First Cotton Ginned

Hedley's first bale of 1955 Cotton was brought in Saturday by Homer Durham, landlord Alva Simmons. It was ginned by the Paymaster Gin free of charge. Field weights were 1750 lbs. and the bale weighed 472 lbs. The Hedley Booster Club bid 40¢ a pound for the cotton.

Woodroe Farris brought in the second bale Tuesday, which was ginned free by the West Texas Gin. He had 1710 lbs., which made a 461 lb. bale.

Magazine Sales

The 7th, 8th, and 9th grades of the Hedley Schools are promoting the sale of magazines in our community, which will be profitable to the students as well as to the Athletic Club. The Athletic Club undertook this sponsorship to raise money for the purpose of having better equipment in the field of sports offered by the Hedley Schools.

Here is the way the system works: the sale of the Saturday Evening Post, Ladies Home Journal, Better Farming, and Holiday gives the Athletic Club one half the selling price. On all other magazines the club gets 30 percent.

The students receive credit for prizes of many different sorts for each dollar they take in. A grade prize is also offered to the student selling the most magazines.

The subscription prices of these magazines are no higher to you than if you sent your subscription direct, and renewals count the same as new subscriptions. We urge every member of our community to subscribe for their magazines as well as renew their subscriptions through our students.

Mrs. Dugger of Amarillo played appropriate organ music before and during the ceremony. The traditional wedding marches were used.

Mrs. Raymond Bailey, sister-in-law of the bride sang God's Little Candles and Whither Thou Goest preceding the ceremony. She wore an aqua taffeta dress.

Basketball News

Pounding the hardwood floor at the Hedley Gym is a squad of 14 boys who are the basketball prospects for the coming season.

Giving a rundown on the positions are Don Youree and Jerry McCarty working out for the pivot position left vacant by Don Reeves. In the left forward positions are Terry Bailey and Leon Bevers who are filling the opening left by Allen Cope. Moving over to the right forward position we have Bill Reeves and Bill Snelson. Snelson is doing a nice job in that position and will probably see a lot of action. Coming out front to the guard positions we have Joe Wood, Merle Owens and Carroll Gilcrest. These positions were left vacant by Leon Bevers and Terry Bailey.

Coach Martin says the boys aren't a fast handling ball club yet, but we do have experience. This experience comes from "B" Team which usually plays prior to the "A" Squad games. The "B" Squads are the hopes for our next year's team.

A new member of the squad is Carroll Gilcrest who hails from Panhandle. Carroll crowds the 6 ft. mark, is a good ball handler, and is a top contender for the guard slot. Also showing up nicely out front is Merle Owens. Merle is a good fast boy, accurate out front, and will give Joe Wood a good run for that position. Joe is a good man to beat out front. He handles the ball very smoothly and will usually make every situation click with his ball passing. Joe is another guard who will make that net jump.

Under the basket Jerry McCarty and Don Youree are really giving each other competition for the pivot position. Jerry is a jump-shot artist which helps him pull out front of Youree. Youree is capable of handling the post position and is a hard man to beat for setting up playsituations. Youree is the type of boy who is capable of putting his competition on the bench.

Working over the forward position is Terry Bailey, who is having trouble with his passing, but is hitting from the outside very accurately. Lewis Bevers is an alternate at this position and will see plenty of action after he gets familiar to the forward position.

Bill Reeves will get into action along the last part of October. We had a little trouble with Bill on his timing the early part of the season, but he was working with boys who saw a lot less action than himself, and they also had to get familiar with the pl

We are looking forward to having Bill back when he is able to go again.

Rounding out the squad for B team will be Charlie Darnell, John Stephens, Jimmy Waddell, De-wayne Meador, and Rodney Hargrove.

Recent visitors in the home of Mr. and Mrs. H. Hoggard were their daughters and their families of Amarillo, Mr. and Mrs. Earl Watson, and Mr. and Mrs. L. W. Sullivan and family Larry, Pama-lyn and Peggy.

Mr. and Mrs. Carl Abernethy of Kelton, Mrs. Johnnie Williams of Hereford, and Mrs. Irene Bridges of Waco visited Mrs. J. O. Stotts and family Sunday.

We are glad to learn that Leon Bevers, who has been seriously ill in a Memphis hospital, was reported better Wednesday.

J. L. Chesser attended a Kimbell Milling Co. meeting at Amarillo Saturday.

Mr. and Mrs. C. L. Johnson and Mr. and Mrs. Herman Kirkpatrick attended the opening of the new First National Bank building at Wellington Sunday.

Mr. and Mrs. Herbert Cole, and Mr. and Mrs. Jeff Cole from Wheeler visited in the R. W. Alewine home one day last week.

Bill Reeves is reported recovering nicely from an appendectomy at Groom last Friday.

Glenn Beyers visited here this week from Lubbock.
