Shop At Home

With full shelves, well decorated stores and store windows the local merchants invite you to do your Christmas shopping at home this year. They have made a special effort to meet outside competition in prices and quality of goods. So let's try them first.

"Give something useful" seems to be the slogan this year. I guess the dry years have taught us a lesson. In giving something useful one needs to give something that will stand up. That is why it is better to buy from a local merchant who backs up his goods.

LIONS ROAR

There will be no regular Lions Club meeting next week as it is too near Christmas. Instead they will have a regular meeting Ladies night, and New Year's party combined in a big banquet the fifth Thursday of this month, Dec. 30, at 7:30 PM.

The ladies of the Methodist Church of Lelia Lake will serve the meal and will give the local ladies a chance to attend the banquet. With the Lions catching up on their work, several prospective new Lions and other guests this promises to be the largest banquet ever held in Hedley. Make your plans to come or you will miss one of the biggest social events of the year.

Three big events, "The Old Time Melodrama," the Cotton Festival, and the sale for "The Lighthouse of the Blind" has helped the Lions make this their biggest year in helping the crippled children, blind and other charities.

Card of Thanks

We wish to express our thanks and appreciation to our friends for their kind words of sympathy and loving deeds in the death of our loved one.

Especially do we thank those who brought food and the beautiful flowers. For everything that has been done we are deeply grateful.

Card of Thanks

To every one who sent cards and gifts while I was in the hospital I want to say, "Thank you." They were really appreciated.

Owls Defeat Quail

The Hedley Owls continued their winning ways Tuesday night, defeating Quail 57 to 40 in the local gym. Cope was high point man with 29 points.

The boys have won 10 of 11 scheduled games, not counting a scrimmage game Monday night with Childress, which is completely out of Hedley's class, and which they lost by only 8 points, 61 to 53.

In the Mobeetie tournament last week the Owls lost their first game to Mobeetie by only 3 points, 58 to 61, then defeated Kelton 75 to 51 and Wellington 63 to 32, to win the consolation trophy.

Cope made 71 points in the 3 games.

Christmas at the Methodist Church

We are endeavoring to put Christ into Christmas this year at the Hedley Methodist Church. Sunday is planned as a day of dedication. Opportunity is to be given for parents to bring their little children to the altar for dedication in the service of baptism. Older people are urged to dedicate themselves to Christ and His Church.

A service of candles and carols is to be led by the pastor and choir as our special Christmas program. An offering is to be received for the Methodist Home in Waco.

The classes are planning the best attendance and study period of the year at Sunday School. Meet your friends at Church on Christmas Sunday.

Special Services at Church of the Nazarene

Rev. Geneva Kilgore, pastor of the local Church of the Nazarene, announces that there will be special services both morning and evening at the church Sunday, Dec. 19.

Rev. Orville Jenkins, district supt. of the Nazarene Church, will be present and speak at the morning worship hour.

Sunday night at 7:30 the young people of the church will present a Christmas play entitled "The First Christmas."

Everyone is urged to attend.

Santa Claus Coming

Hedley youngsters are again reminded that city officials and business men have arranged for Santa Claus to visit here next Wednesday, Dec. 22.

Old Saint Nick will arrive at 3 PM. and will have plenty of goodies for the boys and girls.

Christmas Open House

There will be a good will pilgrimage of Christmas Homes, a courtesy of the Hedley Garden Club, Sunday, Dec. 19th, from the hours of three to five o'clock. The public is cordially invited to join in this pilgrimage and enter into the community spirit of Christmas. Those who wish may meet in front of the Lions Den a few minutes before three o'clock and go together.

Open house will be observed in the following homes: Mr. and Mrs. Otis Owens, Mr. and Mrs. Herman Kirkpatrick, Mr. and Mrs. C. L. Johnson, and Mr. and Mrs. Roy Jewel.

You are invited to visit these homes in the order named. In this way the Garden Club wishes to say Merry Christmas to everyone.

