## New Year's Message

REV. W. M. CULWELL

A Daily Rate of Living for Every Day, Text: II Kings 25:30

(Continued from last week)

4. Daily Gratitude: Psalms 68:19, "Blessed be the Lord who daily loadeth us with benefits."

4. Daily Vigilance: Heb. 3:12-13, "Take heed breathing, lest there be in any of you an evil heart of unbelief in departing from the living God, but exhort one another daily, lest any of you be hardened through the deceitfulness of sin."

6. Daily Cross Bearing: Luke 9:23, "And he said unto them, if any man will come after me let him deny himself and take up his cross daily and follow me."

7. Daily Sanctification: I Cor. 15:31, "I die daily." It is a daily growth, daily dying unto sin, daily living unto holiness, day by day made more fit for the Master's use, day by day better prepared for heaven.

8. Daily Strength: Deut. 33:35, "As thy days, so shall thy strength be."

9. Daily use of the Bible: Acts 17:1 "These were more noble than those in Thessalonica in that they received the Word with all readiness of mind and searched the scriptures daily whether those things were so."

5. Daily Ingathering of Believers: Acts 2:47, "And the Lord added to the church daily such as should be saved." Acts 16: 5, "and so were the churches established in the faith and increased in number daily."

As we face the new year of 1954, knowing not what it holds in store for us, or whether we shall see its close, we couldn't do a better thing than to incorporate this daily type of religion into our profession and practice. For the sanctification of the daily life means the sanctification of the whole life. So let us go out to live daily for God. "For he who lives his daily life for God, will live it forever above with God."

Mr. and Mrs. John Bavousett of Fabens and Martha Heckinger of El Paso were visitors in the T. J. Cherry home last week. Mr. Bavousett is a business associate of Theatre manager Bob Harris.

R. W. Scales visited in Lubbock Thursday.

## Farm Bureau News

The directors of the Donley Co Farm Bureau held a meeting in Clarendon on Jan. 5 with president Henry Moore of Hedley presiding. O. K. Hoyle and Mr. Allen of the State Farm Bureau Board attended and assisted the directors in mapping their plans for a spring membership drive. It was decided to have a dinner in April just before the drive. Lee Shaller, secretary of the directors, discussed the community drives and how to select men to assist in the communities.

The directors voted to rent cabins at Amarillo for both 4H and FFA Club boys to stay in during the Amarillo Fat Stock Show in February as they did last year.

Fifteen directors attended the meeting. The board meets the first Friday of each month.

## LIONS ROAR

At this week's meeting of the club sides will be chosen in the Melvin Jones membership contest which ends Feb. 1st. The club now has only 43 active members and about 33 of them have 100% attendance, but some new members are needed and the only way to get new members is to ask them.

A committee which has been appointed to raise funds for the Lions Crippled Children Camp, will be announced at this meeting. The local club helped the Amarillo Club raise \$1500.00 for this project last fall. Maybe we should do something through our own club.

## Wins Contest

The Fire Prevention contest for Junior Fire Marshall started during Fire Prevention Week was so close that judges have just now decided the winner.

Johnie LeCroy won first place with 15 acceptable fire prevention points, Mary Baker was second with 14 acceptable fire prevention points and an extra good composition, Winston Johnson was third with 14 points, and Don Cox fourth with 12 points.

Johnnie is to meet with the Fire Boys Monday night at the City Hall and receive his badge as Chief Junior Fire Marshall from Fire Chief R. M. Saunders.

## Hedley P.-T. A.

The PTA will hold its regular meeting next Monday night, Jan. 18, with the theme, "The PTA Keeps Faith With America"

Miss Eudora Hawkins, home economist of the West Texas Utilities Co will be guest speaker, and all members are urged to come out and hear her.

Mrs. Ray Moreman will be leader for the program, and music will be furnished by the Choral Club. Hostesses will be the Third Grade mothers.

Everyone is asked to bring custard cups, to have a custard cup shower for the lunch room.

## Legion Auxiliary

The Auxiliary met Jan. 5 with nine members present.

