Sponsor Blood Typing

Mu Gamma Chapter of Beta Sigma Phi is sponsoring a Blood Typing Program in Clarendon for two days on August 22 and 23 and in Hedley for one day on August 27. The equipment will be at Estlack Machinery Co. in Clarendon and at the Lions Club Den in Hedley from 5:30 to 8:30 each day.

This is not a Blood Donation Bank. We are asking only that you have your blood typed. This project will be beneficial not only to each of us as an individual but will be a benefit to the whole county. Each man, woman and child is urged to take advantage of this free service. When you come in for your TB X-ray it will only take a few more minutes of your time to get your blood typed. You may have the X-ray taken without being obligated to have your blood typed but we hope you will take advantage of both.

In case of accident or illness it could be of great importance to know your blood type. A card file will be kept on each individual with their name, address and blood type. A card, pocket size, will also be mailed to each individual with the same information on it. Plan now to visit whether in Clarendon or Hedley and be sure to bring your children.

Revival Meeting

A revival will begin Friday, August 8, at the Church of Christ here with preaching by Minister S. A. Ribble of Wellman.

Among his subjects will be Some Great Questions and Their Answers, The Spirit and the Word, Repentance and Its Fruits, The What and Why of Baptism and The Church, Whose and Why.

Christian Church

The revival at the Christian Church which was conducted by the Barnes-Cook evangelistic team closed Sunday.

Attendance was good, and every one received a blessing from the good preaching and fine song services.

Art Gamble Dies

Funeral services for Art Gamble of Borger, who passed away last Wednesday, were held Friday at Borger. Burial was in Rowe cemetery here.

Mrs. Gamble is the former Nella Mai Farris of Hedley.

Old Settlers Picnic

The annual picnic will be August 15 at Tate Grove. Make your plans now to attend, visit old friends and make new ones. President L. D. (Doodie) Messer says plans are for the best picnic we have had.

Flip Breedlove was made official Master of Ceremonies at last year's picnic. The following committees will help to complete plans:

Program: Walter Moss, chairman; Mrs. Elvia Davenport, Jake Roberts, String music; Nelson Seago

Public Address System: Chas. Rains, Doyle Messer, Fat Reed

Water: Bill Bain, chairman; Charley Johnson, J. M. Dickson, Otis Owens

Grounds: Frank Murray and Tom Tate

Tables and Seats: Pete Messer, chairman; Red Doherty, Slats DeBord, John Nash, Tige Hill

Coffee: Walter DeBord, Bill Clay, John Tate

Register: Morning - Mesdames Eva Hill, Walter DeBord and Malcom Glass; Afternoon - Mesdames John Tate, Elmer Howell and Herman Word.

There will be plenty of shade, good cold water, also red soda pop. Bring a picnic lunch. You are welcome to the picnic. Some out of town visitors have been invited to appear.

Revival Meeting

The Assembly of God Church will begin a revival meeting Sunday, August 10 and continue through August 24. Rev. T. E. Gibson, pastor, announced this week. The services will be held nightly at 8:00. Rev. and Mrs. C. L. Diamond of Ft. Worth will conduct the revival. The public is cordially invited to attend these services.

LEGION NEWS

The new Legion Commander, Wayne Latimer, and the other new officers of the Post will be installed next Tuesday night's meeting. Jack Gray of Clarendon will be the installing officer. A big free feed will follow the business meeting. Commander Latimer and Adjutant Clifford Johnson plan to attend the State Convention this week end, and will report on same at this meeting.

School to Open Aug. 18

The efficiency of your school system is reflected not so much from the size of its output as from the ability, energy and vision of the people. Hedley is to be congratulated on its school system. As you know, the school system is one of the relatively large business enterprises in your community with its plant, employees, and a program that affects nearly every home. Working with the most priceless of raw materials, your children, we try to produce responsible citizens. No other industry is concerned with so vital a product. Your superintendent, board of education, and all employees are dedicated to give you as good a school system as possible. It has been said, "As your school goes so goes your community." The community's attitude is excellent and wholesome relations between the school and community, stemming from mutual understanding will produce two important results: 1. The community gives greater support to the school, and 2. the school serves more effectively the desires of the community.

