At Last It Rains

Citizens of this area are jubilant over the fine rain last Saturday night, about 2½ inches falling here, Memphis and some other points suffered some wind and hail damage, but we heard no reports of damage in this immediate area.

LIONS ROAR

The Lions Club annual steak fry was a huge success this past Thursday with approximately thirty Lions being present. There was an abundant supply of steak and plenty of french fried potatoes. Last report was that no one left the Lions Den hungry.

The Lions will meet early this week in order that those who wish to attend church services may do so. Meeting time will be 7:00 P. M. Church services begin at 8:00 so that will give everyone time to attend both the Lions meeting and Church. Lions Carl Morris and Bob Harris promise a good program. The Lelia Lake ladies are preparing the meal.

Trash Haulers Warned

Some persons have been hauling trees out of town and dumping them on the railroad right-of-way.

Mayor C. H. Reid stated this week that the railroad allows the city to use the road on the right-of-way provided no trash is dumped there, and that anyone hauling trees or other trash out of town should haul it all the way to the city dump, or the city may lose the right to use this road.

LEGION NEWS

The Legion broke their all time record of memberships this week when they signed up the 122nd member for 1953. The aerial round up of memberships will close this week, and several other members are hoped to be added. Wayne Latimer is a member of the round up committee and hopes to be able to fly the memberships to Austin Saturday.

Next Tuesday night is regular meeting night. A free supper goes with the meeting. All Legionnaires are expected to attend. Delegates to the convention at Shamrock April 18 will be chosen and other business taken up.

Hedleyans Entertain At Veterans Hospital

Approximately 35 Hedleyans journeyed to the Veterans Hospital in Amarillo Monday night to entertain wounded veterans with an amateur stage show. Under the sponsorship of the Legion Auxiliary the show was directed by Miss Myrtle Reeves and is about the same unit that has been gaining wide spread popularity following shows throughout the Panhandle. The group was well received by the veterans and reports later indicated it was of the most thoroughly enjoyed shows yet performed there.

Among the top acts was a piano duet with Letha Moss and Dempsey Archer. Barbara Johnson was rated tops in her performance of Jezebel, as was Nancy Stuke's tap dancing and the excellent numbers of Don and Susan Cox. Naturally Cottie Gibson's portrayal of "Minnie Pearl" was the comedy sensation of the act, and the Cope boys with Mrs. Gibson and Sam Sanders in "Little Nell" brought howls of laughter from the crippled veterans. Song styles by Joan Youree, Carolyn Reeves, Noriene Gibson, and Jane Mosley were beautifully done and Joan Ray Mereman received a tremendous ovation for her piano solos. Many other Hedley young people did outstanding jobs of making the show a success. Bob Harris acted as emcee.

A similar routine will be shown at the High School this coming Monday night for the benefit of the School Lunch program, and the public is urged to see this outstanding talent show.

School Election

In the school election Saturday, Ross Springer and H. B. Usrey were re-elected trustees without opposition.

Election of the county trustee must be canvassed by the Commissioners Court, and we did not learn definitely whether W. W. Wiggins or Quinn Aten was elected to this post.

Ivan Jones and family of Amarillo visited here Sunday.

Frank Vallance and family of Bullenton, Calif., are here visiting with his brother and wife, Mr. and Mrs. Dutch Vallance.

Fire Siren Signals

Hedley citizens are reminded again of the use of the fire siren in emergencies. One blast of the siren indicates a fire, two blasts is to call the department together for a meeting, and three blasts means an approaching storm cloud. The three blasts does not necessarily mean a cyclone, but is to notify everyone of clouds which appear possibly dangerous.

Please learn the correct signals instead of swamping the telephone office with phone calls.

Revival Meetings

The Nazarene, Methodist and Baptist Churches, who are conducting simultaneous revivals, have all enjoyed good attendance this week, and the several inspirational services each day have been of great spiritual benefit.

Each day is begun by the men's breakfast at 6:15 AM. in the basement of the Methodist Church. The morning services are held at each church at 10:00 and a chapel service is held at the school at 11 AM. Prayer services at each church is held at 7:30 PM. and evening services at 8:00.

The evangelist for the Church of the Nazarene is Rev. J. W. South of Colorado Springs, and the song leader is the pastor, Rev. R. E. Zell. The Baptist evangelist is Rev. Chester O'Brien of Wellington with Rev. Alvin Hamm of Quitaque leading the singing. Rev. A. A. Kendell of Canadian is the Methodist evangelist and the pastor, Rev. W. M. Culwell is song leader.

These revivals will close Sunday and everyone is urged to attend the few remaining services.

City Election

Only 36 votes were cast in Tuesday's city election, in sharp contrast to the big turnout a year ago.

