NO. 18

Questions and Answers On Salt Fork Dam

In the near future a confirmation election will be held in the seven area towns concerned to approve or reject the Greenbelt Municipal and Industrial Water Authority, which proposes the dam across Salt Fork of Red River north of Hedley. The Informer is publishing a series of articles in question and answer form to acquaint the voters with the facts concerning this project.

(Continued from last week)

Q: What is the estimated cost of the completed construction of the dam and the pipe lines for delivering water to the various cities and other customers under consideration at this time?

A: The actual cost of the project cannot be definitely determined until construction contracts for dam, the filtration plant pipe lines, etc. have been advertised and let under competitive bidding under the supervision of the Board of Directors and the engineers for the Authority. Under present prevailing prices, the cost of the completed project is estimated at \$8,100,000.00, including interest during construction and all origination expenses.

Q: How will this project be financed?

A: By the issuance of bonds.

Q: For how long will the bonds be issued?

A: Under the statute authorizing the issuance of bonds by the Authority, the bonds cannot run for longer than 40 years.

Q: What will be the interest rate on the bonds proposed to be issued?

A: The actual interest rate cannot be determined at this time because the price of money fluctuates, and the rate can only be made at the time the bonds are ready for the market. It is contemplated, however, that these bonds will carry such rates as are comparable to those of other similar construction projects which require some two years to construct and maybe another six months to impound an adequate amount of water. On such projects which do not have historical earning records as a market predicate, it cannot be expected to receive as low an interest rate as the well-established credit of long time operating counties, cities and school

Peter F. Tidwell

Funeral services were held for Peter Franklin (Uncle Pete) Tidwell, 78, in the McLean Baptist Church Wednesday afternoon. Rev. R. M. Cole, pastor of the Baptist Church at Alanreed, officiated. Burial was in Rowe Cemetery here.

Mr. Tidwell, a retired farmer, passed away Sunday in the home of a son, J. T. Tidwell, in McLean. He is survived by one other son, six daughters, 28 grandchildren and eight great grandchildren and was a brother of J. M. Tidwell of Hedley.

districts. However, for the purpose of calculations at this time, a rate of 4% is being used for the reason that it is comparable to such other projects presently being financed.

Q: What will be the security pledged to the payment of these bonds?

A: This is a natural and logical question for in its answer you can determine just what the cost will be to your city and its citizens. The answer is that there are definite fixed annual requirements for principal and interest which must be paid as it becomes due. Therefore, since the income to the Authority must come primarily from the cities, there must be fixed agreements with the cities. Each city will be expected to enter into a long term contract to purchase a minimum amount of water from the Authority. It has been estimated that the present daily usage of water in the various cities is 100 gallons per day per capita so the plan is that the initial contract with each city shall be placed at a minimum of 100 gallons per day per capita and the minimum price is to be 25¢ per thousand gallons. As an illustration, the following is a preliminary estimate of the anticipated annual payments required from each city having membership in the Authority for water delivered into the tank:

City	Annual Payment
Clarendon	\$ 34,644
Hedley	9,292
Memphis	75,692
Wellington	61,680
Childress	125,616
Paducah	35,232
Quanah	58,092
McLean	23,652
Shamrock	58,711

Mr. and Mrs. Winfield Mosley announce the engagement and approaching marriage of their daughter, Jane, to James Montye Smith, son of Mrs. Edna Smith, of Clarendon, Texas. The wedding will take place March 24 at 7:00 PM in the First Baptist Church, Hedley, Texas.

Public Schools Week

The need for the public school never changes, but times and conditions may change or require to be changed methods and practices of public education. This is inherent with anything that grows, for growth is the result of change.

Our Texas public schools were created 102 years ago. In 1854 the first law passed establishing the public school.

It is a healthy thing in our democratic way of life to have intelligent understanding of the important functions of our basic institutions. This is especially true of the schools. The initiative and resourcefulness and the wisdom and leadership that our schools are inculcating in the youth of today are the answer of the problems of citizenship in the years ahead.

Yes, "bring me men to match mountains." That is the need of our times and must come from the public schools—schools that are strong in virtues required for building strong men and women.