The faculty is complete with the exception of the 6th Grade teacher. They are as follows: First Grade, Mrs. M. M. Duncan; Second Grade, Miss Myrtle Hall; Third Grade, Mrs. J. S. Hinds; Fourth Grade, Miss Elvaree Moore; Fifth Grade, Miss Hunnicutt; Seventh and Eighth Grade, to be departmentalized; Mr. J. M. Baker, Grade School Principal and mathematics; Leslie Talbert, Band and Public School Music; Mrs. Floyd Russell, Commercial Subjects; Miss Norma Jean Brookerson, Homemaking; Mrs. Elvia Davenport, English; Doyle Messer, Vocational Agriculture; Floyd Russell, High School Principal, Coach, Social Studies; and J. S. Hinds, Superintendent, Social Studies. The bus drivers are Albert Johnson, Route 1; Rev. W. M. Culwell, Route 2; W. L. Stewart, Route 3; and J. D. Foster, Route 4. Albert Johnson and D. L. Hickey are custodians of the school plant and are doing an excellent job getting the buildings in shape. Cooks for the lunch room are Mrs. Ethel Miller and Mrs. Elvia Davis. We feel sure that all the pupils will want to eat in the lunchroom for they have some delicious menus already planned.

Calendar for School Opening August 14, Faculty Meeting

LIONS ROAR

Next week's regular Lions Club meeting will be held at 7 p. m. in order that all the Lions that wish may attend the revival meeting now going on at the First Baptist Church. We think it is the Lelia Lake ladies time to feed.

Those who missed the family picnic at the City Park last week missed a lot of good food and fellowship. With a little water our City Park would be doing mighty well.

Can You Survive World's Collision?

One of the most thought provoking fantasies of the modern motion picture screen will play at the Hedley Theatre this week end. Starting Sunday the technicolor version of When Worlds Collide will show for two days. Portraying a world trembling under threat of another planet and up to date on the subject of flying saucers, the picture shows dramatic scenes of the people in small towns all over the world awaiting the dramatic climax of the actual collision of this Earth with an unknown planet from outer space. Giant tidal waves sweep across the United States, New York and other big cities are pictured as the author imagines their destruction. Walter Winchell proclaimed this unusual film, "One of the most serious, thought provoking, adventures" he had ever seen. When Worlds Collide in vivid color will be accompanied by the latest Fox News and a Color Cartoon.

Card of Thanks

I wish to say, Thank you, to my many friends and associates who sent cards and did many fine deeds for me while I was in the hospital and since my returning home.

R. E. Darnell

August 18, Buses will make their regular routes.

9:00: General assembly in the high school auditorium with program and announcements.

Immediately following assembly students will report to their home rooms, books will be issued and assignments made. No lunch will be served, and the buses will run at 11:30.

August 19, First day of all classes for the fall semester.

CAN YOU SURVIVE When Worlds Collide?

What Happens "When Worlds Collide?"

WHAT are the terrifying possibilities when another world races through space toward an unavoidable collision with our own world?

WHAT can be done in the face of this onrushing danger?

THE LAST DAY on earth—how to spend it?

WHAT can be done to make the most of the last frenzied moments before this complete catastrophe?

CAN an army of scientists desperately building a giant rocket-ship—a modern Noah's Ark—provide an escape for a few picked survivors to a new life on another world?

ASTOUNDING answers to these questions are dramatized with nerve-shattering excitement in "When Worlds Collide."

Folks, here is one of the most UNUSUAL pictures ever shown in Hedley! If you've ever wondered what you would do if you knew there were only a few days left until the earth was destroyed, I urge you and your family to see this great Technicolor adventure!

To the Voters of Donley County

My appreciation for all you have done for me in the past, and the splendid cooperation given me the last twelve years as your Sheriff-Assessor and Collector. It has been greatly appreciated.

Guy Wright

Card of Thanks

Dear friends and neighbors, I wish to thank each one of you, who sent me such nice cards, gifts, and books to read. Special thanks to Dr. D. H. Cox and family for their thoughtfulness of me during my stay in the hospital. May God reward each of you.

Mrs. Banks Jeffreys and children visited here this week from Amarillo.

