HEDLEY, DONLEY COUNTY, TEXAS, AUG. 24, 1956

NO. 43

## Old Settlers Picnic

The Donley County old settlers held their annual reunion last Friday with the usual old fashioned get-together at Tate Grove. The officers, who were Clifford Johnson president, Tommy Bain vice president and Mrs. Kathryn Latimer secretary, did a fine job of organizing and an unusually good program was presented.

Flip Breedlove was master of ceremonies. The welcome was given by J. W. DeBord and the response by Bob Ayers. Other numbers on the program included a barber shop quartet and pantomime number brought by Mr. Drennan from Clarendon, musical numbers by Nancy Hinds and Loveta Houdashell, two songs by Vee Latimer, a quartet led by Malcolm Glass, songs by Mr. and Mrs. Rex Willoughby and Tommy of Winnsboro, string music by Jack Woodard, Leon Doherty, and R. L. Beach, and an original poem dedicated to the pioneers by Mrs. T. J. Cherry. All the local candidates were also present and made talks.

Everyone enjoyed the program, the usual big dinner and the opportunity to visit together. Mrs. Mattie Clark, 92, was given the award as the oldest lady present. Mitch Bell was gone when the awards were given, so the award for oldest man present went to Frank Kendall and J. B. Master-son, each 81 years old. The farthest travelers were Mr. and Mrs. T. J. Coffay of McAllen. She was the former Anna Alexander of Hedley. Flowers were given to Mrs. W. I. Rains as co-founder of the picnic.

New officers elected were Tommy Bain president and W. H. Clay vice president. Mrs. Kathryn Latimer was reelected secretary.

## Second Primary

Don't forget to vote in the second primary election Saturday.

Mrs. Pauline Leggitt is now setting type in the Informer office.

Mr. and Mrs. Fred Watt went to Kaufman Sunday and brought their grandchildren, Kay and Mike Ayres, back with them for a visit.

Leroy McKee is visiting here from Seattle, Wash.

## Injured in Wreck

Dr. D. H. Cox was painfully injured in a collision north of Clarendon Tuesday when he was thrown from his car and slid along the pavement. He was taken to a Groom hospital, where the x-ray showed no bones broken. He was treated for lacerations, bruises and abrasions.

Mrs. Dick Eickelberger, driver of the other car, was brought to Clarendon and treated for shock and bruises.

## Methodist Church

Attendance continued building up each night of the revival last week, passing 100 on Wednesday and reaching a high of 140 on Friday for week night services. Morning figures were from 25 to 37. With other churches turning out for the final service, approximately 150 were present. In many ways our church and community took the visiting evangelists to their hearts and this was a great revival. There were two additions to the membership and a rededication.

Rev. James Glasscock will be featured speaker for a "Youth Night" program at the church on Wednesday evening, Aug. 29. At that time a choral group of high school girls will also sing. The general public of all ages is invited. The parsonage family will be away on the first Sunday in September. Lay Leader Carl Morris will be in charge of the morning service. Aubrey Lee Cherry will lead a youth group in a discussion of church and community needs in the evening hour.

Next Sunday the pastor will preach at both services.

## LIONS ROAR

This week is regular Lions Club meeting with the Lelia Lake ladies feeding. Eating time is 8 p. m. A family barbecue will be held Thursday night of next week, the Cotton Festival and other matters will be discussed. District Governor Don Stark of Amarillo and other out of town visitors are expected. Come out for a good program and a good feed.

The Billy C Johnson family of Corpus Christi have been visiting here.

## Hedley P.-T. A.

The first meeting of the P. T. A. for this school year was held Monday night at the City Park. The informal meeting served as a "get acquainted" time for the parents and teachers.

Mrs. A. G. Alexander, president welcomed those present and Supt. J. S. Hinds introduced the new teachers. District Attorney Allen Harp was the speaker for the evening.

Following the program ice cold watermelon was enjoyed by all.

The membership committee is now busy enrolling members. Please see them and get enlisted to help with P. T. A. work this year.

## Jenkins-Adams

Miss Joyce Adams, daughter of Mr. and Mrs. V. S. Adams of Pampa, and Bill B. Jenkins of Pampa, son of Mr. and Mrs. W. A. Jenkins of Hedley, were married at 7 p. m. Aug. 11 in the Central Baptist Church in Pampa.

Rev. Carroll B. Ray officiated for the double ring ceremony, performed before a setting of baskets of white gladioli and candelabra with blue tapers. Music was provided by Mrs. John Gill, organist, and Mrs. Mack Hiatt Jr., vocalist.

