White-Wynn

Miss Micky Wynn of Hedley and Wilcey White of Clarendon were united in marriage last Saturday evening at the Baptist parsonage here by the pastor, Rev. J. S. Tipton. They were attended by the groom's brother and sister-in-law, Mr. and Mrs. Billy White of Clarendon.

The bride wore a blue street length dress with white accessories. She carried a white Bible and wore a corsage of pink carnations. She is the daughter of Mrs. John Wynn and was a member of the 1955 Senior class of Hedley high school.

The groom is the son of Mr. and Mrs. Ernie White of Wichita Falls. He is a graduate of Lelia Lake high school and had been attending Clarendon Junior College.

The couple will make their home at 2042B Hughes in Amarillo. The groom is employed in the smelter there.

Rip Russell Injured

Rip Russell of Mobeetie, former Hedley coach, was seriously injured early Tuesday morning when the car in which he was riding crashed into a culvert post 35 miles northeast of Roswell. Both Rip and the Mobeetie man who was driving the car were hospitalized in Roswell.

Rip was on his way to California, where his father had passed away.

School Evaluation

During the past few weeks the school pupils have been dismissed each Monday at 2:30 PM so that the teachers might make an evaluation of the school. They are nearing the completion of their work and plan to make a consolidated report to the public next Monday afternoon at 2:30 in the high school auditorium. The public is invited to be present to hear this report and suggestions and comments from parents and other interested persons will be appreciated. If you are interested in your school and how it ranks as to methods, etc., used, you should plan to be present.

Rev. and Mrs. J. S. Tipton and Mr. and Mrs. R. W. Alewine attended a Baptist district meeting at Borger Tuesday.

Hedley P.-T. A.

Mrs. Ray Moreman was leader for the Founders Day program presented at the regular meeting of the PTA Monday night. Mrs. Geneva Kilgore led the PTA prayer.

Preceding the program a group of FFA boys under the leadership of Doyle Messer presented a parliamentary drill which was enjoyed by all present. Boys taking part included Bill Reeves, Donald Youree, David Boliver, Lewis Bevers, and Berle Owens.

Mrs. Leon Reeves gave a talk on "PTA Action Through the Years" telling of the many things accomplished by the PTA since its organization in 1897. Following her talk Mrs. Moreman gave a tribute to the founders of the PTA.

The president, Mrs. A. E. Ranson appointed the following to serve on the nominating committee to nominate officers for the coming year: Mrs. Stotts, Mrs. Ray Moreman, Mrs. Dolores Ray, and Mrs. Wayne Hansard.

The meeting was concluded with a social hour.

Garden Club

The Hedley Garden Club will have a covered dish luncheon at one o'clock Tuesday, March 1st. All members are urged to attend.

Brock-Morris

The First Methodist Church was the scene for the twilight wedding on Feb. 19th of Miss Carolyn Morris, daughter of Mr. and Mrs. Carl Morris and Jimmie Brock, son of Mr. and Mrs. N. A. Brock of Wellington.

The impressive double ring service was read by Rev. R. N. Huckaby, pastor of the church.

Banked with fern and floral arrangements, the altar was flanked by baskets of white and pink gladiolas and carnations, and candelabras, entwined with green foliage holding lighted tapers. A white prayer bench in front of the altar completed the decorative appointments. White satin bows with green ferns marked the bridal pews.

A prelude of appropriate wedding selections was played by Miss Letha Moss. She also rendered The Lord's Prayer as a benediction. The traditional processional and recessional marches were used.

Given in marriage by her father the bride was attired in a dress of white lace over taffeta styled with bouffant skirt of ballerina length. The fitted lace jacket featured long sleeves. Her hat of soft pink was trimmed with rhinestones. For her bridal bouquet she carried a white orchid.

Miss Jean Bailey, maid of honor, wore a blue dress of faille, ballerina length, trimmed in beading of seed pearls. Her hat was also of blue and her corsage was of carnations of blending colors.