The pledge to the flag and the preamble was repeated by all following the opening of the meeting by the president, Mrs. Kathryn Latimer. Prayer was led by Mrs. John Tate.

Mrs. Lavonia Swinney gave a report on the program taken to Amarillo in December for the entertainment at the Veterans Hospital, and we wish to say thank you to Miss Myrtle Reeves and those who took part in this project.

We only have 19 memberships paid for 1954. A membership drive is to be launched Jan. 12. Please be ready to pay your dues this month if you are eligible. We need you. Our quota is 51.

Our Americanism project is to present small American flags for all grade school rooms during the month of February.

Mrs. Lois Moffitt will have charge of the next meeting, Feb. 2 at 7:30 PM.

## Cherry In Japan

The U S Navy repair ship, the USS Delta is the new home of Aubrey Lee Cherry, son of Mr. and Mrs. T. J. Cherry and former assistant manager of the theatre here. The Delta is presently in Japanese waters and will return to the states some time this summer. Cherry is a graduate of the Naval School of Electronics on Treasure Island in San Francisco. While there he captained the championship navy drill team and won nationwide honors.

Atlee Reeves underwent an operation in San Francisco this week.

## Harris To Continue Theatre Here

Theatreman Bob Harris announced this week plans to continue operation of the Hedley Theatre in its present location for at least the balance of 1954. Plans to close were discarded in favor of fighting for the future that Hedley has in view with prospects of the new dam and better crops.

Some changes in operation will be necessary even though it affect our patrons somewhat, said Harris. Starting March 1 and thereafter the "Club Nites" will be extended to Tuesday, Wednesday and Thursday with the same picture showing all 3 days. Friday will be bargain night with admissions greatly reduced for that one night only.

Hedley is the last theatre town in Texas to adhere to the 9 cent children's admission, and effective January 14 with the showing of "Johnny the Giant Killer," children's admissions must be increased to 15 cents. Adult prices will remain at 40 cents in comparison to from 50 to 70 cents elsewhere throughout the Panhandle. Starting this Thursday night Adults 40 cents, children 15 cents.

Continued improvement of the Theatre's operating equipment will be made and a wider variety of picture styles will be booked for Hedley entertainment.

Mr. and Mrs. Cherry who have been operating the Theatre the past six months will remain on the staff according to Harris.

## Salt Fork Dam News

The Steering Committee of the Greenbelt Municipal and Industrial Water Association will meet at the REA Office in Memphis next Tuesday night, Jan. 19, at 7:30 PM. This committee is made up of two representatives from each of the seven cities interested in the contemplated dam on the Salt Fork of Red River north of Hedley. Local representatives are Ansil Adamson and Carl Reid. Cap Morris of Clarendon, President of the association and Clifford Johnson of Hedley, Secretary also plan to attend.

It is hoped that an agreement can be made at this meeting where a go ahead sign can be given to the engineers and bonding companies interested in the project.

**Mrs. Stewart Honored**

Mrs. Paul Stewart, formerly Miss Louise Dodson, was honored with a miscellaneous wedding shower Wednesday afternoon, Jan. 6th, in the Fellowship Hall of the First Baptist Church. Hostesses for the afternoon were Mesdames B. C. Johnson, W. H. Moffitt, Otis Owens, John Nash, A. T. Simmons and M. L. Sims.

The guests were greeted on their arrival by Mrs. Sims and names were registered in the bride's book by Mrs. Owens.

The hall was attractively decorated with arrangements of winter flowers and foliage. The tea table presided over by Mrs. John Nash was laid with a lace cloth and centered with red rose buds, sided tall red and white tapers in crystal candle holders. Miss Nancy Nash played several appropriate piano selections during the tea hour.

Later in the afternoon vocal numbers from Misses Noriene Gibson, Joan Youree and Jane Mosley accompanied by Nancy Nash were enjoyed. During the reading of the poem, "I Wish You Joy," by Mrs. Simmons, the numerous gifts were presented to the honoree.

After opening and viewing the useful and beautiful gifts Mrs. Stewart expressed her thanks for everything in a very gracious manner.
