## Ex-Senior Banquet

A group of 52 Ex-Seniors and guests enjoyed the annual banquet for graduates of Hedley high school last Saturday night at the Lions Den.

After the usual bountiful meal, officers for next year were elected. They were R. A. Shaw president, J. M. Dickson vice president, and Ida Lou Dickson secretary.

A very entertaining program of skits, songs, etc., was arranged by Myrtle Reeves. Those taking part were Winfred Doherty, Jake Roberts, Don Springer, Pat Murray, Jane Mosley, Joan Youree, Letha Moss, Carolyn Reeves, Noriene Gibson, Mary Ann Brumley, Jack Moreman, Barbara Johnson, Helen Sanders, Allan and Don Cope and Myrtle Reeves.

The Ex-Seniors especially appreciated the use of Bob Harris' colored lights, which added a great deal to the program.

## LEGION NEWS

Attending the 18th District American Legion convention at Hereford last week end were Obe Holland, Roy Bevers, Herbert Whitfield, Clifford Johnson and Wayne Latimer of the local Legion Post and Mrs. Wayne Latimer, Auxiliary President.

The Hedley Post reported 107 members for 1953, already paid in, which exceeds their quota by 2. The strong membership gives Hedley 6 votes, and the post is now after 25 more members in order to have 7 votes in district and state affairs. The next convention will be at Shamrock in April or May.

## Xmas Show at Theatre

A free morning show of cartoons and stage fun has been scheduled by Bob Harris at the Hedley Theatre for Saturday, December 13. Doors at the Theatre will be opened at 9:15 AM and the show will start at 9:30. No admission will be charged and youngsters entering will be given prize coupons for toys to be awarded from the stage similar to last year's show.

In the event there is not enough room for the youngsters a second free show will be held at 11 AM.

Gerald Whatley and family of Paducah spent Sunday in the Ed Morton home.

## Harvest Festival

The Harvest Festival Program put on by the Hedley Schools last Thursday night was viewed by a large and appreciative audience. Letha Moss, Senior candidate, was crowned Queen of the Festival by her escort, Johnny Brumley in the impressive coronation ceremony.

Patsy Alexander, 4th Grade candidate who received the most votes in Grade School, was crowned Princess Royal by her escort, Billy Maddox. The candidates from the other grades were introduced along with their escorts by the announcers, Bobby Jones and Jack Quisenberry. Don Cox acted as herald and Jane Mosley was the pianist.

Following the crowning of the Queen and Princess Royal an entertaining program was given as a command performance, in which boys and girls from almost every grade took part. The program featured such typically American numbers as folk songs, square dancers, Indians, negroes, Puritans and cowboys, as well as the patriotic theme.

The crowd lingered awhile after the program to buy the various foods which were on sale, and to visit with one another.

## Cherry On Manchester

Aubrey Lee Cherry, son of Mr. and Mrs. T. J. Cherry has been assigned Electronics work aboard the USS Manchester now in training stages at the Navy Base in San Diego, California.

Aubrey Lee is currently on leave of absence from his position of Assistant Manager at the Hedley Theatre. He joins his brother Lynn also stationed on the Manchester.

Ruben Johnson suffered a painful eye injury Friday afternoon at the Palmer Motor Co. in Clarendon, where he is employed. A large amount of acid was splattered in his eye. He is under treatment now and is reported some better.

## Card of Thanks

I thank each and every one who remembered me Thanksgiving, Mrs. Clyde Stone, Mr. and Mrs. W. P. Doherty and the Baptist Church. "Blessed is he that remembers the poor." God bless each and every one of you.

J. W. Vaughn

## Hedley Citizens Urged To "Share Christmas"

Many towns are adopting the "Share Christmas" theme this year. One way we can share our Christmas is by outdoor and window decorations. The Garden Club, the Woman's Culture Club, and the Hedley PTA are joining in sponsoring a Decoration Contest.

There will be three divisions: 1. Business houses, 2. Homes, and 3. Schoolrooms. These three divisions will be judged by disinterested parties on December 22. Awards will be made to 1st, 2nd, and 3rd place in each group.

Everyone is urged to participate. There will be no entrance fee; simply leave your name with one of the following: Mrs. Leon Reeves, Mrs. Winfield Mosley, Mr. Frank Murray, or Mrs. Ray Moreman.

Plans are being made to arrange transportation for elderly people or anyone not having a car to be taken on a tour of the City during Christmas week. A tour of the school rooms will be made after PTA meeting Monday, Dec. 22.

Let's renew our faith in the Christmas spirit by entering into this phase of a "Share Your Christmas" theme.

Steve Davis of Dumas and Adrian Youngblood, both students at Texas A&M, were in Hedley for Thanksgiving.

Mrs. Hoyette Hodges of Lockney visited her mother, Mrs. Jessie Kyser and sister Mrs. Claude Bain Saturday and Sunday and attended the annual homecoming and Ex-Senior banquet Saturday night.

Glyndon Cherry and family were here from Amarillo last week end.

Chas. N. Johnson began work as coach in the Sunray high school Monday.

Mr. and Mrs. Richard Gilbreth and son of Hereford visited here over the week end.

Mr. and Mrs. Gene Davis of Amarillo visited here last week end.

H Stewart of Cornersville, Tenn. has been visiting home folks here.

Mike Thornberry visited here last week end from Iowa Park.

## LIONS ROAR

"The Story of a Main Street Merchant" will be shown at next week's meeting of the Lions Club. This is a film that every Lion and every merchant will need to see. The good Methodist ladies of Hedley will feed us at 7 PM.

Director's meeting is called for this week and probably another one the third Thursday. No regular meeting will be held the fourth Thursday as it is Christmas Day.

