NO. 33

LIONS ROAR

This week is regular meeting with the Methodist ladies of Lelia Lake not only feeding but furnishing the program as well. A good crowd is expected. Meeting time is 8 p. m.

On Thursday night, June 26, the new officers and directors of the club will be installed and will take office the first week in July. Judge R. E. Drennan of Clarendon will be in charge of the installation and will also furnish the program.

As soon as the new officials take over, a meeting will be called of the Cotton Festival committees and plans for the Seventh Annual Cotton Festival will be outlined. It is hoped that an earlier date can be set for the Festival this year.

First Baptist Church

Next Sunday, June 15, will be Fathers Day. We want a large group of fathers present for Sunday School and Training Union. The morning message will be in keeping with the day.

Sunday, June 22, we will have the dedication service of the new sanctuary. An all day program is being planned and will be printed in the paper next week.

We are inviting the public to attend with printed invitations going to those out of town.

All the local members are urged to bring a well filled basket lunch to help feed visitors from out of the city. Of course we want everybody to stay all day.

The building will be comfortable and cool.

Card of Thanks

I wish to take this means of thanking all my friends for the many nice cards and gifts and for the visits paid me while I was ill. Your kindness will never be forgotten.

New Pharmacist Here

Hedley needs a pharmacist, and we are glad to welcome Mr. Pope to our community.

Methodist Church

The new annual conference year got off to a fair start in attendance on Sunday. We are reminded not to take a vacation from church this Sunday. If you have company, accompany them to church; if you are visiting, go to church. That way you will not be telling people things on Monday that you do not believe yourself. Next Sunday is Father's Day, when old dad will be smothered with gifts bought with money squeezed from him earlier. Of course he knew what the game was, all along. Do not paint him a lot brighter than he is, or it will embarrass him.

The quarterly conference elects a recording steward, who usually serves as secretary for the actual sessions. Ross Springer holds this office for 1958-9. The other basic operating unit of the Methodist Church is the annual conference, which does its work mostly by committees and boards. Your pastor is a member of the board of ministerial training and qualifications, and his specific task is working with the men in the conference course of study in the second year, and those coming up for deacon's orders. There are 18 men in all on this board. The annual conference, through the bishop and nine district superintendents, makes the pastoral appointments, providing for orderly changes as need arises. The bishop makes special note, in reading the appointments, of those men beginning the fifth year or later in a charge. You can count them on your fingers, and save the thumbs to scratch your nose.

Mr. and Mrs. Jiggs Mosley of Amarillo visited here Sunday.

Mrs. Ruby Bromley of Clarendon and Mrs. M. W. Mosley visited in Pampa Sunday afternoon.

Lee Everett is visiting in Grand Saline.

Democratic Dinner

Every one interested in good government is invited to a dinner to be held in Plainview June 16th honoring Democratic elected officials and Democratic party candidates. Governor Price Daniel will be the speaker. The dinner will be held in the new Armory Building at the Airport site on the Lubbock highway just south of Plainview.

Already over 400 tickets have been requested outside of Hale County. The Armory will accommodate a large group.

Tickets in Donley county may be secured from William J. Lowe of Clarendon. Tickets are \$2.50 per plate.

As Democratic County Chairman of Hale County Gene Owen will be official host. People over the 15 county area of the 30th Senatorial District are invited.

The purpose of the meeting is to unite the Democratic party under the majority.

John Thomas Boyd of Plainview is chairman of the committee that planned the dinner program, and D. E. Mouser and Joe Webb of Plainview have charge of the food and table arrangements.

Receives Certificate

J. H. Stone of the Waco Office of Commercial Credit Corporation has received a certificate of graduation from the Company's Training School in Baltimore, Maryland.

The Training Classes involve all elements of instruction in sales financing, including products sold by dealers such as automobiles and major home appliances, as well as the financing of automotive and commercial refrigeration machinery and equipment.

Mr. Stone has been employed by Commercial Credit for approximately nine years.

The J. T. Floyds of Bowie visited here the first of the week.

Miss Hazel Coursey left Monday for a visit to Paris, Texas.

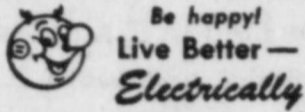

W. M. Biffle is driving a new 1958 air conditioned Ford.

Mr. and Mrs. W. A. Pierce attended the 20th wedding anniversary of Mr. and Mrs. Pete Rigsby at Estelline Sunday.

 YEAR 'ROUND AIR CONDITIONER**

Scientists have known for years that enough natural heat exists in outdoor air, even in the coldest weather, to heat every home in the world. If this heat could be extracted... concentrated... and brought indoors — what a solution to everyone's heating problem!

But that's just what a summer air conditioner does... in reverse. It extracts and concentrates indoor heat and moves it outdoors.

The All Electric Heat Pump Air Conditioner is an air conditioner that can reverse itself automatically to cool or heat as needed to maintain indoor comfort at an even level. An improved reverse-cycle valve, sensitive to indoor temperature changes of even a few degrees, switches from cooling to heating and back again automatically... to maintain the comfort level at which you set the thermostat.

COMPLETELY AUTOMATIC

The Electric Heat Pump is completely automatic. During changeable weather, even if it is within the hour, the Heat Pump will switch from heating to cooling and or back again as the temperature changes require.

You do not need to change the temperature dial, you just set the thermostat for the temperature you desire and forget it. The Electric Heat Pump is the ONLY completely automatic Air Conditioner.

Baseball News

Hedley will play Umbarger here
next Sunday at 2:30 p. m. Umbar-
ger is supposed to have a good
young team and the locals should
have a tough time of beating them.
However Hedley expects to be at
full strength and the fans should
see one of the best games of the
season.

One bad inning cost Hedley the
game at Nazareth last Sunday.
Playing errorless ball and leading
all the way until the 8th inning
the locals blew up in the last in-
ning. Two errors, two hit bats-
men, one walk, and an infield hit
gave Nazareth 4 runs and the ball
game. The score was 8 to 6.

Bob Lesley pitched for Hedley
until relieved by Don Haskins in
the 8th. Hedley got 10 hits to
Nazareths 9 and made 2 errors to
Nazareths 4. It just wasn't their
day to win. Better luck next
time.

Mrs. Fannie Reynolds went
back to Dallas Monday night for a
checkup.

Mrs. Tige Hill was brought home
Saturday night from a Memphis
hospital, where she had been quite
ill.
