## Citizens Requested Not To Waste Water

Due to the unusually heavy use of water recently during the afternoons and evenings, it has been impossible to keep a sufficient supply of water available in case of fire or other emergency.

Hedley has used more water this week than ever before in its history. There is ample water for all normal uses, but during the hot weather the City is requesting everyone to refrain from unnecessary or excessive watering.

The cooperation of everyone can eliminate any need for water rationing, and will be very much appreciated by the Fire Dept.

**Housework  
 Easy Without  
 Nagging Backache**

When kidney function slows down, many  
 folks complain of nagging backache, loss of  
 pep and energy, headaches and dizziness.  
 Don't suffer longer with these discomforts  
 if reduced kidney function is getting you  
 down—due to such common causes as stress  
 and strain, over-exertion or exposure to  
 cold. Minor bladder irritations due to cold,  
 dampness or wrong diet may cause getting  
 up nights or frequent passages.

Don't neglect your kidneys if these condi-  
 tions bother you. Try Doan's Pills—a mild  
 diuretic. Used successfully by millions for  
 over 50 years. While often otherwise caused,  
 it's amazing how many times Doan's give  
 happy relief from these discomforts—help  
 the 15 miles of kidney tubes and filters  
 flush out waste. Get Doan's Pills today!

During Allan Shivers' Administration more money has  
 been spent for roads than in any other comparable period  
 in Texas history.

For that money Texas added 14,926.10 miles of smooth  
 roads to the state highway system and maintained all  
 roads to keep them safe and sound for you.

Allan Shivers knows the importance of good roads to you.  
 Whether trade-routes that speed goods to market or  
 modern super-highways that make your driving a pleasure,  
 good roads save you time and money.

IN DONLEY COUNTY \$733,431.56 has been spent on  
 roads for you during Allan Shivers' Administration.

You have 100 more miles of roads today than when he  
 became governor.

This means better Farm-to-Market roads, so important to  
 farmers and citizens of small towns.

It means modern, safe highways that make your trips  
 enjoyable and inexpensive.

Texas comes first with Allan Shivers.
