## Clarendon Celebration Set For July 3-4-5

Officials of the Clarendon Outdoor Entertainment Association, sponsors of the Annual Clarendon Fourth of July Celebration, this week are putting the final touches on what already promises to be the biggest celebration in Clarendon's history.

Sixteen beeves have been donated by ranchers for the traditional free barbecue to be held on the courthouse lawn at noon on the Fourth.

This year's celebration is scheduled for three days, July 3rd, 4th and 5th, instead of the customary two days. Featured attractions will be the rodeo performances on the night of July 3rd, the afternoon and night of July 5th. Cowboys from the surrounding ranches and the top rodeo performers from the amateur circuit will vie for prize money totaling more than \$2000.00 in addition to shop made saddles and boots.

Other attractions include a western parade on the afternoon of the 4th and matched horse races on the afternoon of the 5th. Western dances each night at the air conditioned American Legion Hall will feature the music of Emmett Allen and his Sunset Ramblers.

Highlighting the attractions on the 4th will be an Old Settlers get-together for persons who have resided in Donley County for twenty-five or more years and for former residents of the county of twenty-five or more years ago.

## Baseball News

The Hedley Lions will play the Claude Cap Rock League baseball team here next Sunday at 3 p. m.

Last Sunday Hedley lost their first league game to Clarendon there by the score of 8 to 4. Too much wind and too much B. F. Dorman kept the Hedley sluggers at bay and Clarendon had two big innings with Hedley's errors and the Clarendon hits bunched. This leaves Hedley in a first place tie with Clarendon, each having won 7 and lost 1 game.

## Explorer Scouts

The Explorer Scouts of Post 36 will go to Lake McClellan this week end and will go to Raton July 6th.

## Mrs. R. O. Shannon

Funeral services for Mrs. R. O. Shannon, who passed away Saturday in a Memphis hospital, were held Monday from the Methodist Church here by Rev. Frank Story, Rev. I. E. Biggs and Rev. W. M. Culwell. Burial was in Rowe cemetery with Murphy-Spicer Funeral Home in charge.

Pallbearers were Hobart Moffitt, Lee Anderson, Chester Walker, L. D. Messer, Delbert White and Joe Kennedy.

Mrs. Shannon was born Sept. 27, 1890, at Garvin, Wise County, Texas. She had been a resident of Donley County for 45 years. She was formerly Florence Eugenia Watkins and was married to R. O. Shannon at McKnight on April 2, 1911.

She is survived by her husband, R. O. Shannon of Hedley; one daughter, Mrs. Woodrow Farris of Hedley; one son, Robert C. Shannon of Healdsburg, Calif., and 6 grandchildren; one sister, Mrs. Oly Parsons of Wichita Falls, and two brothers, Robert Watkins of Childress and Calvin Watkins of Hedley.

One son, Clyde T. Shannon, preceded her in death Aug. 18, 1951.

## Win FFA Honors

Johnny Brumley, Jack Moreman and Jack Quisenberry received a letter from the State FFA President this week stating that they were awarded the state Lone Star Farmer degree, the highest degree offered in the state for FFA members.

This was won by keeping accurate records of supervised farm programs and projects for three years of Vocational Agriculture under the direction of Doyle Messer, Ag. instructor. Much hard work was done in keeping these records which must go through district, area and state headquarters and are checked for errors in all three. The state found no errors, therefore awarded the degrees.

The boys will receive certificates of award and gold FFA pins at the district banquet in September. All three boys are Seniors in Hedley high school.

We are glad to see Buddy Reeves at home again and greeting friends in town Tuesday night.

Thava Nell Davis underwent a tonsilectomy Saturday.

## Hail Damages Cotton

Farmers of the Hedley area suffered a discouraging setback Saturday when a severe rain and hail storm did damage to the cotton estimated at over 25%. A great many fields were blowing out after the storm, but wind damage is being gradually reduced as fields are plowed.

## Novelty Act at Theatre

An entertaining addition to the regular show at the Hedley Theatre this Thursday and Friday, June 26 and 27, will be an unusual novelty act put on by Curt Godfrey, Jack Patrick and Elton Murdock of Memphis.

There will be no advance in price for the show, the admission remaining at 35¢ and 9¢ as usual.

On the screen for the two nights will be Edmond O'Brien and Yvonne DeCarlo in "Silver City."

## Boy Scout News

A full patrol of Scouts accompanied by Assistant Scoutmaster T. O. McFarland will leave Sunday afternoon for Camp Kiowa, District Boy Scout Camp. The camp is located at Lake Marvin, near Canadian. This is the Adobe Walls Council permanent Camp where the boys will be instructed in swimming, life saving and other scout requirements. Boys planning to go are Jimmy Waddell, Tommy Bailey, Terry Bailey, Bennie and Bobby Lesley, Deward Gibson, Don Youree and Bennie Sims.

Gene Taylor of Clarendon spent last week with his grandparents, Mr. and Mrs. W. H. Huffman.

## Wins 4-H Honors

An item in the Groesbeck Journal states that their County Agent, M. H. Brown Jr. has just returned from A&M, where he attended the State 4-H roundup, and that the Limestone County entomology team composed of Gene Caldwell, Glynn Nance and David Tilley, all of Thornton, won third place in the state. Gene Caldwell was fourth of all boys present with a score of 188 out of 200.

Gene is the son of Rev. and Mrs. T. E. Caldwell of Thornton and the grandson of Mr. and Mrs. R. W. Alewine of Hedley.

