Hurshel Ellis Killed

His many Hedley friends were shocked and grieved this week to learn that Hurshel J. Ellis was killed last week end in a plane crash. He was in a patrol squadron based on Okinawa, but we were unable to learn whether the crash was due to enemy action or to a faulty takeoff.

News of Service Men

Seoul, Sunday, Feb. 1—The Reds' best ice-free harbor at Wonsan on the Korean East Coast, paralyzed by the longest siege in U. S. naval history, was blasted all day Saturday by 16-inch guns of the battleship Missouri and swarms of fighter-bombers from three aircraft carriers.

The Navy described the port after its countless poundings as "a blackened mass, marked only by columns which formerly were the smokestacks of busy industrial plants."

Two U. S. destroyers also joined in the Navy's first big joint air-sea attack on the big supply and communications center since last April Wonsan has been under naval siege since Feb. 16, 1951.

One of the three carriers engaged in the operation was the Philippine Sea, on which is a Hedley boy, Billy Gene Tate, son of Mr. and Mrs. John Tate.

Ft. Campbell, Ky.—Pvt. Floyd L. Jenkins, son of Mrs. W. A. Jenkins, Box 687, Hedley, has been assigned to "B" Battery 89th Field Artillery Battalion of the famous 11th Airborne Division stationed at Fort Campbell, Ky. for his basic military training.

SFC Lloyd D. Leeper who has been visiting home folks had as a week end guest Sgt. Jerry Matthes of Portales, N. M. Both boys are being transferred to Camp San Luis Obispo, Calif. for Signal Corps training.

Hedley Opens Door For Lions in '54

Members of the Hedley Booster Club voted unanimously this week to support the bid of Hedley Lions for the 1954 International Lions Club Convention! Such features as "outdoor hotels" and "free flowing milkshakes" will be publicized at the State Convention at Borger this June. The entire scheme of course is designed to attract international attention to Hedley in behalf of the Second Annual Cotton Festival slated for Oct. 9-10 this year. The idea has snowballed from a joking remark made at El Paso during last year's convention into a movement supported by Lions Clubs throughout the Panhandle.

Boosters also voted to adopt associate members among the merchants of Hedley offering them the services of a Better Business Committee. Many out of town solicitors have been plaguing local merchants. Under the new Booster Club plan associate members will not be allowed to contribute money or subscribe to services unless the solicitor is first investigated and issued a Booster Club recommendation card.

Boosters will meet Tuesday at noon in the Lions Den. Regular noon luncheon meetings will be held every Tuesday from here on. Mrs. Clyde Bridges was given the contract for dinners for the club.

LIONS ROAR

Next week is regular Lions Club meeting. District Governor Milton Morris of Canyon will visit the club. There is a possibility that the meeting may have to be put off until Friday night if the District Governor can't make it on Thursday night.

Three new members were added to the club during the membership contest. Nice awards will be given to Lions Otis Owens, Bob Harris and Clifford Johnson who brought in the new members. Boss Lion Morris will also receive an award for the clubs participation in the contest.

Out of town visitors for last week's Ladies Night were Mr. and Mrs. Dub Nelson and H. C. Presler of Childress.

Mr. and Mrs. J. E. Blankenship visited in Clarendon Saturday.

The biggest in town!

C Five cents worth of electric service... it's the biggest nickel in town... and it buys lots of service... comfort and entertainment. For example, here's what 5¢ worth of electric service can do for your family:

- A penny's worth makes toast for all your family for three meals...
- Another penny swishes clean three tubs of laundry
- A cent's worth of electric service vacuums six large rugs...
- Then there is enough left out of the nickel to furnish refrigeration for the family's food for hours

- AND
- Bring you and your family an evening's radio or recorded entertainment!

Where else could the average family get so much value for one small nickel... a nickel that's now worth only 52% of its 1939 value, but a nickel that buys 17% more electric service than it did 14 years ago?

Let your local electrical appliance dealer show you how easy it is to put electric servants to work for you.
