There will be another meeting of the committees Thursday night of this week and more will be reported in next week's paper.

Nagging backache, headache, or muscular aches and pains may come on with over-exertion, emotional upsets or day to day stress and strain. And folks who eat and drink unwisely sometimes suffer mild bladder irritation... with that restless, uncomfortable feeling.

If you are miserable and worn out because of these discomforts, Doan's Pills often help by their pain relieving action, by their soothing effect to ease bladder irritation, and by their mild diuretic action through the kidneys—tending to increase the output of the 15 miles of kidney tubes.

So if nagging backache makes you feel dragged-out, miserable... with restless, sleepless nights... don't wait... try Doan's Pills... get the same happy relief millions have enjoyed for over 60 years. Get Doan's Pills today!
