

# The Hedley Informer

VOL. 43

HEDLEY, DONLEY COUNTY, TEXAS, FEB. 27, 1953

NO. 17

## TV Coming---Maybe

There will be two television stations in Amarillo, both on the air within the next few days with test patterns. That is, a signature photo or diagram will be broadcast to enable television dealers to adjust sets and tune them up ready for program broadcasts. Hedley has three such dealers already. Moffitt Hardware offers RCA, Zenith, and GE sets, Bob Harris offers Motorola, Sylvania, Arvin, and Olympic sets, and Hedley Lumber Co. offers Emerson TV.

KFDA-TV on channel 10 will be Hedley's most receptive station for several months due to the fact that KGNC-TV on Channel 4 is going on the air with greatly reduced power and a temporary tower. It is doubtful if under these conditions that they will put a satisfactory signal into Hedley. KFDA-TV however will offer a wide variety of local and network programs for TV viewers. Network shows will come from motion picture film to start with, and transcontinental TV cable programs will be available about May 1. KGNC hopes to go over to permanent installations about May 15 which will make them the most powerful station, transmitting with 100,000 watts. KFDA-TV will start next week with 56,000 watts.

Two more channels, 2 and 7 have been applied for in Amarillo and industry executives report they will be on the air in early 1954 giving this area four stations from Amarillo and at least one from Pampa.

Television engineers after studying Hedley terrain recommend antenna height of 40 feet above ground and the use of any one of several TV antenna styles. Double Stack Conicals headed the list because of their broad band reception and low cost. Yagi Type were suggested for directional long distance single channel reception, Flying Arrow Type for a combination of both at slightly increased costs.

Television receivers now available come in 17", 21", and 27" screen sizes and range in price depending on style and model from \$179.50 to over \$800.00.

## Mix-Up Tournament

There will be mix-up tournament at the Hedley Gym starting at 6:30

## Hedley PTA

The regular meeting of the PTA was held Monday night at the high school. During the business session the social committee was named to plan the Senior Breakfast; a nominating committee consisting of Mrs. John Nash, Mrs. Ross Springer, Mrs. J. E. Brumley, and Miss Elvaree Moore was named; and a lunchroom committee consisting of Mrs. A. G. Alexander, Mrs. W. P. Doherty, and Mrs. Clyde Gilbreth was also named.

Following the invocation by Supt. Hinds a program on Americanism was given. Mrs. Carroll Deahl gave a very inspiring talk on "What is America?" which was written by Mrs. Frank Kendall two or three years ago. Mrs. Ray Moreman led the Founders Day Observance.

Refreshments were served to about forty members.

The PTA voted to support Senate Bill 24 and its companion bill, House Bill 216, at the meeting held at the high school Feb. 23. These bills and another known as the Governor's Bill are the major educational bills to be considered by the legislature.

The reason for non-support of the Governor's Bill is the clause that calls for the increase of local funds assigned. These funds are to be taken from our local taxes. The increase would be from \$8,256.49 to \$10,091.08 for the Hedley School District.

Write your Senator A. J. Rogers, and your Representative Elbert Reeves asking their continued support of Senate Bill 24 and House Bill 216.

## Public Schools Week

Hedley Masonic lodge is sponsoring the local observance of Public Schools Week, which will be next week, March 1 to 7.

The event will open with a parade Monday morning at 10:30 on Main street, in which the various organizations of the town as well as the entire student body will take part. Several musical numbers will be given.

Everyone is urged to visit the schools during the week.

Friday night the school will hold open house and the PTA will serve refreshments. Arthur B. Morris of Memphis will speak at that time.

PM Thursday, Feb 26, and running through Friday and Monday

## County-District Clerk Walker Lane Dies

Funeral services for Walker Middleton Lane, Donley County Clerk, who passed away last Thursday in a Memphis hospital, were held Saturday from the First Baptist Church at Clarendon by Rev. W. A. Cockerell and Rev. H. E. Scott. Burial was in the Clarendon cemetery under direction of Murphy-Spicer Funeral Home.

Mr. Lane was 46 years of age and was beginning his third term as Donley County Clerk. He had formerly worked as a deputy clerk and had served eight years as district clerk.

He came to Clarendon in 1917 and was a graduate of Clarendon high school and Texas Tech. He was an elder in the Presbyterian Church.

