Public Schools Week

The local observance of Public School Week being sponsored by the Hedley Masons was officially launched Monday morning by Supt. Hinds in a speech on Main St., immediately following a parade from the school building. Included in the parade were floats entered by various clubs and organizations of the town, members of the Masonic Lodge on horseback, and the faculty and pupils of the school.

Supt. Hinds gave an invitation to everyone to visit the school at anytime during the week. Following his speech the Choral Clubs sang several appropriate numbers.

The week will be concluded on Friday night with a program put on by the pupils in the high school auditorium, at the conclusion of which Arthur B. Morris of Memphis will speak. Open house will be held by the school following the program when everyone will be given an opportunity to visit the classrooms and see the work on display. Refreshments will be served by the PTA.

Carl Bailey Dies

As we go to press we learn that Carl Bailey passed away early this morning (Thursday). Funeral services are tentatively set for 10 o'clock Saturday morning in the Methodist Church here.

School Election Set

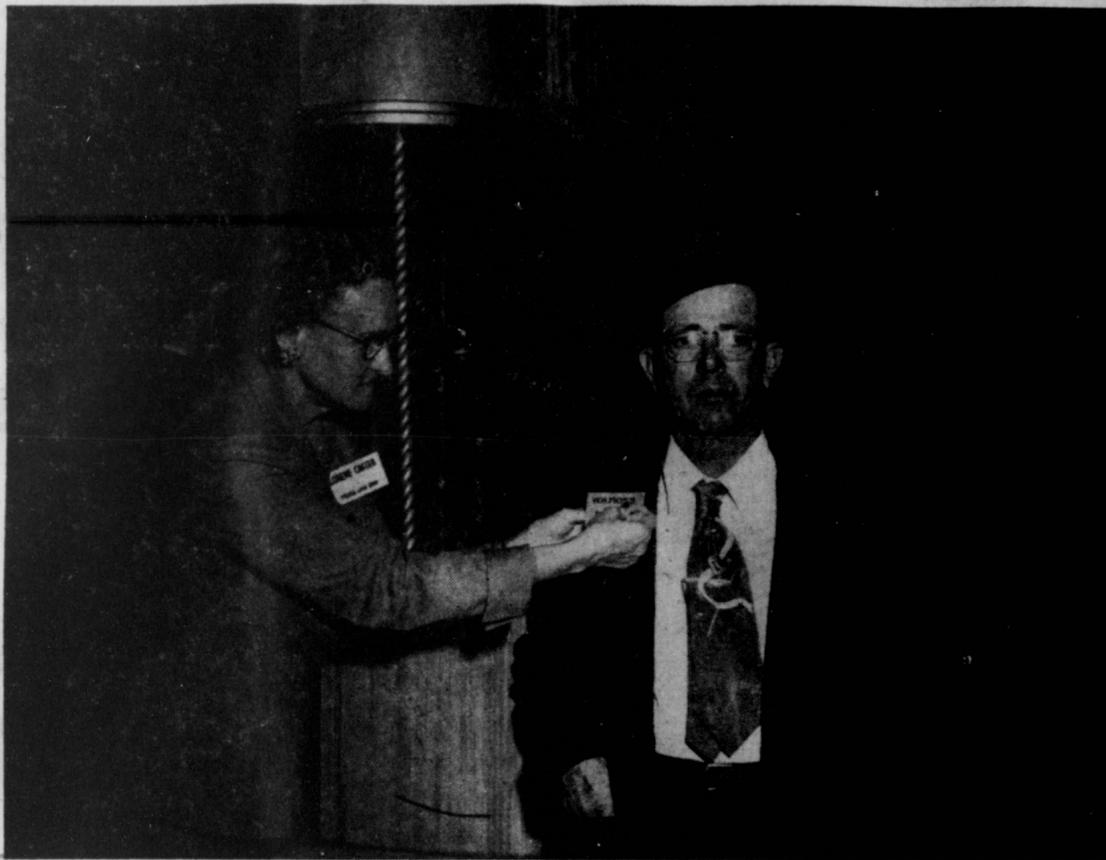

Any citizen of the community interested in serving on the board of trustees is requested to file his name with the board president, Ross Springer, by Saturday, March 7.