We can be assured of this and do our part in understanding and helping the public schools to fulfill their great obligation to our times by being a participant in the annual Public Schools Week, March 5 through 10. Schools will

Public Schools Week

Public Schools Week will be observed March 5 through March 9 by the local schools along with the other schools of the state.

The public is given a special invitation to visit the school during this week. The work of the children will be on display in each room so the visitors can see what they have been doing. On Friday night, March 9, a program will be presented in the high school auditorium beginning at 7:30. Guest speaker will be Judge Luther Gribble of Wellington. Following the program open house will be held by the various grades.

Democracy in Action is the theme of Public Schools Week. Visit your school and see it for yourself.

City Election

There will be a city election on April 3 to elect a mayor and three aldermen for the city of Hedley.

Names of all candidates must be filed with the city secretary not later than March 3.

LIONS ROAR

Next week is regular Lions Club meeting. Eating time is 7 PM and the Lelia Lake ladies are still turning out some mighty good feeds. Lion J. S. Hinds has charge of the program and since the meeting falls during Public Schools Week it will probably be another good program from our school.

At last week's meeting the club voted to have a float in the St. Patrick's Day parade at Shamrock March 17th. The float will be advertising the Salt Fork dam, on which the first election has been called for May 8th. Lion Doyle Messer is the chairman of this committee.

A nominating committee was appointed to name next year's officers and directors for the club to vote on. Also the District Queen committee was appointed so they may have plenty of time to make plans for electing a queen contestant for the spring convention.

Janice Chrystal, Hedley's queen and the district queen for last year, is away at school, but hopes to be home during the Easter holidays and visit the club if we have a meeting at that time.

Card of Thanks

I wish to take this means of expressing my appreciation to all my friends for their thoughtfulness during my recent illness. To those who called and sent cards of cheer, and to Dr. Hunt and the staff of Odom Clinic may I say, "Thank you and may God bless you with friends."

J. E. Murdock and family

Cecilia Ann Hoggard was shaken up and suffered minor head injuries when she was thrown from her horse Sunday.

Mrs. H. Hoggard spent the day in a Memphis hospital last Friday undergoing medical treatment.

S. H. Yandell, who has been ill in a Memphis hospital, was moved this week to a rest home in Amarillo.

Wins Spelling Bee

Don Cox won first place in the Donley County Spelling Bee at Clarendon Wednesday afternoon. This means Don will represent Donley County in the Globe News Bee in Amarillo March 24. The winner of the regional competition will receive an expense-paid trip to Washington, D. C., for the National Spelling Bee.

Returns From Korea

M. Sgt. Clyde A. Thomas, recently returned from a 16 month tour of duty in Korea, reassumed his duties this week at West Texas State College in Canyon for a two year tour of duty with the Reserve Officers Training Corps. He will have charge of the regular Army supply and arms room and will sponsor the WT Rifle Team, which he organized in 1952. This is the team which has twice visited the Hedley Cotton Festival.

An Army veteran of more than 18 years service, Sgt. Thomas is the son of Mr. and Mrs. John Thomas of Hedley.

Lina Jenkins is ill in a Memphis hospital. She is reported responding well to treatment and hopes to be able to come home by another week.

G. L. Leeper is seriously ill in a Memphis hospital following a heart attack.

Mrs. E. C. Boliver left Wednesday for a visit in Poteau, Okla.

Mr. and Mrs. Jerald Sims and baby, and Adell Myers of Pampa visited here last week end.

Mrs. Wanda Lee Youree of Amarillo visited here Sunday.

We are glad to see J. E. Murdock able to be out again following his recent operation in a Memphis hospital.

LEGION NEWS

The American Legion's birthday is the next big event. The organization was completed at the St. Louis Caucus, March 15-17 in 1919. This makes this the Legion's 37th birthday. Throughout the nation the birthday will be observed and the 777 posts in Texas have adopted this slogan, "Celebrate and Keep it Great."

Falling on March 17 will be the district convention at Childress. A district commander and a district vice commander will be elected and other business transacted. Since voting strength will be figured on 1956 memberships, Hedley will only be allowed 5 votes instead of 8 votes, unless more memberships are received before the convention, as the post now has only 86 paid memberships. Last year's membership was 158.