He is survived by his wife and one daughter, Patti Lucille of Clarendon; his parents, Mr. and Mrs. Cap Lane of Clarendon; one brother, Gordon, and one sister, Mrs. Fred Albright, both of Dallas.

## Theatre Announces New Operation Policy

After over 14 months of continuous seven day a week operation the Hedley Theatre will make some drastic changes in show policy on Sunday March 1. Theatre Manager Bob Harris announced the changes following a conference meeting with film exchanges in Dallas last week end. "Rather than increase admission prices to support the operation, we are going to consolidate our playdates into a shorter week and offer the Theatre building to community service at least one day each week," said Harris.

The Theatre will be closed both Sunday and Monday starting March 1. Sunday closing was arranged in cooperation with local churches and the American Legion's "Back to Church" campaign. The Theatre will be available to local groups for their use on Monday nights.

Show policy from March 1 through the spring and summer will be a good technicolor or comedy picture each Tuesday and Wednesday, a top grade Hollywood production each Thursday and Friday, a Western for Saturday matinee and evening, and a special

## Young People to Meet

There will be an Associational Young People's meeting at the First Baptist Church in Memphis Saturday night at 7:30. A group of members of the Hardin-Simmons Life Service Band will have charge of the meeting. All young people are urged to attend.

Four of these young people from Hardin-Simmons will have charge of the services at the First Baptist Church here Sunday morning. The public is invited.

## 'Unusual Features' at Saturday Prevues

As part of the new operation policy at the Hedley Theatre starting Sunday, March 1, a new series of "Unusual Type" Features has been booked to replace the Saturday night Prevues. The new midnight shows will range from ghost stories to hilarious comedy. A great amount of foreign made pictures will be featured including a special series from France. All pictures will be English speaking and for the most part feature Hollywood actors and stars. Tickets for the new series are available each Saturday night after 9:30 at the box office.

A recent picture in a Lubbock newspaper shows Mary Alice Hunsucker as one of an Applied Arts class planning the redecoration of barbecue pits at Mackenzie State Park.

thriller type feature for the Saturday midnight show. A complete list of March programs are contained on another page of this edition.

"We considered every possible way to handle the change," said Harris, "and came up with this solution. It offers Hedleyites just as wide a choice of pictures as ever, including the teen-ager's favorite, the Saturday prevue, and still cooperates with our community. We hope it will meet with patrons approval."

Show starting times will change slightly too. Doors will open at 7:00 PM nightly with the show starting at 7:15 with the second complete show near 8:45. The Saturday matinee will be at 2:00 as usual and tickets for the Midnight Saturday show will go on sale about 9:30 each Saturday night.

Well kids, I finally made it back so guess we'll have to go back a little way and catch up.

Letha M., what's this I hear about your breaking a certain Memphis boy's heart? Could it be because you decided to go with a certain good piano player?

Wanda M., why is it you won't go with any more boys. Could the Senior ring you're wearing, have anything to do with it?

Jane M., you and Don K. are seen together quite a bit now.

Willie O, you and a certain Clarendon boy have been seen together quite a bit lately. Could this mean anything.

Pat P., seems as though you lost a boyfriend and gained one, or did you? Are you really going to give him up that easy?

Tippie R., what's this I hear about your chasing after a certain boy from Groom?

Noriele G., who was your date

Saturday night? Surprising isn't it? Ruby H., I see you have a new boy friend now. What about J.B.? Allen C., I hear you are now going steady. Are things that serious?

When kidney function slows down, many  
 folks complain of nagging backache, loss of  
 pep and energy, headaches and dizziness.  
 Don't suffer longer with these discomforts  
 if reduced kidney function is getting you  
 down—due to such common causes as stress  
 and strain, over-exertion or exposure to  
 cold. Minor bladder irritations due to cold,  
 dampness or wrong diet may cause getting  
 up nights or frequent passages.  
 Don't neglect your kidneys if these condi-  
 tions bother you. Try Doan's Pills—a mild  
 diuretic. Used successfully by millions for  
 over 50 years. While often otherwise caused,  
 it's amazing how many times Doan's give  
 happy relief from these discomforts—help  
 the 15 miles of kidney tubes and filters  
 flush out waste. Get Doan's Pills today!
