LIONS ROAR

At the regular meeting Thursday night, Jan. 14, Boss Lion R. M. Saunders appointed Lions J. M. Baker, Henry Moore and Rev. W. M. Culwell as a committee for the Lions of Texas Crippled Children's Camp. This committee is to study ways and means for the Hedley Club to raise their quota of \$6.00 per member which has been assessed by the executive committee in charge of the Crippled Children's Camp. Let's get behind this committee and go over our quota.

The Boss Lion also, at the wishes of the club, appointed Lions J. M. Baker, L. D. Messer and Otis Owens to head three groups in our annual membership drive. The following are members of each group:

J. M. Baker, Leader, R. W. Alewine, L. E. Blankenship, Dr. D. H. Cox, Arthell Gibson, H. H. Hall, Roy C. Jewell, O. L. Jones, Ray A. Moreman, Frank M. Murray, Charles Rains, R. M. Saun-

John C. Harris Dies

Funeral services for John C. Harris, Claude rancher, were held Saturday from the Methodist Church there by Rev. W. R. Beard. Burial was in the Clarendon cemetery under direction of Murphy-Spicer Funeral Home.

Mr. Harris, 73, died Thursday at Trinidad, Colo., where he was visiting a son.

He was born in Mississippi and had lived in the eastern Panhandle for many years. He worked for the Rowe ranch before going in business for himself. He had ranched near Claude since 1938. He was a member of the Methodist Church and the Masonic Lodge.

He is survived by his wife, Mrs. Iva Patching Harris; two sons, Vern of Weston, Colo., and Fred of Happy; a brother Bill Harris of Hedley; a sister, Miss Mary Harris of San Antonio, and four grandchildren

Announcement

Due to a new ruling of the Education Agency, school children are now being enumerated in January instead of March.

Supt. J. S. Hinds asks all parents to see that their children are counted, including all who will start next year. Any parent not receiving a blank for this purpose should ask for one at Mr. Hinds' office.

ders, M. D. Shaw and Mike Thornberry.

L. D. Messer, Leader, Jack Brumley, W. M. Culwell, Clyde Grimsley, J. S. Hinds, B. C. Johnson, J. H. Koeninger, W. H. Moffitt, Carl W. Morris, Adell Myers, Leon Reeves, R. W. Scales, A. T. Simmons and J. A. Tollett

Otis Owens, Leader, J. C. Bevers, James L. Chesser, F. A. Finch, W. E. Grimsley, Jay Hunt, C. L. Johnson, Doyle Messer, Henry Moore, M. W. Mosley, C. H. Reid, Jap Shaw, Ross Springer and C. W. Vallance.

Remember the two losing groups treat the winning group to a good meal and here is your chance to make one mealticket besides building our club.

Don't forget about your 100% attendance records. Lots of Lions are on that 100% mark so far, so keep the good work going. Few clubs in the district are ahead of Hedley and we still have a chance at placing on the top flight.

Hedley P.-T. A.

A large group of parents, teachers and patrons were present at the regular meeting of the PTA Monday night and enjoyed one of the most outstanding programs of the year. Miss Eudora Hawkins, home economist for the West Texas Utilities Co., gave most inspiring and thought provoking talk on Americanism. Following her talk she showed a film entitled "The Price of Liberty."

Preceding Miss Hawkins' talk the Junior Choral Club, directed by Mrs. Davenport, sang three numbers, accompanied by Kathleen Spalding at the piano.

A committee was appointed to investigate the needs of the school and make recommendations at the next meeting so that the association may decide how to use funds raised by the PTA Carnival. A collection of \$13.02 was taken to contribute to the March of Dimes.

Cookies, coffee and punch were served during the social hour.

Ever look at your house this way?

Your electric company does!

1940 — This was your house, measured by the amount of electric service you used before World War II.

1949 — You used almost 50% more electric service. So your house seemed to us to be half again larger.

TODAY — You use a lot more electric service — nearly twice as much as in 1940. And all the time you were finding new ways to use electricity for better living, its price was coming down.

1960 — You'll use about three times the electric service you used in 1940. And we already are investing millions of dollars to have it ready for you.

This means that the West Texas Utilities Company and the other electric light and power companies of America are planning and building well ahead for the nation's growing electric future. Their \$10 billion expansion program is the largest

in all industrial history. America's 800 business-managed electric companies prove daily that they can meet the country's electric needs. In view of this, you have the right to ask whether any federal government electric power projects—paid for with your tax money—are really necessary.

PICKETT GROCERY

Giles' Latest Holdup

On Monday night, Jan. 18, what appeared to be a hold-up was only three boys having a little fun. A man stopped to pick up a purse which he supposed someone had lost. A string was hung on the purse and being pulled in it caught on the bridge. The man started to get it and the boys ran out and started to yell. The man thought it was a hold-up and went to Hedley and got the sheriff. The sheriff came down armed with guns. When he saw who it was he explained to the man that they were just having fun. After a lot of convincing the man dropped charges.

I think by now these boys have learned a lesson. They won't play this at night any more. If you don't believe me ask Jack Usrey, Blackie Johnson, and Stanley Bailey.—Reported
