Constitutional Amendments

Following is a brief outline of the 11 proposed amendments to the Texas Constitution to be voted on at the general election next Tuesday, November 2.

Senate Joint Resolution No. 7 authorizes the Legislature to increase state spending for old age assistance, aid to the blind, and aid to dependent children, by \$7,000,000 a year.

Senate Joint Resolution No. 6 permits a person who has served some time as a teacher and accumulated credits under the teacher's retirement system, and also some time as a state employee, with credits under the state employees' retirement system, to count his accumulated credits under both systems in determining his retirement pay.

House Joint Resolution No. 37 provides that proprietary employees of the state's subdivisions may be covered by Federal Old Age and Survivors Insurance.

Senate Joint Resolution No. 10 would create a state building commission with broad authority, subject to Legislative direction, to erect buildings for state purposes.

A state building fund would be created by transferring to it the surplus from the Confederate pension fund.

Senate Joint Resolution No. 5 would increase compensation of members of the Legislature to \$25 per day for the first 120 days of any session.

The Texas Constitution now provides \$10 per day for the first 120 days and \$5 per day thereafter.

Senate Joint Resolution No. 14 prohibits use of the credit of the state or any grant of public money for construction, maintenance or operation of toll roads and turnpikes.

House Joint Resolution No. 16 would require women to serve on juries.

Senate Joint Resolution No. 4 has to do with the terms of elective district, county and precinct offices. It would change all of those which have two-year terms into four-year terms.

Senate Joint Resolution No. 2 would authorize creation of county wide hospital districts in Bexar, Dallas, El Paso, Galveston, Harris, Jefferson and Tarrant counties.

Pierces To Observe Golden Wedding

Mr. and Mrs. Walter Pierce will observe their golden wedding anniversary Sunday afternoon, Oct. 31, with open house at their home from 3:00 to 5:00. They invite all of their friends to call on them at that time.

"Don't Run Over My Little Girl"

Today, my daughter, who is 7 years old, started to school. She wore a dark blue dress with a white collar. She had on black shoes.

Her cocker spaniel, whose name is "Coot" sat on the front porch and whined his canine belief in the folly of education as she waved 'good-bye' and started off to the "hall of learning."

Tonight we talked about school! She told me about the girl who sits in front of her, the girl with the yellow curls, and the boy across the aisle who makes funny faces. She told me about her teacher, who has eyes in the back of her head! We talked about a lot of things, tremendously vital, unimportant things. Then we studied spelling, reading, arithmetic, and then to bed.

She's back there now, sound asleep! But I can't be with her all the time. I have to work to pay for her clothes and her education. So please help me look out for her!

Please drive slowly past the schools and intersections and please remember that children run from behind parked cars!

Please don't run over my little girl!

the United States or component branches would be allowed to vote under House Joint Resolution No. 10.

The last proposal on the ballot will be House Joint Resolution No. 8, which is a permissive type of amendment allowing taxpayers in counties of less than ten thousand inhabitants to vote on the question of whether they would prefer to have a separate fulltime office of tax assessor-collector.

Theatre To Close Here About Nov. 1st

Bob Harris regretfully announced today that it has become necessary to close the Hedley Theatre after almost 3 years of public service in Hedley. Finances have grown too greatly over the three year drouth period to enable continued operation.

Harris stated the Theatre would continue to operate through the week end shows including Sunday night, but would close either Monday or Tuesday permanently.

"I have never been sorrier to do anything in my life," said Harris. "Hedley has by adoption become my home town. I love it and its people. I want most sincerely to thank EVERYONE for their continued support and help down through these years. I have made many wonderful friends and hope some day to repay them for their many kindnesses."

Harris took over the Hedley in December of 1951.

Cancer Hospital Gets Research Grant

Austin—The American Cancer Society has allocated a cancer research grant of \$100,000 to the University of Texas M. D. Anderson Hospital for Cancer Research in Houston.

The grant, which makes a total of \$440,766 given directly to the Hospital by the Cancer Society since 1948, will be for research projects during the 12 months which began September 1.