The film "World War Two in Seven Theatres" was shown at last week's meeting. Some forty Lions and their guests saw this good show, thanks to Master Sgt. Clyde Thomas and Lions Rains, Owens, and Barney Johnson in charge of the program.

## 1953 Cotton Festival In Planning Stage

Hedley Lions Club president Carl Morris announced this week the clubs board of directors had voted to make the 1953 Cotton Festival bigger and better than this year's. Official dates were tentatively set for October 9 and 10, which falls on a Friday and Saturday.

While this year's Festival was no where near the planned size it was both publicity wise and financially a huge success, and Hedley Lions were enthusiastic about next year's Festival with promises already coming in for newer and larger exhibits, grand parade entries, etc.

Morris reminded Hedleyites that the Festival is a community affair even though sparked by the Lions Club in cooperation with the Booster Club. "Every man, woman, and child in town will have to start planning participation now if we are to grow in scope," said the Lion official.

## Scout Christmas Party

Members of both Scouts and Explorer units in Hedley will be treated to a Booster Club Christmas party in their honor Friday night in the Legion Hall.

All scouts are urged to wear their uniforms and to bring an exchange gift. Refreshments will be served and following the party all members will be admitted to a free show at the Theatre.

### B. W. M. U.

The ladies of the Baptist WMU met at the church Monday, observing a program both morning and afternoon on Foreign Mission, the topic for the day being "Lovest Thou Me; Feed My Sheep."

The devotional for the morning was brought by the leader, Mrs. Simmons, followed by prayer and the hymn, "O Come All Ye Faithful." Several interesting topics on the accomplishments and needs of our foreign missions were discussed by Mesdames Horace Cooper, Bain, Sims and Carlton. The program was closed for the morning with moments of meditation led by Mrs. Jones.

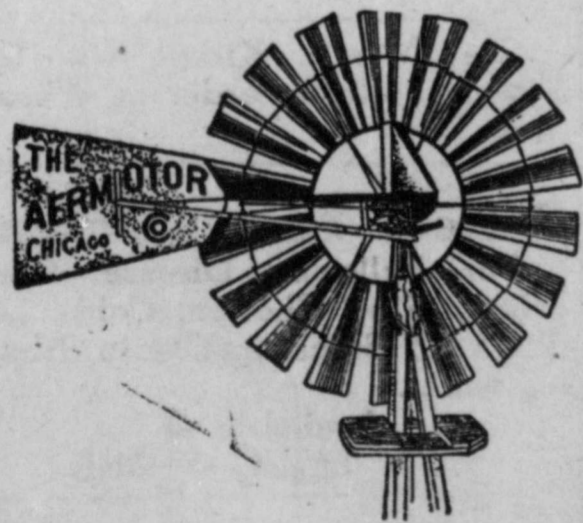

The afternoon program was under the leadership of Mrs. Jones, who brought a most inspiring devotional, followed by prayer and the hymn, "Hark the Herald Angels Sing." Topics under discussion for the afternoon were brought by Mesdames Charles Rains, Alewine, Morton, Wade and Nash. The afternoon meeting closed with Moments of Meditation.

A covered dish luncheon was enjoyed during the noon hour. Our president, Mrs. Carlton, presided during a short business session, at which time several plans were made for our work during the holidays. An offering for foreign missions was taken at the close of the meeting.

### Harris To Celebrate First Anniversary

While the Hedley Theatre has been serving Hedley for more than five years, Manager Bob Harris has set aside December 15th for a celebration of his first year in Hedley.

Harris assumed operation of the Hedley on December 15, 1951, and many improvements have been made at the Theatre since that time. The Theatre's staff has been active in civic affairs throughout the year, and Harris announced plans this week for an extensive celebration on Monday, December 15th. The show will feature a non-advertised Hollywood Premier on its birthday night, and the first show at 7 PM will be open to a selected list of invited guests.

At 9 PM the doors will be opened to the general public with no admission charged to view the special feature.

**KIDNEYS  
 MUST REMOVE  
 EXCESS WASTE**

When kidney function slows down, many folks complain of nagging backache, loss of pep and energy, headaches and dizziness. Don't suffer longer with these discomforts if reduced kidney function is getting you down—due to such common causes as stress and strain, over-exertion or exposure to cold. Minor bladder irritations due to cold, dampness or wrong diet may cause getting up nights or frequent passages.

Do you know  
what's between  
here  
and here ?

Let's follow your physician's  
prescription into your pharmacist's  
compounding room . . .

The pharmacist's first act is to  
carefully interpret the prescription—  
check its signs and symbols to make  
sure of their precise meanings. *Your safety  
is his legal responsibility.*

That done, he assembles the necessary  
components for your prescription from the  
thousands of drugs he has in his stock. He  
knows them all intimately—their dosage, usage  
and properties.

Then he skillfully uses his specialized equipment  
to weigh, mix, or combine the ingredients of your  
prescription in strict accordance with your physician's  
specifications.

He checks and rechecks every ingredient he uses, and  
every step in his compounding technique. Instructions are  
confirmed, and directions stated on the label in such a way  
that no misunderstanding will occur. Finally, he registers your  
prescription by number and files it away for future reference.

He prepares simple mixtures as meticulously as he does the  
highly complex ones. In filling every prescription, he applies the  
technical skill and professional knowledge that have been acquired  
through many years of scientific training. As a member of one of  
the professions that help you guard your health, he is ever mindful  
of his responsibility.— *Reprinted from a copyrighted advertisement published by Parke, Davis & Company, Detroit 32, Michigan.*

 What about this, Bobby J. and
