MOUNTAINS OF SULPHUR

Sulphur occurs in Texas at the tops of the salt domes that are found under the Coastal Plain. The first sulphur deposit in Texas was discovered in 1901. The discoverer was Captain A. F. Lucas, who also discovered Spindletop, the first great oilfield in Texas. Sulphur production from a new source began early in 1951, when an oil company produced 1,108 tons from sour gas. Four-fifths of the world's sulphur comes from the Texas coastal area.

The Meaning of Christ's Death

"For Christ also hath once suffered for sins, the just for the unjust that he might bring us to God." (II Peter 3:15)

As we reflect upon Good Friday and Easter Sunday we are made to wonder at the tremendous sacrifice which Jesus Christ made for mankind. Our text for today is a clear statement of the way where by one may be saved.

The first truth that stands out in this Scripture is that sin must be suffered for. Even men who never heard of the Bible recognize that sin is followed by retribution. The truth is everywhere written large that whatsoever men sow, that shall they also reap. Human statutes give recognition of this truth. The moral conscience of the world would be shocked if sin were not to be suffered for. Civilization would be destroyed if sin were not called to account. There stands the unchangeable fact that sin must be suffered for. All men who think must recognize it

Think of the power of the human conscience. It is the monitor within which makes its cry concerning right and wrong. Conscience makes the cry that sin must be suffered for. Oftimes this cry is more acute than words can ever express. Remember Judas, who sold Jesus for thirty pieces of silver, or about fifteen dollars in our money, and a few hours later the

picture is given of Judas, coming back to those chief priests with whom he traded, flinging down his money at their feet and begging them to undo the bargain that he had made with them. But the men mocked him to scorn, following which Judas committed suicide, goaded to his death by an accusing conscience.

But, thank God, there is a remedy for sin. Jesus is a Redeemer, a Saviour, dying in our stead, "the just for the unjust that he might bring us to God." He is able to make atonement for sinners because he is without fault, or blemish, or sin. What a wonderful Gospel, Christ the Son of God, has become our sacrifice for sin. With one hand he can reach up, the equal with His Father, and with the other hand reach down to the lowest sinner in the world.

Have you given your consent to Christ that he might bring you to God?

LEGION NEWS

The American Legion membership contest ends Saturday with a flying breakfast at Amarillo. Memberships will be flown to Austin after the breakfast. The local post now has 153 members paid up for 1955, and 24 members in the drive. Wayne Latimer, Aerial Roundup Chairman, and others plan to attend the breakfast.

Hedley Scouts Go To Easter Pageant

Boy Scouts of Troop 36 of Hedley assembled at the Legion Hall at 1 o'clock Saturday with their bed rolls and food, to make their over night trip to the Wichita Mountains. After a few words from Rev. R. N. Huckabee, the boys started their trip.

The first stop was made at Altus where the Scouts got cold drinks and water. The boys then traveled on to Craterville Park where they visited the Frontier Museum, rode various rides and had supper. Then they traveled on to the Easter Pageant site which is located near majestic Mount Sheridan in the heart of the Wichitas, said to be possibly the world's oldest mountains. The scenery in the hills is not unlike the hills of Judea where Christ spent His days.

They arrived at the pageant site about 9 o'clock, carried their bed rolls over to the Holy City and got everything in shape to see the pageant. The pageant was opened at 12 o'clock with a musical program of worship and praise, which

lasted until 2 A.M. "The Pathways to Immortality," was presented, and ended about 5

After the pageant the Scouts returned to Craterville Park to a camp site where they built a fire and cooked their breakfast, then headed for home. They arrived in Hedley about 12:30 Sunday. Scouts making the trip were Leonard Mullins, Rodney Hargrove, Monte Rogers, David Moreman, Jack Doherty, John Dickson, W. A. Jenkins, Roger Messer, Doyle Clendennen Bill Maddox, Gilbert Speed, Gary Alexander, Tony Jenkins, Loyd Messer, Jimmy Youree, Harold Moffitt, Tinsley Mullins and James Younger. Accompanying the Scouts on the trip were Ray Dean Brown, Clifford Johnson, Marion Shaw, L. D. Messer, and Scoutmaster Boaz Stotts.

All of the Scouts wish to say thanks to every one who had a hand in making this trip possible, and an extra thanks to the men who provided transportation for the troop.

All enjoyed the pageant and trip very much.