Linda Bonneau and Joe Brock, neice and nephew of the groom served as ring bearers for the bride and groom. Orville Copeland was best man. Chosen as ushers were Carl Jr., Dale and David Morris, brothers of the bride. Candles were also lighted by Dale and David.

Mrs. Morris, mother of the bride, wore a navy dress with pink accessories. Her corsage was of pink roses. The mother of the bridegroom, Mrs. Brock, wore a beige dress with a corsage of white roses.

Following the ceremony the bridal party greeted the guests in the vestry of the church. Miss Wanda Lee Moore presided at the register.

For her going away costume Mrs. Brock chose a dress of navy with her accessories in red.

Mr. Brock is serving a final stay

Donate Organ To Methodist Church

The children of Mr. and Mrs. R. W. Scales Sr., have given Hammond Spinnet Organ to Hedley Methodist Church in honor of their parents, who were charter members. They have been talking of doing something for their old home church for some time and are most happy to combine this desire with a memorial.

The organ was installed Wednesday and will be used Sunday in the worship service. The favorite hymn of the parents, "Faith of Our Fathers," will be played by Mrs. Huckabee. This wonderful gift of the Scales children will prove a great aid to worship to the church and quite a contribution to the cultural life of the Hedley community, which is greatly appreciated by all. May the blessings of heaven rest upon the generous contributor for this most appropriate memorial gift, climaxing the efforts of Hedley people for their church property in recent weeks.

R. W. Scales Jr. expressed himself as very happy over the contribution made by the family in memory of his father, who was on the building committee when the Methodist Church was built here.

Public Address System

The School's new public address system has arrived and is being installed. The public will have an opportunity this Friday night to see what a wonderful benefit this will be in helping audiences to hear when it is used by the Juniors in presenting their annual play.

The Sodalitas Club started the fund to pay for the address system and have already raised close to \$100.00 and the PTA has voted to pay \$100.00. The Sodalitas Club is planning other fund raising projects. Donations will also be welcomed.

Attend Wedding

Attending the wedding of Bobby Baker at Perryton Sunday were Messrs. and Mesdames J. M. Baker, A. T. Simmons, W. H. Moffitt and H. H. Hall. An account of the wedding will appear in next week's Informer.

INTERESTING FACTS ABOUT TEXAS

BISON

The largest of native mammals of North America, the bison or buffalo, which once roamed the Texas plains in large numbers, is found today on a few ranches where it is bred both as a hobby and as a commercial enterprise. It is also found in small numbers in several Texas zoos. This fine animal was extinguished from the range by about 1889 as the result of slaughter for hides. It is recorded that as many as 200,000 hides sold in Fort Worth at a two-day sale.

Notice To The Public

It has been brought to our attention that a lot of people are not familiar with some of the laws governing taxation. Some people are under the impression that they are to list only the items suggested by the assessor. The assessor merely makes these suggestions as an aid in making your rendition. It is the duty of the taxpayer to list all of his or her real and personal property. Personal property consists of goods and merchandise of every description, shop equipment, cafe equipment, office equipment, automobiles, trucks, jeeps, or any other motor vehicle, trailers, irrigation pumps, tractors, and all other farming equipment, horses, cattle, sheep, and hogs. Persons owning only a automobile are required to list same for taxation.

The law requires the taxpayer to render his property for taxation by listing the same, making oath thereto, and delivering the same to the assessor, whose duty it is to enter the said property on the tax rolls. If a property owner fails to render property to the assessor, the assessor has the authority to assess the property at what he considers to be the true and full value and place the same on the unrendered roll.

Back assessments of property

which has not been assessed rendered for taxation may be made for any previous year. Therefore we feel that it is to the advantage of the taxpayer to know his or her duty in regard to rendering property for taxation.

If you fail to render your property for current year taxes, Board of Equalization are allowed to raise or increase the valuation without having to notify you. If your property is rendered, then any change that is made in the valuation by the equalization board, they in turn must notify the owner of such change.

We suggest that if we fail to contact you for your rendition, you should make it a point to render your property in order to protect you against back assessments and carry your part of the tax load.

We would like to take this opportunity to thank each of you for your cooperation in the past.