Given in marriage by her father, the bride wore a gown of Chantilly lace and tulle. The princess style lace bodice was fashioned with a v-neckline and scalloped wing collar, and long lace sleeves that came to points over her hands. The bouffant, waltz length skirt of lace was accented with a wide flounce at the bottom. Her waist-length veil of illusion fell from a lace tiara embroidered with seed pearls. She carried a bouquet of stephanotis, centered with a white orchid, over a white Bible.

Miss Ruby Shelton served as maid of honor and Miss Sue Adams was candle lighter. John Jenkins served as best man and ushers were Glen Adams and Bob Hudson. Mrs. Roscoe Glenn registered the guests.

For her daughter's wedding, Mrs. Adams wore a navy blue crepe dress with white accessories. Mrs. Jenkins, mother of the groom wore a rose beige dress with a floral print. Her accessories were black. Both wore corsages of white carnations.

## Hedley Schools Open

The 1956-57 term of school got under way Monday morning with an assembly in the high school auditorium which was well attended by parents and patrons. A group of high school girls sang songs and led the audience in singing America the Beautiful. Rev. James Glasscock made a very interesting and inspiring talk.

New members in the faculty this year are Mrs. Ed Boliver, first grade teacher; Miss Hazel Coursey, fifth and sixth; Don Haskins, seventh grade and coach; Mrs. McMurtry, homemaking; Connie DeBord, science teacher; and Mrs. Miller, public school music.

**Just a Word To The Voters**

Time is fast approaching the Second Primary election which is Saturday, August 25th. I wish to take this means of asking for your consideration as I know there are many of you whom I have been unable to see personally. It was my desire to see and talk with each of you personally but it was not possible for me to do this and continue to discharge the duties and obligations of this office for which I was elected two years ago.

I believe my past experience and my record as a peace officer in Donley County will merit your consideration and vote.

I would like for you to compare Donley County's Crime Record during the past four years which I believe to be below average in this territory . . . consisting of four burglaries, one assault with intent to murder, being the major crime in Donley county during this period.

The Tax Office shows approximately 85% collections on all taxes. The office is now running over \$50,000 in vehicle registration fees for the first time in many years.

I believe this would merit your consideration in casting your ballot in my behalf on August 25th.

**I have been opposed . . .**

. . . in this campaign by many of those who have disobeyed the law and are now out for revenge by putting out various propoganda in an attempt to defeat me. If I had not enforced the law where these persons were involved, you, as citizens and voters, certainly would be doing the right thing by voting against me. I have tried my best to show no partiality in upholding the law, and I will continue to enforce the law as it should be if re-elected Sheriff, Tax Assessor-Collector of Donley County.

I appreciate the efforts of all those working in my behalf and the consideration you will give me in making your choice for this office.

Your vote will be sincerely appreciated.

## Before You Vote I Want You to Know

First: I am proud of the training and experience I've received. I am a graduate of Wellington High School, hold a law degree from S. M. U., have practiced law 6½ years in Childress, and have served Childress as City Attorney for 6 years. I'm also proud to have been admitted to partnership with C. A. Williams and C. C. Broughton within one year after my graduation from law school.

Second: In my campaign for the office of District Attorney, I have not engaged in low level, name calling, mud slinging tactics, nor do I now intend to be led into such tactics by a desperate politician.

Third: I want to remind you that I was given a strong majority of the votes in the First Primary in Childress County, where both of your candidates live. Who is better able to judge the merits, qualifications and character of a candidate than the people among whom he lives.

Fourth: I am very grateful for the splendid vote I received in Donley County in the First Primary. Your continued active support will be deeply appreciated.

**I WANT TO BE YOUR  
DISTRICT ATTORNEY**

**John T. Forbis**

**We urge you to vote for---**

## ALLEN HARP FOR DISTRICT ATTORNEY

**BECAUSE ALLEN HARP IS THE BETTER  
QUALIFIED TO PERFORM THE DUTIES  
OF THE OFFICE**

Allen Harp has presented facts in this campaign that have not been denied. He has correctly informed the voters of the qualifications of the two candidates.

His opponent has published advertisements in every newspaper in the district (except in Childress) stating he has had 6½ years experience in the practice of criminal law.

He has distributed a folder in every county in the district (except Childress county) stating he has had 6½ years experience in practicing criminal law.

**Why did he not distribute this folder or run  
this advertisement in Childress County?**

The answer is obvious. The people of Childress county know that Mr. Forbis has not had one day's experience in the practice of Criminal Law.

Mr. Forbis has said that Allen Harp had only 2½ years experience when appointed District Attorney. But he did not tell you the 2½ years was spent as County Attorney of Childress County, which consists entirely in the practice of Criminal Law.

We urge you to vote for Allen Harp, because Allen Harp has not misrepresented the facts.

**WE SUBMIT TO YOU THAT A CANDIDATE WHO WILL MISREPRESENT THE FACTS TO GET ELECTED, WILL MISREPRESENT YOU IF ELECTED.**
