NO. 19

Questions and Answers On Salt Fork Dam

In the near future a confirmation election will be held in the seven area towns concerned to approve or reject the Greenbelt Municipal and Industrial Water Authority, which proposes the dam across Salt Fork of Red River north of Hedley. The Informer is publishing a series of articles in question and answer form to acquaint the voters with the facts concerning this project.

(Continued from last week)

Q: Will it be possible to lower this charge of 25¢ per thousand gallons when any city uses more water than called for in its minimum purchase contracts?

A: Yes. This price will be flexible and subject to reduction as increased water sales are made. As an example, if a contract with a city is made whereby the Authority agrees to sell and the City agrees to purchase a minimum of 500,000 gallons of water daily, the dollar price accruing from this contract at 25¢ per thousand gallons will be \$125.00 daily. This becomes a fixed requirement which can be reduced when the income from the over-all sale of water by the Authority becomes sufficient that the price can be lowered by the Board of Directors. This project being entirely new, it is necessary to make a fixed minimum dollar amount in order to provide security for payment of the debt service on the bonds. However, in order to encourage initiative and aggressiveness by each member city of the Authority it is contemplated that when each city finds a market for an amount of water above its fixed minimum, that the price to the city for this additional water should be reduced to probably as low as 10¢ per thousand gallons, according to quantity of water used. In other words, the more water each city can use, the cheaper will be the gallonage price, thus giving encouragement for water sales to industry.

Q: Does Authority have any immediate prospects for sale of industrial water?

A: Yes, the Authority has an immediate prospective customer for about one million gallons per day, year-round, with possible increases in succeeding ten-year periods. There are also some other

Public Schools Week

The observance of Public Schools Week in our local school will be culminated this Friday night with a program in the high school auditorium beginning at 7:30. Guest speaker will be Judge Luther Gribble of Wellington. Following the program the school will hold open house and everyone will be invited to visit the various rooms and see the students work which is on display.

Mahaffey Withdraws From Sheriff's Race

Ed Mahaffey has authorized the Informer to announce his withdrawal from the race for Sheriff, Tax Assessor Collector of Donley County.

In making the statement, Mahaffey stated that his other business interests would require more of his time than anticipated. "I wish to thank everyone that extended encouragement and those who have been working in my behalf since my announcement," he added.

Walter and James Thomas of Roswell visited R. S. Thomas and family last week.

Stanley Tipton was home from Brownwood last week end.

industries in the area which should be good for purchase of substantial amounts of water.

Q: What has been the history of water sales by similar projects which have heretofore been constructed?

A: Such projects usually follow the pattern that nearing the completion of the project, or as soon as it is assured that the project is financed, construction contracts let, there come unexpected demands for water. It seems likely that such will be the case in this instance; especially after this lake of 100,000 acre feet of water is actually visible.

Q: What will be the size of the pipe line to be used in transporting this water to the various cities?

A: The engineers plan to provide a pipe line of sufficient size that will be capable of delivering twice as much water as the present maximum summertime use in each city.

FFA News

Three FFA boys sent pigs to the Houston Fat Stock Show. The boys from Lelia Lake took the pigs for the Hedley boys. Those who sent pigs are Carroll Cilchrest, John Lee Stevens and Jimmy Don Waddell. Carroll Gilchrist had the reserve champion of the Hampshire class John Lee Stevens placed 3rd with his Poland China in the middleweight class.

The Hedley FFA boys have a number of nice woodworking projects that will be on display at open house Friday night.

J. W. Hargrove

Mr. and Mrs. W. E. Grimsley went to Lubbock Saturday, March 3, to attend the funeral of J. W. Hargrove, who passed away in a Lubbock hospital early Friday morning.

He left his wife, Ora Lee Grimsley Hargrove, and two sons, John age 16, and David age 11.

Mrs. Hargrove is the daughter of the late John T. Grimsley, and grew up in Hedley. J. W. has also lived here. They were married at Littlefield about 1936.

J. W. Hargrove was born in Amarillo in July, 1911. He was a member of the Christian Church from the age of twelve years. Services were conducted by his pastor in the Rix Funeral Chapel, and he was laid to rest in a Lubbock Cemetery.

4-H Club News

Donley County 4-H Club boys made a good showing at the Houston show says County Agent H. M. Breedlove. There were close to 800 steers in the show and over 200 in some classes.

Troy Harrison of Hedley placed 5th in the heavy steers and 3rd in the light steers. Chuck Cosper placed 9th in Angus division and his steer was judged 2nd best Angus in the scramble division and 6th best scramble steer over all breeds. Chuck also won fourth on the best showmanship. Gene Floyd won 17th on his steer.

Donley County 4 H Club members already have 14 steers on feed for next year, and any boys or girls who would like to feed and have not been contacted, should contact the county agent at once.

Farm Bureau News

The Donley County Farm Bureau is sponsoring a chili supper for members and non members at the Lelia Lake School at 7 p. m. on Thursday, March 15. This is a county-wide social to give the farmers and their families an opportunity to get together and have a good time. There will be some musical numbers and films to furnish entertainment.

This event was scheduled for Feb. 2, but was called off because of the snow.

We would like for each family to bring one pie.