The election will be held Saturday, April 4.

Walter Moss Attends NFLA Meeting At Houston

W. H. Moss of Hedley, Vice President of the Donley County National Farm Loan Association, has recently returned from Houston. He was official representative of this association to the 8th Annual Stockholders' Meeting of The Federal Land Bank of Houston held on Feb. 19 and 20.

He reported that the bank made the largest volume of farm mortgage loans to Texas farmers and ranchers in 1952 than any year since its organization in 1917, with one exception. This exception was in 1934 during the depression period.

Officers of the bank stated during the meeting that the 1953 volume of loans promises to exceed that of 1952 if the first six weeks of this year can be used as a guide. It is also anticipated that many loans will be made during the year for the purpose of financing the restocking of ranches and stock farms with livestock.

The increased demand for loans has been brought about, according to Mr. Moss, for several reasons. The primary reason apparently is the fact that the average net cost of Land Bank loans is probably lower than that of any other mortgage lender in the State. Also many short-term loans, created by reason of the drought throughout much of Texas, are now being refinanced on a long-term basis on account of

the opportunity of reducing the rate of interest on these loans which can be repaid at any time without penalty.

The Federal Land Bank of Houston is completely owned by the 141 Texas national farm loan associations. The associations, which are owned by local farmers and ranchers, in turn own all of the capital stock of the bank. Mr. Moss feels that in as much as the loan services of the bank are handled in the field by these associations, it is having a marked influence on this increase in volume of business. Under such a plan, local people do business with home folks who understand local conditions and personally know the people with whom they are doing business.

The local association is located in the Mulkey Theatre Bldg. in Clarendon. The officers and directors of the association are as follows: J. R. Gillham, president; W. H. Moss, vice president; C. B. Morris, director; F. J. Hommel, director; Alva Simmons, director; Rayburn L. Smith, secretary-treasurer; and Mrs. Juanita Phelps office assistant.

Mr. and Mrs. Melvin Jones are the proud parents of a fine little daughter born Feb. 27 named Pamela Kay and weighing 5 lbs., 6 oz.

Games Night

A Games Night featuring Canasta and 42 will be held Monday night, March 9, in the School Lunchroom. Pie will be for sale to be served with free coffee. Proceeds go to the lunchroom fund to buy much needed equipment. Everyone is urged to come out for an evening of fun.

Red Cross Drive

The annual fund raising drive of the Red Cross began this week with Donley County's quota set at \$1715. The local chairman for the drive is Hobart Moffitt and the county chairman is Kelley Chamberlain. The Red Cross is asking greater financial support this year in order to finance its work with gamma globulin which prevents paralysis from polio. Workers will try to contact everyone, but if you are missed leave your contribution at the Bank or Moffitt Hardware.

County Clerk Named

The Commissioners Court this week appointed Mrs. Helen W. Churchman as county and district clerk to fill out the term of the late Walker Lane. Mrs. Churchman named Mrs. Walker Lane as deputy clerk.

Legion Auxiliary

The Legion Auxiliary, who are observing Community Service Month, met in a regular meeting March 3 at 8 PM. A very instructive meeting was enjoyed by those present.

The meeting was opened by the president and the preamble was repeated in unison. During the business session Mrs. Bobbie Dishman was appointed as our Cancer Chairman. Our project for this month will be the needy families of our community. The Auxiliary voted to attend the Hedley Public School Open House 100% Friday night, Mar. 6th. The committee in charge reported that we had a very nice float in the school parade. Plans are under way for a big American Legion party March 17 celebrating their 35th birthday. Games and refreshments will be enjoyed by all. Legionnaires, come and bring your wife or sweetheart; Auxiliary members, come and bring your husband or your sweetheart. Our party committee includes Mesdames Edythe Valance, Myrtella Deahl, Wanda Fay Crawford and L. Bevers

A very good and instructive paper on "The Great Need of an Active Auxiliary Now" was given by Mrs. Pie Adamson. She said the purpose of the Legion Auxiliary is "To aid the American Legion in carrying out the great program of peace and service to which the Legion is dedicated."

Rob Simmons and family of Deming, N Mex., visited here last week end.

Winfred McPherson and family were held last week end from Amarillo.
