Resolutions of Respect Old Settlers Picnic

Whereas, The Supreme Architect of the Universe in His infinite wisdom has called our Brother Leon Reeves from the fields of labor to rest in that house not made with human hands, everlasting and eternal.

Now therefore be it resolved, that Hedley Lodge A. F. & A. M. no. 991 "Pause for a moment with reverent breath to speak of the Angel whom mortals call death; the gavel has sounded which none disobey, and for our friend true and tried, we sorrow today."

"Who shall ascend into the hills of the Lord?

Or who shall stand in His Holy Place?

He that hath clean hands and a pure heart.

Lord, who shall abide in Thy Tabernacle?

Who shall dwell in Thy Holy Hill?

He that walketh uprightly and worketh righteousness

And speaketh the truth in his heart."

Be it further resolved, that we submit a copy of this resolution of respect to the family of our departed brother, a copy for publication and a third copy to the secretary of Hedley Lodge A. F. & A. M. no. 991 to be regularly entered upon the minutes thereof.

Respectfully submitted,

Carl W. Morris

Card of Thanks

We wish to thank every citizen of Hedley who donated to our drive for the families of the Dumas-Sunray fire victims. We are glad to report that we raised a total of \$80.00, which has been sent to the State Firemen's and Fire Marshals' Assn. for distribution.

We appreciate very much every contribution you made to this worthy cause, and we are keeping a permanent record of these donations.

Notice

I will be at the High School Auditorium Monday, Aug. 20, at 8:30 a. m. to enroll piano pupils.

Mrs. Earl Gibbs

James Reid and family were here last week end from Amarillo.

Make it a point to attend the Old Settlers Picnic Friday and take a full basket. There you will meet old friends and make new ones. This is a fine community and county affair and should be supported by everyone.

Merehants are asked to cooperate by closing their stores at 11 a. m. and coming out to the picnic grounds. The Lions Club and Booster Club are asked to participate by furnishing transportation to the grounds and back for those who do not have ways to come.

Methodist Church

Rev. Bob Oglesby of Booker, who is leading the singing for the revival, was speaker Wednesday morning at a "Man and Boy Breakfast."

Great themes of the Christian faith are being discussed each night by Rev. Jim Boswell of Turkey, and he is using phases of the life of Jesus in the morning services at ten. Children's and youth groups are meeting each night at 7:30. A children's musical program is planned for Friday evening; also, after the service, an ice cream and cake social hour will be held on the church lawn.

Rev. Oglesby will be with the church through Saturday evening; Rev. Boswell will conclude his messages on Sunday morning, and there will be an evening service. On Tuesday night, the number in attendance was nearing 100, and it was hoped that by the end of the week this number would be greatly exceeded.

If you like good congregational singing, special musical numbers in abundance, and compelling preaching on vital issues, attend the Methodist revival. A good fellowship awaits you.

Family Reunion

We will have our regular annual family reunion this year on Aug. 19 at the park in Hedley. We hope to have all the folks home again this year and invite our friends and everyone to visit with us in the afternoon at the park in Hedley.

Mr. and Mrs. J. F. Hill

Bob Bailey and family and Louise Bailey were here Saturday and Sunday from Amarillo.

Donley County Fair

The Donley County Fair, to be held in Clarendon September 14 and 15, promises to be one of the largest fairs ever held in Donley County. One new department, Individual Agriculture Exhibits, has been added this year. Entries in this department cannot be shown in the community exhibits, and ribbons will be given instead of money prizes. Prize money for the community agriculture exhibits and other departments will be worked out as soon as the catalog is sold, says County Agent H. M. Breedlove. Committees are now being contacted, but Breedlove urges all community committees to start to work and follow the old catalog until the new one is off the press. The American Quarter Horse Asso has assured Breedlove that they will approve the Donley County Show for 1956 and furnish the trophies.

Departments for this year's show are Community agriculture exhibits, Individual Agriculture exhibits, Poultry, Home Economics, Flower Show, Horse Show, Home-made Cake Dept., and Merchants Dept.

It is the wonderful cooperation of the merchants and individuals of Clarendon, Hedley, and the entire county that makes the sales of the catalog possible.

Mrs. Jesse Beach and Peggy Wynn have gone to Florence, Colo. to attend a family reunion at the home of the former's parents, Mr. and Mrs. A. J. Friend.

Miss Letha Moss has been recently employed as a cashier-bookkeeper for the Lone Star Gas Co in Memphis. Letha has been employed the past two years as cashier-bookkeeper for West Texas Utilities Co. in Memphis and also Shamrock.

Mrs. R. E. Collier of Fort Worth has been visiting Mrs. W. E. Reeves and Myrtle.

J. W. Cauthen of Clovis has been visiting here.

Miss Mary Alice Hunsucker left Monday for Texas City for her two weeks summer course.

Gene Davis and family of Amarillo visited here last week end.

Mr. and Mrs. T. R. Easterling and Tony of Vernon spent last week end here.

Verrell Leeper and family of Plainview have been visiting here.

THE FORBIS PAMPHLET

Mr. Forbis and the Childress Political Clique are distributing pamphlets throughout the District in an effort to defeat Allen Harp.

* In the pamphlet Mr. Forbis sets out the boxes that he carried in the primary in an effort to show that his character is better and his ability superior to that of Allen Harp. He does not give the results in those boxes where he received practically no votes at all.

* In the pamphlet Mr. Forbis says that Allen Harp has served four terms.

—The truth is that Allen Harp became District Attorney January 1, 1950. You can figure that for yourself.