Those visiting in the T. J. Cherry home over the week end were Mr. and Mrs. I. B. Cherry of Mt. Pleasant, Mr. and Mrs. Royce Crisler, Lanny and Larry of Quanah and Mr. and Mrs. Troy Browh of Memphis.

Mrs. Myrtle Tinsley of Crystal City is visiting the Informer family.

Doyle Mester, Johnny Brumley and Jack Moreman attended the FFA area banquet last Thursday night at Amarillo, and Johnny and Jack received their Lone Star Farmer degrees.

Bill Bridges of Amarillo visited here last week.

If it is a Justin boot you are looking for, Kendall has them.

To the Voters Of Donley County

I am still in the race for County Judge of Donley County notwithstanding rumors to the contrary. You have heard, or will hear, other rumors which are merely for the purpose of securing votes for my opponent.

I am a citizen of Donley County and legally qualified to be your Judge.

My wife has not divorced me and will teach in the Clarendon Schools regardless of the outcome of this race. My mother-in-law, Mrs. Raney, still allows me to stick my feet under her dining table.

I still attend the church of my choice. The pastor and I are still friends. The janitor has not found any sulphur and brimstone around the seat where I usually sit.

I also have not lost my self-respect for the manner in which I have conducted this campaign.

I sincerely thank you for your vote in the first primary and your expressions of hope for my election. I earnestly solicit your vote and influence in the election of Aug. 23rd.

Mrs. Brown Honored

A bridal shower honoring Mrs. Troy Brown, who was Lanell Cherry before her marriage, was given at the home of Miss Tippie Reeves on Monday, August 4th.

As the guests entered they were greeted by Miss Tippie Reeves and each one registered. They were then ushered into the dining room where Miss Jacque Johnson presided at the punch bowl. Lime punch and cookies were served. The table was beautiful with a lace cover and a centerpiece of pink and green.

All were then seated in the living room where Mrs. Davenport gave two very appropriate readings in her own sweet way, then presented the honoree with a beautiful set of china dinner plates after which many other beautiful and useful gifts were brought in carrying best wishes to the bride and groom.

There were over 50 guests present and many others sent gifts.

The hostesses were Misses Tippi Reeves and Jacque Johnson,

There was a young woman named Lil Whose car barely crept up each hill.

When she started to climb It would buck every time

People bet: "No, she won't—yes, she will."

Then I got Conoco's **NEW 1-2-3**
"50,000 Miles No Wear" Service!

Now smart, young Lil climbs every hill, thanks to one of the greatest services ever offered the motoring public—a service that helps engines last longer, perform better, use less gasoline and oil!

It's exactly the same service that kept test cars new in Conoco's spectacular "50,000 Miles—No Wear" road test!

In that famous 50,000-mile test, with 1,000-mile drains and proper filter service, test car engines showed *no wear of any consequence*: in fact, an average of less than one one-thousandth inch on cylinders and crankshafts. Gasoline mileage for the last 5,000 miles was actually 99.77% as good as for the first 5,000.

Now you can get this same 1-2-3 "50,000 Miles—No Wear" Service, at your Conoco Mileage Merchant's today!

Cummings-Koeninger

Miss Lucile Koeninger and Sam Cummings were united in marriage Thursday, Aug. 31, by Rev. Will M. Culwell, pastor of the Methodist Church here. The double ring ceremony was used.

Mr. and Mrs. Frank Mikesell of Amarillo attended the couple. Others viewing the ceremony were John Koeninger and Miss Dixie Quisenberry.

The bride wore a navy blue suit with white accessories and carried a corsage of white carnations. For something old she wore a pin which had belonged to her mother. She is the daughter of John Koeninger and attended the Hedley schools.

The groom is the son of Mr. and Mrs. Cummings of Dallas. He is a veteran of World War II.

Mr. and Mrs. Roy Jewell, Mr. and Mrs. Paul Dishman, Mr. and Mrs. V. C. Hopson and children were guests of Mr. and Mrs. Flip Breedlove at the Clarendon Country Club pheasant barbecue Tuesday night.

Mr. and Mrs. R. D. Wigginton and daughter Sherry of Dallas spent Tuesday with Mrs. J. C. Hill.