Housewarming

The J. M. Bakers were given a surprise housewarming last Friday night at their new home. Hostesses were Mrs. J. S. Hinds, Mrs. Kate Stone, and Mrs. Jona Janzen.

The Bakers were presented two lamp tables, an electric clock and calendar, pottery, and other things as gifts from their many friends. Coffee and cookies were served to the large number of friends who called during the evening.

Sodalitas Club

The Sodalitas Club wishes each of its members a very Merry Christmas and Happy New Year.

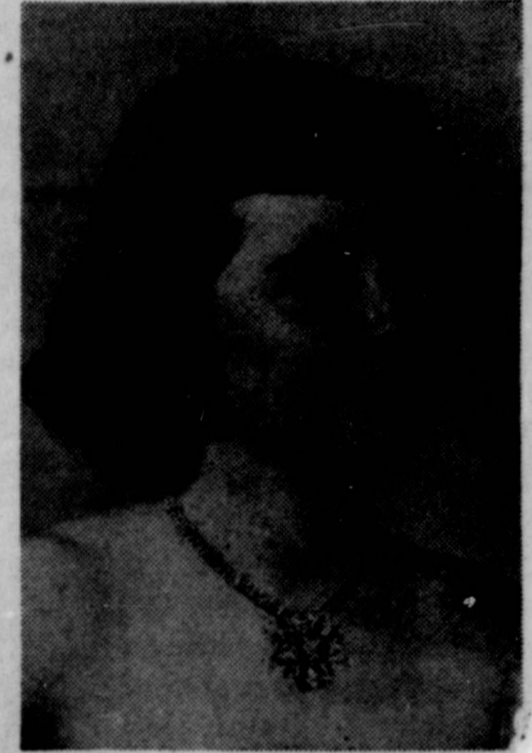

The funds that it would take to send each individual member a Christmas greeting have been sent to Boys Ranch.

McFarlands Write

To All Our Friends in Hedley:

We are getting somewhat "naturalized" in our new home. The people are friendly and we are getting acquainted in the church, the lodge and the community general.

Deer season has been on for some time now, so we have had a number of week end visitors, but they have had no luck. Neither has T. O. made a kill. However we have had plenty on the table.

T. O. is stocking a fish pond, so will be inviting you down to fish with him.

We take this means to wish each and every one of our Hedley friends a Merry Christmas and the most prosperous year you have ever had.

Sincerely,

The T. O. McFarlands

Owlets Lose to Quail

The Hedley girls had bad luck again Tuesday night here, losing to Quail 31 to 58. Joan Bolin made 24 points in the game.

At the Mobeetie tournament the girls lost their first game to Mobeetie 45 to 54, with Nan Hunsucker making 24 points, and lost their second game to Mobeetie 40 to 49, with Joan Bolin making 33 points.

INTERESTING FACTS ABOUT TEXAS

SHIP CHANNEL

The bayou has become the \$50,000,000 Houston Ship Channel, although it is fifty miles inland; it has become the second largest deep seaport, tonnage wise. Lining the Ship Channel almost from the Gulf of Mexico is a wide array of industries—chemical plants, oil refineries, flour mills, cement manufacturers and many others. The Ship Channel has been largely responsible for Houston becoming the South's largest city. The retail sales in Houston hit the billion dollar mark in 1951 and downtown property on Main Street brought \$2,000 a front inch.

HOW TO MAKE MULTI-COLORED LOGS

Yule logs that burn with a beautiful, multi-colored flame add a novel touch to holiday gatherings around the fireplace. The logs are made by soaking tightly rolled newspapers in a strong solution of salt, blue vitriol (copper sulphate) and water. After the rolls have soaked for a week in a wooden barrel or large earthenware crock and dried thoroughly, they will burn for a long time with flames of various colors. **CAUTION:** The solution is poisonous.

Christmas Party

The Ruth and Dorcas Baptist S. S. classes were hostesses last Thursday evening to the TEL class for their annual Christmas party held in the fellowship hall of the church.

