## School Bus Law

Three state agencies joined today in urging the continuation of a state-wide program to acquaint the public with the Texas law requiring all vehicles to stop when approaching a school bus loading or unloading children.

The Texas Education Agency, the Texas Highway Department, and the Texas Department of Public Safety are making a joint request that school superintendents, newspapers, radio stations, and television stations participate in efforts to acquaint drivers with the school bus law.

"Superintendents and news editors performed an outstanding public service in this safety campaign last year," said J. W. Edgar, Commissioner of Education. "Yet 7 lives were lost during the year in collisions involving school buses. There is a continuing need for a program of safety education."

There were two more fatalities during 1956-57 than were reported to the Department of Public Safety in 1955-56. The total number of accidents reported declined, however, from 379 to 335. (During the past year the Highway Department erected signs on all major roads warning motorists of the safety measure.) The law says in effect, that upon meeting or overtaking a school bus which has stopped on the highway for the purpose of receiving or discharging children, the driver of any vehicle shall stop immediately before passing. After coming to a stop the driver of the vehicle can proceed with due caution at a speed which is prudent and does not exceed ten miles per hour. The law does not apply within city limits.

Vehicles are not required to stop on highways with separate roadways when the bus is on a different roadway from that of a passing vehicle. Vehicles are not required to stop if the school bus is stopped in a loading zone which is a part of or adjacent to a controlled-access highway and where pedestrians are not permitted to cross the roadway.

All public school buses are painted yellow and have "School Bus" painted in large letters on the front and rear of the bus. They are equipped with flasher lights usually mounted high on the front and rear of the bus. These flashing lights are used only when the bus is in the process of stopping or

## First Cotton Ginned

Woodroe Farris brought Hedley's first bale of cotton in last Saturday morning. It was ginned by the West Texas Gin free of charge and weighed 440 lbs. It was bought by the Hedley Booster Club for 40¢ a pound and will be used to advertise the Cotton Festival.

A few minutes later the second bale was brought in by E. V. Driver. It was ginned free of charge by the Paymaster Gin and weighed 438 lbs. The Paymaster Gin purchased the bale for 40¢ a pound.

## To Cotton Farmers

Leaders in the cotton industry are concerned with the future of cotton. It has been announced recently that if present trends continue the total market for U. S. cotton could shrink to eight million bales in a few years. On the other hand, the situation could be improved to a sixteen million bale market within the same time if the proper efforts are made.

Cotton farmers of Hall and Donley Counties are invited to attend a meeting at the Palace Theatre in Memphis next Friday, Sept. 20, to discuss cotton's problems and future opportunities. Staff members from the National Cotton Council are expected to bring the latest information available on this matter.

The meeting will begin at 2:30 P. M. and should be over by 4:00.

## Tilson the Magician

For Monday night at the Hedley Theatre the Lions Club has secured in connection with the Festival Queens first appearance, T. G. Tilson and his magic show. Mr. Tilson, known as one of the greater magicians of West Texas, will present a full hour show of Modern 20th Century miracles from his repertoire of over 50 Acts of Modern Magic.

Come out, pick your favorite Queen candidate, see this good show and help your community. If enough local interest is shown the Theatre may be reopened.

Mrs. Royce Hall left Monday for Thalia, where Duane Naylor is in the hospital.

is stopped to receive or discharge children.

## Weldon G. Simmons

Weldon Glenn Simmons was born at Logan, N. Mex., July 24, 1922, and passed away in Phillips-Dupre Hospital at Levelland Sept. 12, 1957.

He was a pumper for Pan-American Petroleum Co. and had lived in Levelland since 1947. He was buried in the Levelland cemetery.

Weldon graduated from Hedley high school in 1939. He enlisted in the U. S. Army Air Corps Oct. 28, 1942, and was discharged Nov. 30, 1945.

Weldon obeyed the Gospel at Hedley.

Weldon was married to Miss Inez Stout at Quail June 20, 1942. Survivors include his wife, Inez, three daughters, Beth, Barbara and Sandra, all of Levelland, his parents, Mr. and Mrs. N. A. Simmons of Hedley, one sister, Mrs. Levonia Messer, and three nieces, Ellen Messer, Edith Messer and Ann Ruth Messer, all of Wellington.

## Methodist Church

The presence of a good number of young people in both services Sunday was encouraging; also several visitors. The overall number present on Sunday evening was above the average.

A change in plans has postponed the presentation of an unusual Sunday morning service, featuring instrumental music and the sermon. It is hoped to present this very soon. We will have the regular service Sunday.

Kathleen Spalding, new sub-district M Y F president, gave the devotional at Memphis Monday evening of last week at the district meeting. A total of five from Hedley attended.

## Queen Contest

Candidates for the Sixth Annual Hedley Cotton Festival Queen will appear on the stage of the Hedley Theatre next Monday night at 9 p. m. Any single girl attending either Lelia Lake, Quail or Hedley High school is eligible to compete in the contest. It is hoped that more girls enter this year as the girl will receive a valuable award whether she wins or not. Sponsors will be drawn and the contestants may go to work. The contest will close at 6 p. m. Wednesday Oct. 23.

## Hedley P.-T. A.

The PTA will have their first meeting of the year next Monday night, with Mrs. R. A. Shaw leader. Theme for the year is Ventures in Partnership. We hope to have the yearbooks ready to distribute, and expect to have a film strip.

## Cotton Festival

Every member of a Festival committee is urged to meet at the Lions Den at 7:30 p. m. Thursday night of this week, also anyone else interested in helping with the Festival. We hope to have a lot of good reports at this meeting.

## Card of Thanks

If you are miserable and worn out because of these discomforts, Doan's Pills often help by their pain relieving action, by their soothing effect to ease bladder irritation, and by their mild diuretic action through the kidneys—tending to increase the output of the 15 miles of kidney tubes.

So if nagging backache makes you feel dragged-out, miserable... with restless, sleepless nights... don't wait... try Doan's Pills... get the same happy relief millions have enjoyed for over 60 years. Get Doan's Pills today!
