Eighth Grade Banquet

The Eighth Grade gave their annual banquet last Saturday night in the school lunch room, honoring their room mothers and teachers.

Theme of the banquet was "Bon Voyage." The table was laid with white with a blue strip in the center covered with white flowers, carrying out the nautical theme. The centerpiece of a lighthouse filled with red carnations, and the nut cups in the form of boats, continued the chosen motif. Flowers and ivy in the windows formed the background for the affair.

J. M. Baker gave the invocation and Mrs. Roy Alexander gave the welcome, responded to by Patsy Alexander. Songs were rendered by a group of high school girls, and J. S. Hinds made the address.

The menu included tomato juice cocktail, ham loaf with pineapple spears, cloverleaf rolls, iced tea, sea foam salad, green beans, new potatoes, deviled eggs and cherry ice box pie.

Members of the Seventh Grade who served the meal were Carolyn Stephens, Sue Cox, Sarah Spalding, Cecilia Hoggard and Patricia Houdashell.

Following the banquet, the centerpiece was presented to Mr. and Mrs. J. M. Baker.

Special guests for the occasion were Tony Davis and Johnnie Dickson, former members of the class.

The arrangement committee for the Lions 15th Anniversary of Charter night meeting will report. This meeting will be held next Thursday night, May 23rd, at 8 p. m. All Lions who were members 15 years ago and their wives have been invited to attend and all who will take part in the meeting. Also several out of town guests are expected. Come and bring the ladies. This should be our biggest meeting in several years.

Card of Thanks

I want to take this opportunity to thank the good people of Hedley and everyone, for the cards, flowers, visits and contributions given me while I was in the hospital. May God bless each and every one

John Cooper

Mr. and Mrs. R. E. Watson and son Johnnie of Amarillo and Mr. and Mrs. Jett Hoggard and daughter Jeanie of Plainview visited their Mom, Mrs. H. Hoggard, on Mothers Day.

Buddy Reeves is reported still very low as we go to press.

Hoover Harrison and family of Amarillo and L. J. Wade and family of Borger spent last week end in the V. F. Wade home.

Giles Picnic May 30

Yes siree, there will be a Giles Picnic again this year! The date for the gala affair is Memorial Day (May 30th) The place is the Giles Picnic Grounds on the bank of Buck Creek in the shade of the big old cottonwoods. Feasting, fiddling, and fond recollections will be the order of the day.

Bob Ayers of Memphis will MC the festivities which are scheduled to begin at ten o'clock and last throughout the day. There'll be a platform for dancing and seats for the weary. And, of course and by-all means, there'll be plenty of "howdying," hand-shaking, hugging, and visiting when folks gather in from miles around for the all day celebration at Giles.

As to the Feasting, an Aberdeen Angus beef from The Caprock Angus Farm, owned and operated by Mr. and Mrs. Lowell Houston of Memphis and Giles, will be barbecued by Flip Breedlove of Clarendon. Good red beans, and stewed apricots will make it a "feast fit for a king" but some fried chicken cakes, and pies would make it even better. So, don't come empty handed! Bring something even if it's a cold sweet potato. Watch the papers for further details of plans. Y'All Come To Giles! Boys shine your boots. Girls braid your hair.

Pack a basket lunch and be sure you're there
When the fun gets started along about ten
Head toward Giles and bring a friend!

It's May 30th and I insist
You simply can't afford to miss
The Giles Picnic!

First Baptist Church

We will dismiss after Sunday School next Sunday May 19, for the baccalaureate sermon which will be delivered at the eleven o'clock hour in the high school auditorium.

Services as scheduled for Sunday night. The training union meets at 7 with the evening worship at 7:45 There will be baptizing at the close of the preaching hour.

Our Vacation Bible School will be June 3 through 7. All children are invited to attend.

Lt. Col. Rex Kendall has returned from Korea to Seaside, Calif., for a 30 day furlough.

Hedley P.-T. A.

Mrs. A. G. Alexander was re-elected president of the P T A. Monday night at the regular meeting. Other officers were Mrs. James Evans, vice president; Mrs. L. O. Thompson, secretary; Mrs. Jerry Stotts, treasurer; and Mrs. A. E. Ranson, parliamentarian.

Carl Morris was leader of the program and Bill Wiggins gave the invocation. Mrs. Elvia Dav-enport made a brief talk on P T A work and installed the new officers

The curtains, which the P T A bought for the stage of the high school auditorium, arrived this week and have been hung. The curtains are a lovely shade of gray and hang across the back of the stage. They add much to the attractiveness of the stage and will be of great help in decorating the stage for the close of school exercises.

Cake, coffee and punch were served during the social hour.

Methodist Church

The M Y F meets at seven, and the regular evening worship service is at 8. Some of the young people will be involved in one way or another in the Clarendon Junior College observance on Sunday evening, and so the regular third Sunday evening youth service has been postponed a week. There will be only 4 services before the annual conference meets at San Jacinto Methodist Church in Amarillo May 28-31. The pastor is a member of the conference board of ministerial training and qualifications, which had a preliminary meeting at Lubbock on May 7 and will meet most of the May 28 before the communion and memorial services begin at 7:30 P. M.

Do you say you do not have the proper clothes for church? God is satisfied with the best you have. Do you say you are tired? The Church through the centuries has had little help from rested people. Do you plead the presence of visitors? God made the Sabbath for rest and worship and somehow expects you to put Him first. Some people even seem to get a blessing from taking their company to church with them. "I would not be denied."

Mr. and Mrs. Milt Mosley spent Mothers Day in the Jiggs Mosley home in Amarillo.

**HERE'S WHAT MAKES
THE COOL**

TWO SPEED MOTOR—Controlled Cooling

Full cooling capacity for hot torrid days to a soft caressing whisper for moderate days or late evening is at the user's command with fingertip control of the special two-speed motors on all Essick-built coolers with a "2" following model number. Depending upon temperature conditions, with two-speed motors, the cooling can be varied to suit the personal desires and requirements of the individual user and provides the last word in modern comfort.

The use of two-speed motors will increase the use of cooling equipment as much as 50%, as there are many days when full capacity of the cooler is not required and, unless the cooler is equipped with a two-speed motor, the cooler is turned off and the users are deprived of many hours of comfort.

Be sure and ask us to show you the advantages of the two-speed motor.

Be happy!

The Hedley Parent-Teacher Ass'n wishes to thank the people of this community for their interest and support during the past school year. Our Free Public School system is a priceless heritage that we shouldn't take for granted. We should in fact be eager to use our influence and even financial aid when necessary to help in maintaining good schools.

The children of the community are the responsibility of all who live here, because they are tomorrow's leaders. And the P T A as an organization is interested primarily in helping the children and youth at this place to grow into sound minded citizens who will be able to cope with the problems of tomorrow.

The P T A this year has purchased a back drop curtain for the stage, a book on local history for the library, a picture for each class room and plans are under way to buy a utility food mixer for the lunch room. We hope to have a better year next year, and can with your continued support.