## Lions Roar

Next week a directors meeting will be called again. It is hoped that enough attend to make a quorum.

For this week's program there will be a film shown, showing how clouds are seeded to make it rain. Maybe they will soon find something to make it stop hailing.

R. E. Drennan of Clarendon will install the new officers and directors of the club the first meeting in July.

## To Office Here

Bob Harris, local theatre manager, announced arrangements to headquarter his business with the Texas Showmen throughout the Tri-State area here in Hedley. While he will still be away periodically it offers Bob a chance to be with the folks and town he has chosen as his home.

Harris will open the Roxy Theatre in Lakeview next Thursday night on a part time basis and run it in connection with the Hedley.

The Hedley announced a new policy of midnight "Ghost Parties" every Saturday with such shows as the "House of Dracula" and "Bride of Frankenstein" being brought back to chill Hedley audiences. Tickets will go on sale every Saturday night at 10 p. m.

National publicity will be given Hedley and the Hedley Lions Club through pictures and stories in "Box Office" magazine as a result of Harris being appointed to Compo "Box Office" will feature the Lions Club as the largest and most active per capita in the states, and loyal supporters of the movie industry. Kyle Rorex administrative director for Compo reported the stories would come out in about two to three weeks. Additional copies of the magazine will be sent to Hedley for distribution on the news stands.

Oren Allen, relief operator at the Hedley, will join the Harris staff as full time operator at Lakeview.

## New Street Lights

The West Texas Utilities Co. last week installed new street lights in Hedley, which were turned on last Wednesday night.

The new lights are placed higher than the old ones and are ten times as powerful, doing a much better job of illuminating the streets.

## A. J. (Andy) Rogers Makes Statement

This is a critical time for our nation. It is "time for a change." But let us remember that new faces in Washington will make no real difference if we have not changed things here at home. At all levels of government we must return to the great principle upon which this country was founded and built; and if it is to stand, upon which it must stand. This great principle is Americanism. It says that man is created free, that his Creator gave him certain "inalienable" rights, that the sole purpose and reason for government is to see that these sacred rights are protected. Government is not meant to take away these rights or to create substitutes.

Andy Rogers is a West Texan by birth, training and education. He was raised on a farm and dairy. His business is farming, and it will continue to be. He is a land owner and tax payer. He is a family man with a wife and one daughter. Andy Rogers has prepared himself for service with seven years of college education—law, government, economics and agriculture. He has proven his willingness to sacrifice by voluntarily giving three years' service in the United States Army during World War II. He has had two terms' experience in serving West Texas in your State House of Representatives. He has served on these following important committees: Appropriations, Agriculture, Insurance, Highways and Roads and Conservation and Reclamation.

Andy Rogers is not a lawyer. Therefore, he can represent only the people who elect him. He cannot hope for financial gain by serving you as State Senator, an important job that pays only an ap-

## Methodist Church

Our new pastor, Bro. Culwell, is doing some fine preaching and having good attendance. Everyone is enjoying his leadership in the song services and also the special numbers he sings from time to time. Our prayer meetings and choir practice are growing in interest and attendance. A Saturday night prayer service by candlelight is being observed from 7:30 to 8:30. Everyone is invited to come by for a few minutes of silent prayer. There has been 10 received into the church, 4 by letter and 6 on profession of faith.

The ladies who taught in the Bible school did a fine work with the children and the program they gave Sunday night was enjoyed by all. The installation service of the WSCS was very impressive. Don't forget our supper and pledge service Monday, June 30 at 8 p. m. All our women and girls are invited to attend.—Reporter

proximate \$700.00 per year. He is not a professional politician. He has consistently fought corruption in all government, and will continue to do so. As a State Representative, he has opposed an increased rate of spending and taxing in State Government, and will continue to do so. Rogers has fought for the economic development of West Texas in these ways—

1. Continually supporting our Rural Road and Primary Highway development.
2. Voting against and helping kill legislation for State control of our underground water.
3. Fighting to protect our surface water rights as they now stand
4. Writing and getting passed legislation giving West Texas \$10,000.00 for preliminary study of its surface water possibilities.
5. Writing and getting passed legislation that will soon bring into being a new Agriculture Experiment Station to study the particular needs of our Blow-Sand areas of West Texas.
6. Writing and getting passed legislation requiring the labeling of "drip" gasoline when offered for sale, so consumers and honest service station operators are protected
7. Supporting a sound, sensible Public School program.

Andy Rogers will continue to fight for a fair break for West Texas and for the protection of your rights. Andy Rogers will run his race and serve you in the only way he knows—by Clean Hard Work.

Rogers will not be able to visit all of the people in our 15 county State Senatorial District, but he humbly and sincerely asks for your vote and support.

## First Baptist Church

Several ladies were present for the WMU meeting Monday afternoon, which met at the church with Mrs. Bain and Mrs. Carlton as co-hostesses. Our missionary program and our program on our aged ministerial relief work were combined. Mrs. Jones being leader for the afternoon brought a beautiful devotional appropriate for each program. Several ladies had interesting parts for discussion. After a short business meeting the hostesses served refreshments to those present.

The Youth Rally meets with the Clarendon church Saturday night. We are hoping to have at least 25 to go from our church.

Next Sunday will be the day for our Associational Hymn Sing. The meeting will be with the Lakeview church. Our Intermediate Choir will have a special number on the program.