C. H. Reid was elected Mayor, and R. M. Saunders and Robert Bailey were elected aldermen for two years. J. F. Mann, Ansil Adamson and H. Mobley were elected aldermen for one year.

Hedley Riding Club

The Hedley Riding Club will not have a meeting at McKnight this Friday, due to the revivals in town.

Television News

The Informer has watched history pass through the years in and around Hedley and now a new baby has come and by the looks of things is here to stay. Television, the combination of pictures and sound in your own living room! Hedley is apparently centrally enough located to reap a harvest of new stations now coming on the air. Simply by spinning your antenna around to beam you will be able to receive the two existing Amarillo stations, WKY TV in Oklahoma City, KFDX TV and KWFT TV in Wichita Falls, KSWO TV in Lawton, KDUB TV in Lubbock, and future stations in Pampa and Borger, and perhaps a third station in Amarillo.

Up to now all nearby stations have not had enough power to put a satisfactory signal into Hedley. Now however KFDA TV has completed over a week of exhaustive equipment tests and is operating on full power of 56,500 watts from Amarillo. Reports indicate an extremely satisfactory night time signal here. KGNC TV is currently operating on Interim power of 2000 watts and is still being received in the rural areas very nicely due to their preference Channel number 4. They are rushing completion of studios and transmitter to increase to a full 100,000 watts some time early in May. KGNC was forced on the air with reduced power by an FCC time limit order on construction of their station.

It used to be a problem to keep the kids home nights. Now it looks like trouble in getting them out once in a while.

Easter Egg Hunt

The Easter egg hunt sponsored by the Hedley Riding Club, which was scheduled for last Sunday on the Oscar Moore place, will be held this coming Sunday. The hunt was postponed from last Sunday due to bad weather.

Boy Scout News

The Scouts will attend the spring Court of Honor at Wellington Friday night. They plan to leave here at 6 PM. All scouts are supposed to be in as near full uniform as possible.

Sam Owens Jr. and family visited here from Amarillo over the week end.

When kidney function slows down, many folks complain of nagging backache, headaches, dizziness and loss of pep and energy. Don't suffer restless nights with these discomforts if reduced kidney function is getting you down—due to such common causes as stress and strain, over-exertion or exposure to cold. Minor bladder irritations due to cold, dampness or wrong diet may cause getting up nights or frequent passages.

While often otherwise caused, it's amazing how many times Doan's give happy relief from these discomforts—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

McKnight Quilting

On Wednesday, April 1, Mrs. Lola Wilkinson was hostess at the McKnight quilting. Four beautiful quilts were quilted. At the noon hour a bountiful lunch was enjoyed.

The afternoon was highlighted by a shower for Mrs. Wilkinson, who will soon be moving from our community. We all regret to lose her, as she is one of our faithful quilters.

Later in the afternoon Mrs. Orvie Hartman sponsored a Stanley party, with Mrs. Lucille Ables of Memphis demonstrating Stanley products. One of the attractive features of the afternoon were Paula and Pamela Langley, twin granddaughters of Mrs. Mary Clay.

We enjoyed a busy but pleasant day. The following were present; Mesdames Irene Gray, Billie Oatman, J. E. Murdock, Orvie Hartman, Ethel Oatman, Maggie Lou Tate, Myrtle Tate, Marguerite Nivens, Hester DeBoid, Rexie Word, Eva Hill, Gladys Howell, Doris Wilkinson, N. E. Youree, Leon Kennedy, Lillie Messer, Mary Harrison, Dorothy Messer, Mary Clay, Virgie White, Avyrilla White, Ted Tidwell, T. N. Messer, Peggie DeBord, Joe Miller, Marylin Cason and daughter, Lucille Ables and the hostess Mrs. Lola Wilkinson. We all missed Mrs. Mable Bridges, who could not be with us, on account of illness in her family.

We quilt every Wednesday at the McKnight school house. Everyone is welcome.

Some people go years without much attention to health. Others may need the Doctor on hand to start the day—every day. Between these two extremes are great numbers of thinking people caring for their health in an orderly manner.

They see their Doctor at regular intervals for guidance. They take the medicine he prescribes according to direction. They report unusual symptoms promptly. Variety Show

The Hedley PTA will sponsor a variety show arranged by Miss Myrtle Reeves on Monday night, April 13, for the benefit of hot lunches for underprivileged children.

There will be plenty of food, with the eats beginning at 7 o'clock, and the excellent program starting at 8:00.

Admission will be only 35¢ and 15¢, so come out and help a very worthy cause.

Formal dresses are often needed for grade school ages and up. If there are any formals in your home which are outgrown, please bring them to the West Texas Utilities office and they will be put to good use.