The hall was a festive scene with gay Christmas decorations and a beautiful Christmas tree. The tables were laid with white cloths and centered with attractive arrangements of tall red candles, miniature Santas, greenery, and other appropriate decorations.

A bountiful meal of chicken and dressing, etc. was served.

The invocation was given by Mrs. Alewine. Mrs. L. D. Messer gave the welcome and Mrs. W. W. Wiggins the response. A beautiful devotional and prayer was given by Mrs. J. S. Tipton. Mrs. L. D. Moore told a delightful Christmas story, and the program was concluded by all singing Silent Night, led by Mrs. J. M. Dickson.

The evening was concluded by the exchange of gifts from the Christmas tree, and the jolly Santa who paid a visit to the group proved the life of the party.

Intermediate B.T.U.

The Intermediate Baptist Training Union enjoyed a Christmas party last Friday night in the fellowship hall of the church. The party was given by their teacher, Mrs. Pete Moore, assisted by Mrs. W. C. Quisenberry.

The evening was spent in playing games. Refreshments of punch and cookies were served and gifts exchanged from the Christmas tree. The hostess presented each one with a candy bar.

A large group of boys and girls attended.

GOOD NEWS for
MOTORISTS

Now....
you can put new

Firestone
De Luxe Champion
Tubeless Tires

on your present car for the same price as regular tires and tubes

The Standard Equipment Tire on the New 1955 Cars . . .

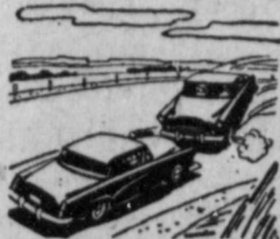

New Safety-Tensioned, Gum-Dipped* Cord Body Makes Firestone Tires Safer . . . Stronger . . . Run Much Longer!

The Firestone Gum-Dipping process, patented in 1920, has long been famous for extra protection against blowouts. Now, with valuable speedway experience and millions of miles of testing on the highway, Firestone combines Gum-Dipping with Safety-Tensioning to take the stretch out of tire cords, a major cause of tire failure in high speed driving. The result is greater blowout protection and longer tire life.

*T.M. Reg. U.S. Pat. Off.

All These Extra Features at No Extra Cost

BLOWOUT PROTECTION

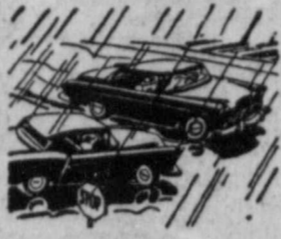

No tube to pinch or explode! The Safety-Liner, which holds the air, also reinforces the tire . . . instead of a dangerous blowout you get a slow leak.

PUNCTURE PROTECTION

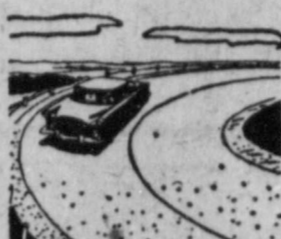

If a nail should penetrate this tire, the Safety-Liner grips it and slows air loss . . . No sudden flat tires . . . no need to change flats on the road.

SKID PROTECTION

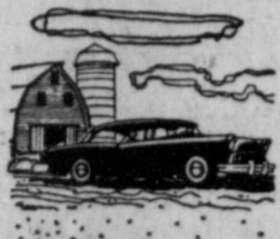

Newly designed silent tread has more angles . . . more skid-protecting edges than ever before . . . has 70% more skid-resisters than ordinary tires.

QUIETER RUNNING

No hum or whine because tread elements overlap to prevent rhythmic vibration. Silent Safety-Grip Tread won't squeal even on sharpest turns.

GREATER COMFORT

New resilient tread compounds and flexible tread design absorb road shock. Elimination of the inner tube also provides a softer, more comfortable ride.

LONGER MILEAGE

The tread is compounded of extra-tough wear-resistant rubber. Its Safety-Tensioned, Gum-Dipped* Cord Body prevents dangerous tread cracking.
