreshments were served by the hostess, assisted by Mrs. H. Whitfield.
