Queen Contest

To the music of "Mighty Like a Rose" eighteen beautiful girls marched across the stage of the Hedley Theatre last Friday night. One of these girls will be elected the 1954 Cotton Festival Queen and will be crowned at the High School Auditorium in the Coronation Ceremony Friday night, Oct. 8.

These girls accompanied the booster trip north Monday and rode on the Cotton Festival float in the parade at Amarillo.

LIONS ROAR

This week is regular Lions Club meeting. All members of Festival committees and others wanted to do something for the Festival are invited to attend. The local Methodist ladies will serve the meal. No program has been planned, just eat and take care of Festival business. Meeting time is 8 PM until Oct. 1st.

Next week is Ladies Night. The Methodist ladies of Lelia Lake will serve the meal. A good program is being arranged. Charges will be \$1.25 per plate. Come and bring your wife and other guests. Meeting time is 8 PM.

Mr. and Mrs. Buck Birdwell of Lubbock visited here last week end.

Visiting the Picketts over the week end were CMM and Mrs. Robert Pickett of Long Beach Calif., Foster Pickett and family of Amarillo and Willis Thomas and family of Plainview.

Hedley FFA Booth To Be On Television

The booth entered by the local FFA Chapter in the Tri-State Fair will appear on television with Cotton John at 6 PM Saturday, Sept. 25 from KGNC.

This was an educational booth to encourage the consumption of cotton products. It won a third division award. The booth will be set up in the Lions Den during the Hedley Cotton Festival.

The chapter also sponsored two booths at the Donley County Fair in Clarendon. The Hedley booth placed fourth. The other booth was for McKnight.

Hedley P.-T. A.

The PTA met Monday night with Mrs. R. A. Shaw leader, and the theme "A More Perfect Union Between Home and School."

Rev. O. L. Jones gave the invocation, Mrs. W. P. Doherty spoke on the contribution of the home and Mrs. Doyle Messer spoke on the contribution of the school.

A good crowd attended, and plans were made to have a food booth and a float in the Cotton Festival.

LEGION NEWS

There will be a meeting of the American Legion and Auxiliary of the 6th zone at Wellington next Tuesday night at 8 PM. There will be eats, business meeting and program. Hedley will have charge of the program, and several Legionnaires and their ladies plan to attend.

Mr. Martin was a brother of Mrs. A. A. Cooper, and had visited in Hedley on several occasions.

Mr. Clark of Sunset has been visiting his daughter, Mrs. J. H. Cooper.

Mr. and Mrs. Carl Gerlach and Joella of Amarillo and Mrs. Myrtella Deahl have returned from a visit to Lake Charles, La.

Booster Trip Small, Noisy and Successful

Over 100,000 people from the high plains Monday morning learned about the Hedley Cotton Festival as a small but noisy motorcade from Hedley invaded Amarillo for the opening day of the Tri-State Fair.

The Caravan stopped enroute at Lelia Lake, Clarendon and Claude. They were met at the Amarillo city limits by a motorcycle police escort and an official of the Tri State Fair. Sirens, horns and yelling passengers brought the Hedley group through downtown traffic to the starting point of the of the big parade. Hedley's float was entered in the parade and the sound system extolled the virtues of the Cotton Festival to all gathered for the event. Following the parade the caravan was escorted to the Fair Grounds and admitted free.

Festival officials expressed appreciation to the few who made the trip and especially to those who worked on the float. Luther Petty loaned his truck and Jack Moreman drove it to and in the parade. Saunders Garage was borrowed Sunday for decoration.

Boosters Needed for Festival Caravan

Cotton is the backbone of our economy. The Cotton Festival is the thanksgiving celebration for our livelihoods. Yet this year co-operation among individuals is slack on the promotion of what promises to be the biggest Festival held yet.

Eleven cars made the all important Amarillo trip and gained thousands of dollars worth of publicity for virtually nothing. Twenty cars had promised to go. The next all day trip is scheduled for Thursday, Sept. 30, and will visit Memphis, Estelline, Childress, Quanah, Wellington, Shamrock, McLean and Groom. At least forty cars and drivers are needed to produce reliable effects. Plan now to back up your town and it's celebration by going along on this last and most important trip.

Workers on Festival events, concessions, and exhibits are badly needed. Merchants are urged to decorate their places of business on October 1st.

Win at Donley County And Tri-State Fairs

Merle Owens showed the grand champion barrow at the county fair in Clarendon last week. This is his first year in FFA work.

John Farris took 3rd in light Hampshires, Richard Stotts took 1st and James Baggett 2nd and 4th in heavy Hampshires, Berle Owens won 3rd in light Durocs, Merle Owens 1st and Berle Owens 2nd in heavy Durocs, Merle Owens 3rd and John Farris 4th with pen of three.

In the open fat barrow show Merle Owens took 3rd in heavy Durocs and 3rd in pen of three, John Farris took 6th in light Hampshires and 4th in pen of three.

The Garden Club had nine entries in the county fair, and won six ribbons.

They won a 1st with dried straw flowers, a 1st with "Down on the Farm," a 2nd with a mass dah arrangement, a 3rd with a cove wagon mass arrangement, a 4th with a mass dahlia basket, and 3rd with a miniature aster arrangement. Only local flowers were used.

Sixth Grade News

The 6th Grade met recently and elected class officers. They are president, Tony Davis; vice president, Bobby Stephens; secretary and treasurer, Patey Alexander; reporter, Sharon Davis; Janette Hansard, and David Moreman. We also elected room mothers. They are Mesdames T. L. Davis, W. P. Doherty, R. A. Moreman, J. M. Dickson, and Lloyd Leggett. Each student has decided to pay class dues of 25¢ every two months. With this month's dues we bought an aquarium, two castles and some plants. The room mothers asked us pay for it. We hope to have a very good year — Reporters, Sharon Davis, Janette Hansard, David Moreman.

No Work No Food

Some of you are familiar with Paul's jarring statement concerning idleness: "If anyone will not work, let him not eat." In writing to some friends he said, "We were not idle when we were with you, we did not eat anyone's bread without paying, but with toil and labor we worked night and day, that we might not burden any of you." II Thess. 3:7-8. He made it clear that he as their minister had a right to a portion of what they had, as "the laborer is worthy of his hire." But there were reasons for his practice among them of paying his own way. There were people among them who were idle and he wanted to set them an example of living by means of honest toil.

One danger from idleness Paul emphasized on numerous occasions. Idle people become "busybodies." He told Timothy not to enroll younger widows on their charity rolls to receive benefits from the church. "They learn to be idlers gadding about from house to house, and not only idlers but gossips and busybodies, saying what they should not. —give the enemy no cause to revile us. For some have already strayed after Satan." I Timothy 5:13-15.

Short hours and idleness will not feed and clothe the millions of the earth who are in need. The body can not keep fit and grow without exercise. The mind expands through faithful toil. The spirit reaches new heights of achievement through discipline and exercise. Paul's injunction was for us to press toward the mark for the prize of the high calling in Christ Jesus. The old Greeks used to say, "Work is the price the gods put on everything worthwhile." There are no satisfactory rewards without corresponding effort.

Even Jesus said, "I must work the works of Him who sent me while it is day. For the night cometh when no man can work."