* The pamphlet further states that Forbis has had six and one-half years active criminal and civil practice.

—The truth is that the Williams, Broughton and Forbis law firm does not practice criminal law at all — Mr. Forbis has not had any criminal practice (The District Attorney's office is concerned only with criminal law). In fact Mr. Forbis has had practically no court room experience even in civil law.

A CHARACTER ASSASSINATION CAMPAIGN

Never in the annals of local politics has there been a character assassination campaign comparable to the one that is being waged against me. The Childress Political Clique which has sought to control Childress through the years has always tried to defeat me because I have prosecuted the high and the mighty on the same basis as those of low estate and have not submitted to any control from any person or group of persons. The enmity created in nearly every county through prosecutions has added its weight on the side of the Childress Political Clique. The members of the clique are fanning out into the other counties carrying Forbis literature and false stories about me.

I have been married but one time. My wife and I have been married and living together as man and wife for more than twenty-one years. We have never lived apart from each other except for a part of the time that I was in the Service during World War II. We have a boy 15 years of age and a girl 12 years of age. We have attended Church regularly, although I did not start preaching when I started running for District Attorney. My wife and I are attempting to rear our children in a good home. You will note that I use the word "good" instead of "Christian". The term "Christian" has been so prostituted by political demagoguery as to become, in the words of the Apostle Paul, "as sounding brass or, a tinkling cymbal" when used in connection with a campaign such as this. I have been guilty of no offense of any nature of which my opponent has not been guilty. I have not attacked the character of my opponent either directly or indirectly. I have sought reelection purely on my qualifications with the sincere belief that a majority of the people want to elect the best qualified person for public office, especially an office with the responsibility of the District Attorney's office. It is on this basis that I submit to you my plea for reelection. I will certainly appreciate your vote on August 25th.

Respectfully submitted,

Allen Harp

IN BEHALF OF

ALLEN HARP

HEED THE WARNING !!

In the City of Childress a general telephone rate raise was granted effective September 10, 1951. The ordinance passed on that date included two rate raises both of which are now in effect and amount to an increase to the residential telephone user from \$2.50 per month to \$4.75 per month. The raise granted almost doubled the rate. Mr. Forbis, a junior member of Williams, Broughton, and Forbis, was City Attorney during the time the hearing was held before the City Council. Mr. Broughton, a senior member of Williams, Broughton & Forbis, represented the Southwestern Bell Telephone Company at the rate raise hearing. You can be the judge of who won the case. At the time of these hearings the City Attorney's salary was made payable to Williams, Broughton & Forbis. As a matter of fact, the salary was so paid until January 31, 1956, when the salary payment was changed and made payable to John T. Forbis. (They must think the public is really gullible.) This law firm is not content with its hold on the City of Childress and Childress County but now seeks to elect its junior member District Attorney.

Do you want the District Court operated in the manner of the City of Childress? Forbis has stated in open court on several occasions, a couple of years ago, that he had no interest in criminal law; that he didn't want anything to do with criminal law and that the District Attorney's job was one job he wouldn't have under any circumstance. WHO caused him to change his mind and WHY? Of course, the additional revenue and other advantages of the office appeal to the law firm of Williams, Broughton & Forbis. On the other hand there is the Childress Political Clique which has attempted to control Childress through the years and are now attempting to grasp power in the District Court. We believe that the people of Donley County will defeat them in this effort by defeating their favorite candidate for District Attorney.

HARP'S OPPONENT

The law firm of Williams, Broughton & Forbis does only civil practice and does not do criminal practice. You say, what is the difference? The difference is this — take two doctors, one is a dentist and the other a medical doctor. There is as much difference between criminal and civil law. The District Attorney handles the more serious criminal offenses for which a person may be sent to the penitentiary. It is an office of purely criminal law. Mr. Forbis has never tried a criminal case. According to officials of our District Court he has never had the full responsibility for trying any contested civil case in the District and very limited courtroom experience of any nature.

ALLEN HARP

- ... does not represent any corporation or any other interest that might conflict with his duties as District Attorney.
 - ... served Childress County for two years and three months as County Attorney before becoming District Attorney.
 - ... has served this District well as District Attorney for about six and a half years.
 - ... has performed as District Attorney over and beyond the call of duty. He has appeared in county and justice court cases when requested to do so by the grand juries or the County Attorney.
 - ... has been District Attorney. He has not permitted any person or group of persons to dictate to him. The Childress political clique has not been able to control him but he has had the courage and integrity to prosecute all persons on an equal basis regardless of the pressure brought on him and the political consequences.
- It appears to us that all citizens interested in the District Attorney's office being free from control by pressure groups — those who believe in justice and fair play and those interested in the protection of their life, liberty and property; would rally to the support of Allen Harp and give him an overwhelming majority vote on August 25th.

Soil Conservation News Appreciation Day

Is guar a soil improving crop? Mr. Ashcraft thinks so from what he has seen while working for Hall Hardin. He reports that last year Hall Hardin had a strip of guar across one field of the Rundel place and this year planted cotton in rows that crossed this strip where guar was last year. According to Mr. Ashcraft the cotton is four to six inches taller in the strip where the guar had been than it is on the land where guar has not been.

It will be interesting for those considering whether or not they should plant guar as a soil improving crop to check on this area and form their own opinion as to its value.

A number of good reports have been received on the value of guar by technicians of the Soil Conservation Service assisting the Donley District, and it is hoped that factual information on increased yields and pictures can be obtained this fall.

Your prescription's purpose is to provide you with preparations important in restoration or improvement of the health of the person for whom it is intended.