The money will aid studies at both the treatment and basic research levels at the hospital with emphasis on the effects of hormones and radiation. Studies will range from careful measurements of the body chemistry of cancer patients under treatment with hormones to improvements in cancer surgery by replacing important body structures with frozen grafts or artificial materials.

The grant to M. D. Anderson was part of a \$5,530,000 allocation by the Cancer Society for its nationwide research program. This covered 45 institutional and special grants over the country, and the establishment of a half million-dollar fund for lung cancer investigation.

Money for the grants came from the 1954 Cancer Crusade.

Counting the M. D. Anderson grant, a total of \$169,848 in American Cancer Society research funds is now at work in Texas.

The couple will make their home in Denver, Colo., where he is stationed.

Birthday Party

Recently Gregory and Mike Sawyer of Buffalo, Wyoming, grandsons of Mr. and Mrs. S. G. Adamson, celebrated a joint birthday party. Host and hostess to the party were Mr. and Mrs. Ezra Jones of Buffalo, who are great uncle and aunt of the boys.

The aunt baked each of the boys a lovely birthday cake decorated with animal cookies, candy sticks, and candles. Picnic lunches were packed and the party left for a lovely spot in the mountains to enjoy an outing and supper. Included were the Sawyer's two cockers, Butch and Spankie.

The destination was near a rushing mountain stream recently filled with snow waters from the high mountains. While the children played games the elders prepared supper. Soon delicious coffee was perking on the campfire. Hamburgers and many other good things were spread on the picnic table. By the time everyone had finished supper it was dark. The birthday candles were lighted and everyone joined in singing "Happy Birthday" to Greg and Mike.

The bright fire attracted the attention of a fine young deer who was seen standing near looking in on the party. For a moment all

FOR CONGRESS

W. S. C. S.

Eleven members were present Monday evening for a deeply spiritual program selected from "The Week of Prayer"

The worship center was a beautiful electric globe of the world with an open Bible calling attention to the needs of the world. Soft music was played preceding the program by Mrs. Huckabee.

Mesdames Leon Reeves, J. S. Hinds, and W. H. Jones were program leaders. Their talks guided our thinking on the themes, "Christ Our All," "Prayer at Work," and "Objectives of Our Offering."

Mrs. Reeves gave examples of following Christ by going to church and places of need. She spoke of how we should not remember what we have but what we gave. God has a purpose for all his creatures and He has one for us. Her heart warm meditation was for brotherhood and world order.

Mrs. Hinds led the group in singing the hymn, 'Sweet Hour of Prayer.'

Mrs. Jones' enlightening talk on what the business men are doing for their prayer life in business gave us food for thought. The intimate prayer life of our President and some members of Congress gave courage for our nation's strength. Mrs. Jones said, "Make a prayer of your work."

Mrs. Hinds challenged the members with the question, "Where is our money going?" Her sincere talk made the members grateful for our 262 Deaconesses. One half of our offering goes to three retirement homes of our sainted workers; the other half to educational and medical work in India.

The hymn, "Are Ye Able," was played as love gifts of money of members present and absent were laid on the Worship Center.

Monday, Nov. 1, at 3 o'clock a book on India will be previewed by the study leader, Mrs. Frank Kendall.

A double birthday dinner was given Sunday, Oct. 17th, in honor of Michael Stone and Rita Holland in the home of Mr. and Mrs. Kenneth Stone in Pampa. There were twelve guests attended, Ice cream and cakes was served at 3 PM. It turned out wonderful. They both received several nice gifts.

We were served a very attractive plate, consisting of sandwiches, potato chips, pickles, cookies and Cokes. Everything was very nice.

We were very happy to have our visitors, Mrs. Mary Ruth White and Mrs. Jacque Jonett.

The members present were Mesdames Pat Day, Velva Gibson, Jo Ann Martin, Betty Morgan, Thelma Moss, Margaret Saunders, Joy Stewart, Sue Weatherly, Geraldine Wiggins, and Rexie Word.
